Yes No N/A

- M. Water Quality Management Plan (WQMP)**, if applicable.
- N. Property Owner's List.**
- a. The Property Owner's List shall be typewritten and submitted with application form.
- b. The list shall include the property owner's name and all occupants/tenants of commercial and industrial space, mailing address and Assessor's Parcel Number of each property located within 500 feet shall be measured from the exterior boundaries of the subject parcel to the exterior boundaries of the neighboring parcels.
- c. The list shall be obtained from the latest available assessment roll of the Assessor of Orange County and Los Angeles County.
- d. Three (3) separate lists of property owner's names and all occupants/tenants of commercial and industrial space, mailing addresses and Assessor Parcel Numbers shall be prepared and certified. Two (2) of the lists shall be provided in the form of self-adhesive mailing labels. **THESE LABELS MUST CONTAIN THE PHRASE "OR OCCUPANT." First class postage stamps, or a check for the amount of postage, are required for the mailing.**
- e. The list shall be certified and notarized on an approved affidavit furnished by the Los Alamitos Community Development Department.
- O.** Any additional information that may be required by the Community Development Department to support said request.

In accordance with the Permit Streamlining Act, an agency must determine if an application for a development project is complete within thirty (30) days or notify the applicant that the application is incomplete.

Once the application is determined to be complete, the lead agency must then determine within thirty (30) days whether an environmental impact report (EIR) or negative declaration is required for the project, or whether the project is exempt from the California Environmental Quality Act.

FINDINGS FOR A CONDITIONAL USE PERMIT (CUP)

The Los Alamitos Municipal Code requires that the Planning Commission must be able to make each of the following findings before granting a Conditional Use Permit.

Yes No

1. The proposed use will not endanger public health, safety, or general welfare if located where proposed and developed; and that the use will or will not allow conditions which tend to generate nuisance conditions including but not limited to noise, glare, odor, or vibrations.
2. The proposed use does meet all required conditions and specifications set forth in the zoning district where it is proposed to be located.
3. The location and character of the proposed use, if developed according to the plan as submitted for approval, will be in harmony with the area in which it is to be located and in general conformity with the Los Alamitos General Plan.
4. The decision to approve, conditionally approve, or disapprove the application for a Conditional Use Permit is based on substantial evidence in view of the record as a whole before the Commission, or Council on appeal.

FINDINGS FOR A SITE PLAN REVIEW (SPR)

The Los Alamitos Municipal Code requires that the Planning Commission must be able to make each of the following findings before granting a Site Plan Review.

Yes No

- The design and layout of the proposed development are consistent with the development and design standards/guidelines of the applicable zoning district.
- The design and layout of the proposed development would not interfere with the use and enjoyment of neighboring existing or future developments, and would not create traffic or pedestrian hazards.
- The design of the proposed development would maintain and enhance the attractive, harmonious,

and orderly development contemplated by this chapter.

- | Yes | No | |
|--------------------------|--------------------------|---|
| <input type="checkbox"/> | <input type="checkbox"/> | The design of the proposed development would provide a desirable environment for its occupants and visiting public as well as its neighbors through good aesthetic use of materials, texture, and color, and would remain aesthetically appealing and retain an appropriate level of maintenance. |
| <input type="checkbox"/> | <input type="checkbox"/> | The proposed development would not be detrimental to the public health, safety, or welfare or materially injurious to the properties or improvements in the vicinity. |
| <input type="checkbox"/> | <input type="checkbox"/> | The proposed development would not substantially depreciate property values in the vicinity. (Ord. 688 § 1 (part), 2006) |

FINDINGS FOR A GENERAL PLAN AMENDMENT (GPA)/ZONING MAP/ZONING ORDINANCE AMENDMENT (ZOA)

The Los Alamitos Municipal Code requires that the Planning Commission must be able to make each of the following findings before granting a General Plan Amendment, Zoning Map, or Zoning Ordinance Amendment.

