

CONSTRUCTION NOTICE

ROAD STRIPING – LOS ALAMITOS BOULEVARD ROAD MODIFICATION FROM THREE TO TWO LANES

The City of Los Alamitos has contracted with American Asphalt South, Inc. to perform maintenance on Los Alamitos Boulevard. **Over the next few weeks** American Asphalt will be completing the final phases of the street work occurring on Los Alamitos Boulevard between Cerritos Avenue and Katella Avenue. Please accept our apology for any inconveniences this work may cause. Your patience and cooperation will help to get this work completed safely and with minimal interruption of your daily activities.

Please be advised of the following work schedule:

DATE	TIME OF WORK	DESCRIPTION OF WORK	LANE CLOSURE
Tuesday, October 16 th	Night Work	Preliminary markings on street where new striping will be placed	Rolling lane closures only – very short in duration.
Sunday, October 21 st	Night Work	1 st coat of new striping.	Lane closures in effect.
Monday, October 22 nd	Day Work	Installing signage.	Lane closures in effect.
Monday, October 22 nd	Night Work	2 nd coat of new striping.	Lane closures in effect.
Tuesday, October 23 rd	Night Work	Placement of yellow road pavement markers that help delineate opposing traffic lanes.	No lane closures; cones will be put over the markers so that they are not driven over.
