

ADDENDUM NO. 1

COMMUNITY CENTER ADA
IMPROVEMENTS

CIP 19/20-05

To all bidders under specifications for Request for Bids for the Community Center ADA Improvements, which are to be received by the City of Los Alamitos, until 11:00 A.M. on May 5, 2020:

The intent of this Addendum No. 1 is to revise the Notice Inviting Sealed Bids

1. The following modifications to the Notice Inviting Sealed Bids:

- a. The following hereby replaces the second paragraph of the Notice Inviting Sealed Bids:

The bids will be opened via teleconference and read at 11:00 a.m. on the 5th day of May 2020. Pursuant to Executive Orders and given the current health concerns, members of the public can access bid opening by phone dial +1 (301) 715-8592 and enter the Meeting ID: ~~927-0846-3780~~ **924-0846-3780**. Your microphone will be disabled upon entry for the duration of the meeting. Members of the public may not attend the bid opening in person.

- b. The following hereby replaces the fourth paragraph of the Notice Inviting Sealed Bids:

Copies of the plans, specifications, and contract documents are available from the City of Los Alamitos, **3191 Katella Avenue, Los Alamitos, CA 90720** upon payment of a **\$15.00 non-refundable fee if picked up, or payment of a \$25.00 non-refundable fee if mailed**. In accordance with the provisions of California Public Contract Code § 3300, and Business and Professions Code § 7028.15(e), the Agency has determined that the contractor shall possess a valid Class A contractor's license **or combination of C-8 (Concrete Contractor) and C-12 (Earthwork and Paving Contractor) licenses** at the time that the contract is awarded. Failure to possess the specified license shall render a bidder's bid as non-responsive and shall bar award of the contract to any bidder not possessing the specified license at the time of the award.

2. Responses to Questions:

Q1. On Page 84 on the specifications there's a section that says that traffic control plans are required and they have to be signed and stamped by a traffic control Engineer. This project is on a parking lot and most likely closed due to the pandemic crises, are these

traffic control plans really required for this project?

A1. Traffic control plans are required if any street or parking lanes are impacted due to construction and shall conform to the California MUTCD. Signatures are not required on the traffic control plans.
