CITY COUNCIL AGENDA REPORT

MEETING DATE: July 27, 2020 ITEM NUMBER: 8A

To: Mayor Richard D. Murphy & Members of the City Council

Presented By: Chet Simmons, City Manager

Subject: Adopt Ordinance 2020-06 - Adding Chapter 3.14 to Title 3 of the Los Alamitos Municipal Code to Impose a Transactions and Use Tax to be administered by the California Department of Tax and Fee Administration

SUMMARY

The proposed ordinance would add Chapter 3.14 to Title 3 of the Los Alamitos Municipal Code to Impose a Transactions and Use Tax to be administered by the California Department of Tax and Fee Administration subject to the approval of the voters. The City Council introduced for first reading, read by title only, and waived further reading of Ordinance No. 2020-06 at its Regular meeting on July 20, 2020.

RECOMMENDATION

BACKGROUND

At the direction of the City Council, the City of Los Alamitos has been proactively developing a long term fiscal sustainability plan to help identify ways the City can maintain City services. As you know, Los Alamitos combines a small-town ambience with excellent schools, highly effective police services, and a high quality of life to ensure that the community is a nice place to live, visit, and conduct business. The City strives to provide unmatched services to its residents, including first-rate public safety, parks and recreation programs, infrastructure maintenance, youth and senior services as well as several quality large-scale events and community programs. The community is passionate about maintaining Los Alamitos for generations to come. The Council and staff share this view...
and are committed to ensuring Los Alamitos retains its quality of life and its special small town character.

The City staff presented to City Council at the July 20, 2020 meeting details of the various options available and different actions the City Council has identified, studied, and undertaken to address a recognized long term structural deficit. It also provided the City Council and the community with recommendations and opportunities to resolve the City’s financial condition and existing structural deficit by submitting a one and one-half cent (1.5%) sales tax (transaction and use tax) ballot measure to the voters for consideration in the November general election.

The recommendation to place a transaction sales tax measure on the November 3, 2020 ballot for voter consideration was unanimously approved by the City Council at the July 20, 2020 regular City Council Meeting.

DISCUSSION

Establishing a sales tax (transactions and use tax) measure. A one and one-half cent (1.5%) increase on sales made in the City of Los Alamitos (but excluding food purchased as groceries or prescription medication) would raise approximately $4.1 million per year. Costs of this tax would be shared by residents, businesses and visitors purchasing certain taxable goods and products in the City. This revenue source is protected by the State constitution whereby the State of California cannot take sales tax from local agencies. In order to pass the measure, 50% + 1 of voting residents would need to approve it in an election. Currently, the City’s sales tax rate is 7.75%, which is lower than many other surrounding cities. Garden Grove, Seal Beach and La Palma are all at 8.75%, while Long Beach is at 10.25%.

The following is the recommended ballot question:

| CITY OF LOS ALAMITOS QUALITY OF LIFE, 911 POLICE RESPONSE, BUSINESS/JOB PROTECTION MEASURE. |
| To ensure quality of life services by preserving 911 police response with local control; protect local businesses, maintain local jobs; prevent property crime; protect neighborhood/park police patrols, street maintenance, youth, senior programs, other essential services; protect long-term fiscal sustainability, shall the City of Los Alamitos measure establishing 1.5¢ sales tax providing approximately $4,100,000 annually until ended by voters be adopted, requiring independent audits, public spending disclosure, ensuring all funds stay in Los Alamitos? |
| YES |
| NO |

Ordinance No. 2020-06
July 27, 2020
Page 2 of 2
It is required Ordinance No. 2020-06 be brought back to the City Council for approval. The 1.5% sales and use tax contemplated by the Ordinance will not take effect unless and until the measure is approved by a majority vote of the City’s voters. However, City Council approval of the Ordinance in advance of the November election will ensure that the sales and use tax – if approved by the voters – can be implemented as soon as possible after certification of the election.

**FISCAL IMPACT**

None.

ORDINANCE NO. 2020-06

AN ORDINANCE OF THE CITY OF LOS ALAMITOS, CALIFORNIA, ADDING CHAPTER 3.14 TO TITLE 3 OF THE LOS ALAMITOS MUNICIPAL CODE IMPOSING A TRANSACTIONS AND USE TAX TO BE ADMINISTERED BY THE CALIFORNIA DEPARTMENT OF TAX AND FEE ADMINISTRATION

WHEREAS, people live in Los Alamitos because it offers a better quality of life and better services than other nearby communities; and,

WHEREAS, due to Sacramento takeaways, Los Alamitos has lost almost $13 million in local property tax dollars since 1992, and is continuing to lose another $770,000 every year; and,

WHEREAS, the 20-year long term plan shows that the annual deficit for 2021-22 will be $1.652M and grows to over $3.7 annually by 2030-31; and,

WHEREAS, The City of Los Alamitos has consistently managed a balanced budget for the past 10 years, focusing on being fiscally responsible and making the hard decisions to cut costs and staff as financial realities change; and,

WHEREAS, the City over the last ten years has been very fiscally responsible by lowering costs, including reducing the workforce by 26 full-time positions, reducing healthcare subsidies, implementing a 2-tiered retirement program and 3-tiered salary schedule, and contracting out for various city services including street sweeping thereby reducing costs while maintaining many essential city services; and,

WHEREAS, the City faced a $1.347 million structural budget deficit for fiscal year 2020-21. The City temporarily addressed this structural deficit by furloughing staff; reducing pay for city employees; cutting 10 FT/PT city positions, including 4 police and one code enforcement officer positions; reorganizing the Recreation and Development Services Departments; and reducing other city services; and,

WHEREAS, the City combines a small-town ambience and desires to maintain a high quality of life to ensure that the community is a nice place to live, work, visit, and conduct business; and,

WHEREAS, public safety is a top priority in Los Alamitos and represents over 47% of the City’s General Fund budget, and without additional revenue the City will be forced to significantly cut public safety services, including gang and drug prevention, neighborhood police patrols, and consider reducing senior and youth community programs and other essential City services; and,
WHEREAS, the City desires to maintain and keep rapid 9-1-1 emergency and quick response times, and retain and attract qualified police officers, so that people of Los Alamitos will continue to receive vital police protection services; and,

WHEREAS, among other priorities the City seeks to continue to maintain vital senior and youth programs and numerous community events; and,

WHEREAS, the City strives to stimulate local economic growth and create more good-paying local jobs for residents, and the additional funds will help Los Alamitos remain attractive to businesses, visitors and homebuyers strengthening local property values; and,

WHEREAS, this measure will help to maintain funding for local streets, roadways and park and playground equipment maintenance and repair, repair and maintain city facilities including the Community Center, Police Station, City Hall and Public Works Yards; and,

WHEREAS, additional revenue will allow the City to repair local storm drain systems to prevent flooding; to maintain safety; and help to repair streets and potholes; and,

WHEREAS, this measure will help local property values by making sure Los Alamitos has well-maintained streets, safe and clean neighborhoods, and high quality public safety services, keeping property values strong; and,

WHEREAS, sales taxes are not charged on food purchased as groceries or prescription medication, limiting the measure's impact on Los Alamitos residents; and,

WHEREAS, in light of the structural deficit, additional revenues are needed in order to preserve essential city services and the high quality of life in Los Alamitos; and,

WHEREAS, all additional revenues raised by this measure will be used to fund essential city services in Los Alamitos, and cannot be taken away by the state or used for other purposes; and,

WHEREAS, the additional revenues raised by this measure will be subject to a clear system of accountability, including annual independent financial audits, adopting annual City budgets during a public meeting and publishing the entire City Budget and Comprehensive Annual Financial Report online to ensure that all funds are accounted for and spent properly.

NOW, THEREFORE, THE PEOPLE OF THE CITY OF LOS ALAMITOS, CALIFORNIA, DO ORDAIN AS FOLLOWS:

SECTION 1. The foregoing recitals are true and correct, and are incorporated herein by reference.
SECTION 2. Subject to and contingent upon the voter approval requirements set forth in Section 3 of this Ordinance, Chapter 3.14 – Transactions and Use Tax is hereby added to Title 3 (Revenue and Finance) of the Los Alamitos Municipal Code to read as follows:

This chapter shall be known as the “Los Alamitos Transactions and Use Tax Ordinance.” The city of Los Alamitos hereinafter shall be called “City”. This chapter shall be applicable in the incorporated territory of the City.

"Operative Date" means the first day of the first calendar quarter commencing more than 110 days after the adoption of the ordinance enacting this chapter, the date of such adoption being as set forth below.

This chapter is adopted to achieve the following, among other purposes, and directs that the provisions hereof be interpreted in order to accomplish those purposes:

A. To impose a retail transactions and use tax in accordance with the provisions of Part 1.6 (commencing with Section 7251) of Division 2 of the Revenue and Taxation Code and Section 7285.9 of Part 1.7 of Division 2 which authorizes the City to adopt this tax ordinance which shall be operative if a majority of the electors voting on the measure vote to approve the imposition of the tax at an election called for that purpose.

B. To adopt a retail transactions and use tax ordinance that incorporates provisions identical to those of the Sales and Use Tax Law of the State of California insofar as those provisions are not inconsistent with the requirements and limitations contained in Part 1.6 of Division 2 of the Revenue and Taxation Code.

C. To adopt a retail transactions and use tax ordinance that imposes a tax and provides a measure therefore that can be administered and collected by the California Department of Tax and Fee Administration in a manner that adapts itself as fully as practicable to, and requires the least possible deviation from, the existing statutory and administrative procedures followed by the California Department of Tax and Fee Administration in administering and collecting the California State Sales and Use Taxes.

D. To adopt a retail transactions and use tax ordinance that can be administered in a manner that will be, to the greatest degree possible, consistent with the provisions of Part 1.6 of Division 2 of the Revenue and Taxation Code, minimize the cost of collecting the transactions and use taxes, and at the same
time, minimize the burden of record keeping upon persons subject to taxation under the provisions of this chapter.

Prior to the operative date, the City shall contract with the California Department of Tax and Fee Administration to perform all functions incident to the administration and operation of this transactions and use tax ordinance; provided, that if the City shall not have contracted with the California Department of Tax and Fee Administration prior to the operative date, it shall nevertheless so contract and in such a case the operative date shall be the first day of the first calendar quarter following the execution of such a contract.

For the privilege of selling tangible personal property at retail, a tax is hereby imposed upon all retailers in the incorporated territory of the City at the rate of one and one-half percent (1.5%) of the gross receipts of any retailer from the sale of all tangible personal property sold at retail in said territory on and after the operative date of the ordinance enacting this chapter.

3.14.060 Place of sale.

For the purposes of this chapter, all retail sales are consummated at the place of business of the retailer unless the tangible personal property sold is delivered by the retailer or his agent to an out-of-state destination or to a common carrier for delivery to an out-of-state destination. The gross receipts from such sales shall include delivery charges, when such charges are subject to the state sales and use tax, regardless of the place to which delivery is made. In the event a retailer has no permanent place of business in the State or has more than one place of business, the place or places at which the retail sales are consummated shall be determined under rules and regulations to be prescribed and adopted by the California Department of Tax and Fee Administration.

An excise tax is hereby imposed on the storage, use or other consumption in the City of tangible personal property purchased from any retailer on and after the operative date of this ordinance for storage, use or other consumption in said territory at the rate of one and one-half percent (1.5%) of the sales price of the property. The sales price shall include delivery charges when such charges are subject to state sales or use tax regardless of the place to which delivery is made.

3.14.080 Adoption of provisions of State law.

Except as otherwise provided in this chapter and except insofar as they are
inconsistent with the provisions of Part 1.6 of Division 2 of the Revenue and Taxation Code, all of the provisions of Part 1 (commencing with Section 6001) of Division 2 of the Revenue and Taxation Code are hereby adopted and made a part of this chapter as though fully set forth herein.

3.14.090 Limitations on adoption of provisions of State law and collection of use taxes.

In adopting the provisions of Part 1 of Division 2 of the Revenue and Taxation Code:

A. Wherever the State of California is named or referred to as the taxing agency, the name of this City shall be substituted therefor. However, the substitution shall not be made when:

1. The word "State" is used as a part of the title of the State Controller, State Treasurer, State Treasury, or the Constitution of the State of California;

2. The result of that substitution would require action to be taken by or against this City or any agency, officer, or employee thereof rather than by or against the California Department of Tax and Fee Administration, in performing the functions incident to the administration or operation of this chapter.

3. In those sections, including, but not necessarily limited to sections referring to the exterior boundaries of the State of California, where the result of the substitution would be to:

   a. Provide an exemption from this tax with respect to certain sales, storage, use or other consumption of tangible personal property which would not otherwise be exempt from this tax while such sales, storage, use or other consumption remain subject to tax by the State under the provisions of Part 1 of Division 2 of the Revenue and Taxation Code, or;

   b. Impose this tax with respect to certain sales, storage, use or other consumption of tangible personal property which would not be subject to tax by the state under the said provision of that code.

4. In Sections 6701, 6702 (except in the last sentence thereof), 6711, 6715, 6737, 6797 or 6828 of the Revenue and Taxation Code.

B. The word "City" shall be substituted for the word "State" in the phrase "retailer engaged in business in this State" in Section 6203 and in the definition of that phrase in Section 6203.

1. “A retailer engaged in business in the District” shall also include any retailer that, in the preceding calendar year or the current calendar year, has
total combined sales of tangible personal property in this state or for delivery in the State by the retailer and all persons related to the retailer that exceeds five hundred thousand dollars ($500,000). For purposes of this section, a person is related to another person if both persons are related to each other pursuant to Section 267(b) of Title 26 of the United States Code and the regulations thereunder.

3.14.100 Permit not required.

If a seller's permit has been issued to a retailer under Section 6067 of the Revenue and Taxation Code, an additional transactor's permit shall not be required by this ordinance.

A. There shall be excluded from the measure of the transactions tax and the use tax the amount of any sales tax or use tax imposed by the State of California or by any city, city and county, or county pursuant to the Bradley-Burns Uniform Local Sales and Use Tax Law or the amount of any state-administered transactions or use tax.

B. There are exempted from the computation of the amount of transactions tax the gross receipts from:

1. Sales of tangible personal property, other than fuel or petroleum products, to operators of aircraft to be used or consumed principally outside the county in which the sale is made and directly and exclusively in the use of such aircraft as common carriers of persons or property under the authority of the laws of this State, the United States, or any foreign government.

2. Sales of property to be used outside the City which is shipped to a point outside the City, pursuant to the contract of sale, by delivery to such point by the retailer or his agent, or by delivery by the retailer to a carrier for shipment to a consignee at such point. For the purposes of this paragraph, delivery to a point outside the City shall be satisfied:

   a. With respect to vehicles (other than commercial vehicles) subject to registration pursuant to Chapter 1 (commencing with Section 4000) of Division 3 of the Vehicle Code, aircraft licensed in compliance with Section 21411 of the Public Utilities Code, and undocumented vessels registered under Division 3.5 (commencing with Section 9840) of the Vehicle Code by registration to an out-of-City address and by a declaration under penalty of perjury, signed by the buyer, stating that such address is, in fact, his or her principal place of residence; and
b. With respect to commercial vehicles, by registration to a place of business out-of-City and declaration under penalty of perjury, signed by the buyer, that the vehicle will be operated from that address.

3. The sale of tangible personal property if the seller is obligated to furnish the property for a fixed price pursuant to a contract entered into prior to the operative date of this ordinance.

4. A lease of tangible personal property which is a continuing sale of such property, for any period of time for which the lessor is obligated to lease the property for an amount fixed by the lease prior to the operative date of this ordinance.

5. For the purposes of subparagraphs (3) and (4) of this section, the sale or lease of tangible personal property shall be deemed not to be obligated pursuant to a contract or lease for any period of time for which any party to the contract or lease has the unconditional right to terminate the contract or lease upon notice, whether or not such right is exercised.

C. There are exempted from the use tax imposed by this ordinance, the storage, use or other consumption in this City of tangible personal property:

1. The gross receipts from the sale of which have been subject to a transactions tax under any state-administered transactions and use tax ordinance.

2. Other than fuel or petroleum products purchased by operators of aircraft and used or consumed by such operators directly and exclusively in the use of such aircraft as common carriers of persons or property for hire or compensation under a certificate of public convenience and necessity issued pursuant to the laws of this State, the United States, or any foreign government. This exemption is in addition to the exemptions provided in Sections 6366 and 6366.1 of the Revenue and Taxation Code of the State of California.

3. If the purchaser is obligated to purchase the property for a fixed price pursuant to a contract entered into prior to the operative date of this ordinance.

4. If the possession of, or the exercise of any right or power over, the tangible personal property arises under a lease which is a continuing purchase of such property for any period of time for which the lessee is obligated to lease the property for an amount fixed by a lease prior to the operative date of this ordinance.

5. For the purposes of subparagraphs (3) and (4) of this section, storage,
use, or other consumption, or possession of, or exercise of any right or power over, tangible personal property shall be deemed not to be obligated pursuant to a contract or lease for any period of time for which any party to the contract or lease has the unconditional right to terminate the contract or lease upon notice, whether or not such right is exercised.

6. Except as provided in subparagraph (7), a retailer engaged in business in the City shall not be required to collect use tax from the purchaser of tangible personal property, unless the retailer ships or delivers the property into the City or participates within the City in making the sale of the property, including, but not limited to, soliciting or receiving the order, either directly or indirectly, at a place of business of the retailer in the City or through any representative, agent, canvasser, solicitor, subsidiary, or person in the City under the authority of the retailer.

