

LOS ALAMITOS PUBLIC COUNTER SERVICES

CLOSED TO THE PUBLIC

The City of Los Alamitos appreciates your continued patience with the implementation of interim changes to City operations related to City Hall Public Counter Services. This measure will be in effect through March 31, 2020.

This is in response to an updated policy on gatherings, issued by the California Department of Public Health and Governor Gavin Newsom, intended to protect public health and slow the spread of COVID-19.
