Howard Plant: Install Drain Pipe

What	<p>Installation of a 12 inch PVC drain line from Howard Plant to connect to existing storm drain facility at Noel Street and Farquhar Avenue.</p> <p>Installation of an 8 inch PVC water line from Howard Plant to connect to the existing water line on Howard Avenue approximately 130 feet east of the Labourdette Park.</p>
When	<p>Construction will commence on April 11, 2018 with completion expected by August 17, 2018. The city of Los Alamitos working hours in public right of way will be from 7:00 am to 4:00 pm or as required by city. Work within plant property will also be from 7:00 am to 4:00 pm.</p>
Where	<p>Installation of 12 inch PVC drain line will be from the Golden State Water Company, Howard Plant across the Labourdette Park to Howard Avenue, then going west on Howard Avenue and continuing south on Noel Street to the corner of Noel Street and Farquhar.</p> <p>Installation of 8 inch PVC water line from the Howard Plant across the Labourdette Park to Howard Avenue then going east for approximately 130 feet.</p>
What to Expect	<p>Construction crews with backhoes, dump trucks, crew trucks and hand tools will be digging along the new pipeline alignment. The services will generally be installed using an air compressor and pneumatic boring tool. The streets will remain open to traffic during the construction period but traffic and parking may be restricted and access to driveways may be limited for short durations of time. The construction crews will make every effort to keep dust to a minimum. Please expect an increased level of noise during the construction period. Weekly activities such as trash pick up will not be interrupted. Generally, as underground activities are completed the crews will progress to the next underground sections and come back near the end of the project to perform landscape and hardscape restoration.</p>
Contacts	<p>If you have any questions or concerns about the construction activities for this project, please call the Golden State Water Company Customer Service Center at (800) 999-4033.</p>