7. "A retailer engaged in business in the City" shall also include any retailer of any of the following: vehicles subject to registration pursuant to Chapter 1 (commencing with Section 4000) of Division 3 of the Vehicle Code, aircraft licensed in compliance with Section 21411 of the Public Utilities Code, or undocumented vessels registered under Division 3.5 (commencing with Section 9840) of the Vehicle Code. That retailer shall be required to collect use tax from any purchaser who registers or licenses the vehicle, vessel, or aircraft at an address in the City.

D. Any person subject to use tax under this ordinance may credit against that tax any transactions tax or reimbursement for transactions tax paid to a district imposing, or retailer liable for a transactions tax pursuant to Part 1.6 of Division 2 of the Revenue and Taxation Code with respect to the sale to the person of the property the storage, use or other consumption of which is subject to the use tax.

3.14.120 Amendments.

All amendments subsequent to the effective date of this chapter to Part 1 of Division 2 of the Revenue and Taxation Code relating to sales and use taxes and which are not inconsistent with Part 1.6 and Part 1.7 of Division 2 of the Revenue and Taxation Code, and all amendments to Part 1.6 and Part 1.7 of Division 2 of the Revenue and Taxation Code, shall automatically become a part of this chapter, provided however, that no such amendment shall operate so as to affect the rate of tax imposed by this chapter.

No injunction or writ of mandate or other legal or equitable process shall issue in any suit, action or proceeding in any court against the State or the City, or against any officer of the State or the City, to prevent or enjoin the collection under this ordinance, or Part 1.6 of Division 2 of the Revenue and Taxation Code, of any
tax or any amount of tax required to be collected.

If any provision of this chapter or the application thereof to any person or circumstance is held invalid, the remainder of the chapter and the application of such provision to other persons or circumstances shall not be affected thereby.

SECTION 3. Approval by the Voters. Pursuant to California Elections Code section 9217 and Revenue and Taxation Code section 7285.9, this Ordinance and the transactions and use tax contemplated herein shall take effect only if approved by a majority of the eligible voters of the City of Los Alamitos voting at the Regular Election of November 3, 2020, and shall take effect ten (10) days after the City Council has certified the results of that election by resolution.

PASSED, APPROVED, AND ADOPTED this 27th day of July, 2020.

SUMMARY

This item provides a basis for approval of Amendment No. 3 with Michael Balliet Consulting, LLC (MBC), which proposes a term extension June 30, 2022. The current Professional Services Agreement (PSA) expires on June 30, 2020.

RECOMMENDATION

Authorize the Mayor to execute Amendment No. 3 of the Professional Services Agreement with Michael Balliet Consulting, LLC (MBC), extending the contract for (2) years.

BACKGROUND

The City of Los Alamitos has utilized Michael Balliet Consulting Services since late 2017 for annual Solid Waste Consulting related issues are continually becoming more complex in California with legislation changing annually and compliance becoming more challenging. To keep up with the complex issue of solid waste, the City has utilized the services of Mike Balliet. Mr. Balliet also provides annual solid waste diversion and state-mandated compliance consulting services.

Assembly Bill (AB) 1826

In October 2014, Governor Brown signed AB 1826 Chesbro (Chapter 727, Statutes of 2014), requiring businesses to recycle their organic waste on and after April 1, 2016, depending on the amount of waste they generate per week. This law also required that on and after January 1, 2016, local jurisdictions across the state implement an organic waste recycling program to divert organic waste generated by businesses, including multi-family residential dwellings that consist of five or more units (please note, that multifamily dwellings are not required to have a food waste diversion program). Organic waste (also referred to as organics throughout this resource) means food waste, green waste, landscape and pruning waste, nonhazardous wood waste, and food-soiled paper
waste that is mixed in with food waste. This law phases in the mandatory recycling of commercial organics over time. The minimum threshold of organic waste generation by businesses decreases over time, which means an increasingly greater proportion of the commercial sector will be required to comply in the future.

On December 28, 2017, the City was at risk of being referred to CalRecycle’s Jurisdiction Compliance Unit (JCU) as a result of the lack of program. CalRecycle is the state’s governing body for solid waste compliance including the monitoring of the City’s progress with regards to AB 1826 implementation. In collaboration with Republic Services, Mr. Balliet has played a key role in all efforts towards gaining compliance from establishments throughout the community that fall within the threshold of AB 1826.

DISCUSSION

Largely attributed to Mr. Balliet’s efforts and outreach to the business community, to date, the City has successfully reached a 77 percent compliance rate for business accounts that are considered to be tier 1 and tier 2, and 100 percent compliance for tier 1 and tier 2 multi-family accounts. The tier system is essentially designed to classify thresholds of organic waste generation, with tier 1 essentially being the highest level of organic waste generators.

Assembly Bill (AB) 1383
In September 2016, Governor Brown signed Senate Bill (SB) 1383 (Chapter 395, Statues of 2016), establishing methane reduction targets in a statewide effort to reduce emissions of short-lived climate pollutants (SLCP) in various sectors of California’s economy. SB 1383 requires a 50 percent reduction in landfilled organic waste by the year 2020. AB 1383 outlined the following as key implementation dates:

<table>
<thead>
<tr>
<th>DATE</th>
<th>ACTION</th>
</tr>
</thead>
<tbody>
<tr>
<td>July 1, 2020</td>
<td>CalRecycle in consultation with the Air Resources Board, will analyze the progress that the waste sector, state government, and local governments have made in meeting the organic waste reduction targets for 2020 and 2025.</td>
</tr>
<tr>
<td>January 1, 2022</td>
<td>Enforcement and Penalties Begin</td>
</tr>
<tr>
<td>January 1, 2024</td>
<td>Effective on this date, the regulations may require local jurisdictions to impose penalties for non-compliance on regulated entities subject to their authority.</td>
</tr>
</tbody>
</table>

It is predicted that the City will use Mr. Balliet’s services more frequently as the City maneuvers through the complexities of Organic Waste, managing the existing contract with Republic Services, performing annual reporting and auditing and assistance with the preparation of the Franchise Hauler Request for Proposals (RFP).
FISCAL IMPACT

At an hourly rate of $105 per-hour, Amendment No. 3 to the existing contract with Mr. Balliet for Solid Waste Diversion and State-Mandated Compliance Consulting Services, anticipates an annual budget amount not to exceed $20,000 (contract term ending on June 30, 2022). Republic Service’s current agreement with the City includes $10,000 set aside to assist with MBC’s annual service fee. Amendment No. 3 will be paid out of account 10.560.5260 in the Fiscal Year 2020-2021 budget.

Re:  Proposal – Annual Compliance Consulting

Michelle:

Below is a summary of the various tasks and activities we discussed. Barring anything unforeseen, an annual budget amount of $20,000 is required to accomplish the following:

Franchise Hauler Monitoring
  • Develop revised reporting forms and incorporate quarterly reviews and reports on fee payment accuracy and compliance with other contracted service requirements.  
  • Perform annual review of rate adjustment requests.  
  • Review all hauler reports and other correspondence.  
  • Monitoring and reporting on major hauler-provided compliance programs at the customer level.  
  • Maintenance of current containers in service and frequency of pick-up information.  
  • Attendance at all hauler and City meetings.  
  • Review and prepare reports/opinions on hauler requests as received.

CalRecycle/Compliance Assistance
  • Assist with periodic communications with CalRecycle and monitor legislation in process and grant opportunities.  
  • Assist in coordination and attend CalRecycle site visits and phone conferences.  
  • Review annual report sections prepared by Republic Services and assist the City in completing other portions of this annual compliance report.  
  • Provide reports and advice on legislative changes and clarifications related to solid waste.  
  • Prepare required notices and coordinate required annual mailings (AB341 and AB1826), and special mailings (AB827) on an as-needed basis.  
  • Assist the City in developing and executing an overall compliance strategy.  
  • Prepare reports and attend meeting with City staff and elected officials to explain State compliance issues, in particular SB1383.
Resident and Business Assistance
- Support City staff in responding to resident and business inquiries, complaints, or requests for technical assistance* in response to City notices and generally.
- Prepare an initial AB827 monitoring list.
- Prepare quarterly compliance monitoring updates for major programs (AB341, AB1826, and AB827).

* - Technical assistance provided may be limited based upon project hours available. If we run into this situation we will advise staff and propose alternative measures to help the City be responsive.

In general these are the specific activities that require ongoing assistance to ensure effective performance by your franchise hauler and that the City maintains good standing with regards to State compliance.

Annual project budget is based upon a projected average of 15 hours per-month at a discounted billing rate of $105 per-hour ($18,900 per-year) plus $1,100 to cover contingencies that primarily included responding to the typical volume of businesses and resident issues that require explaining State mandates, resolving hauler service issues, and/or providing technical assistance. In addition this cushion is in place to deal with unforeseen State requirements. Both issues pop-up every years so the $1,100 “cushion” is seen as the minimum reasonable amount to include.

Thank you for the continued opportunity to provide consulting work for the City of Los Alamitos.

Sincerely,

Submitted via email on 4/29/2020

CONSULTING SERVICES AGREEMENT
Michael Balliet Consulting, LLC

THIS CONSULTING SERVICES AGREEMENT ("Agreement") is made and entered into, to be effective this 16th day of October 2017 ("Effective Date"), by and between the CITY OF LOS ALAMITOS, a California charter city and municipal corporation ("City"), and Michael Balliet Consulting, LLC, a California corporation ("Consultant"). City and Consultant are sometimes hereinafter individually referred to as "Party" and are hereinafter collectively referred to as the "Parties."

RECITALS

A. City has determined that it requires the services of a qualified consulting services firm to provide as-needed solid waste diversion and state-mandated compliance consulting services ("Project").

B. Consultant represents and maintains that it is uniquely qualified by virtue of its experience, training, education, reputation, and expertise, to provide the necessary services to City and has agreed to provide such services as set forth herein.

C. City desires to engage Consultant to provide such services subject to the terms and conditions set forth in this Agreement.

NOW, THEREFORE, in consideration of the promises and mutual obligations, covenants, and conditions contained herein, and other valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Parties agree as follows:

AGREEMENT

1. SERVICES OF CONSULTANT

1.1 Scope of Services and Standard of Performance. Consultant shall provide those services set forth in the On-Call Consulting Services Proposal, dated October 2, 2017, attached hereto as Exhibit "A" ("Scope of Services" and/or "Project Services"). Consultant shall provide the Project Services in compliance with all terms and conditions of this Agreement. Consultant warrants that all Project Services shall be performed in a skillful, competent, professional and satisfactory manner in accordance with all standards prevalent in the same profession in the State of California. Consultant represents and warrants that it is skilled in the professional discipline necessary to perform the Project Services. Consultant represents and warrants that it and all employees, subconsultants and subcontractors providing any services pursuant to this Agreement shall have sufficient skill and experience to perform the Project Services. All Project Services shall be completed to the reasonable satisfaction of City.

1.1.1 Resolution of Inconsistencies. In the event of any inconsistency between or among the terms and conditions contained in the main body of this Agreement and the Scope of Services, such inconsistency shall be resolved by applying the provisions in the
highest priority of the documents containing such inconsistency, which shall be determined in
the following order of declining priority: (1st) the main body of this Agreement; and (2nd) the
Scope of Services.

1.2 Compliance with Law. All Project Services shall be provided in accordance
with all laws, ordinances, resolutions, statutes, rules, and regulations of City and any federal,
state or local governmental agency of competent jurisdiction. Consultant shall be liable for all
violations of such laws, ordinances, resolutions, statutes, rules and regulations in connection with
performance of the Project Services. If Consultant performs any Project Services in violation of
such laws, ordinances, resolutions, statutes, rules or regulations, Consultant shall be solely
responsible for all penalties and costs arising therefrom. Consultant shall defend, indemnify, and
hold City, its officials, officers, employees, agents and volunteers, free and harmless from and
against any claim or liability arising out of any failure or alleged failure to comply with such
laws, ordinances, resolutions, statutes, rules or regulations.

1.3 Licenses and Permits. Prior to performing any Project Services, Consultant shall
obtain all licenses, permits, qualifications, and approvals of whatever nature that are legally
required to practice its profession and perform the Project Services. Consultant represents and
warrants to City that Consultant shall, at its sole cost and expense, keep in effect at all times
during the term of this Agreement and any extension, any license, permit, qualification, or
approval that is legally required for Consultant to perform the Project Services. Consultant shall
have the sole obligation to pay for any fees, assessments, and taxes, plus applicable penalties and
interest, which may be imposed by law and arise from or are necessary for the Consultant's
performance of the Project Services, and shall defend, indemnify, and hold the City, its officials,
officers, employees, agents and volunteers, free and harmless from and against any claim or
liability arising out of any failure or alleged failure to obtain such license, permits, qualifications,
and approvals of whatever nature that are legally required to practice its profession and perform
the Project Services.

1.4 Familiarity with Work. By executing this Agreement, Consultant warrants that
Consultant (a) has thoroughly investigated and considered the Project Services to be performed,
(b) has carefully considered how the Project Services should be performed, and (c) fully
understands the facilities, difficulties and restrictions attending performance of the Project
Services under this Agreement.

1.5 Care in Performance of Project Services. Consultant shall adopt reasonable
methods during the term of the Agreement to prevent losses or damage to materials, papers or
other components of the Project Services, and shall be responsible for all such damages, to
persons or property, until acceptance of the Project Services by the City, except such losses or
damages as may be caused by City's own negligence.

1.6 Non-Exclusive Agreement. Consultant acknowledges that City may enter into
agreements with other contractors, consultants, or vendors for services similar to the services that
are the subject of this Agreement. Consultant further acknowledges that City may have its own
employees perform services similar to the services that are the subject of this Agreement.
2. **COMPENSATION**

2.1 **Maximum Contract Amount.** Consultant shall be compensated for the Project Services performed, including authorized reimbursements, on an on-call and as-needed hourly basis in accordance with the professional hourly rates and charges set forth in the Scope of Services in an amount not to exceed Twenty-Thousand Dollars ($20,000.00). The maximum amount of City’s payment obligation under this Agreement is the amount specified in this section.

2.2 **Method of Payment.** In any month in which Consultant wishes to receive payment, Consultant shall no later than first working day of such month, submit to the City, in a form approved by the City Manager or his designee, an invoice for services rendered prior to the date of the invoice. Such requests shall be based upon the amount and value of the services performed by Consultant and accompanied by such reporting data including an itemized breakdown of all costs incurred and tasks performed during the period covered by the invoice, as may be required by the City. Within thirty (30) calendar days of receipt of invoice, City shall pay all undisputed amounts included on the invoice.

2.3 **Changes in Scope.** In the event any change or changes in the Scope of Services is requested by the City, the Parties shall execute a written amendment to this Agreement, signed by an individual authorized to formally bind the Party for which he/she is signing, setting forth with particularity all terms of such amendment, including, but not limited to, any additional professional fees. An amendment may be entered into: (a) to provide for revisions or modifications to documents or other work product when documents or other work product or work is required by the enactment or revision of law subsequent to the preparation of any documents, other work product, or work; and/or, (b) to provide for additional services not included in this Agreement or not customarily furnished in accordance with generally accepted practice in Consultant’s profession.

2.4 **Appropriations.** This Agreement is subject to and contingent upon funds being appropriated therefore by the Los Alamitos City Council for each fiscal year covered by the term of this Agreement. If such appropriations are not made, this Agreement shall automatically terminate without penalty to the City.

3. **SCHEDULE OF PERFORMANCE**

3.1 **Time of Essence.** Time is of the essence in the performance of this Agreement. The time for completion of the Project Services to be performed by Consultant is an essential condition of this Agreement.

3.2 **Schedule of Performance.** Consultant shall prosecute regularly and diligently the Project Services according to the periods specified in the Scope of Services. When requested by Consultant, extensions of the time period(s) specified in the Scope of Services may be approved in writing by the Contract Officer; however, the City shall not be obligated to grant any such extension.
3.3 **Force Majeure.** The time for performance of the Project Services may be extended because of any delays due to unforeseeable causes beyond the control and without the fault or negligence of the Consultant (financial inability excepted), including, but not limited to, acts of God or of the public enemy, unusually severe weather, fires, earthquakes, floods, epidemics, quarantine restrictions, riots, strikes, freight embargoes, wars, and/or acts of any governmental agency, including the City, if Consultant, within ten (10) calendar days of the commencement of such delay, notifies the City Manager in writing of the causes of the delay. 

The City Manager shall ascertain the facts and the extent of delay, and extend the time for performing the Services for the period of the enforced delay when and if in the judgment of the City Manager such delay is justified. The City Manager's determination shall be final and conclusive upon the Parties to this Agreement. In no event shall Consultant be entitled to recover damages against the City for any delay in the performance of this Agreement, however caused, Consultant's sole remedy being extension of the Agreement pursuant to this section.

3.4 **Term.** Unless earlier terminated as provided elsewhere in this Agreement, this Agreement shall commence upon the Effective Date and shall continue in full force and effect for a period of one (1) year, ending on June 30, 2018, unless extended by mutual written agreement of the Parties.

4. **COORDINATION OF PROJECT SERVICES**

4.1 **Representative of Firm.** The following principal of Consultant is hereby designated as being the principal and representative of Consultant authorized to act on its behalf with respect to the Project Services and to make all decisions in connection therewith: Michael L. Balliet. It is expressly understood that the experience, knowledge, education, capability, expertise, and reputation of the foregoing principal is a substantial inducement for City to enter into this Agreement. Therefore, the foregoing principal shall be responsible during the term of this Agreement for directing all activities of Consultant and devoting sufficient time to personally supervise the Project Services performed hereunder. The foregoing principal may not be changed by Consultant without prior written approval of the Contract Officer.