- | Yes | No | |
|--------------------------|--------------------------|---|
| <input type="checkbox"/> | <input type="checkbox"/> | The design and layout of the proposed development are consistent with the development and design standards/guidelines of the applicable zoning district. |
| <input type="checkbox"/> | <input type="checkbox"/> | The proposed amendment ensures and maintains internal consistency with the actions, goals, objectives, and policies of the general plan, and would not create any inconsistencies with this zoning code, in the case of a zoning code amendment. |
| <input type="checkbox"/> | <input type="checkbox"/> | The proposed amendment would not be detrimental to the public convenience, health, interest, safety, or welfare of the city. |
| <input type="checkbox"/> | <input type="checkbox"/> | The proposed project has been reviewed in compliance with the provisions of the California Environmental Quality Act (CEQA) and the city's environmental review procedures. |
| <input type="checkbox"/> | <input type="checkbox"/> | Additional Finding for Zoning Map Amendments: The site(s) is/are physically suitable (including access, provision of utilities, compatibility with adjoining land uses, and absence of physical constraints) for the requested zoning designation(s) and anticipated land use development(s). |
| <input type="checkbox"/> | <input type="checkbox"/> | Additional Finding for Zoning Code Amendments: The proposed amendment is internally consistent with other applicable provisions of this zoning code. (Ord. 688 § 1 (part), 2006) |

FINDINGS FOR A TENTATIVE PARCEL MAP (TPM) OR A TENTATIVE TRACT MAP (TTM)

The Los Alamitos Municipal Code requires that the Planning Commission must be able to make each of the following findings before granting a Tentative Parcel Map or Tentative Tract Map.

- | Yes | No | |
|--------------------------|--------------------------|--|
| <input type="checkbox"/> | <input type="checkbox"/> | The proposed map is consistent with the city's general plan. |
| <input type="checkbox"/> | <input type="checkbox"/> | The design and improvement of the proposed subdivision is consistent with the city's general plan. |
| <input type="checkbox"/> | <input type="checkbox"/> | The design and improvement of the proposed subdivision is consistent with the city's general plan. |
| <input type="checkbox"/> | <input type="checkbox"/> | The site is physically suitable for the proposed type of development. |
| <input type="checkbox"/> | <input type="checkbox"/> | The requirements of the California Environmental Quality Act have been satisfied. |
| <input type="checkbox"/> | <input type="checkbox"/> | The site is physically suitable for the proposed density of development. |
| <input type="checkbox"/> | <input type="checkbox"/> | The design of the subdivision and the proposed improvements are not likely to cause substantial environmental damage or substantial and avoidable injury to fish or wildlife or their habitat. |
| <input type="checkbox"/> | <input type="checkbox"/> | The design of the subdivision and the proposed improvements are not likely to cause serious public health problems. |
| <input type="checkbox"/> | <input type="checkbox"/> | The design of the subdivision and the proposed improvements will not conflict with easements of record or established by court judgment, acquired by the public at large, for access through or use of, property within the proposed subdivision; or, if such easements exist, that alternate easements for access or for use will be provided, and that these will be substantially equivalent to ones previously acquired by the public. |
| <input type="checkbox"/> | <input type="checkbox"/> | The design and improvement of the proposed subdivision are suitable for the uses proposed and the subdivision can be developed in compliance with the applicable zoning regulations pursuant to Section 16.10.090. (Ord. 580 § 2 Exh. A (part), 1994) |

STATEMENTS ACCOMPANYING A TENTATIVE PARCEL/TRACT MAP

1. A statement by the subdivider as to the drainage, surfacing or other required improvements to be constructed.

2. Whether proposed roads, widening of roads, or street openings are offered for separate dedication, and if so, copies of preliminary title report on subject property shall be included.

3. A statement for existing zoning and proposed use.

4. A statement and report on soil tests or geologic report, if required.

FINDINGS REQUIRED FOR A SPECIFIC PLAN (SP)

The Los Alamitos Municipal Code requires that the City Council may adopt a specific plan only if the following findings of fact can be made in a positive manner:

