

## Holiday Tree Collection

At no additional cost, commencing on Wednesday, December 26, 2018 through Saturday, January 12, 2019, Republic Services will be collecting clean and bare holiday trees. Collection day for holiday trees will be on the same day as your regular residential trash pick-up day therefore, it is not necessary to contact Republic Services to schedule a pick-up. To ensure that your tree does not miss collection, please ensure that the following process is followed:

- Place your tree at the curb for pick-up on your regular collection day.
- Trees that are taller than six (6) feet should be cut in half.
- After this collection period, you can cut your tree into pieces and place the pieces into your yard-waste container. Cut the pieces small enough that the lid will close on your bin.