4.2 **Contract Officer.** The Contract Officer shall be such person as may be designated by the City Manager, and is subject to change by the City Manager. It shall be the Consultant's responsibility to ensure that the Contract Officer is kept fully informed of the progress of the performance of the Project Services, and the Consultant shall refer any decisions which must be made by City to the Contract Officer. Unless otherwise specified herein, any approval of City required hereunder shall mean the approval of the Contract Officer. The Contract Officer shall have authority to sign all documents on behalf of the City required hereunder to carry out the terms of this Agreement.

4.3 **Prohibition Against Subcontracting or Assignments.** The experience, knowledge, capability, expertise, and reputation of Consultant, its principals and employees, were a substantial inducement for City to enter into this Agreement. Therefore, Consultant shall not assign the performance of this Agreement, nor any part thereof, nor any monies due hereunder, voluntarily or by operation of law, without the prior written consent of City. Consultant shall not contract with any other entity to perform the Project Services without prior
written consent of City. If Consultant is permitted by City to subcontract any part of this Agreement, Consultant shall be responsible to City for the acts and omissions of its subcontractor(s) in the same manner as it is for persons directly employed. Nothing contained in this Agreement shall create any contractual relationships between any subcontractor and City. All persons engaged in the performance of Project Services will be considered employees of Consultant. City will deal directly with and will make all payments to Consultant. In addition, neither this Agreement nor any interest herein may be transferred, assigned, conveyed, hypothecated, or encumbered voluntarily or by operation of law, whether for the benefit of creditors or otherwise, without the prior written consent of City. Transfers restricted hereunder shall include the transfer to any person or group of persons acting in concert of more than twenty five percent (25%) of the present ownership and/or control of Consultant, taking all transfers into account on a cumulative basis. In the event of any such unapproved transfer, including any bankruptcy proceeding, this Agreement shall be void. No approved transfer shall release Consultant or any surety of Consultant from any liability hereunder without the express written consent of City.

4.4 Independent Contractor.

4.4.1 The legal relationship between the Parties is that of an independent contractor; nothing herein shall be deemed to make Consultant a City employee. During the performance of this Agreement, Consultant and its officers, employees, and agents shall act in an independent capacity and shall not act as City officers or employees. Consultant will determine the means, methods and details of performing the Project Services subject to the requirements of this Agreement. The personnel performing the Project Services on behalf of Consultant shall at all times be under Consultant’s exclusive direction and control. Neither City nor any of its officials, officers, employees, agents or volunteers shall have control over the conduct of Consultant or any of its officers, employees, or agents, except as set forth in this Agreement. Consultant, its officers, employees or agents, shall not maintain a permanent office or fixed business location at City’s offices. City shall have no voice in the selection, discharge, supervision, or control of Consultant’s officers, employees, or agents or in fixing their number, compensation, or hours of service. Consultant shall pay all wages, salaries, and other amounts due its employees in connection with the performance of Project Services and shall be responsible for all reports and obligations respecting them, including but not limited to social security income tax withholding, unemployment compensation, workers’ compensation, and other similar matters. City shall not in any way or for any purpose be deemed to be a partner of Consultant in its business or otherwise a joint venturer or a member of any joint enterprise with Consultant.

4.4.2 Consultant shall not incur or have the power to incur any debt, obligation, or liability against City, or bind City in any manner.

4.4.3 No City benefits shall be available to Consultant, its officers, employees, representatives, agents, subconsultants or subcontractors in connection with the performance of any Project Services. Except for professional fees paid to Consultant as provided for in this Agreement, City shall not pay salaries, wages, or other compensation to Consultant for the performance of any Project Services. City shall not be liable for compensation or
indemnification to Consultant, its officers, employees, representatives, agents, subconsultants or subcontractors, for injury or sickness arising out of the performance of any Project Services. If for any reason any court or governmental agency determines that the City has financial obligations, other than pursuant to Section 2 herein, of any nature relating to salary, taxes, or benefits of Consultant's officers, employees, representatives, agents, or subconsultants or subcontractors, Consultant shall defend, indemnify, and hold harmless City from and against all such financial obligations.

4.5 PERS Eligibility Indemnification.

4.5.1 In the event that Consultant or any officer, employee, representative, agent, subconsultant or subcontractor of Consultant providing any Project Services claims or is determined by a court of competent jurisdiction or the California Public Employee Retirement System (PERS) to be eligible for enrollment in PERS as an employee of the City, Consultant shall indemnify, defend, and hold harmless City against (1) all such claims and determinations, (2) for the payment of any employee and/or employer contributions for PERS benefits on behalf of Consultant or its officers, employees, representatives, agents, subconsultants or subcontractors, and (3) the payment of any penalties and interest on such contributions, which would otherwise be the responsibility of the City.

4.5.2 Notwithstanding any other agency, state or federal policy, rule, regulation, law or ordinance to the contrary, Consultant and any of its officers, employees, representatives, agents, subconsultants or subcontractors providing any Project Services shall not qualify for or become entitled to, and hereby agree to waive any claims to, any compensation, benefit, or any incident of employment by City, including but not limited to eligibility to enroll in PERS as an employee of City and entitlement to any contribution to be paid by City for employer contribution and/or employee contributions for PERS benefits.

5. INSURANCE

5.1 Compliance with Insurance Requirements. Consultant shall obtain, maintain, and keep in full force and effect during the term of this Agreement, at its sole cost and expense, and in a form and content satisfactory to City, all insurance required under this section. Consultant shall not commence any Project Services unless and until it has provided evidence satisfactory to City that it has secured all insurance required under this section. If Consultant's existing insurance policies do not meet the insurance requirements set forth herein, Consultant agrees to amend, supplement or endorse the policies to do so.

5.2 Types of Insurance Required. As a condition precedent to the effectiveness of this Agreement, and without limiting the indemnity provisions set forth in this Agreement, Consultant shall obtain and maintain in full force and effect during the term of this Agreement, including any extension thereof, the following policies of insurance:

5.2.1 Commercial General Liability Insurance. Consultant shall obtain and maintain, in full force and effect throughout the term of this Agreement, a policy of Commercial General Liability Insurance (CGL). Coverage shall be at least as broad as ISO Form CG 00 01
written on a per occurrence basis, including products and completed operations, property damage, bodily injury and personal & advertising injury with limits of no less than One Million Dollars ($1,000,000.00) per occurrence and Two Million Dollars ($2,000,000.00) in the general aggregate. The policy shall not contain any endorsements or provisions limiting coverage for (1) contractual liability, (2) cross liability exclusion for claims or suits by one insured against another, or (3) contain any other exclusion contrary to the Agreement.

5.2.2 Automobile Liability Insurance. Consultant shall obtain and maintain, in full force and effect throughout the term of this Agreement, a policy of Automobile Liability Insurance. Coverage shall be at least as broad as ISO Form CA 00 01 written on a per occurrence basis, covering Code 1 (any auto), or if the Consultant has no owned autos, Code 8 (hired) and Code 9 (non-owned), with limits of no less than One Million Dollars ($1,000,000.00) for each occurrence covering bodily injury and property damage.

5.2.3 Workers’ Compensation Insurance. Consultant shall obtain and maintain, in full force and effect throughout the term of this Agreement, a policy of Workers’ Compensation Insurance in at least the minimum statutory amounts, and in compliance with all other statutory requirements, as required by the State of California. Consultant agrees to waive and obtain endorsements from its workers’ compensation insurer waiving all subrogation rights under its workers’ compensation insurance policy against the City, its officials, officers, employees, agents and volunteers, and to require each of its subconsultants and subcontractors, if any, to do likewise under their workers’ compensation insurance policies. Consultant shall also obtain and maintain, in full force and effect throughout the term of this Agreement, a policy of Employer’s Liability Insurance written on a per occurrence basis with limits of at least One Million Dollars ($1,000,000.00) per accident for bodily injury or disease. Notwithstanding the foregoing, Consultant shall not be required to procure either Worker’s Compensation Insurance or Employer’s Liability Insurance if Consultant provides written verification to the City that Consultant does not have any employees.

5.3 Acceptability of Insurers. Insurance required by this section shall be issued by a licensed company authorized to transact business in the state by the Department of Insurance for the State of California with a current rating of A-:VII or better (if an admitted carrier), or a current rating of A:X or better (if offered by a non-admitted insurer listed on the State of California List of Approved Surplus Lines Insurers (LASLI)), by the latest edition of A.M. Best’s Key Rating Guide, except that the City will accept workers’ compensation insurance from the State Compensation Fund. In the event the City determines that the work or Project Services to be performed under this Agreement creates an increased or decreased risk of loss to the City, the Consultant agrees that the minimum limits of the insurance policies may be changed accordingly upon receipt of written notice from the City. Consultant shall immediately substitute any insurer whose A.M. Best rating drops below the levels specified herein.

5.4 Specific Insurance Provisions and Endorsements. Required insurance policies shall not be in compliance if they include any limiting provision or endorsement that has not been submitted to the City for written approval. Required insurance policies shall contain the following provisions, or Consultant shall provide endorsements on forms approved by the City to add the following provisions to the insurance policies:
5.4.1 **CGL and Auto Liability Endorsements.** The policy or policies of insurance required by this section for CGL and Automobile Liability Insurance shall be endorsed as follows:

5.4.1.1 **Additional Insured.** The City, its officials, officers, employees, agents and volunteers, shall be additional insureds with regard to liability and defense of suits or claims arising out of the performance of the Agreement; and

5.4.1.1.1 **Additional Insured Endorsements.** Additional insured endorsements shall not (1) be restricted to “ongoing operations”, (2) exclude “contractual liability”, (3) restrict coverage to “sole” liability of Consultant, or (4) contain any other exclusions contrary to the Agreement; and, the coverage shall contain no special limitations on the scope of protection afforded to additional insureds.

5.4.1.2 **Primary and Non-Contributing Insurance.** Each CGL and Automobile Liability Insurance policy shall be endorsed to be primary, and any other insurance, deductible, or self-insurance maintained by the City, its officials, officers, employees, agents or volunteers, shall not contribute with this primary insurance.

5.4.1.3 **Waiver of Subrogation.** Each CGL and Automobile Liability Insurance policy shall contain or be endorsed to waive subrogation against the City, its officials, officers, employees, agents and volunteers, or shall specifically allow Consultant or others providing insurance evidence in compliance with the requirements set forth in this section to waive their right to recovery prior to a loss. Consultant hereby agrees to waive its own right of recovery against the City, its officials, officers, employees, agents and volunteers, and Consultant hereby agrees to require similar written express waivers and insurance clauses from each of its subconsultants or subcontractors.

5.4.2 **Notice of Cancellation.** Each policy of any type shall be endorsed to provide that coverage shall not be suspended, voided, cancelled, or modified, or reduced in coverage or in limits, except after thirty (30) calendar days prior written notice has been provided to the City. Notwithstanding the foregoing, if coverage is to be suspended, voided, or cancelled because of Consultant’s failure to pay the insurance premium, the notice provided by the insurer to City shall be by not less than ten (10) calendar days prior written notice. (A statement that notice will be provided "in accordance with the policy terms" or words to that effect is inadequate to meet the requirements of this section.)

5.5 **Deductibles and Self-Insured Retentions.** Any deductible or self-insured retention must be approved in writing by the City in advance. The decision whether to approve or withhold approval of a deductible or self-insured retention shall be made by the City in the City's sole and absolute discretion.

5.6 **Evidence of Coverage.** Concurrently with the execution of the Agreement, Consultant shall deliver certificates of insurance together with original endorsements affecting each of the insurance policies required by this section. Consultant shall promptly furnish, at City’s request, copies of actual policies including all declaration pages, endorsements, exclusions and any other policy documents City may require to verify coverage.
5.6.1 Required insurance policies shall not be in compliance if they include any limiting provision or endorsement that has not been submitted to the City for written approval.

5.6.2 **Authorized Signatures.** The certificates of insurance and original endorsements for each insurance policy shall be signed by a person authorized by that insurer to bind coverage on its behalf.

5.6.3 **Renewal/Replacement Policies.** At least fifteen (15) calendar days prior to the expiration of any such policy, evidence of insurance showing that such insurance coverage has been renewed or extended shall be filed with the City. If such coverage is cancelled or reduced and not replaced immediately so as to avoid a lapse in the required coverage, Consultant shall, within ten (10) calendar days after receipt of written notice of such cancellation or reduction of coverage, file with the City evidence of insurance showing that the required insurance has been reinstated or has been provided through another insurance company or companies meeting all requirements of this Agreement.

5.7 **Requirements Not Limiting.** Requirement of specific coverage or minimum limits contained in this section are not intended as a limitation on coverage, limits, or other requirements, or a waiver of any coverage normally provided by any insurance. Nothing in this section shall be construed as limiting in any way the indemnification provision contained in this Agreement, or the extent to which Consultant may be held responsible for payments of damages to persons or property.

5.8 **Enforcement of Agreement (Non-Estoppel).** Consultant acknowledges and agrees that actual or alleged failure on the part of the City to inform Consultant of any non-compliance with any of the insurance requirements set forth in this section imposes no additional obligation on the City nor does it waive any rights hereunder.

5.9 **Insurance for Subconsultants.** Consultant shall either: (1) include all subconsultants or subcontractors engaged in the performance of Project Services on behalf of Consultant as additional named insureds under the Consultant’s insurance policies; or (2) Consultant shall be responsible for causing its subconsultants or subcontractors to procure and maintain the appropriate insurance in compliance with the terms of the insurance requirements set forth in this section, including adding the City, its officials, officers, employees, agents and volunteers, as additional insureds to their respective policies. Consultant shall not allow any subconsultant or subcontractor to commence any work or services relating to this Agreement unless and until it has provided evidence satisfactory to City that the subconsultant or subcontractor has secured all insurance required under this section.

5.10 **Other Insurance Requirements.** The following terms and conditions shall apply to the insurance policies required of Consultant and its subconsultants and subcontractors, if any, pursuant to this Agreement:

5.10.1 Consultant shall provide immediate written notice to City if (1) any of the insurance policies required herein are terminated, cancelled or suspended, (2) the limits of any of
the insurance coverages required herein are reduced, or (3) the deductible or self-insured retention is increased.

5.10.2 All insurance coverage and limits provided by Consultant and available or applicable to this Agreement are intended to apply to each insured, including additional insureds, against whom a claim is made or suit is brought to the full extent of the policies. Nothing contained in this Agreement or any other agreement relating to the City or its operations shall limit the application of such insurance coverage.

5.10.3 None of the insurance coverages required herein will be in compliance with the requirements of this section if they include any limiting endorsement which substantially impairs the coverages set forth herein (e.g., elimination of contractual liability or reduction of discovery period), unless the endorsement has first been submitted to the City and approved in writing.

5.10.4 Certificates of insurance will not be accepted in lieu of required endorsements, and submittal of certificates without required endorsements may delay commencement of the Project. It is Consultant’s obligation to ensure timely compliance with all insurance submittal requirements as provided herein.

5.10.5 Consultant agrees to ensure that subconsultants and subcontractors, if any, and any other parties involved with the Project who are brought onto or involved in the Project by Consultant, provide the same minimum insurance coverage required of Consultant. Consultant agrees to monitor and review all such coverage and assumes all responsibility for ensuring that such coverage is provided in conformity with the requirements of this section. Consultant agrees that upon request, all agreements with subcontractors and others engaged in the provision of Project Services will be submitted to the City for review.

5.10.6 Consultant agrees to provide immediate written notice to City of any claim, demand or loss against Consultant arising out of the Work or Services performed under this Agreement and for any other claim, demand or loss which may reduce the insurance available to pay claims, demands or losses arising out of this Agreement.

6. INDEMNIFICATION

To the fullest extent permitted by law, Consultant shall defend (at Consultant’s sole cost and expense with legal counsel reasonably acceptable to City), indemnify and hold the City, its officials, officers, employees, agents and volunteers, free and harmless from any and all claims, demands, orders, causes of action, costs, expenses, liabilities, losses, penalties, judgments, arbitration awards, settlements, damages or injuries of any kind, in law or in equity, including but not limited to property or persons, including wrongful death, (collectively “Claims”) in any manner arising out of, pertaining to, related to, or incident to any alleged acts, errors or omissions, or willful misconduct of Consultant, its officers, directors, employees, subconsultants, subcontractors, agents or invitees in connection with performance under this Agreement, or in any manner arising out of, pertaining to, related to, or incident to an alleged breach of this Agreement, including without limitation the payment of all consequential damages, expert
witness fees and attorneys’ fees and other related costs and expenses.

Notwithstanding the foregoing, and only to the extent that the Project Services performed by Consultant are subject to California Civil Code Section 2782.8, the above indemnity shall be limited, to the extent required by Civil Code Section 2782.8, to claims that arise out of, pertain to, or relate to the negligence, recklessness, or willful misconduct of the Consultant.

Under no circumstances shall the insurance requirements and limits set forth in this Agreement be construed to limit Consultant’s indemnification obligation or other liability hereunder. Notwithstanding the foregoing, such obligation to defend, hold harmless and indemnify the City, its officials, officers, employees, agents and volunteers, shall not apply to the extent that such Claims are caused by the sole negligence or willful misconduct of that indemnified party.

7. REPORTS AND RECORDS

7.1 Records. Consultant shall keep complete, accurate, and detailed accounts of all time, costs, expenses, and expenditures pertaining in any way to this Agreement. Consultant shall keep such books and records as shall be necessary to properly perform the Project Services required by this Agreement and to enable the Contract Officer to evaluate the performance of such Project Services. The Contract Officer shall have full and free access to such books and records at all reasonable times, including the right to inspect, copy, audit, and make records and transcripts from such records.

7.2 Reports. Consultant shall periodically prepare and submit to the Contract Officer such reports concerning the performance of the Project Services as the Contract Officer shall require.

