

RESOLUTION NO. 2020-08

A RESOLUTION OF THE CITY COUNCIL OF LOS ALAMITOS, CALIFORNIA, TO ADOPT A LIST OF PROJECTS FOR FISCAL YEAR 2020-21 FUNDED BY SB1: THE ROAD REPAIR AND ACCOUNTABILITY ACT OF 2017 TOWARDS THE SUBURBIA NEIGHBORHOOD STREET REHABILITATION

WHEREAS, Senate Bill 1 (SB1), the Road Repair and Accountability Act of 2017 (Chapter 5, Statutes of 2017) was passed by the Legislature and Signed into law by the Governor in April 2017 to address the significant multi-modal transportation funding shortfalls statewide; and,

WHEREAS, SB1 includes accountability and transparency provisions that will ensure the residents of Los Alamitos are aware of the projects proposed for funding in our community and which projects are in progress or have been completed each fiscal year; and,

WHEREAS, the City of Los Alamitos must adopt a list of all projects proposed to receive funding from the Road Maintenance and Rehabilitation Account (RMRA), created by SB1 by resolution, which must include a description and the location of each proposed project, a proposed schedule for the project's completion, and the estimated useful life of the improvement; and,

WHEREAS, the City of Los Alamitos, will receive an estimated \$210,000 in RMRA funding in Fiscal Year 2020-21 from SB1; and,

WHEREAS, this is the fourth year in which the City/County is receiving SB1 funding and will enable the City/County to continue essential road maintenance and rehabilitation projects, safety improvements, repairing and replacing aging bridges, and increasing access and mobility options for the traveling public that would not have otherwise been possible without SB1; and,

WHEREAS, the City of Los Alamitos has undergone a robust public process to ensure public input into our community's transportation priorities/the project list; and,

WHEREAS, the City of Los Alamitos used a Pavement Management System to develop the SB1 project list to ensure revenues are being used on the most high-priority and cost-effective projects that also meet the community's priorities for transportation investment; and,

WHEREAS, the funding from SB1 will help the City of Los Alamitos maintain, rehabilitate and resurface residential roadways and add active transportation infrastructure throughout the City of Los Alamitos this year and hundreds of similar projects into the future; and,

WHEREAS, the 2018 California Statewide Local Streets and Roads Needs Assessment found that the City of Los Alamitos' streets and roads are in good condition and this revenue will help us increase the overall quality of our road system and over the next decade will bring our streets and roads into an excellent condition; and,

WHEREAS, the average motorist pays more than \$700 a year in added repair costs for their vehicle, just because of the poor condition of our roads however, a recent study by the American Road and Transportation Builders Association (ARTBA) found transportation improvements from SB1 will bring annual savings of nearly \$300 per household; and,

WHEREAS, without revenue from SB1, the City of Los Alamitos, would have otherwise been delaying projects throughout the community; and,

WHEREAS, if the Legislature and Governor failed to act, city streets and county roads would have continued to deteriorate, having many and varied negative impacts on our community; and,

WHEREAS, cities and counties own and operate more than 81 percent of streets and roads in California, and from the moment we open our front door to drive to work, bike to school, or walk to the bus station, people are dependent upon a safe, reliable local transportation network; and,

WHEREAS, modernizing the local street and road system provides well-paying construction jobs and boosts local economies; and,

WHEREAS, the local street and road system is also critical for farm to market needs, interconnectivity, multimodal needs, and commerce; and,

WHEREAS, police, fire, and emergency medical services all need safe reliable roads to react quickly to emergency calls and a few minutes of delay can be a matter of life and death; and,

WHEREAS, maintaining and preserving the local street and road system in good condition will reduce drive times and traffic congestion, improve bicycle safety, and make

the pedestrian experience safer and more appealing, which leads to reduced vehicle emissions helping the State achieve its air quality and greenhouse gas emissions reductions goals; and,

WHEREAS, the SB1 project list and overall investment in our local streets and roads infrastructure with a focus on basic maintenance and safety, investing in complete streets infrastructure, and using cutting-edge technology, materials and practices, will have significant positive co-benefits statewide.

NOW, THEREFORE THE CITY COUNCIL OF THE CITY OF LOS ALAMITOS DOES RESOLVE AS FOLLOWS:

SECTION 1. The foregoing recitals are true and correct.

SECTION 2. The City of Los Alamitos adopts the following list of projects planned to be funded in fiscal year 2020-21 with Road Maintenance and Rehabilitation Account revenues:

Project Description: Grind and overlay asphalt or slurry seal in the Suburbia Neighborhood, which includes Rochelle Street, Linda Way, Barbi Lane, Maple Street, Kelly Lane and Denwood Avenue. The streets within the project limits will be ground and resurfaced with 2-inch thick Asphalt Rubber Hot Mix (ARHM), or removed and replaced with either Asphalt Concrete (AC) over Aggregate Base (AB) or Joint Plain Cement Concrete (JPCP). Visible cracks will be filled with rubberized crack filling material. All manhole, water valve, anode and monitoring well covers within the project limits will be adjusted to grade. Existing curbs and driveways will be protected in place within the limits of the project. This project will also reinstall traffic striping, pavement markers, signing and install loop detectors at signalized intersections. The estimated useful life is 10-20 years.

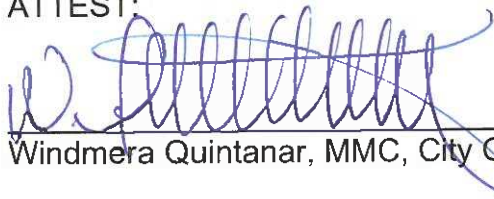

Location: Suburbia Neighborhood

Anticipated Year of Construction: Fiscal Year 2021

PASSED, APPROVED, AND ADOPTED this 20th day of April, 2020.

Richard D. Murphy, Mayor
