**ROLL CALL**

Council Member Kusumoto  Aye
Council Member Murphy  Aye
Council Member Wilson  Aye
Mayor Pro Tem Edgar  Aye
Mayor Hasselbrink  Aye

Mayor Hasselbrink pulled items 11B and 11C forward.
Public Hearings for Items 11B and 11C were held simultaneously.

B. Call for Review of Planning Commission Decision – Consideration of a Five-Unit, Residential Condominium Development Application for Tentative Tract Map, Conditional Use Permit, and Site Plan Review at 4071 Farquhar Avenue (APN 222-052-43) (Applicant: Eddie and Donna Kesky)

(Development Services)

A Member of the Los Alamitos City Council is authorized to call up for review decisions of the Planning Commission via Section 17.68.040 of the Municipal Code commonly known as "Call for Review." Council Member Kusumoto requested such a review of two recent decisions regarding residential condominium projects. This report deals with one of those matters.

AND

C. Call for Review of Planning Commission Decision – Consideration of a Five-Unit, Residential Condominium Development Application for Tentative Tract Map, Conditional Use Permit, and Site Plan Review at 4061 Farquhar Avenue (APN 222-052-44) Applicant: Neoklis Zamvakellis and Alison Stapakis

(Development Services)

A Member of the Los Alamitos City Council is authorized to call for the review of decisions of the Planning Commission via Section 17.68.040 of the Municipal Code commonly known as "Call for Review." Council Member Kusumoto has requested such a review of two recent decisions regarding residential condominium projects. This report deals with one of those matters.

Mayor Hasselbrink opened the Public Hearings for Items 11B and 11C.

Neoklis Zamvakellis, representative for Eddie Kesky, gave a brief history of the project. He advised his project (item 11C) was a mirror image. He stated they were both willing to work with Staff and the Planning Commission to resolve any outstanding issues. He advised he had a business in the City and his projects provided a great benefit to the City with additional revenues and increase in property taxes. He indicated he had potential design plans available should the Council wish to look at them.

Mayor Hasselbrink closed public comments.

Council Member Kusumoto, Staff, and Mr. Zamvakellis discussed the following topics:

- QUIMBY fees are adopted by Council and are based on the number of units. Concern the fee was calculated too high.

- Concern condition 29 was in violation of the accessory dwelling unit law. Clarification this project was not for an accessory dwelling.

- Condition 34D was vague as to what constitutes an overhang and a quantifiable number should be provided. Clarification the Covenants,
Conditions, and Restrictions (CC&Rs) were a tool to help prevent Code Enforcement cases and it would be obvious when overhang was obtrusive.

- Current trash hauler does not offer separate bins for solid waste and recycling for commercial customers.
- Discussed the numbers on page 1 of the Site Plan, concerns for not enough parking for the bedroom count, clarification was provided on how the number is calculated.
- Clarification that the three outside spaces were non-designated spaces and residents are encouraged to park two cars in the garage. The four-bedroom unit would be deeded one of the open spaces.
- Applicant was willing to change the “study” to a “mud room” to reduce any interpretations on habitable bedrooms.
- Site area measurements including private yards, lot coverage, driveways, walkways, landscape. Applicant advised the new plans would clearly identify the numbers as well as provide blow ups of open space and trash enclosure.
- Ambiguity of the Zoning Code leaves it open for interpretation (e.g., what shape is a 10x10 space).
- Path of travel for pedestrians from Building B to Building C and concerns about the safety of mixing pedestrians with vehicles. Clarification there are only five homes, and residents should be parking in the two car garages with direct access to the unit.

Council Member Kusumoto and Development Services Director Mendoza discussed Regulation 3.12 of the Development Services Policy and Procedure manual providing Staff’s interpretation of a bedroom. Council Member Kusumoto expressed concern the definition was adopted from the City of Davis instead of a local City.

Mr. Zamvakellis advised the Parking count was consistent with City standards. Issues arise from older developments without enough parking spaces that use garages for storage instead of parking. He stated the property would have parking regulations that are enforced. The driveway approach was removed to provide additional on street parking and the development would be an improvement.

Council Member Murphy stated concern Council was working with incomplete plans and stated his issue was increasing the bedroom count from 9 to 16. He questioned if the City could afford a 78% increase in population and traffic in this area and questioned what direction the City would be moving in the future. He stated support for discussing the definition of a bedroom and reviewing the parking requirements.