7.3 Ownership of Documents. All drawings, specifications, reports, records, documents, memoranda, correspondence, computations, and other materials prepared by Consultant, its employees, subconsultants, subcontractors and agents in the performance of this Agreement shall be the property of City and shall be promptly delivered to City upon request of the Contract Officer or upon the termination of this Agreement, and Consultant shall have no claim for further employment or additional compensation as a result of the exercise by City of its full rights of ownership of the documents and materials hereunder. Consultant may retain copies of such documents for its own use. Consultant shall have an unrestricted right to use the concepts embodied therein. Consultant shall ensure that all of its subconsultants and subcontractors shall provide for assignment to City of any documents or materials prepared by them, and in the event Consultant fails to secure such assignment, Consultant shall indemnify City for all damages resulting therefrom.

7.4 Release of Documents. Except to the extent otherwise required by law, no drawing, specification, report, record, document, or other material prepared by Consultant, its employees, subconsultants, subcontractors and agents in the performance of Project Services shall not be released publicly without the prior written approval of the Contract Officer.
8. **ENFORCEMENT OF AGREEMENT**

8.1 **California Law and Venue.** This Agreement shall be construed and interpreted both as to validity and as to performance of the Parties in accordance with the laws of the State of California. Legal actions concerning any dispute, claim, or matter arising out of or in relation to this Agreement shall be instituted in the Superior Court of the County of Orange, State of California, or any other appropriate court in such County, and Consultant covenants and agrees to submit to the personal jurisdiction of such court in the event of such action.

8.2 **Waiver.** No delay or omission in the exercise of any right or remedy of a non-defaulting Party on any default shall impair such right or remedy or be construed as a waiver. No consent or approval of City shall be deemed to waiver or render unnecessary City’s consent to or approval of any subsequent act of Consultant. Any waiver by either Party of any default must be in writing and shall not be a waiver of any other default concerning the same or any other provision of this Agreement.

8.3 **Rights and Remedies Cumulative.** Except with respect to rights and remedies expressly declared to be exclusive in this Agreement, the rights and remedies of the Parties are cumulative and the exercise by either Party of one or more of such rights or remedies shall not preclude the exercise by it, at the same or different times, of any other rights or remedies for the same default or any other default by the other Party.

8.4 **Legal Action.** In addition to any other rights or remedies, either Party may take legal action, in law or in equity, to cure, correct or remedy any default, to recover damages for any default, to compel specific performance of this Agreement, to obtain declaratory or injunctive relief, or to obtain any other remedy consistent with the purposes of this Agreement.

8.5 **Termination Prior to Expiration of Term.** City reserves the right to terminate this Agreement, at any time, with or without cause, upon thirty (30) calendar days written notice to Consultant, except that where the continuation of services would constitute a danger to health, safety or general welfare, the period of notice shall be such shorter time as may be appropriate. Upon receipt of the notice of termination, Consultant shall immediately cease all Project Services, except as may be specifically approved by the Contract Officer. Consultant shall be entitled to compensation for all Project Services rendered prior to receipt of the notice of termination and for any Project Services authorized by the Contract Officer thereafter.

8.6 **Termination for Default of Consultant.**

8.6.1 Consultant’s failure to comply with any provision of this Agreement shall constitute a default.

8.6.2 If the Contract Officer determines that Consultant is in default in the performance of any of the terms or conditions of this Agreement, he/she shall notify Consultant in writing of such default. If such default is capable of being cured, Consultant shall have ten (10) calendar days, or such longer period as City may designate, to cure the default by rendering satisfactory performance. In the event Consultant fails to cure its default within such period of
time, or if such default is not capable of being cured, City shall have the right, notwithstanding any other provision of this Agreement, to terminate this Agreement without further notice and without prejudice of any remedy to which City may be entitled at law, in equity, or under this Agreement. Consultant shall be liable for any and all reasonable costs incurred by City as a result of such default. Compliance with the provisions of this section shall not constitute a waiver of any City right to take legal action in the event that the dispute is not cured, provided that nothing herein shall limit City’s right to terminate this Agreement without cause pursuant to Section 8.5.

8.6.3 If termination is due to the failure of Consultant to fulfill its obligations under this Agreement, City may, after compliance with the provisions of Section 8.6.2, take over the Project Services and prosecute the same to completion by contract or otherwise, and Consultant shall be liable to the extent that the total direct and indirect costs for completion of the Project Services required hereunder exceeds the Maximum Contract Amount, and City may withhold any payments to Consultant for the purpose of set-off toward the cost of completion of the Project Services. The withholding or failure to withhold payments to Consultant shall not limit Consultant’s liability for completion of the Project Services as provided herein.

8.7 **Attorneys’ Fees.** In the event any dispute between the Parties with respect to this Agreement results in litigation or any non-judicial proceeding, the prevailing Party shall be entitled, in addition to such other relief as may be granted, to recover from the non-prevailing Party all reasonable costs and expenses, including but not limited to reasonable attorneys’ fees, expert witness fees, court costs and all fees, costs, and expenses incurred in any appeal or in collection of any judgment entered in such proceeding. To the extent authorized by law, in the event of a dismissal by the plaintiff or petitioner of the litigation or non-judicial proceeding within thirty (30) calendar days of the date set for trial or hearing, the other Party shall be deemed to be the prevailing Party in such litigation or proceeding. For purposes of this section, "Reasonable attorney fees" shall be calculated by multiplying the actual number of hours reasonably expended by the attorney(s) handling the dispute on behalf of the prevailing Party by the hourly rate actually paid by the prevailing Party, but in no case shall the hourly rate exceed Two Hundred and Fifty Dollars ($250.00) per hour.

9. **CITY OFFICERS AND EMPLOYEES: NON-DISCRIMINATION**

9.1 **Non-liability of City Officers and Employees.** No officer or employee of the City shall be personally liable to the Consultant, or any successor-in-interest, in the event of any default or breach by the City or for any amount which may become due to the Consultant or to its successor, or for breach of any obligation of the terms of this Agreement.

9.2 **Covenant Against Discrimination.** Consultant covenants that, by and for itself, its heirs, executors, assigns, subcontractors, subconsultants, and all persons claiming under or through them, that there shall be no discrimination or segregation in the performance of or in connection with this Agreement regarding any person or group of persons on account of race, disability, medical condition, color, creed, religion, sex, sexual orientation, marital status, age, national origin, or ancestry. Consultant shall take affirmative action to insure that applicants and employees are treated without regard to their race, disability, medical condition, color, creed,
religion, sex, sexual orientation, marital status, national origin, or ancestry.

10. **MISCELLANEOUS PROVISIONS**

10.1 **Confidentiality.** Information obtained by Consultant in the performance of this Agreement shall be treated as strictly confidential and shall not be used by Consultant for any purpose other than the performance of this Agreement without the written consent of the Contract Officer.

10.2 **Patent and Copyright Infringement.**

10.2.1 To the fullest extent permitted by law, and in lieu of any other warranty by City or Consultant against patent or copyright infringement, statutory or otherwise, it is agreed that Consultant shall defend at its expense any claim or suit against City on account of any allegation that any item furnished under this Agreement, or the normal use or sale thereof arising out of the performance of this Agreement, infringes upon any presently existing U.S. letters patent or copyright and Consultant shall pay all costs and damages finally awarded in any such suit or claim, provided that Consultant is promptly notified in writing of the suit or claim and given authority, information and assistance at Consultant’s expense for the defense of same, and provided such suit or claim arises out of, pertains to, or is related to the alleged negligence, recklessness or willful misconduct of Consultant. However, Consultant will not indemnify City if the suit or claim results from City’s alteration of a deliverable where such alteration created the infringement upon any presently existing U.S. letters patent or copyright.

10.2.2 Consultant shall have sole control of the defense of any such claim or suit and all negotiations for settlement thereof, Consultant shall not be obligated to indemnify City under any settlement made without Consultant’s consent or in the event City fails to cooperate in the defense of any suit or claim, provided, however, that such defense shall be at Consultant’s expense. If the use or sale of such item is enjoined as a result of the suit or claim, Consultant, at no expense to City, shall obtain for City the right to use and sell the item, or shall substitute an equivalent item acceptable to City and extend this patent and copyright indemnity thereto.

10.3 **Notices.** Any notice, demand, request, consent, approval, or communication either Party desires or is required to give to the other Party or any other person shall be in writing and either served personally during normal hours of operation of the Party receiving the notice, or sent by pre-paid, first-class mail to the address set forth below. Either Party may change its address by notifying the other Party of the change of address in writing. Notice shall be deemed communicated on the day personally served, or two (2) business days from the date of mailing if mailed as provided in this section. Additionally, notices by email will be considered legal notice if such communications include the following text in the Subject field: FORMAL LEGAL NOTICE – Michael Balliet Consulting.

10.4 Entire Agreement; Amendments in Writing. This Agreement constitutes the entire agreement between the Parties and is intended as an integrated agreement, superseding all prior negotiations, arrangements, agreements, representations, and understandings, if any, made by or among the Parties with respect to the subject matter hereof. No amendments or other modifications of this Agreement shall be binding unless executed in writing by both Parties hereto, or their respective successors, assigns, or grantees.

10.5 Severability. In the event that any one or more of the phrases, sentences, clauses, paragraphs, or sections contained in this Agreement shall be declared invalid or unenforceable by valid judgment or decree of a court of competent jurisdiction, such invalidity or unenforceability shall not affect any of the remaining phrases, sentences, clauses, paragraphs, or sections of this Agreement, which shall be interpreted to carry out the intent of the Parties hereunder.

10.6 Successors in Interest. This Agreement shall be binding upon and inure to the benefit of the Parties’ successors and assigns.

10.7 Third Party Beneficiary. Except as expressly provided herein, nothing contained in this Agreement is intended to confer, nor shall this Agreement be construed as conferring, any rights, including, without limitation, any rights as a third-party beneficiary or otherwise, upon any entity or person not a party hereto.

10.8 Recitals. The above-stated Recitals are hereby incorporated into the Agreement as though fully set forth herein and each Party acknowledges and agrees that such Party is bound, for purposes of this Agreement, by the same.
10.9 **Prevailing Wages.** Consultant is aware of the requirements of California Labor Code Section 1720, et seq., and 1770, et seq., as well as California Code of Regulations, Title 8, Section 16000, et seq., ("Prevailing Wage Laws"). Consultant agrees to fully comply with all applicable federal and state labor laws (including, without limitation, if applicable, the Prevailing Wage Laws). It is agreed by the Parties that, in connection with the work or services provided pursuant to this Agreement, Consultant shall bear all risks of payment or non-payment of prevailing wages under California law, and Consultant hereby agrees to defend, indemnify, and hold the City, its officials, officers, employees, agents and volunteers, free and harmless from any claim or liability arising out of any failure or alleged failure to comply with the Prevailing Wage Laws. The foregoing indemnity shall survive termination of this Agreement.

10.0 **Corporate Authority.** Each of the undersigned represents and warrants that (i) the Party for which he/she is executing this Agreement is duly authorized and existing, (ii) he/she is duly authorized to execute and deliver this Agreement on behalf of the Party for which he/she is signing, (iii) by so executing this Agreement, the Party for which he/she is signing is formally bound to the provisions of this Agreement, and (iv) the entering into this Agreement does not violate any provision of any other agreement to which the Party for which he/she is signing is bound.

[SIGNATURES ON NEXT PAGE]
IN WITNESS WHEREOF, the Parties have executed and entered into this Agreement as of the date first written above.

CONSULTANT’S PROPOSAL/SCOPE OF SERVICES

DATED: October 2, 2017
Suggested On-Call Consulting Services Proposal – October 2, 2017

The various State mandates requiring City-action, your franchise hauler contract monitoring obligations, and general consulting services needs relating to solid waste and State compliance in general can best be met by a more generalized "on-call" services offering.

Therefore, herein I am proposing to provide on-call consulting services to the City of Los Alamitos at the rate of $1.25 per-hour. As City needs for consulting services arise I will perform such work as is directed. If any assigned work appears to require in excess of 20 billable hours, I will provide City staff with a written time estimate for task completion. If this task work ultimately requires more time than originally estimated, I will provide an update to this written time estimate and obtain City approval before exceeding the hours previously authorized.

I will prepare and provide periodic reports and invoices so that the City can track my work, as I have done on previous projects.

CITY COUNCIL AGENDA REPORT

MEETING DATE: July 27, 2020  
ITEM NUMBER: 8C

To: Mayor Richard D. Murphy & Members of the City Council

Presented By: Ron Noda, Acting Development Services Director

Subject: Approval of Professional Services Agreement (PSA) with Mike Balliet Consulting LLC (MBC) for Solid Waste Franchise Hauler Request for Proposal (RFP) Assistance

SUMMARY

This item provides a basis for approval of Professional Services Agreement (PSA) with Michael Balliet Consulting, LLC (MBC) for Solid Waste Franchise Hauler Request For Proposals (RFP) Assistance.

RECOMMENDATION

Authorize the Mayor to execute Professional Services Agreement (PSA) for Solid Waste Franchise Hauler Request for Proposals (RFP) Assistance with Michael Balliet Consulting, LLC (MBC).

BACKGROUND

The City of Los Alamitos has utilized Michael Balliet Consulting Services since late 2017 for annual consulting services. Mr. Balliet has been an intricate component to the City’s success with establishing an Organic Waste Program. While engaging with the community, Mr. Balliet has always represented the City well. City staff is satisfied with the technical assistance Mr. Balliet has provided to both the City and businesses throughout the community that are subject to Organic Waste state mandates.

DISCUSSION

Solid Waste Franchise Hauler Request for Proposals (RFP) Assistance

The City’s current Franchise Hauler Agreement with Republic Services is set to expire on December 31, 2021. As a result, staff is seeking approval to secure services from Mr. Balliet for the preparation of the RFP which will solicit bids for Solid Waste Franchise Hauler services. In order to incorporate stakeholder meetings, and allot sufficient time to the preparation of the RFP, Mr. Balliet’s proposal (Attachment 2) for
services outlines a tentative schedule for the preparation of the RFP. That schedule is the following:

- **August 2020 to October 2020** – Develop RFP draft, provide sample agreement and key SB 1383 language to City Attorney, and identify areas of services where stakeholder input is needed. Identify revenue/services goals and provide analysis to assist City Manager and designated RFP personal. Initial meetings with City team and RFP and stakeholders input process.

- **November 2020 to January 2021** – Follow-up meetings with City Attorney and City staff on RFP document and agreement. Hold 3 stakeholder workshops and 1 City Council workshop/study session.

- **February 2021 to mid-March 2021** – Finalize RFP to incorporate stakeholder/City Council items, finalize agreement for inclusion in RFP package, do final review and analysis and settle on various “asks” of bidders. Final meetings with City Attorney on agreement.

- **March 15, 2021** – Issue RFP electronically through selected websites and municipal bidder portals. Send emails inviting bids from all haulers servicing exclusive franchises.

- **Late March to Early April 2021** – Hold mandatory pre-bid meeting and City tour with interested firms.

- **April/May 2021** – Selected review committee members and draft/finalize scoring criteria.

- **June 15, 2021** – Bid due date at some point within this time period.

- **June 16, 2021 to July 14, 2021** – Review and score proposals. Determine if interviews are needed, if so schedule and conduct.

- **July 15, 2021 to August 15, 2021** – present selection to City Council for approval.

- **Prior to August 31, 2021** – Negotiate with chosen firm, finalize agreement, and receive transition plan.

- **September through December 2021** – finalize transition plan and coordinate execution with both selected firm and current vendor.

In Accordance with Section [2.60.130 of the Los Alamitos Municipal Code](#), contracts involving the acquisition of consulting services shall not be subject to the terms of the City’s Purchasing Policy. Since the anticipated contract costs will extend beyond the City Managers’ purchasing authority, staff is seeking formal approval for the requested consulting services.
FISCAL IMPACT

Mr. Balliet has submitted a proposal for his services in preparing the City’s Solid Waste Franchise Hauler RFP, at an hourly rate of $110 per-hour, not to exceed $23,650 for a period of two years (contract term ending on June 30, 2022). The current trash contract with Republic Services expires in December, 2021. The City will recoup MBC’s fee by including it in the upcoming RFP for Solid Waste Franchise Hauler. The Solid Waste Franchise Hauler RFP Assistance Agreement will be paid out of account 10.560.5260 in the Fiscal Year 2020-2021 budget.

CONSULTING SERVICES AGREEMENT
[City of Los Alamitos/Michael Balliet Consulting, LLC]

THIS CONSULTING SERVICES AGREEMENT ("Agreement") is made and entered into, to be effective this 20th day of July 2020 ("Effective Date"), by and between the CITY OF LOS ALAMITOS, a California charter city and municipal corporation, ("City") and Michael Balliet Consulting, LLC, a Corporation, ("Consultant"). City and Consultant are sometimes hereinafter individually referred to as “Party” and are hereinafter collectively referred to as the “Parties.”

RECAPITALS

A. City has determined that it requires the services of a qualified consultant to provide Franchise Hauler Request for Proposals (RFP) Process Assistance (“Project”).

B. Consultant has submitted to City a written proposal, dated May 22, 2020, to provide Franchise Hauler Request for Proposals (RFP) Process Assistance for the Project.

C. Consultant represents and maintains that it is uniquely qualified by virtue of its experience, training, education, reputation, and expertise, to provide the necessary services to City and has agreed to provide such services as set forth herein.

D. City desires to engage Consultant to provide such services subject to the terms and conditions set forth in this Agreement.

