VISITING U.S. MARINE CORPS UNITS TO CONDUCT TRAINING EXERCISES AND FLIGHT OPERATIONS AT LOS ALAMITOS ARMY AIRFIELD

LOS ALAMITOS, Calif. – Visiting U.S. Marine Corps units will be engaged in training exercises conducted at Los Alamitos Army Airfield (LAAAF) from Sept. 9 through Sept. 15 that will include operations involving aircraft that include the V-22 Osprey tiltrotor aircraft that has vertical takeoff and landing and short takeoff and landing capabilities.

The exercises, which will include operations outside of normal airfield operating hours, are designed to maintain overall operational readiness and enhance proficiency of the personnel involved in the mission.

The Osprey has a unique noise signature and residents of communities located near LAAAF may hear the sound of these aircraft arriving and departing the airfield during evening hours.

Efforts will be taken to minimize inconvenience to our neighbors,

For additional information, contact Col. (CA) Richard Lalor at 562-795-2096 (office), 626- 733-1170 (mobile), or via email at richard.w.lalor2.vol@mail.mil