City Attorney Reisman stated the Public Hearings are open for Items 11B and 11C.

Council Member Wilson questioned the aforementioned plans with a laundry/mud room. Development Services Director Mendoza stated they are new drawings not plan checked by Staff. The plans before Council tonight were the plans reviewed by the Planning Commission.
Council Member Wilson stated concern for the ambiguous definition of a den, increased density, and a shortage of parking. He questioned the ability to enforce parking in a garage and stated if there was not a park across the street, this density would be harder to approve. He stated support for a mudroom and ensuring future projects had greenspace and parking.

Mr. Zamvakellis advised the Covenants, Conditions, and Restrictions (CC&Rs) of the association provided an enforceable and traceable requirement for parking in the garages.

Mayor Pro Tem Edgar stated concern for the Planning Commission’s aggressive stance on development projects. He was supportive of using the Code as is and not penalizing Mr. Zamvakellis by changing the code now. He stated support for this project as it was submitted to the Planning Commission and spoke positively about Mr. Zamvakellis, his calm demeanor, and the many developments he has brought to the community. He questioned if all the Planning Commissioners had been cleared for conflicts of interest.

Mayor Hasselbrink stated the location needed updates and Mr. Zamvakellis did first class work. She stated concern regarding the density and parking, and acknowledged additional parking had been added by removing driveways. She was supportive of following the code as it is now.

Council Member Kusumoto, Development Director Mendoza, and Mr. Zamvakellis discussed the accuracy of the Tentative Tract Map and that Council would approve the Final Tract Map. Open space was discussed further including the private open space, landscaping, concrete, and the code requirements.

Motion/Second: Edgar/Hasselbrink
Carried 3/2 (Kusumoto and Murphy voted no): The City Council upheld the Planning Commission’s decision for items 11B and 11C.

The City Council clarified the vote was for both items 11B and 11C.

Council Member Kusumoto stated support for fine tuning the code as not to open the City up to any potential litigation.

Council Member Wilson stated direction was provided to Staff to clarify the code in regards to “dens” and Council’s stance on density.

The City Council and Staff discussed the zoning code update. Staff advised Request for Proposals had already been received and a consultant would be recommended to Council at the September Council meeting after the Fiscal Year 2016-17 financial statements had been reconciled.

Council Member Murphy questioned if the Council wanted to take Mr. Zamvakellis up on his offer to change the “den” to a “laundry/mudroom” stating concern that any room with the potential to become a bedroom would eventually be a bedroom.
City Attorney Reisman advised the motion could be reconsidered if the maker and second of the motion agreed.
Motion/Second: Edgar/Wilson
Unanimously Carried: The City Council agreed to reconsider the motion on items 11B and 11C.

City Attorney Reisman advised no one had left the room and the Public Hearings for items 11B and 11C were still open.

City Council and Staff discussed if the item needed to go back to the Planning Commission. Staff advised it was not necessary since the plans had already been approved, the square footage would remain the same, and the final plans would be reviewed by Building Department before permits were issued.

Council Member Murphy was supportive of moving forward under the current code, but stressed the importance of quickly moving the zoning code revisions along.

Motion/Second: Edgar/Hasselbrink
Carried 4/1 (Kusumoto voted no): The City Council upheld the Planning Commission’s decision for Items 11B and 11C with the condition that the ground floor “study” will be changed to a “mudroom/laundry room” and the square footage will remain the same.

RECESS
The City Council took a brief recess at 8:12 p.m.

RECONVENE
The City Council reconvened in regular session at 8:30 p.m.

End of Consent Calendar

Items Pulled from Consent Calendar

F. Adoption of Resolution Establishing Salaries and Benefits for Non-Represented Employees

(Administrative Services)

This report recommends adoption of a resolution establishing salaries and benefits for Non-Represented Employees, which consolidates changes made in 2015 and
2016 and recommends a 1% cost of living adjustment and an increase in the number of hours for administrative leave.

City Council and Staff discussed the Budget Ad Hoc Committees review of the items, 1% Cost of Living Adjustment (COLA) was in line with the other the other labor groups in the City; COLA and administrative leave would keep the salaries and benefit package competitive with surrounding areas; non-represented employees are not eligible for overtime; administrative leave must be used in a calendar year and does not carry over; concern for the effect additional leave will have on service levels and productivity; support for the parity the items would provide to the working groups; and, staff retention tool and the expense to replace senior management.