NOW, THEREFORE, in consideration of the promises and mutual obligations, covenants, and conditions contained herein, and other valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Parties agree as follows:

AGREEMENT

1. SERVICES OF CONSULTANT

1.1 Scope of Services and Standard of Performance. Consultant shall provide those services set forth in the Franchise Hauler Request for Proposals (RFP) Process Assistance Proposal, dated May 22, 2020, attached hereto as Exhibit “A” (“Scope of Services” and/or “Project Services”). Consultant shall provide the Project Services in compliance with all terms and conditions of this Agreement. Consultant warrants that all Project Services shall be performed in a skillful, competent, professional and satisfactory manner in accordance with all standards prevalent in the same profession in the State of California. Consultant represents and warrants that it is skilled in the professional discipline necessary to perform the Project Services. Consultant represents and warrants that it and all employees, subconsultants and subcontractors providing any services pursuant to this Agreement shall have sufficient skill and experience to perform the Project Services. All Project Services shall be completed to the reasonable satisfaction of City.
1.1.1 Resolution of Inconsistencies. In the event of any inconsistency between or among the terms and conditions contained in the main body of this Agreement and the Scope of Services, such inconsistency shall be resolved by applying the provisions in the highest priority of the documents containing such inconsistency, which shall be determined in the following order of declining priority: (1st) the main body of this Agreement; and (2nd) the Scope of Services.

1.2 Compliance with Law. All Project Services shall be provided in accordance with all laws, ordinances, resolutions, statutes, rules, and regulations of City and any federal, state or local governmental agency of competent jurisdiction. Consultant shall be liable for all violations of such laws, ordinances, resolutions, statutes, rules and regulations in connection with performance of the Project Services. If Consultant performs any Project Services in violation of such laws, ordinances, resolutions, statutes, rules or regulations, Consultant shall be solely responsible for all penalties and costs arising therefrom. Consultant shall defend, indemnify, and hold City, its officials, officers, employees, agents and volunteers, free and harmless from and against any claim or liability arising out of any failure or alleged failure to comply with such laws, ordinances, resolutions, statutes, rules or regulations.

1.3 Licenses and Permits. Prior to performing any Project Services, Consultant shall obtain all licenses, permits, qualifications, and approvals of whatever nature that are legally required to practice its profession and perform the Project Services. Consultant represents and warrants to City that Consultant shall, at its sole cost and expense, keep in effect at all times during the term of this Agreement and any extension, any license, permit, qualification, or approval that is legally required for Consultant to perform the Project Services. Consultant shall have the sole obligation to pay for any fees, assessments, and taxes, plus applicable penalties and interest, which may be imposed by law and arise from or are necessary for the Consultant’s performance of the Project Services, and shall defend, indemnify, and hold the City, its officials, officers, employees, agents and volunteers, free and harmless from and against any claim or liability arising out of any failure or alleged failure to obtain such license, permits, qualifications, and approvals of whatever nature that are legally required to practice its profession and perform the Project Services.

1.4 Familiarity with Work. By executing this Agreement, Consultant warrants that Consultant (a) has thoroughly investigated and considered the Project Services to be performed, (b) has carefully considered how the Project Services should be performed, and (c) fully understands the facilities, difficulties and restrictions attending performance of the Project Services under this Agreement.

1.5 Care in Performance of Project Services. Consultant shall adopt reasonable methods during the term of the Agreement to prevent losses or damage to materials, papers or other components of the Project Services, and shall be responsible for all such damages, to persons or property, until acceptance of the Project Services by the City, except such losses or damages as may be caused by City's own negligence.

1.6 Non-Exclusive Agreement. Consultant acknowledges that City may enter into agreements with other contractors, consultants, or vendors for services similar to the services that are the subject of this Agreement. Consultant further acknowledges that City may have its own employees perform services similar to the services that are the subject of this Agreement.
2. **COMPENSATION**

2.1 **Maximum Contract Amount.** Consultant shall be compensated for the Project Services performed, including authorized reimbursements, at an hourly rate of $110 per-hour, as set forth in the Scope of Services in an amount not to exceed Twenty-Three Thousand Six Hundred Fifty Dollars ($23,650). The maximum amount of City’s payment obligation under this Agreement is the amount specified in this section.

2.2 **Method of Payment.** In any month in which Consultant wishes to receive payment, Consultant shall no later than first working day of such month, submit to the City, in a form approved by the City Manager or his designee, an invoice for services rendered prior to the date of the invoice. Such requests shall be based upon the amount and value of the services performed by Consultant and accompanied by such reporting data including an itemized breakdown of all costs incurred and tasks performed during the period covered by the invoice, as may be required by the City. Within thirty (30) calendar days of receipt of invoice, City shall pay all undisputed amounts included on the invoice.

2.3 **Changes in Scope.** In the event any change or changes in the Scope of Services is requested by the City, the Parties shall execute a written amendment to this Agreement, signed by an individual authorized to formally bind the Party for which he/she is signing, setting forth with particularity all terms of such amendment, including, but not limited to, any additional professional fees. An amendment may be entered into: (a) to provide for revisions or modifications to documents or other work product when documents or other work product or work is required by the enactment or revision of law subsequent to the preparation of any documents, other work product, or work; and/or, (b) to provide for additional services not included in this Agreement or not customarily furnished in accordance with generally accepted practice in Consultant’s profession.

2.4 **Appropriations.** This Agreement is subject to and contingent upon funds being appropriated therefore by the Los Alamitos City Council for each fiscal year covered by the term of this Agreement. If such appropriations are not made, this Agreement shall automatically terminate without penalty to the City.

3. **SCHEDULE OF PERFORMANCE**

3.1 **Time of Essence.** Time is of the essence in the performance of this Agreement. The time for completion of the Project Services to be performed by Consultant is an essential condition of this Agreement.

3.2 **Schedule of Performance.** Consultant shall prosecute regularly and diligently the Project Services according to the periods specified in the Scope of Services. When requested by Consultant, extensions of the time period(s) specified in the Scope of Services may be approved in writing by the Contract Officer; however, the City shall not be obligated to grant any such extension.
3.3 **Force Majeure.** The time for performance of the Project Services may be extended because of any delays due to unforeseeable causes beyond the control and without the fault or negligence of the Consultant (financial inability excepted), including, but not limited to, acts of God or of the public enemy, unusually severe weather, fires, earthquakes, floods, epidemics, quarantine restrictions, riots, strikes, freight embargoes, wars, and/or acts of any governmental agency, including the City, if Consultant, within ten (10) calendar days of the commencement of such delay, notifies the City Manager in writing of the causes of the delay. The City Manager shall ascertain the facts and the extent of delay, and extend the time for performing the Services for the period of the enforced delay when and if in the judgment of the City Manager such delay is justified. The City Manager's determination shall be final and conclusive upon the Parties to this Agreement. In no event shall Consultant be entitled to recover damages against the City for any delay in the performance of this Agreement, however caused, Consultant's sole remedy being extension of the Agreement pursuant to this section.

3.4 **Term.** Unless earlier terminated as provided elsewhere in this Agreement, this Agreement shall commence upon the Effective Date and shall continue in full force and effect for a period of two years ending on June 30, 2022, unless extended by mutual written agreement of the Parties.

4. **COORDINATION OF PROJECT SERVICES**

4.1 **Consultant’s Representative.** The following principal of Consultant is hereby designated as being the principal and representative of Consultant authorized to act on its behalf with respect to the Project Services and to make all decisions in connection therewith: Michael Balliet. It is expressly understood that the experience, knowledge, education, capability, expertise, and reputation of the foregoing principal is a substantial inducement for City to enter into this Agreement. Therefore, the foregoing principal shall be responsible during the term of this Agreement for directing all activities of Consultant and devoting sufficient time to personally supervise the Project Services performed hereunder. The foregoing principal may not be changed by Consultant without prior written approval of the Contract Officer.

4.2 **City’s Contract Officer.** The City’s Contract Officer shall be such person as may be designated by the City Manager, and is subject to change by the City Manager. It shall be the Consultant's responsibility to ensure that the Contract Officer is kept fully informed of the progress of the performance of the Project Services, and the Consultant shall refer any decisions which must be made by City to the Contract Officer. Unless otherwise specified herein, any approval of City required hereunder shall mean the approval of the Contract Officer. The Contract Officer shall have authority to sign all documents on behalf of the City required hereunder to carry out the terms of this Agreement.

4.3 **Prohibition Against Subcontracting or Assignments.** The experience, knowledge, capability, expertise, and reputation of Consultant, its principals and employees, were a substantial inducement for City to enter into this Agreement. Therefore, Consultant shall not assign the performance of this Agreement, nor any part thereof, nor any monies due hereunder, voluntarily or by operation of law, without the prior written consent of City. Consultant shall not contract with any other entity to perform the Project Services without prior written consent of City.
If Consultant is permitted by City to subcontract any part of this Agreement, Consultant shall be responsible to City for the acts and omissions of its subcontractor(s) in the same manner as it is for persons directly employed. Nothing contained in this Agreement shall create any contractual relationships between any subcontractor and City. All persons engaged in the performance of Project Services will be considered employees of Consultant. City will deal directly with and will make all payments to Consultant. In addition, neither this Agreement nor any interest herein may be transferred, assigned, conveyed, hypothecated, or encumbered voluntarily or by operation of law, whether for the benefit of creditors or otherwise, without the prior written consent of City. Transfers restricted hereunder shall include the transfer to any person or group of persons acting in concert of more than twenty five percent (25%) of the present ownership and/or control of Consultant, taking all transfers into account on a cumulative basis. In the event of any such unapproved transfer, including any bankruptcy proceeding, this Agreement shall be void. No approved transfer shall release Consultant or any surety of Consultant from any liability hereunder without the express written consent of City.

4.4 Independent Contractor.

4.4.1 The legal relationship between the Parties is that of an independent contractor; nothing herein shall be deemed to make Consultant a City employee. During the performance of this Agreement, Consultant and its officers, employees, and agents shall act in an independent capacity and shall not act as City officers or employees. Consultant will determine the means, methods and details of performing the Project Services subject to the requirements of this Agreement. The personnel performing the Project Services on behalf of Consultant shall at all times be under Consultant’s exclusive direction and control. Neither City nor any of its officials, officers, employees, agents or volunteers shall have control over the conduct of Consultant or any of its officers, employees, or agents, except as set forth in this Agreement. Consultant, its officers, employees or agents, shall not maintain a permanent office or fixed business location at City’s offices. City shall have no voice in the selection, discharge, supervision, or control of Consultant’s officers, employees, or agents or in fixing their number, compensation, or hours of service. Consultant shall pay all wages, salaries, and other amounts due its employees in connection with the performance of Project Services and shall be responsible for all reports and obligations respecting them, including but not limited to social security income tax withholding, unemployment compensation, workers’ compensation, and other similar matters. City shall not in any way or for any purpose be deemed to be a partner of Consultant in its business or otherwise a joint venturer or a member of any joint enterprise with Consultant.

4.4.2 Consultant shall not incur or have the power to incur any debt, obligation, or liability against City, or bind City in any manner.

4.4.3 No City benefits shall be available to Consultant, its officers, employees, representatives, agents, subconsultants or subcontractors in connection with the performance of any Project Services. Except for professional fees paid to Consultant as provided for in this Agreement, City shall not pay salaries, wages, or other compensation to Consultant for the performance of any Project Services. City shall not be liable for compensation or indemnification to Consultant, its officers, employees, representatives, agents, subconsultants or subcontractors, for injury or sickness arising out of the performance of any Project Services. If for any reason any
court or governmental agency determines that the City has financial obligations, other than pursuant to Section 2 herein, of any nature relating to salary, taxes, or benefits of Consultant’s officers, employees, representatives, agents, or subconsultants or subcontractors, Consultant shall defend, indemnify, and hold harmless City from and against all such financial obligations.

4.5 **PERS Eligibility Indemnification.**

4.5.1 In the event that Consultant or any officer, employee, representative, agent, subconsultant or subcontractor of Consultant providing any Project Services claims or is determined by a court of competent jurisdiction or the California Public Employee Retirement System (PERS) to be eligible for enrollment in PERS as an employee of the City, Consultant shall indemnify, defend, and hold harmless City against (1) all such claims and determinations, (2) for the payment of any employee and/or employer contributions for PERS benefits on behalf of Consultant or its officers, employees, representatives, agents, subconsultants or subcontractors, and (3) the payment of any penalties and interest on such contributions, which would otherwise be the responsibility of the City.

4.5.2 Notwithstanding any other agency, state or federal policy, rule, regulation, law or ordinance to the contrary, Consultant and any of its officers, employees, representatives, agents, subconsultants or subcontractors providing any Project Services shall not qualify for or become entitled to, and hereby agree to waive any claims to, any compensation, benefit, or any incident of employment by City, including but not limited to eligibility to enroll in PERS as an employee of City and entitlement to any contribution to be paid by City for employer contribution and/or employee contributions for PERS benefits.

5. **INSURANCE**

5.1 **Compliance with Insurance Requirements.** Consultant shall obtain, maintain, and keep in full force and effect during the term of this Agreement, at its sole cost and expense, and in a form and content satisfactory to City, all insurance required under this section. Consultant shall not commence any Project Services unless and until it has provided evidence satisfactory to City that it has secured all insurance required under this section. Consultant agrees to amend, supplement or endorse the policies to do so.

5.2 **Types of Insurance Required.** As a condition precedent to the effectiveness of this Agreement, and without limiting the indemnity provisions set forth in this Agreement, Consultant shall obtain and maintain in full force and effect during the term of this Agreement, including any extension thereof, the following policies of insurance:

5.2.1 **Commercial General Liability Insurance.** Consultant shall obtain and maintain, in full force and effect throughout the term of this Agreement, a policy of Commercial General Liability Insurance (CGL). Coverage shall be at least as broad as ISO Form CG 00 01 written on a per occurrence basis, including products and completed operations, property damage, bodily injury and personal & advertising injury with limits of no less than One Million Dollars ($1,000,000.00) per occurrence and Two Million Dollars ($2,000,000.00) in the general aggregate.
The policy shall not contain any endorsements or provisions limiting coverage for (1) contractual liability, (2) cross liability exclusion for claims or suits by one insured against another, or (3) contain any other exclusion contrary to the Agreement.

5.2.2 Automobile Liability Insurance. Consultant shall obtain and maintain, in full force and effect throughout the term of this Agreement, a policy of Automobile Liability Insurance. Coverage shall be at least as broad as ISO Form CA 00 01 written on a per occurrence basis, covering Code 1 (any auto), or if the Consultant has no owned autos, Code 8 (hired) and Code 9 (non-owned), with limits of no less than **One Million Dollars ($1,000,000.00)** for each occurrence covering bodily injury and property damage.

5.2.3 Workers’ Compensation Insurance. Consultant shall obtain and maintain, in full force and effect throughout the term of this Agreement, a policy of Workers’ Compensation Insurance in at least the minimum statutory amounts, and in compliance with all other statutory requirements, as required by the State of California. Consultant agrees to waive and obtain endorsements from its workers’ compensation insurer waiving all subrogation rights under its workers’ compensation insurance policy against the City, its officials, officers, employees, agents and volunteers, and to require each of its subconsultants and subcontractors, if any, to do likewise under their workers’ compensation insurance policies. Consultant shall also obtain and maintain, in full force and effect throughout the term of this Agreement, a policy of Employer’s Liability Insurance written on a per occurrence basis with limits of at least **One Million Dollars ($1,000,000.00)** per accident for bodily injury or disease. Notwithstanding the foregoing, Consultant shall not be required to procure either Worker’s Compensation Insurance or Employer’s Liability Insurance if Consultant provides written verification to the City that Consultant does not have any employees.

5.3 Acceptability of Insurers. Insurance required by this section shall be issued by a licensed company authorized to transact business in the state by the Department of Insurance for the State of California with a current rating of A-:VII or better (if an admitted carrier), or a current rating of A:X or better (if offered by a non-admitted insurer listed on the State of California List of Approved Surplus Lines Insurers (LASLI)), by the latest edition of A.M. Best’s Key Rating Guide, except that the City will accept workers’ compensation insurance from the State Compensation Fund. In the event the City determines that the work or Project Services to be performed under this Agreement creates an increased or decreased risk of loss to the City, the Consultant agrees that the minimum limits of the insurance policies may be changed accordingly upon receipt of written notice from the City. Consultant shall immediately substitute any insurer whose A.M. Best rating drops below the levels specified herein.

5.4 Specific Insurance Provisions and Endorsements. Required insurance policies shall not be in compliance if they include any limiting provision or endorsement that has not been submitted to the City for written approval. Required insurance policies shall contain the following provisions, or Consultant shall provide endorsements on forms approved by the City to add the following provisions to the insurance policies:
5.4.1 **CGL and Auto Liability Endorsements.** The policy or policies of insurance required by this section for CGL and Automobile Liability Insurance shall be endorsed as follows:

5.4.1.1 **Additional Insured.** The City, its officials, officers, employees, agents and volunteers, shall be additional insureds with regard to liability and defense of suits or claims arising out of the performance of the Agreement; and

5.4.1.1.1 **Additional Insured Endorsements.** Additional insured endorsements shall not (1) be restricted to “ongoing operations”, (2) exclude “contractual liability”, (3) restrict coverage to “sole” liability of Consultant, or (4) contain any other exclusions contrary to the Agreement; and, the coverage shall contain no special limitations on the scope of protection afforded to additional insureds.

5.4.1.2 **Primary and Non-Contributing Insurance.** Each CGL and Automobile Liability Insurance policy shall be endorsed to be primary, and any other insurance, deductible, or self-insurance maintained by the City, its officials, officers, employees, agents or volunteers, shall not contribute with this primary insurance.

5.4.1.3 **Waiver of Subrogation.** Each CGL and Automobile Liability Insurance policy shall contain or be endorsed to waive subrogation against the City, its officials, officers, employees, agents and volunteers, or shall specifically allow Consultant or others providing insurance evidence in compliance with the requirements set forth in this section to waive their right to recovery prior to a loss. Consultant hereby agrees to waive its own right of recovery against the City, its officials, officers, employees, agents and volunteers, and Consultant hereby agrees to require similar written express waivers and insurance clauses from each of its subconsultants or subcontractors.

