

City of Los Alamitos

Step 3: Stay Informed

Stay Informed

Find out what kinds of disasters, both natural and man-made, are most likely to occur in your area and how you will be notified. In Los Alamitos, you can sign up for a countywide mass public notification system called AlertOC. AlertOC directs emergency messages to you by phone, text or email. Widespread disasters may require communication through emergency radio and TV emergency alert system broadcasts.

Sign up for
AlertOC:
