Background

The Los Alamitos Municipal Code provides for the appointment of residents to City Boards and Commissions. City Council policy has determined interested parties, including incumbents, need to submit an application for consideration by the Council. All applicants are interviewed before the Council in an open setting.

Vacancies have occurred on the Parks, Recreation, and Cultural Arts, Planning, and Traffic Commission. Availability Notices were posted at City facilities, on the City's website and Facebook site, aired on Los Al TV and copies were provided to the press inviting residents to apply for these positions.

Discussion

In November 2017, Staff began recruiting for the upcoming vacancies. The deadline to apply was December 4, 2017. We received a total of six applications before the deadline. Two applications were received after the deadline. Those applicants were advised their applications would be held for the next recruitment period.

Parks, Recreation, and Cultural Arts Commission (PRCA) – 4 scheduled vacancies

Commissioners Pete Carvajal, Judy Estrada, Dean Hill and Emil Jorge have terms that will expire December 2017. Incumbents Emil Jorge and Judy Estrada are not seeking reappointment. Incumbent Dean Hill has reapplied for the position. Incumbent Pete Carvajal advised he would be reapplying, but did not submit his application. Additionally, there is one unscheduled vacancy due to Mark Chirco being appointed to the City Council. This position has not been advertised for. Incumbents would continue to serve through December 2017. New appointees would begin service in January 2018, with a three-year term ending December 2021. Two applications were received.

Dean Hill (Incumbent) Trisha Murphy (also applied for Traffic)

Planning Commission – 2 scheduled vacancies

Commissioners Larry Andrade and Victor Sofelkani have terms that will expire December 2017. Both incumbents have reapplied. Incumbents would continue to serve through December 2017. New appointees would begin service in January 2018, with a three-year term ending December 2021. Four applications were received by the December 4, 2017 deadline. Mr. Lee has advised he will be out of town on the scheduled interview date. He has submitted his answers in advance for consideration and is only interested in the Planning Commission.

Larry Andrade (Incumbent) James Lee
Victor Sofelkanik (Incumbent) Antoinette West

Traffic Commission – 2 scheduled vacancies

Commissioners Dave Emerson and Jason Seaman have terms that will expire December 2017. Incumbent Jason Seaman officially resigned from the commission on December 1, 2017 as he has moved out of the City. Incumbent Emerson is not seeking reappointment. New appointees would begin service in January 2018, with a three-year term ending December 2021. One application was received.

Trisha Murphy (also applied for PRCA)

Next Steps

As the City did not receive enough applications to fill the current vacancies, Staff is suggesting recruitment be reopened for the available vacancies after tonight's appointments. Interviews will be scheduled for Tuesday, January 16, 2018 at 5:00 p.m. Staff is also suggesting updating the interview questions for Commissions. Council held successful interviews for the Council candidate with a new list that allowed for additional questions as needed. It is being recommended that Council adopt those questions for Commission interviews as well.

Fiscal Impact

None.

Hello Mrs. Quintanar,

I will not be available for the interview process for next week. However, I did want to provide my response to the interview questions, please find attached.

Also, I wanted to share a bit of information about me and my family. My family includes my wife and 3 daughters: Amelia (5), Alexandria (3) and Abigail (8 months). We purchased and renovated our house in early 2014 in the Highlands area and could not be happier. The community is terrific and have made strong connections with nearby neighbors.

I am currently employed by a Real Estate company located in Irvine. I have been there for over 7 years and held several roles, currently I am responsible for managing the use permit program. Here, I manage over 3500 assets in the Western US and insure our use permits are current. Frequently, I review and analyze assets and make recommendations to approach challenging situations.

I apologize that I am unable to make the interview. However, should you have any questions please let me know.

Thanks,
Jim Lee