Motion/Second: Wilson/Murphy

J. Professional Services Agreement for Crossing Guard Services with All Cities Management Services (Police)
The City of Los Alamitos began successfully outsourcing crossing guard services to All Cities Management Services during fiscal year 2016-2017. The Police Department found that the decreased time to manage the program, the decreased risk management issues, and the increased public safety service levels support continuing this relationship and have secured an agreement with All Cities Management Services to continue crossing guard services during fiscal year 2017-2018.

City Council and Staff discussed the cost for the contract, the cost savings and benefits for the department not having to supervise the program and back fill vacancies with police officers, and, cost being offset by the 5% increase in reimbursement from the Los Alamitos Unified School District for the School Resource Officer.

Motion/Second: Edgar/Kusumoto
Unanimously Carried: The City Council authorized the City Manager to enter into the Professional Services Agreement for Crossing Guard Services between All Cities Management Services and the City of Los Alamitos for up to $82,021.00 for the term of July 1, 2017 through June 30, 2018.

M. Street Name Change (Development Services)
This report considered changing the name of Briggeman Drive back to Sausalito Street.

Mayor Hasselbrink opened the item for public comment.
Mike McCabbage, Mark Cunningham, and, George Briggeman spoke in opposition to the street name change.

Letters of opposition were received prior to the meeting and made available to the City Council and the public from Mike Cohen (Island World Swim), Mark Cunningham (Lab Clean), Michael Prencavage, Jr. (The Family Plumber), and Johnny Angeles (Colony Assent Management).

A letter of support was received prior to the meeting and made available to the City Council and the public from Ron Robertson (Grating Pacific).

Mayor Hasselbrink closed the item for public comment.

The City Council and Staff spoke regarding the negative effects the name change may have on the businesses, hotel development had no effect on this decision, and, support for consistency of the street name.

Motion/Second: Murphy/Kusumoto
Carried 4/1 (Wilson voted no): The City Council left the street name as is.

N. Consideration of 4-Way Stop Sign Walnut Street/Catalina Street Intersection (Development Services)

This report is a consideration of the Traffic Commission’s recommendation to modify a two-way stop to a four-way stop at Walnut Street and Catalina Street in the Old Town West neighborhood.

Council Member Murphy thanked Staff and the Traffic Commission for their action on this item.

Motion/Second: Murphy/Edgar
Unanimously Carried: The City Council adopted Resolution No. 2017-08, entitled, “A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF LOS ALAMITOS, CALIFORNIA, TO MODIFY THE EXISTING TWO WAY STOP TO A FOUR-WAY STOP AT THE INTERSECTION OF WALNUT STREET AND CATALINA STREET."

O. Los Alamitos Aquatics Program (Recreation)

This report provides the City Council with a recommendation on how to proceed with the City’s Aquatics program in the future.

The City Council and Staff discussed concerns regarding a contract aquatic program, competing programs, partnership with the Los Alamitos Unified School District and the Joint Forces Training Base, Staff would handle the marketing and registration for a contract aquatic program in the same fashion it does for contract class instructors, contract class would help reduce costs and still provide an essential lifesaving skill for the community, using the City’s brand to assist with a viable program, exit options; and, long term strategic planning.

Motion/Second: Edgar/Murphy
Unanimously Carried: The City Council:

1. Accepted the Parks, Recreation and Cultural Arts Commission recommendation; and,

2. Authorized the City Manager and/or his designee to negotiate with the Joint Forces Training Base Morale, Welfare and Recreation Component to be the City’s aquatics program contractor.

11. PUBLIC HEARINGS

A. Adoption of the City of Los Alamitos Fiscal Year 2017-18 Annual Operating and Capital Improvement Program (CIP) Budget (Administrative Services)

City Charter Sections 1201-1205 govern the development and adoption of the City’s Annual Budget. Section 1203 requires a public hearing for public input on the proposed budget. Thereafter, the City Council shall adopt the budget with revisions, if any; establish estimated revenues, expenditure appropriations, and transfers of funds of the City.

Mayor Hasselbrink opened the item for public comment. There was no one present wishing to speak. Mayor Hasselbrink closed the public comment.

TIME LIMITS

Per Resolution 2013-09 “Council Meeting Time Limits”, City Council considered extending the time limits.

Motion/Second: Kusumoto/Murphy
