CPRS District 10 Volunteer Merit Award

The Los Alamitos Recreation and Community Services Department is part of the California Parks & Recreation Society (CPRS), a statewide organization that promotes recreation and leisure services and advance the park and recreation profession up and down the state of California. CPRS is broken up into ten districts and Los Alamitos is part of District 10 which is the largest in the state that covers parts of L.A. County and all of Orange County.

At the annual District 10 Banquet, held on April 20, 2017 in the City of Garden Grove, two community members – Dr. Russell Chang and Michael Bell were recognized for the “Volunteer Merit Award.” This award is presented to individuals or organizations in recognition of their contributions to the community, profession, or member agencies. The Los Alamitos Parks, Recreation, and Cultural Arts Commission nominated both Dr. Chang and Mr. Bell for this distinction because of their exceptional service to the community.

Congratulations to Dr. Russell Chang and Mr. Michael Bell for being recognized as the 2017 Volunteer Merit Award and for their dedication to the community of Los Alamitos!

Parks, Recreation, and Cultural Arts Commission Chairperson Pete Carvajal with Mr. Michael Bell

Dr. Russell Chang with Los Alamitos Mayor Shelley Hasselbrink