5.4.2 **Notice of Cancellation.** Each policy of any type shall be endorsed to provide that coverage shall not be suspended, voided, cancelled, or modified, or reduced in coverage or in limits, except after thirty (30) calendar days prior written notice has been provided to the City. Notwithstanding the foregoing, if coverage is to be suspended, voided, or cancelled because of Consultant’s failure to pay the insurance premium, the notice provided by the insurer to City shall be by not less than ten (10) calendar days prior written notice. (A statement that notice will be provided "in accordance with the policy terms" or words to that effect is inadequate to meet the requirements of this section.)

5.5 **Deductibles and Self-Insured Retentions.** Any deductible or self-insured retention must be approved in writing by the City in advance. The decision whether to approve or withhold approval of a deductible or self-insured retention shall be made by the City in the City's sole and absolute discretion.

5.6 **Evidence of Coverage.** Concurrently with the execution of the Agreement, Consultant shall deliver certificates of insurance together with original endorsements affecting each of the insurance policies required by this section. Consultant shall promptly furnish, at City’s request, copies of actual policies including all declaration pages, endorsements, exclusions and any other policy documents City may require to verify coverage.
5.6.1 Required insurance policies shall not be in compliance if they include any limiting provision or endorsement that has not been submitted to the City for written approval.

5.6.2 Authorized Signatures. The certificates of insurance and original endorsements for each insurance policy shall be signed by a person authorized by that insurer to bind coverage on its behalf.

5.6.3 Renewal/Replacement Policies. At least fifteen (15) calendar days prior to the expiration of any such policy, evidence of insurance showing that such insurance coverage has been renewed or extended shall be filed with the City. If such coverage is cancelled or reduced and not replaced immediately so as to avoid a lapse in the required coverage, Consultant shall, within ten (10) calendar days after receipt of written notice of such cancellation or reduction of coverage, file with the City evidence of insurance showing that the required insurance has been reinstated or has been provided through another insurance company or companies meeting all requirements of this Agreement.

5.7 Requirements Not Limiting. Requirement of specific coverage or minimum limits contained in this section are not intended as a limitation on coverage, limits, or other requirements, or a waiver of any coverage normally provided by any insurance. Nothing in this section shall be construed as limiting in any way the indemnification provision contained in this Agreement, or the extent to which Consultant may be held responsible for payments of damages to persons or property.

5.8 Enforcement of Agreement (Non-Estoppel). Consultant acknowledges and agrees that actual or alleged failure on the part of the City to inform Consultant of any non-compliance with any of the insurance requirements set forth in this section imposes no additional obligation on the City nor does it waive any rights hereunder.

5.9 Insurance for Subconsultants. Consultant shall either: (1) include all subconsultants or subcontractors engaged in the performance of Project Services on behalf of Consultant as additional named insureds under the Consultant’s insurance policies; or (2) Consultant shall be responsible for causing its subconsultants or subcontractors to procure and maintain the appropriate insurance in compliance with the terms of the insurance requirements set forth in this section, including adding the City, its officials, officers, employees, agents and volunteers, as additional insureds to their respective policies. Consultant shall not allow any subconsultant or subcontractor to commence any work or services relating to this Agreement unless and until it has provided evidence satisfactory to City that the subconsultant or subcontractor has secured all insurance required under this section.

5.10 Other Insurance Requirements. The following terms and conditions shall apply to the insurance policies required of Consultant and its subconsultants and subcontractors, if any, pursuant to this Agreement:

5.10.1 Consultant shall provide immediate written notice to City if (1) any of the insurance policies required herein are terminated, cancelled or suspended, (2) the limits of any of
the insurance coverages required herein are reduced, or (3) the deductible or self-insured retention is increased.

5.10.2 All insurance coverage and limits provided by Consultant and available or applicable to this Agreement are intended to apply to each insured, including additional insureds, against whom a claim is made or suit is brought to the full extent of the policies. Nothing contained in this Agreement or any other agreement relating to the City or its operations shall limit the application of such insurance coverage.

5.10.3 None of the insurance coverages required herein will be in compliance with the requirements of this section if they include any limiting endorsement which substantially impairs the coverages set forth herein (e.g., elimination of contractual liability or reduction of discovery period), unless the endorsement has first been submitted to the City and approved in writing.

5.10.4 Certificates of insurance will not be accepted in lieu of required endorsements, and submittal of certificates without required endorsements may delay commencement of the Project. It is Consultant’s obligation to ensure timely compliance with all insurance submittal requirements as provided herein.

5.10.5 Consultant agrees to ensure that subconsultants and subcontractors, if any, and any other parties involved with the Project who are brought onto or involved in the Project by Consultant, provide the same minimum insurance coverage required of Consultant. Consultant agrees to monitor and review all such coverage and assumes all responsibility for ensuring that such coverage is provided in conformity with the requirements of this section. Consultant agrees that upon request, all agreements with subcontractors and others engaged in the provision of Project Services will be submitted to the City for review.

5.10.6 Consultant agrees to provide immediate written notice to City of any claim, demand or loss against Consultant arising out of the work or Services performed under this Agreement and for any other claim, demand or loss which may reduce the insurance available to pay claims, demands or losses arising out of this Agreement.

6. INDEMNIFICATION

To the fullest extent permitted by law, Consultant shall defend (at Consultant’s sole cost and expense with legal counsel reasonably acceptable to City), indemnify and hold the City, its officials, officers, employees, agents and volunteers, free and harmless from any and all claims, demands, orders, causes of action, costs, expenses, liabilities, losses, penalties, judgments, arbitration awards, settlements, damages or injuries of any kind, in law or in equity, including but not limited to property or persons, including wrongful death, (collectively “Claims”) in any manner arising out of, pertaining to, related to, or incident to any alleged acts, errors or omissions, or willful misconduct of Consultant, its officers, directors, employees, subconsultants, subcontractors, agents or invitees in connection with performance under this Agreement, or in any manner arising out of, pertaining to, related to, or incident to an alleged breach of this Agreement, including without limitation the payment of all consequential damages, expert witness fees and
attorneys’ fees and other related costs and expenses.

Notwithstanding the foregoing, and only to the extent that the Project Services performed by Consultant are subject to California Civil Code Section 2782.8, the above indemnity shall be limited, to the extent required by Civil Code Section 2782.8, to claims that arise out of, pertain to, or relate to the negligence, recklessness, or willful misconduct of the Consultant.

Under no circumstances shall the insurance requirements and limits set forth in this Agreement be construed to limit Consultant’s indemnification obligation or other liability hereunder. Notwithstanding the foregoing, such obligation to defend, hold harmless and indemnify the City, its officials, officers, employees, agents and volunteers, shall not apply to the extent that such Claims are caused by the sole negligence or willful misconduct of that indemnified party.

7. REPORTS AND RECORDS

7.1 Records. Consultant shall keep complete, accurate, and detailed accounts of all time, costs, expenses, and expenditures pertaining in any way to this Agreement. Consultant shall keep such books and records as shall be necessary to properly perform the Project Services required by this Agreement and to enable the Contract Officer to evaluate the performance of such Project Services. The Contract Officer shall have full and free access to such books and records at all reasonable times, including the right to inspect, copy, audit, and make records and transcripts from such records.

7.2 Reports. Consultant shall periodically prepare and submit to the Contract Officer such reports concerning the performance of the Project Services as the Contract Officer shall require.

7.3 Ownership of Documents. All drawings, specifications, reports, records, documents, memoranda, correspondence, computations, and other materials prepared by Consultant, its employees, subconsultants, subcontractors and agents in the performance of this Agreement shall be the property of City and shall be promptly delivered to City upon request of the Contract Officer or upon the termination of this Agreement, and Consultant shall have no claim for further employment or additional compensation as a result of the exercise by City of its full rights of ownership of the documents and materials hereunder. Consultant may retain copies of such documents for its own use. Consultant shall have an unrestricted right to use the concepts embodied therein. Consultant shall ensure that all of its subconsultants and subcontractors shall provide for assignment to City of any documents or materials prepared by them, and in the event Consultant fails to secure such assignment, Consultant shall indemnify City for all damages resulting therefrom.

7.4 Release of Documents. Except to the extent otherwise required by law, no drawing, specification, report, record, document, or other material prepared by Consultant, its employees, subconsultants, subcontractors and agents in the performance of Project Services shall not be released publicly without the prior written approval of the Contract Officer.
8. ENFORCEMENT OF AGREEMENT

8.1 California Law and Venue. This Agreement shall be construed and interpreted both as to validity and as to performance of the Parties in accordance with the laws of the State of California. Legal actions concerning any dispute, claim, or matter arising out of or in relation to this Agreement shall be instituted in the Superior Court of the County of Orange, State of California, or any other appropriate court in such County, and Consultant covenants and agrees to submit to the personal jurisdiction of such court in the event of such action.

8.2 Waiver. No delay or omission in the exercise of any right or remedy of a non-defaulting Party on any default shall impair such right or remedy or be construed as a waiver. No consent or approval of City shall be deemed to waiver or render unnecessary City’s consent to or approval of any subsequent act of Consultant. Any waiver by either Party of any default must be in writing and shall not be a waiver of any other default concerning the same or any other provision of this Agreement.

8.3 Rights and Remedies Cumulative. Except with respect to rights and remedies expressly declared to be exclusive in this Agreement, the rights and remedies of the Parties are cumulative and the exercise by either Party of one or more of such rights or remedies shall not preclude the exercise by it, at the same or different times, of any other rights or remedies for the same default or any other default by the other Party.

8.4 Legal Action. In addition to any other rights or remedies, either Party may take legal action, in law or in equity, to cure, correct or remedy any default, to recover damages for any default, to compel specific performance of this Agreement, to obtain declaratory or injunctive relief, or to obtain any other remedy consistent with the purposes of this Agreement.

8.5 Termination Prior to Expiration of Term. City reserves the right to terminate this Agreement, at any time, with or without cause, upon thirty (30) calendar days written notice to Consultant, except that where the continuation of services would constitute a danger to health, safety or general welfare, the period of notice shall be such shorter time as may be appropriate. Upon receipt of the notice of termination, Consultant shall immediately cease all Project Services, except as may be specifically approved by the Contract Officer. Consultant shall be entitled to compensation for all Project Services rendered prior to receipt of the notice of termination and for any Project Services authorized by the Contract Officer thereafter.

8.6 Termination for Default of Consultant.

8.6.1 Consultant’s failure to comply with any provision of this Agreement shall constitute a default.

8.6.2 If the Contract Officer determines that Consultant is in default in the performance of any of the terms or conditions of this Agreement, he/she shall notify Consultant in writing of such default. If such default is capable of being cured, Consultant shall have ten (10) calendar days, or such longer period as City may designate, to cure the default by rendering satisfactory performance. In the event Consultant fails to cure its default within such period of
time, or if such default is not capable of being cured, City shall have the right, notwithstanding any other provision of this Agreement, to terminate this Agreement without further notice and without prejudice of any remedy to which City may be entitled at law, in equity, or under this Agreement. Consultant shall be liable for any and all reasonable costs incurred by City as a result of such default. Compliance with the provisions of this section shall not constitute a waiver of any City right to take legal action in the event that the dispute is not cured, provided that nothing herein shall limit City’s right to terminate this Agreement without cause pursuant to Section 8.5.

8.6.3 If termination is due to the failure of Consultant to fulfill its obligations under this Agreement, City may, after compliance with the provisions of Section 8.6.2, take over the Project Services and prosecute the same to completion by contract or otherwise, and Consultant shall be liable to the extent that the total direct and indirect costs for completion of the Project Services required hereunder exceeds the Maximum Contract Amount, and City may withhold any payments to Consultant for the purpose of set-off toward the cost of completion of the Project Services. The withholding or failure to withhold payments to Consultant shall not limit Consultant’s liability for completion of the Project Services as provided herein.

8.7 Attorneys’ Fees. In the event any dispute between the Parties with respect to this Agreement results in litigation or any non-judicial proceeding, the prevailing Party shall be entitled, in addition to such other relief as may be granted, to recover from the non-prevailing Party all reasonable costs and expenses, including but not limited to reasonable attorneys’ fees, expert witness fees, court costs and all fees, costs, and expenses incurred in any appeal or in collection of any judgment entered in such proceeding. To the extent authorized by law, in the event of a dismissal by the plaintiff or petitioner of the litigation or non-judicial proceeding within thirty (30) calendar days of the date set for trial or hearing, the other Party shall be deemed to be the prevailing Party in such litigation or proceeding. For purposes of this section, "Reasonable attorney fees" shall be calculated by multiplying the actual number of hours reasonably expended by the attorney(s) handling the dispute on behalf of the prevailing Party by the hourly rate actually paid by the prevailing Party, but in no case shall the hourly rate exceed Two Hundred and Fifty Dollars ($250.00) per hour.

9. CITY OFFICERS AND EMPLOYEES: NON-DISCRIMINATION

9.1 Non-liability of City Officers and Employees. No officer or employee of the City shall be personally liable to the Consultant, or any successor-in-interest, in the event of any default or breach by the City or for any amount which may become due to the Consultant or to its successor, or for breach of any obligation of the terms of this Agreement.

9.2 Covenant Against Discrimination. Consultant covenants that, by and for itself, its heirs, executors, assigns, subcontractors, subconsultants and all persons claiming under or through them, that there shall be no discrimination or segregation in the performance of or in connection with this Agreement regarding any person or group of persons on account of race, disability, medical condition, color, creed, religion, sex, sexual orientation, marital status, age, national origin, or ancestry. Consultant shall take affirmative action to insure that applicants and employees are treated without regard to their race, disability, medical condition, color, creed, religion, sex, sexual orientation, marital status, national origin, or ancestry.
10. MISCELLANEOUS PROVISIONS

10.1 Confidentiality. Information obtained by Consultant in the performance of this Agreement shall be treated as strictly confidential and shall not be used by Consultant for any purpose other than the performance of this Agreement without the written consent of the Contract Officer.

10.2 Patent and Copyright Infringement.

10.2.1 To the fullest extent permitted by law, and in lieu of any other warranty by City or Consultant against patent or copyright infringement, statutory or otherwise, it is agreed that Consultant shall defend at its expense any claim or suit against City on account of any allegation that any item furnished under this Agreement, or the normal use or sale thereof arising out of the performance of this Agreement, infringes upon any presently existing U.S. letters patent or copyright and Consultant shall pay all costs and damages finally awarded in any such suit or claim, provided that Consultant is promptly notified in writing of the suit or claim and given authority, information and assistance at Consultant’s expense for the defense of same, and provided such suit or claim arises out of, pertains to, or is related to the alleged negligence, recklessness or willful misconduct of Consultant. However, Consultant will not indemnify City if the suit or claim results from City's alteration of a deliverable where such alteration created the infringement upon any presently existing U.S. letters patent or copyright.

10.2.2 Consultant shall have sole control of the defense of any such claim or suit and all negotiations for settlement thereof, Consultant shall not be obligated to indemnify City under any settlement made without Consultant’s consent or in the event City fails to cooperate in the defense of any suit or claim, provided, however, that such defense shall be at Consultant’s expense. If the use or sale of such item is enjoined as a result of the suit or claim, Consultant, at no expense to City, shall obtain for City the right to use and sell the item, or shall substitute an equivalent item acceptable to City and extend this patent and copyright indemnity thereto.

10.3 Notices. Any notice, demand, request, consent, approval, or communication either Party desires or is required to give to the other Party or any other person shall be in writing and either served personally during normal hours of operation of the Party receiving the notice, or sent by pre-paid, first-class mail to the address set forth below. Either Party may change its address by notifying the other Party of the change of address in writing. Notice shall be deemed communicated on the day personally served, or two (2) business days from the date of mailing if mailed as provided in this section. Additionally, notices by email will be considered legal notice if such communications include the following text in the Subject field: FORMAL LEGAL NOTICE – Michael Balliet Consulting, LLC.

Re: Proposal – Franchise Hauler RFP Process Assistance

Dear Mr. Simmons:

Per our discussions, herein is our proposal for assisting the City of Los Alamitos in: (1) preparing a Request for Proposals (RFP) package for formal solicitation of a new franchised solid waste hauler; (2) conducting stakeholder workshops and a City Council study session; (3) suggesting new franchise agreement terms and providing general assistance to the City Attorney; (4) overseeing the RFP process; and (5) reviewing and advising on proposals received, as well as developing and overseeing a formal proposal scoring review and scoring processes. Lastly, we will assist and support the City in final contract negotiations and overseeing the transition plan.

This letter proposal is segregated into the general tasks and related hours required to perform the work outlined above. The timeframe required for this process 12 to 14 months in order for the City to finalize the selection of the new franchised hauler by August 31, 2021, which is four (4) months prior to the expiration date of the current agreement.

In appreciation of our ongoing consulting work with the City of Los Alamitos, we are providing this assistance at the discounted rate of $110 per-hour and estimate a total of 215 hours will be required to complete this scope of work. Therefore the total proposed budget is $23,650. While the City will certainly be reimbursed for this cost per RFP terms, given the City’s small size, we believe economical assistance is important to keep the final negotiated rates as low as possible.

Below is a description of the task work required to complete the entire RFP process within a 12 to 14-month period:

Task 1 Development of the Request for Proposals Package
This task actually incorporates items 1 through 3 from paragraph one above, as the City must make several important determinations prior to composing a complete and effective RFP package. How best to meet City revenue requirements, how and where to
incorporate new State mandates into franchise service provision requirements, and being responsive to the service preferences of ratepayers requires a thoughtful process that incorporates elected officials and stakeholders.

