I, Richard Murphy, as Mayor of the City of Los Alamitos, do hereby call a special meeting of the City Council of the City of Los Alamitos, to be held at the time and place listed above to discuss the matters listed below.

Richard Murphy, Mayor of the City of Los Alamitos

NOTICE TO THE PUBLIC

This Agenda contains a brief general description of each item to be considered. Except as provided by law, action or discussion shall not be taken on any item not appearing on the agenda. Supporting documents, including staff reports, are available for review at City Hall in the City Clerk’s Office or on the City’s website at www.cityoflosalamitos.org once the agenda has been publicly posted.

Each matter on the agenda, no matter how described, shall be deemed to include any appropriate motion, whether to adopt a minute motion, resolution, payment of any bill, approval of any matter or action, or any other action. Items listed as “for information” or “for discussion” may also be the subject of an “action” taken by the City Council at the same meeting.

Any written materials relating to an item on this agenda submitted to the City Council after distribution of the agenda packet are available for public inspection in the City Clerk’s Office, 3191 Katella Ave., Los Alamitos CA 90720, during normal business hours. In addition, such writings or documents will be made available for public review at the respective public meeting.

It is the intention of the City of Los Alamitos to comply with the Americans with Disabilities Act (ADA) in all respects. If, as an attendee, or a participant at this meeting, you will need special assistance beyond what is normally provided, please contact the City Clerk’s Office at (562) 431-3538, extension 220, 48 hours prior to the meeting so that reasonable arrangements may be made. Assisted listening devices may be obtained from the City Clerk at the meeting for individuals with hearing impairments.

Persons wishing to address the City Council on any item on the City Council Agenda will be called upon at the time the agenda item is called or during the City Council’s consideration of the item and may address the City Council for up to three minutes.

1. CALL TO ORDER

2. ROLL CALL
   Mayor Murphy
   Mayor Pro Tem Chirco
   Council Member Grose
   Council Member Hasselbrink
3. SPECIAL ORDER OF THE DAY

A. Interview Applicants for the City Council Vacancy (City Clerk)
The City Council will be interviewing candidates and making an appointment to fill the current City Council vacancy. The term will end November 2020.

Recommendations:

1. Interview the following candidates for City Council (listed alphabetically):
   Tanya Doby       Alex Duran

2. Appoint a candidate to fill the current Council vacancy by roll call vote; and,

3. Direct the City Clerk to issue the Oath of Office.

B. Building Future Fiscal Sustainability Program Update (Finance)
The City of Los Alamitos is at a financial crossroads. Future revenue and expenditure projections will require reduction of services, raising taxes, raising fees or a combination of such. As a result, the City developed a 10-20 year financial plan that shows the City must take extraordinary measures to mitigate projected budget deficits and loss of existing cash balances. The challenge facing the city is a projected structural deficit growing from $1.4M in 2020-21 to over $3.4M in 2027-28. The deficit is projected to top out at about $3.7M in 2031. In late 2018, the City proactively focused on developing a plan for “Building Future Fiscal Sustainability”.

As a part of the City’s Fiscal Sustainability process, critical choices were explored that enable the ability to act timely to avoid or minimize cuts to city services and ensure the City’s long-term financial stability. City staff worked closely with the Budget Standing Committee to identify, review and evaluate cost cutting and revenue enhancement options available to the City. The options identified were presented to City Council on August 19, 2019.

A key part of this effort involved the opportunity to engage with the community in order to provide information and obtain feedback. Over a dozen community engagement meeting have been held to date. Constructive feedback along with city service priorities were identified based on input from hundreds of residents. Another critical item was to obtain direct feedback from registered voters, which included conducting of a statistically reliable community survey, which was completed in November.

Recommendations:

1. Provide feedback and direction to staff on building fiscal sustainability evaluation items; and,
2. Provide direction for the next City Council Workshop scheduled for February 3, 2020, if necessary.

4. CLOSED SESSION

5. ADJOURNMENT

I hereby certify under penalty of perjury under the laws of the State of California, that the foregoing Agenda was posted at the following locations: Los Alamitos City Hall, 3191 Katella Ave.; Los Alamitos Community Center, 10911 Oak Street; and, Los Alamitos Museum, 11062 Los Alamitos Blvd.; not less than 24 hours prior to the meeting.

Windmera Quintanar, MMC, City Clerk
Date: January 10, 2020
The City Council will be interviewing candidates and making an appointment to fill the current City Council vacancy. The term will end November 2020.

**RECOMMENDATIONS**

1. Interview the following candidates for City Council (listed alphabetically):
   - Tanya Doby
   - Alex Duran

2. Appoint a candidate to fill the current Council vacancy by roll call vote; and,

3. Direct the City Clerk to issue the Oath of Office.

**BACKGROUND**

On December 16, 2019, Warren Kusumoto resigned from his position on the City Council. At its December 21, 2019 special meeting, the City Council voted to fill the vacancy by appointment as allowed by Government Code (GC) Section 36512 and Section 502 of the City Charter. Appointment to fill the vacancy must occur within 60 days of the date of resignation, which will be February 14, 2020. If an appointment is not made within 60 days, the City Council must call a special election to fill the vacancy, which must be held on the next established election date not less than 114 days from the call of the special election.