- | Yes | No | |
|--------------------------|--------------------------|---|
| <input type="checkbox"/> | <input type="checkbox"/> | The proposed development is generally consistent with the actions, goals, objectives, and policies of the general plan. |
| <input type="checkbox"/> | <input type="checkbox"/> | The design, location, shape, size, operating characteristics, and the provision of public and emergency vehicle access and public services and utilities (e.g., drainage, fire, protection, sewers, water, etc.), would ensure that the proposed development would not endanger, jeopardize, or otherwise constitute a hazard to the public convenience, health, interest, safety, or welfare, or injurious to the property or improvements in the vicinity and zoning district in which the property is located. |
| <input type="checkbox"/> | <input type="checkbox"/> | The proposed development would ensure quality development by encouraging greater flexibility with more creative and aesthetically pleasing designs for major urban facilities. |
| <input type="checkbox"/> | <input type="checkbox"/> | The proposed development would ensure the timely provision of essential public services and facilities consistent with the demand for the services and facilities. |
| <input type="checkbox"/> | <input type="checkbox"/> | The proposed development would ensure promote a harmonious variety of housing choices and commercial and industrial activities; attain a desirable balance of residential and employment opportunities; and result in a high level of urban amenities and the preservation of the natural and scenic qualities of open space. |
| <input type="checkbox"/> | <input type="checkbox"/> | The subject property is physically suitable for the proposed land use designation(s). |
| <input type="checkbox"/> | <input type="checkbox"/> | The proposed project has been reviewed in compliance with the provisions of the California Environmental Quality Act (CEQA) and the City's environmental review procedures. |
| <input type="checkbox"/> | <input type="checkbox"/> | There would not be potential significant negative effects upon environmental quality and natural resources that would not be properly mitigated and monitored, unless the council adopts a statement of overriding considerations. |

PROPOSED SPECIFIC PLAN INFORMATION (attach separate sheets)

Please address the following elements:

Title Page: Name of Plan, Name of Local Agency, Date of Adoption, Credits/Acknowledgements, Table of Contents, List of Tables, List of Diagrams/Maps, Copy of Adopting Resolution/Ordinance.

Summary: Specific Plan purpose and range of issues.

Introduction: Development and conservation issues in the plan, project location and description, environmental description, descriptions of how the proposed project conforms with and implements the goals and objectives of each of the following Los Alamitos General Plan Elements: Open Space, Land Use, Circulation, Recreation, Seismic Safety, Scenic Highway, Public Safety, Noise, Housing, Conservation and Energy.

Land Use Planning and Regulatory Provisions: Proposed land use regulations and development standards/policies, any special Design Standards: Building, parking, location & orientation, entrances, access, & circulation.

The Infrastructure Plan: Any special infrastructure requirements.

Program of Implementation Measures: Description of financing and cost estimate for project, description of project phasing.

FINDINGS FOR A VARIANCE

The Los Alamitos Municipal Code requires that the Planning Commission must be able to make each of the following findings before granting a Variance.

Yes No

- | | | |
|--------------------------|--------------------------|---|
| <input type="checkbox"/> | <input type="checkbox"/> | The strict application of the regulations contained in the Zoning Ordinance would create unnecessary hardships which are inconsistent with the intent and purpose of the Zoning Ordinance. |
| <input type="checkbox"/> | <input type="checkbox"/> | Special circumstances or conditions applicable to the property exist that do not apply to other property in the same vicinity or zone. |
| <input type="checkbox"/> | <input type="checkbox"/> | The Variance is necessary for the preservation and enjoyment of a substantial property right which is enjoyed by other property in the same vicinity and under identical zone classification. |
| <input type="checkbox"/> | <input type="checkbox"/> | The approval of the Variance will not be detrimental to public safety, health and welfare and be injurious to other property in the same vicinity and zone. |
| <input type="checkbox"/> | <input type="checkbox"/> | The approval of the Variance will not set precedence or adversely affect the Zoning Ordinance or the General Plan of the City of Los Alamitos. |

APPLICANT CERTIFICATION: I hereby acknowledge that this application will not be considered complete until I have submitted all required documentation and have been notified in writing from the Community Development Department, within thirty (30) days of submission, that the application is complete, in accordance with the Permit Streamlining Act. Once the application is determined to be complete, the Community Development Department must then determine within thirty (30) days whether an environmental impact report (EIR) or negative declaration is required for the project, or whether the project is exempt from the California Environmental Quality Act.

I hereby certify that all information contained in this application, including all plans and materials required by the City's application submission requirements, is, to the best of my knowledge, true and correct. FALSE OR MISLEADING INFORMATION GIVEN IN THIS APPLICATION SHALL BE GROUNDS FOR DENYING APPLICATION. I hereby grant the City authority to enter onto the property to conduct site inspections and to post required public notices.