A review of current and pending State mandates, as well as service provision requirements that have been incorporated into Senate Bill 1383 (SB 1383), will drive a significant shift in the number and type of required compliance programs for both residential and commercial customers. A thorough understanding of these State mandates must be imparted to elected officials, as well as the various stakeholders in the RFP process. We are envisioning a total of four (4) informational workshops to include the following groups: 1) residential customers; 2) multi-family residential customers; 3) commercial customers; and 4) elected officials. The planned workshops will present legislative mandates, discuss service provision options, and seek input from the attendees. If desired, we can also solicit and/or recommended individual stakeholders for appointment to the RFP review committee used to select the new franchised hauler.

Meetings with City staff and the City Attorney are also needed to review the existing franchise agreement and establish what changes are needed and/or desired in the new agreement. While some terms will be negotiated with the selected bidder, the RFP package should contain a complete draft agreement for review and notation of exceptions by the bidders. Exceptions to the City’s draft should be a review component to consider in the proposal scoring process.

Finally, development of the RFP package requires working with the current franchise hauler to establish the containers in service for each collection program, the corresponding tonnages collected, and any special or unique service requirements within the City. Also, a general description of current compliance programs (e.g. what is collected and where/how it is processed), diversion rates by program, and the City’s compliance standing with all State mandates must be compiled. This current service/compliance information is then blended with stakeholder input to provide both background information and specific service requests for bidders to incorporate into their proposals.

This process will eventually lead to the preparation of a draft RFP document that is designed to guide bidders in successfully preparing their responses. This document is accompanied by a draft franchise agreement to complete the “package” that will be advertised and submitted to interested firms. Our project budget anticipates a series of reviews, followed by performing requested revisions, in order to ensure the final RFP package incorporates all desired information and direction. Our project goal is to have this package completed and ready for distribution by March 15, 2021.

**Proposed Schedule Prior to Issuing the RFP:**

**August 2020 to October 2020** – Develop RFP draft, provide sample agreement and key SB 1383 language to City Attorney, and identify areas of service where stakeholder input is needed. Identify revenue/service goals and provide analysis to assist City manager and
designated RFP personnel (City Treasurer, etc.). Initial meetings with City team on RFP and stakeholder input process.

**November 2020 to January 2021** – Follow-up meetings with City Attorney and City staff on RFP document and agreement. Hold 3 stakeholder workshops and 1 City Council workshop/study session.

**February 2021 – mid-March 2021** – Finalize RFP to incorporate stakeholder/City Council items, finalize agreement for inclusion in RFP package, do final review analysis and settle on various “asks” of bidders. Final meeting with City attorney on agreement. Bring RFP package to City Council for approval (if necessary).

Task 1 Hours: 120

**Task 2 Overseeing the RFP Process**
Assist the City in posting and otherwise making the finalized RFP package available to all potential bidders starts the formal RFP process. This is followed by a pre-bid meeting, a tour of the City, and follow-up communication to ensure all bidders are aware of the City’s bid requirements, associated timelines, and the various service areas within the City. We recommend making the pre-bid meeting mandatory and limiting questions and responses to an email format (typically we set a question and answer period of two to three weeks, with answers to each week’s questions provided on Friday afternoon). This question limitation does not apply to the mandatory pre-bid meeting, since all firms are represented and privy to all questions and answers provided.

We believe a 60 to 90-day period for proposal preparation, after the pre-bid meeting, is the timeframe required to ensure quality submissions from interested bidders. During this time the City can finalize its list of proposal reviewers and those that will participate in interviews of selected bidders. To assist in this process we will develop a scoring sheet and oversee a meeting with reviewers to discuss the scoring criteria and review process. If the number of bidders warrants, or if there is not 100% consensus among the review committee, we recommended an interview process be employed so that the review committee can directly question the bidders to help finalize their scoring. While we can certainly incorporate interviews of all bidders, our recommendation is to limit this process to the firms you are strongly considering for final selection after initial proposal and pricing reviews.

We will develop one or two reports for submission to the City Council that summarize the RFP process and the review committee findings. Only one report will be issued if the review committee clearly believes a single bid is superior. A second report will be issued if multiple bidders are selected for interviews before a final selection is made. If that is the case our first report will describe the process employed and present the City Council with the finalists to be interviewed, and why they were selected. The second report will then make the recommendation for selection. With City staff approval we will assist in presenting the report(s) to City Council and field their questions on the RFP and review process.
Once a final decision has been made by the City Council we will assist City staff and the City Attorney in the final negotiation process, including work with the selected firm to develop and implement their service transition plan.

**Proposed Schedule RFP through Selection:**

**March 15, 2021** – Issue RFP electronically through selected websites and municipal bidder portals. Send emails inviting bids from all haulers servicing exclusive franchises within a 50-mile radius of the City of Los Alamitos.

**Late March to Early April 2021** – Hold mandatory pre-bid meeting and City tour with interested firms.

**April/May 2021** – Select review committee members and draft/finalize scoring criteria.

**June 15, 2021** – Bid due date sometime within this time period. Weekly response to bidder questions during a designated 3-week period, as specified in the RFP.

**June 16, 2021 to July 14, 2021** – Review and score proposals. Determine if interviews are needed, if so schedule and conduct. Finalize selection and prepare staff report to present to City Council.

**July 15, 2021 to August 15, 2021** – Present selection to City Council for approval.

**Prior to August 31, 2021** – Negotiate with chosen firm, finalize agreement, and receive transition plan.

**September thru December 2021** – Finalize transition plan and coordinate execution with both selected firm and the current vendor.

Task 2 Hours: 95

Thank you for the opportunity to assist you in this process. We are prepared to commence work at your direction. As discussed herein, we believe project work should start no later than August 2020 in order to allow the City sufficient time to complete a fair and thorough RFP process.

Sincerely,

Michael L. Balliet

This report seeks approval to purchase contract for two (2) Police vehicles from the National Auto Fleet Group via the Sourcewell Competitive Purchasing Program (Contract #120716-NAF). The purchase of these vehicles was approved with the adoption of the FY 2020/2021 Budget.

RECOMMENDATIONS

1. Authorize the Mayor to execute two (2) police vehicles purchases from the National Auto Fleet Group; and,

2. Authorize the Mayor to execute the Letter of Intent to purchase from the National Auto Fleet Group via the Sourcewell Competitive Purchase Program (Contract #12716-NAF)

BACKGROUND

In 2013 the City Council adopted Resolution No. 2013-07, which outlined the Vehicle & Equipment Replacement Policy. The Policy established guidelines for replacement based on a number of factors including, but not limited to, age, mileage, mechanical condition, maintenance costs, etc. The Policy also established targeted replacement cycles for vehicles and equipment. For example, the targeted replacement cycle for a Police Patrol Sedan is 4 years and 75,000 miles whereas the targeted replacement cycle for a Police SUV is 5 years and 100,000.

During the May 2018 meeting, City Council approved the replacement of four (4) police vehicles. Since then, staff re-evaluated and determined the immediate need for only two (2) vehicles. Funding for the purchase of the following two (2) vehicles was carried over and re-budgeted for Fiscal Year (FY) 2020-2021. Based on the critical need for these safety vehicles, it is recommended that the following items be replaced/purchased for FY 2020-21:
• **Police Vehicles (2)**
  1. 2014 Dodge Charger (Unit 48-2)
     - Mileage is at approximate 60,000, vehicle is inoperable
     - Estimated replacement cost is $39,000
     - Previously approved, funds carried over from Fiscal Year 2018-19
  2. 2013 Dodge Charger (Unit UM-1Blu Chg)
     - Mileage is at 90,351, estimated replacement cost is $37,000
     - Previously approved, funds carried over from Fiscal Year 2018-19

**DISCUSSION**

**National Auto Fleet Group**
In 2017, the National Auto Fleet Group was selected through a competitive bid process to provide Vehicles, Cars, Vans, SUV’s, and Light Trucks with Related Equipment, Accessories and Services by Sourcewell.

**Sourcewell Competitive Purchasing Program**
Sourcewell (formerly known as the National Joint Power Alliance (NJPA)) is a national cooperative purchasing agency that facilitates the procurement of goods to members. With over 40 years of service, Sourcewell continues to offer contract purchasing solutions to all government agencies, public and private schools/colleges, tribal government and nonprofit organizations. Utilizing Sourcewell’s services does not incur any additional costs for the City. Supplemental services that the City may utilize from Sourcewell at no additional cost, includes a review of quotes provided by the National Auto Fleet Group, which will ensure the figures presented accurately reflect the costs described in the awarded contract with Sourcewell.

Under Section 2.60.110 of the Los Alamitos Municipal Code (LAMC), the City’s purchasing ordinance allows the City to “piggy back” off another public agency or government entity, which has selected the vendor using competitive bidding procedures substantially the same as or similar to those normally utilized by the city for the acquisition of such materials, supplies, equipment, or services. If such a determination is made, the City Manager or City Council, as applicable, may proceed to purchase the materials, supplies, equipment or services at a price equivalent to that offered to the acquiring agency.

This report seeks approval of two (2) vehicles purchases for the replacement of the following vehicles:

</tbody>
</table>

As proposed, there is a current 14-16 week wait for delivery of the vehicles.
FISCAL IMPACT

The cost to replace the two Police vehicles requested is estimated at $76,000. Since the funding was carried over from Fiscal year 2018-19, there will be no fiscal impact to Fiscal Year 2020-21. If the Police vehicles are replaced as recommended, they will be funded by Fund 50 – Vehicle & Replacement Fund.

1 DEFINITIONS

A. CONTRACT
Contract means this RFP, current pricing information, fully executed Forms C, D, F, & P from the Proposer’s response pursuant to this RFP, and a fully executed Form E (‘‘Acceptance and Award’’) with final terms and conditions. Form E will be executed after a formal award and will provide final clarification of terms and conditions of the award.

B. PROPOSER
A Proposer is a company, person, or entity delivering a timely response to this RFP. This RFP may also use the terms “respondent” or “proposed Vendor,” which is interchangeable with Proposer as the context allows.

C. SOURCED GOOD or OPEN MARKET ITEM
A Sourced Good or Open Market Item is a product within the RFP’s scope 1) that is not currently available under the Vendor’s NJPA contract, 2) that a member wants to buy under contract from an awarded Vendor, and 3) that is generally deemed incidental to the total transaction or purchase of contract items.

D. VENDOR
A Proposer whose response has been awarded a contract pursuant to this RFP.
2 **ADVERTISEMENT OF RFP**

2.1 NJPA advertises this solicitation: 1) in the hard copy print and online editions of the USA Today; 2) once each in Oregon’s Daily Journal of Commerce, South Carolina’s The State and Utah’s Salt Lake Tribune; 3) on NJPA’s website; and 4) on other third-party websites deemed appropriate by NJPA. Other third-party advertisers may include Onvia, PublicPurchase.com, MERX, and Biddingo.

2.2 NJPA also notifies and provides solicitation documentation to each state-level procurement departments for possible re-posting of the solicitation within their systems and at their option for future use and to meet specific state requirements.

3 **INTRODUCTION**

A. ABOUT NJPA

3.1 The National Joint Powers Alliance® (NJPA) is a public agency serving as a national municipal contracting agency established under the Service Cooperative statute by Minnesota Legislative Statute §123A.21 with the authority to develop and offer, among other services, cooperative procurement services to its membership. Eligible membership and participation includes states, cities, counties, all government agencies, both public and non-public educational agencies, colleges, universities and non-profit organizations.

3.2 Under the authority of Minnesota state laws and enabling legislation, NJPA facilitates a competitive solicitation and contracting process on behalf of the needs of itself and the needs of current and potential member agencies nationally. This process results in national procurement contracts with various Vendors of products/equipment and services which NJPA Member agencies desire to procure. These procurement contracts are created in compliance with applicable Minnesota Municipal Contracting Laws. A complete listing of NJPA cooperative procurement contracts can be found at [www.njpacoop.org](http://www.njpacoop.org).

3.3 NJPA is a public agency governed by publicly elected officials that serve as the NJPA Board of Directors. NJPA’s Board of Directors oversees and authorizes the calls for all new proposals and holds those resulting Contracts for the benefit of its own and its Members use.

3.4 NJPA currently serves over 50,000 member agencies nationally. Both membership and utilization of NJPA contracts continue to expand, due in part to the increasing acceptance of Cooperative Purchasing throughout the government and education communities nationally.

B. JOINT EXERCISE OF POWERS LAWS

3.5 NJPA cooperatively shares those contracts with its Members nationwide through various Joint Exercise of Powers Laws or Cooperative Purchasing Statutes established in Minnesota, other states and Canadian provinces. The Minnesota Joint Exercise of Powers Law is Minnesota Statute §471.59 which states “Two or more governmental units...may jointly or cooperatively exercise any power common to the contracting parties...” This Minnesota Statute allows NJPA to serve Member agencies located in all other states. Municipal agencies nationally can participate in cooperative purchasing activities under their own state law. These laws can be found on our website at [http://www.njpacoop.org/national-cooperative-contract-solutions/legal-authority/](http://www.njpacoop.org/national-cooperative-contract-solutions/legal-authority/).

C. WHY RESPOND TO A NATIONAL COOPERATIVE PROCUREMENT CONTRACT

3.6 National Cooperative Procurement Contracts create value for Municipal and Public Agencies, as well as for Vendors of products/equipment and services in a variety of ways:
3.6.1 National cooperative contracts potentially save time and effort for municipal and public agencies, who otherwise would have to solicit vendor responses to individual RFPs, resulting in individual contracts, to meet the procurement needs of their respective agencies. Considerable time and effort is also potentially saved by the Vendors who would have had to otherwise respond to each of those individual RFPs. A single, nationally advertised RFP, resulting in a single, national cooperative contract can potentially replace thousands of individual RFPs for the same equipment/products/services that might have been otherwise advertised by individual NJPA member agencies.

3.6.2 NJPA contracts offer our Members nationally leveraged volume purchasing discounts. Our contract terms and conditions offer the opportunity for Vendors to recognize individual member procurement volume commitment through additional volume based contract discounts.

3.7 State laws that permit or encourage cooperative purchasing contracts do so with the belief that cooperative efficiencies will result in lower prices, better overall value, and considerable time savings.

3.8 The collective purchasing power of thousands of NJPA Member agencies nationwide offers the opportunity for volume pricing discounts. Although no sales or sales volume is guaranteed by an NJPA Contract resulting from this RFP, substantial volume is anticipated and volume pricing is requested and justified.

3.9 NJPA and its Members desire the best value for their procurement dollar as well as a competitive price. Vendors have the opportunity to display and highlight value-added attributes of their company, equipment/products and services without constraints of a typical individual proposal process.

D. THE INTENT OF THIS RFP

3.10 National contract awarded by NJPA: NJPA seeks the most responsive and responsible Vendor relationship(s) to reflect the best interests of NJPA and its Member agencies. Through a competitive proposal and evaluation process, the NJPA Proposal Evaluation Committee recommends vendors for a national contract awarded by the action of the NJPA Chief Procurement Officer. NJPA’s primary intent is to establish and provide a national cooperative procurement contract that offer opportunities for NJPA and our current and potential Member agencies throughout the United States and Canada to procure quality product/equipment and services as desired and needed. The contracts will be marketed nationally through a cooperative effort between the awarded vendor(s) and NJPA. Contracts are expected to offer price levels reflective of the potential and collective volume of NJPA and the nationally established NJPA membership base.

3.11 Beyond our primary intent, NJPA further desires to:

3.11.1 Award a four-year contract with a fifth-year contract option resulting from this RFP. Any fifth-year extension is exercised at NJPA’s discretion and results from NJPA’s contracting needs or from Member requests; this extension is not intended merely to accommodate an awarded Vendor’s request. If NJPA grants a fifth-year extension, it may also terminate the contract (or cause it to expire) within the fifth year if the extended contract is replaced by a resolicited or newly solicited contract. In exigent circumstances, NJPA may petition NJPA’s Board of Directors to extend the contract term beyond five years. This rarely used procedure should be employed only to avoid a gap in contract coverage while a replacement contract is being solicited;

3.11.2 Offer and apply any applicable technological advances throughout the term of a contract resulting from this RFP;
3.11.3 Deliver “Value Added” aspects of the company, equipment/products and services as defined in the “Proposer’s Response”;

3.11.4 Deliver a wide spectrum of solutions to meet the needs and requirements of NJPA and NJPA Member agencies; and

3.11.5 Award an exclusive contract to the most responsive and responsible vendor when it is deemed to be in the best interest of NJPA and the NJPA Member agencies.

3.12 Exclusive or Multiple Awards: Based on the scope of this RFP and on the responses received, NJPA may award either an exclusive contract or multiple contracts. In some circumstances, a single national supplier may best meet the needs of NJPA Members; in other situations, multiple vendors may be in the best interests of NJPA and the NJPA Members and preferred by NJPA to provide the widest array of solutions to meet the member agency’s needs. NJPA retains sole discretion to determine which approach is in the best interests of NJPA Member agencies.

3.13 Non-Manufacturer Awards: NJPA reserves the right to make an award under this RFP to a non-manufacturer or dealer/distributor if such action is in the best interests of NJPA and its Members.

3.14 Manufacturer as a Proposer: If the Proposer is a manufacturer or wholesale distributor, the response received will be evaluated on the basis of a response made in conjunction with that manufacturer’s authorized dealer network. Unless stated otherwise, a manufacturer or wholesale distributor Proposer is assumed to have a documented relationship with their dealer network where that dealer network is informed of, and authorized to accept, purchase orders pursuant to any Contract resulting from this RFP on behalf of the manufacturer or wholesale distributor Proposer. Any such dealer will be considered a sub-contractor of the Proposer/Vendor. The relationship between the manufacturer and wholesale distributor Proposer and its dealer network may be proposed at the time of the submission if that fact is properly identified.

