Staff from the Recreation and Community Services Department provided the Parks Recreation and Cultural Arts Commission a tour of various parks and facilities the City manages, owns and programs. The tour provided commissioners the opportunity to become familiar with amenities at each site. The PR&CA Commission visited Oak Field, Oak Gym, Youth Center, Community Center, Coyote Creek Trail and Bikeway, Roberts, Stansbury, Soroptimist, Labourdette, and Sterns Parks.

The PR&CA Commission requested staff to provide an update on the following items at a future meeting:

- o When will the pathway from Oak St. to Coyote Creek be re-paved?

- Is it possible to replace parts of the playground equipment, specifically the plastic parts that have been etched with graffiti?
- Why is the red curb in front of Labourdette Park so long? May it be shortened to allow 1-2 extra parking spot or make the red curb available for parking after hours?
- Request to place signs at parks displaying speed limits or children ahead.
- Is it possible to request for a gate at Soroptomist Park that leads out to the alleyway?