Per the Los Alamitos City Charter, since the unexpired term has more than two years remaining the City Council voted to appoint until the next General Municipal election, November 3, 2020. The City Council directed the City Clerk to accept applications for the vacant position. A notice advertising the vacancy and the application were posted on the City's website, sent to the local newspapers, and posted on the City's social media sites. Upon successful submittal of a cover letter, application, and resume, the City Clerk
verified the applicants were registered voters with the Orange County Registrar. Interview questions were sent to each applicant upon verification.

Districts
The City’s first District Election will occur on November 3, 2020. Appointment of this vacancy will be at-large until November 2020.

At its December 21, 2019 special meeting, Council directed staff to bring forward an Ordinance that would change the District sequencing to add District 2 in 2020. Staff has prepared an Ordinance per Council’s direction that will be introduced for first reading at the January 21, 2020 regular meeting. Once this Ordinance is adopted, Districts 1, 2, and 3, will be up for election at the November 3, 2020 General Municipal Election, with the remaining Districts 4 and 5 being contested in 2022.

DISCUSSION
Two applications have been received for the City Council vacancy. After interviewing candidates, the City Council may appoint a candidate to fill the City Council vacancy or defer the matter to another time. If an appointment is made, a roll call vote is required.

FISCAL IMPACT
None.

December 30, 2019

Dear Mayor Richard Murphy, Mayor Pro Tem Mark Chirco and City Council Members, Dean Gross and Shelley Hasselbrink-

Please consider appointing me for the vacancy on the City Council. My name is Alex Duran and I live at [Redacted] Los Alamitos, CA 90720. I have resided in Los Alamitos for 8 years. I currently hold the position of Vice Chair for the Commission of Parks, Recreation and Cultural Arts, as well as PTA Chairperson for Special Education at Lee Elementary School, which is part of the Los Alamitos School District.

I have more than 25 years of experience in Security Management and Public Safety. I am currently the Vice President of Operations for a company that provides teams of Public Safety, Cleaning and Homeless Outreach Ambassadors in 85 cities throughout the country. In this role I work with Board Members of Business Improvement Districts, local Police and Fire Departments as well as all levels of City Government. My experiences in this field have taught me that there is never enough money to do everything on the wish list, that not everyone agrees all the time and that sometimes doing what's right for the city is not always popular. I am an open-minded person and believe listening to all view-points is vital to have a complete understanding of a situation. My job is flexible enough for me to be able to make the time commitment needed to serve on the Los Alamitos City Council.

I would welcome the honor and privilege of working with you and serving our city, which I am proud to call my home. I believe that my background and experience make me well qualified for this position. Thanks for your consideration.

Sincerely,

Alex Duran

**RECOMMENDATIONS**

1. Provide feedback and direction to staff on building fiscal sustainability evaluation items; and,
2. Provide direction for the next City Council Workshop scheduled for February 3, 2020, if necessary.

BACKGROUND

The City of Los Alamitos has been proactively developing a long term fiscal sustainability process to help identify ways the City can maintain City services utilizing ongoing revenues to cover ongoing costs. With realistic revenue assumptions, growing deficits are forecasted with a cumulative deficit of $41.5M at the end of 2033-34. There are various reasons for these projected deficits, including rising cost for staffing (minimum wage, pension and health care), utilities, insurance, contract services, equipment, vehicles and deferred maintenance. Maintaining the present course will quickly erode and deplete City reserves that will create financial instability in the near future. If services are to be reduced, staff will work closely with City Council to prioritize the service cuts in order to minimize impacts to the community, most financial efficacy and retain our small town quality of life. This will be a tough journey and arduous process, and there will be no “one-size fits all option.”

City Council and staff are committed to ensuring Los Alamitos retains its small town character, focusing on it important heritage, size and location, as well as ensuring the City remains a safe and welcoming place to live, work, visit and play. The City launched the “Building Future Sustainability” program last year to strategically address the financial challenges ahead and ensure these commitments continue to be met.

Past and current efforts have and continue to focus upon being innovative with City revenues through economic development (new hotel and relocation of Epson), achieving full cost recovery, utilizing grants, as well as managing wise investments. Importantly, we have been innovative and thoughtful with City expenditures through establishing lower tired pension and salary schedules, using contract service providers were appropriate, and reducing staffing and programs wherever possible without negatively affecting services.

Over the last year, City staff worked closely with the Council Budget Standing Committee to review all the pros and cons of cost cutting and revenue enhancement opportunities. This effort resulted in 21 items being presented to the City Council at the meeting of August 19, 2019. The process of proactively engaging the Community through community meetings along with a community survey was essential in order to gauge the residents’ priorities, before making any specific formal recommendations to City Council for reductions to City services or proposing revenue enhancement options to address the budget challenges ahead.

