PROCESS FOR OBTAINING PERMITS

Allocation Priority

Field use is determined by the priority of user Groups as defined on page 10.

Application

Groups wishing to utilize a field must acquire a permit from either the Los Alamitos Unified School District (LAUSD) or the City of Los Alamitos.

Public use should not interfere with LAUSD or City use. School premises shall not be available on such occasions or during such hours, which conflict with the functions of the school. Facilities are available during school vacation periods if the use does not conflict with cleaning and renovating schedules. All requests for the use of the LAUSD premises shall be denied where the proposed use is inconsistent with the property and regular use of the facilities to where the purpose of the meeting is immoral, obnoxious or injurious.

No application will be denied because of sex or sexual preference, race, color, creed, or national origin.

The specific form must be submitted a minimum of two to four (2-4) weeks prior to the first requested use date and will be accepted up to three (3) months in advance. Submission of the specific form does not constitute approval. Approval is given only after LAUSD/City approval, fees are paid in full, certificate of insurance liability and endorsement are on file, and all other document requirements are met.

LAUSD form: *Application and Agreement for Use of School Facilities*

City form: *Facility Request*

LAUSD Applications can be obtained at the school where the facilities to be used are located or at the Auxiliary Offices located at 10652 Reagan Street.

Requests will not be approved for a period exceeding three (3) months, with the exception of organizations that are in Group 1 and 2, which will be permitted by term of season.

Processing Fee

A \$40.00 non-refundable processing fee will be assessed to each permit issued.

Insurance

All users of the facilities must provide proof of General Liability Insurance in the minimum amount of one million dollars (\$1,000,000) with a general aggregate in the minimum amount of \$2,000,000; however, certain activities may require additional amounts or other types of insurance. A specific endorsement naming the City of Los Alamitos (10911 Oak Street, Los Alamitos, CA 90720) and the Los Alamitos Unified School District (10293 Bloomfield Street, Los Alamitos, CA 90720) adding both entities as additionally insured must also be submitted. Depending on the event, additional insurance coverage (additional amount, auto insurance, worker's compensation) will be required.

The LAUSD, the City of Los Alamitos, its agents, officers, and employees shall not be held liable for any loss, damage or expense that may arise from use of school property.

If LAUSD or City approve user's request to allow vendors that sell food or other items, then all vendors must submit certificate of insurance and specific endorsement naming both the LAUSD and the City as additionally insured. Food vendors must also be approved by the Orange County Health Department and follow Orange County Health Department guidelines. Vendors must possess a valid City of Los Alamitos Business License.