The workshop will provide a summary of the community stakeholder engagements, survey results, and an overview of potential service cuts and revenue enhancement measures. We value the open dialogue and appreciate the willingness to discuss ideas, concerns, opportunities, and especially how we can work together for beneficial outcomes for our community.
DISCUSSION

Over the last 18 months, city staff and elected officials have been pro-actively working on the “Building Future Fiscal Sustainability” plan. The following represents the various steps taken:

October 2018: Development and Review of 10 year financial plan
November 2018: Budget and Fiscal Sustainability Calendar
January 2019: Discussion of Financial Solutions and Policy Department Sustainability
February 2019: Discussion on the pros and cons of potential gap closures and Development Services Department Sustainability
March 2019: Discussion of revised 15 year forecast and Recreation and Community Services Department Sustainability
April 2019: Discuss on 2019-20 budget and closing budget gap of half-million dollars
May 2019: Discussion of 7-year Capital Improvement Program and Fiscal Year 2019-20 budget gap closure measures
June 2019: Adoption of the 2019-20 Operating Budget
July 2019: Discussion of Community Survey of Priorities and holding Community Meeting soliciting feedback
August 2019: Review of the pro and con list of cuts and enhancements at both the Budget Standing Committee and regular City Council Meeting
October 2019: Continue Community Engagement Meetings
November 2019: Budgetary impact of changes regarding the School Resource Officer / FM3 Registered Voter Community Survey
December 2019: Results of Voter survey / Additional Community Engagement meeting including the planning commission and community seniors

Community Meetings and Registered Voter Survey
Staff took the months of September through January to commence a proactive public outreach program and voter polling to gauge the Community’s priorities related to city services and programs. In addition, a number of potential service reduction and revenue enhancement options were explained to the community. Information was updated and posted to the city website and other social media locations. City Staff held a number of community meetings including:

- Five formal community meetings (Community Center and local parks)
- Presentations to the Planning, Traffic and Recreation Commission members
- Other Outreach efforts included:
Statistically reliable registered voter survey conducted November 2019

The Los Alamitos Community Voter Satisfaction Survey intended to employ a methodology that would provide the City with a statistically reliable understanding of its residents’ (voter) satisfaction, priorities, and concerns related to services and facilities provided by the City. The survey was critical for two main research reasons. The first is to use the survey as a community needs assessment and performance measurement tool. That is, the survey is an opportunity to identify residents’ needs and priorities, measure how well the City is performing in meeting those needs through existing services and facilities, and gather data on a variety of quality of life issues.

The City was also interested in exploring voters’ willingness to support a local revenue measure to provide additional funding for city services. In short, the goal is to assess the feasibility of placing a revenue measure on the ballot in 2020 and, if feasible, determine how best to structure a measure for voter approval. The results of the survey will provide City Council and staff with information that can be used to make sound, strategic decisions in a variety of areas including services improvements and enhancements, measuring and tracking internal performance, budgeting, policy, planning, and community engagement.

The overall results of the registered voter survey will be presented by the consultant team who performed the survey (FM3) during the January 14, 2020 City Council Workshop. In summary, the survey results show there is strong support to maintaining current service levels and for a local one-cent sales tax adjustment, while maintaining local control of public safety and other city services. The survey represents support for a sales tax increase exceeds other taxing options. Of the other options, only a TOT increase looks like a viable path for the future. A TOT increase does not address the current fiscal needs of the City.

Survey results also identified the following:

- Positive ratings to the performance of the City government overall.
- Top priorities include public safety and fiscal accountability
- Over two-thirds of registered voters in the recent survey stated the following were extremely or very important:
  - Maintaining 911 response time, police patrols of local neighborhoods, parks and recreation areas
  - Maintaining the long-term financial stability of the City
  - Maintaining youth and afterschool programs
Retaining and attracting qualified police officers & preventing reductions to the number of police officers in the City

Keeping public areas safe and clean

Maintaining streets and improving traffic flow

The City has been focusing on maintaining long-term financial stability – a consistent priority for City Council, staff and our residents and business community. Los Alamitos is very unique for its size in that we provide a full range of city services that many residents have come to enjoy. These services take quality, well-trained staff, equipment, and infrastructure. Los Alamitos services are not fee-based, and are heavily used by residents, the business community and non-residents alike. These service rely heavily on other revenues, such as property and sales taxes, to cover operational costs.

We look forward to the continued dialogue with the community, and greatly appreciate the hundreds of residents who have provided feedback, ideas, and concerns about the City’s Long Term Financial Sustainability. No final decisions will be made before there is the opportunity for further discussion and feedback.

Additionally, the June 30, 2019 Audited Financial Statements have been completed and the CAFR has been printed. The CAFR will be brought to City Council for Receive and File at the January 21, 2020 Council Meeting. Also, the City has started the process for the development of the upcoming 2020-21 budget with the recognition that based on the long range plan it will be a challenging process to balance services with limited revenues.