3.15 Dealer/Reseller as a Proposer: If the Proposer is a dealer or reseller of the products and/or services being proposed, the response will be evaluated based on the Proposer’s authorization to provide those products and services from their manufacturer. When requested by NJPA, Proposers must document their authority to offer those products and/or services.

E. SCOPE OF THIS RFP

3.16 Scope: The scope of this RFP is to award a contract to a qualifying vendor defined as a manufacturer, provider, or dealer/distributor, established as a Proposer, and deemed responsive and responsible through our open and competitive proposal process. Vendors will be awarded contracts based on the proposal and responders demonstrated ability to meet the expectations of the RFP and demonstrate the overall highest valued solutions which meet and/or exceed the current and future needs and requirements of NJPA and its Member agencies nationally within the scope of |VEHICLES, CARS, VANS, SUVs, AND LIGHT TRUCKS WITH RELATED EQUIPMENT, ACCESSORIES, AND SERVICES|.

3.17 Additional Scope Definitions: For purposes of the scope of this solicitation:

3.17.1 In addition to |VEHICLES, CARS, VANS, SUVs, AND LIGHT TRUCKS WITH RELATED EQUIPMENT, ACCESSORIES, AND SERVICES|, this solicitation should be read to include, but not to be limited to:

3.17.1.1 Automobile Category: mini, subcompact, compact, coupe, sedan, gas, diesel, hybrid, electric, alternative fuel

Utility Category: two-wheel drive, four-wheel drive, gas, diesel, hybrid, electric, alternative fuel

Van Category: cargo, passenger, gas, diesel, hybrid, electric, alternative fuel
Police, Safety and Rescue Category: mini, subcompact, compact, coupe, sedan, van, utility, truck, motorcycle, gas, diesel, hybrid, electric, alternative fuel

Truck Category: half ton, three-quarter ton, one ton, gas, diesel, hybrid, electric, alternative fuel.

3.17.2 NJPA reserves the right to limit the scope of this solicitation for NJPA and current and potential NJPA member agencies.

3.17.2.1 RFP respondents may include in their response vehicles that are larger than the vehicles listed in Section 3.17.1.1 above, provided that these offerings are merely complementary to the respondent’s primary offering.

Respondents may include “related equipment, accessories, and services” in their response to the extent that these solutions are an incidental portion of their proposal. The primary focus of this solicitation is on vehicles, cars, vans, SUVs, and light trucks and not on a respondent’s ability to provide turnkey solutions by upfitting for a particular purpose.

This RFP should NOT be construed to include responses that contain school buses or city transit vehicles. Any portions of a response including such solutions will be disregarded.

3.18 Overlap of Scope: When considering equipment/products/services, or groups of equipment/products/services submitted as a part of your response, and whether inclusion of such will fall within a “Scope of Proposal,” please consider the validity of an inverse statement.

3.18.1 For example, pencils and post-it-notes can generally be classified as office supplies and office supplies generally include pencils and post-it-notes.

3.18.2 In contrast, computers (PCs and peripherals) can generally be considered office supplies; however, the scope of office supplies does not generally include computer servers and infrastructure.

3.18.3 In conclusion: With this in mind, individual products and services must be examined individually by NJPA, from time to time and in its sole discretion, to determine their compliance and fall within the original “Scope” as intended by NJPA.

3.19 Best and Most Responsive – Responsible Proposer: It is the intent of NJPA to award a Contract to the best and most responsible and responsive Proposer(s) offering the best overall quality and selection of equipment/products and services meeting the commonly requested specifications of the NJPA and NJPA Members, provided the Proposer’s Response has been submitted in accordance with the requirements of this RFP. Qualifying Proposers who are able to anticipate the current and future needs and requirements of NJPA and NJPA member agencies; demonstrate the knowledge of any and all applicable industry standards, laws and regulations; and possess the willingness and ability to distribute, market to and service NJPA Members in all 50 states are preferred. NJPA requests proposers submit their entire product line as it applies and relates to the scope of this RFP.

3.20 Sealed Proposals: NJPA will receive sealed proposal responses to this RFP in accordance with accepted standards set forth in the Minnesota Procurement Code and Uniform Municipal Contracting Law. Awards may be made to responsible and responsive Proposers whose proposals are determined in writing to be the most advantageous to NJPA and its current or qualifying future NJPA Member agencies.

3.21 Use of Contract: Any Contract resulting from this solicitation shall be awarded with the understanding that it is for the sole convenience of NJPA and its Members. NJPA and/or its members reserve the right to
obtain like equipment/products and services solely from this contract or from another contract source of their choice or from a contract resulting from their own procurement process.

3.22 Awarded Vendor’s interest in a contract resulting from this RFP: Awarded Vendors will be able to offer to NJPA, and current and potential NJPA Members, only those products/equipment and services specifically awarded on their NJPA Awarded Contract(s). Awarded Vendors may not offer as “contract compliant,” products/equipment and services which are not specifically identified and priced in their NJPA Awarded Contract.

3.23 Sole Source of Responsibility- NJPA desires a “Sole Source of Responsibility” Vendor. This means that the Vendor will take sole responsibility for the performance of delivered equipment/products/services. NJPA also desires sole responsibility with regard to:

3.23.1 Scope of Equipment/Products/Services: NJPA desires a provider for the broadest possible scope of products/equipment and services being proposed over the largest possible geographic area and to the largest possible cross-section of NJPA current and potential Members.

3.23.2 Vendor use of sub-contractors in sourcing or delivering equipment/product/services: NJPA desires a single source of responsibility for equipment/products and services proposed. Proposers are assumed to have sub-contractor relationships with all organizations and individuals whom are external to the Proposer and are involved in providing or delivering the equipment/products/services being proposed. Vendor assumes all responsibility for the equipment/products/services and actions of any such Sub-Contractor. Suggested Solutions Options include:

3.24.1 Multiple solutions to the needs of NJPA and NJPA Members are possible. Examples could include:

3.24.1.1 Equipment/Products Only Solution: Equipment/Products Only Solution may be appropriate for situations where NJPA or NJPA Members possess the ability, either in-house or through local third party contractors, to properly install and bring to operation those equipment/products being proposed.

3.24.1.2 Turn-Key Solutions: A Turn-Key Solution is a combination of equipment/products and services that provides a single price for equipment/products, delivery, and installation to a properly operating status. Generally this is the most desirable solution because NJPA and NJPA Members may not possess, or desire to engage, personnel with the necessary expertise to complete these tasks internally or through other independent contractors.

3.24.1.3 Good, Better, Best: Where appropriate and properly identified, Proposers may offer the choice “of good, better, best” multiple-grade solutions to meet NJPA Members’ needs.

3.24.1.4 Proven – Accepted – Leading-Edge Technology: Where appropriate and properly identified, Proposers may provide a spectrum of technology solutions to complement or enhance the proposed solutions to meet NJPA Members’ needs.

3.24.2 If applicable, Contracts will be awarded to Proposer(s) able to deliver a proposal meeting the entire needs of NJPA and its Members within the scope of this RFP. NJPA prefers Proposers submit their complete product line of products and services described in the scope of this RFP. NJPA reserves the right to reject individual, or groupings of specific equipment/products and services proposals as a part of the award.
**3.25 Geographic Area to be Proposed:** This RFP invites proposals to provide VEHICLES, CARS, VANS, SUVs, AND LIGHT TRUCKS WITH RELATED EQUIPMENT, ACCESSORIES, AND SERVICES to NJPA and NJPA Members throughout the entire United States and possibly internationally. Proposers will be expected to express willingness to explore service to NJPA Members located abroad; however the lack of ability to serve Members outside of the United States will not be cause for non-award. The ability and willingness to serve Canada, for instance, will be viewed as a value-added attribute.

**3.26 Contract Term:** At NJPA’s option, a Contract resulting from this RFP will become effective either on the date awarded by the NJPA Board of Directors or on the day following the expiration date of an existing NJPA procurement contract for the same or similar product/equipment and services.

**3.26.1** NJPA is seeking a Contract base term of four years as allowed by Minnesota Contracting Law. Full term is expected. However, one additional one-year renewal/extension may be offered by NJPA to Vendor beyond the original four year term if NJPA deems such action to be in the best interests of NJPA and its Members. NJPA reserves the right to conduct periodic business reviews throughout the term of the contract.

**3.27 Minimum Contract Value:** NJPA anticipates considerable activity resulting from this RFP and subsequent award; however, no commitment of any kind is made concerning actual quantities to be acquired. NJPA does not guarantee usage. Usage will depend on the actual needs of the NJPA Members and the value of the awarded contract.

**3.28 [This section is intentionally blank.]**

**3.29 Contract Availability:** This Contract must be available to all current and potential NJPA Members who choose to utilize this NJPA Contract to include all governmental and public agencies, public and private primary and secondary education agencies, and all non-profit organizations nationally.

**3.30 Proposer’s Commitment Period:** In order to allow NJPA the opportunity to evaluate each proposal thoroughly, NJPA requires any response to this solicitation be valid and irrevocable for ninety (90) days after the date proposals are opened.

**F. EXPECTATIONS FOR EQUIPMENT/PRODUCTS AND SERVICES BEING PROPOSED**

**3.31 Industry Standards:** Except as contained herein, the specifications or solutions for this RFP shall be those accepted guidelines set forth by the VEHICLES, CARS, VANS, SUVs, AND LIGHT TRUCKS WITH RELATED EQUIPMENT, ACCESSORIES, AND SERVICES industry, as they are generally understood and accepted within that industry across the nation. Submitted products/equipment, related services and accessories, and their warranties and assurances are required to meet and/or exceed all current, traditional and anticipated standards, needs, expectations, and requirements of NJPA and its Members.

**3.31.1 Deviations from industry standards** must be identified by the Proposer and explained how, in their opinion, the equipment/products and services they propose will render equivalent functionality, coverage, performance, and/or related services. Failure to detail all such deviations may comprise sufficient grounds for rejection of the entire proposal.

**3.31.2 Technical Descriptions/Specifications.** Excessive technical descriptions and specifications that unduly enlarge the proposal response may cause NJPA to reduce the evaluation points awarded on Form G. Proposers must supply sufficient information to:

**3.31.2.1** demonstrate the Proposer’s knowledge of industry standards and Member agency needs and expectations;
3.31.2.2 identify the equipment/products and services being proposed as applicable to the needs and expectations of NJPA Member agencies; and

3.31.2.3 differentiate equipment/products and services from other industry manufacturers and providers.

3.32 New Current Model Equipment/Products: Proposals submitted shall be for new, current model equipment/products and services with the exception of certain close-out products allowed to be offered on the Proposer’s “Hot List” described herein.

3.33 Compliance with laws and standards: All items supplied on this Contract shall comply with any current applicable safety or regulatory standards or codes.

3.34 Delivered and operational: Products/equipment offered herein are to be proposed based upon being delivered and operational at the NJPA Member’s site. Exceptions to “delivered and operational” must be clearly disclosed in the “Total Cost of Acquisition” section of the proposal.

3.35 Warranty: The Proposer warrants that all products, equipment, supplies, and services delivered under this Contract shall be covered by the industry standard or better warranty. All products and equipment should carry a minimum industry standard manufacturer’s warranty that includes materials and labor. The Proposer has the primary responsibility to submit product specific warranty as required and accepted by industry standards. Dealer/Distributors agree to assist the purchaser in reaching a solution in a dispute over warranty’s terms with the manufacturer. Any manufacturer’s warranty that is effective past the expiration of the warranty will be passed on to the NJPA member. Failure to submit a minimum warranty may result in non-award.

3.36 Additional Warrants: The Proposer warrants that all products/equipment and related services furnished hereunder will be free from liens and encumbrances; defects in design, materials, and workmanship; and will conform in all respects to the terms of this RFP including any specifications or standards. In addition, Proposer/Vendor warrants the products/equipment and related services are suitable for and will perform in accordance with the ordinary use for which they are intended.

G. SOLUTIONS-BASED SOLICITATION

3.37 The NJPA solicitation and contract award process is not based on detailed specifications. Instead, this RFP is a “Solutions-Based Solicitation.” NJPA expects respondents to understand and anticipate the current and future needs of NJPA and its members—within the scope of this RFP—and to propose solutions that are commonly desired or required by law or industry standards. Proposal will be evaluated in part on your demonstrated ability to meet or exceed the needs and requirements of NJPA and our member agencies within the defined scope of this RFP.

3.38 While NJPA does not typically provide product and service specifications, the RFP may contain scope refinements and industry-specific questions. Where specific items are specified, those items should be considered the minimum required, which the proposal can exceed in order to meet Members’ needs. NJPA may award all of the respondent’s proposal or may limit the award to a subset of the proposal.

4 INSTRUCTIONS FOR PREPARING YOUR PROPOSAL

A. INQUIRY PERIOD

4.1 The inquiry period begins on the date of first advertisement and continues until to the Deadline for Submission.” RFP packages will be distributed to potential Vendors during the inquiry period.

B. PRE-PROPOSAL CONFERENCE
4.2 A pre-proposal conference will be held at the date and time specified in the timeline on page one of this RFP. Conference information will be sent to all potential Proposers, and attendance is optional. The purpose of this conference is to allow potential Proposers to ask questions regarding this RFP and NJPA’s competitive contracting process. Only answers issued in writing by NJPA to questions asked before or during the pre-proposal conference are binding on the parties to an awarded contract.

C. IDENTIFICATION OF KEY PERSONNEL

4.3 Awarded Vendors will designate one senior staff member to represent the Vendor to NJPA. This contact person will correspond with members for technical assistance, questions, or concerns that may arise, including instructions regarding different contacts for different geographical areas or product lines.

4.4 These designated individuals should also act as the primary contact for marketing, sales, and any other area deemed essential by the Proposer and NJPA.

D. PROPOSER’S EXCEPTIONS TO TERMS AND CONDITIONS

4.5 Any exceptions, deviations, or contingencies regarding this RFP that a Proposer requests must be documented on Form C, Exceptions To Proposal, Terms, Conditions And Solutions Request.

4.6 Exceptions, deviations or contingencies requested in the Proposer’s response, while possibly necessary in the view of the Proposer, may result in lower scoring or disqualification of a proposal.

E. PROPOSAL FORMAT

4.7 All Proposers must examine the entire RFP package to seek clarification of any item or requirement that may not be clear and to check all responses for accuracy before submitting a proposal.

4.8 All proposals must be properly labeled and sent to “The National Joint Powers Alliance, 202 12th Street NE Staples, MN 56479.”

4.9 All proposals must be physically delivered to NJPA at the above address with all required hard copy documents and signature forms/pages inserted as loose pages at the front of the Vendor’s response. The proposal must include these items.

4.9.1 Hard copy original of completed, signed, and dated Forms C, D, F; hard copy of the signed signature-page only from Forms A and P from this RFP;

4.9.2 Signed hard copies of all addenda issued for the RFP;

4.9.3 Hard copy of Certificate of Insurance verifying the coverage identified in this RFP; and

4.9.4 A complete copy of your response on a flash drive (or other approved electronic means). The electronic copy must contain completed Forms A, B, C, D, F, and P, your statement of products and pricing (including apparent discount), and all appropriate attachments. In order to ensure that your full response is evaluated, you must provide an electronic version of any material that you provide in a hard copy format.

As a public agency, NJPA’s proposals, responses, and awarded contracts are a matter of public record, except for such data that is classified as nonpublic. Accordingly, public data is available for review through a properly submitted public records request. To redact nonpublic information from your proposal (under Minnesota Statute §13.37), you must make your request within thirty (30) days of the contract award or non-award date.
All Proposal forms must be submitted in English and must be legible. All appropriate forms must be executed by an authorized signatory of the Proposer. Blue ink is preferred for signatures.

Proposal submissions should be submitted using the electronic forms provided. Proposers that use alternative documents are responsible for ensuring that the content is substantially similar to the NJPA form and that the document is readable by NJPA.

The Proposer must ensure that the proposal is in the physical possession of NJPA before the submission deadline.

Proposals must be submitted in a sealed envelope or box properly addressed to NJPA and prominently identifying the proposal number, proposal category name, the message “Hold for Proposal Opening,” and the deadline for proposal submission. NJPA is not responsible for untimely proposals. Proposals received by the deadline for proposal submission will be opened and the name of each Proposer and other appropriate information will be publicly read.

Proposers are responsible for checking directly with the NJPA website for any addendums to this RFP. Addendums to this RFP can change the terms and conditions of the RFP, including the proposal submission deadline.

F. QUESTIONS AND ANSWERS ABOUT THIS RFP

Upon examination of this RFP document, Proposer should promptly notify NJPA of any ambiguity, inconsistency, or error they may discover. Interpretations, corrections, and changes to this RFP will be considered by NJPA through a written addendum. Interpretations, corrections, or changes that are made in any other manner are not binding, and Proposers must not rely on them.

Submit all questions about this RFP, in writing, referencing VEHICLES, CARS, VANS, SUVs, AND LIGHT TRUCKS WITH RELATED EQUIPMENT, ACCESSORIES, AND SERVICES to Jonathan Yahn at NJPA 202 12th Street NE, Staples, MN 56479 or to RFP@njpacoop.org. You may also call Jonathan Yahn at (218) 895-4144. NJPA urges potential Proposers to communicate all concerns well in advance of the submission deadline to avoid misunderstandings. Questions received within seven (7) days before the submission deadline generally cannot be answered. NJPA may, however, field purely procedural questions, questions about NJPA-issued addenda, or questions involving a Proposer withdrawing its response before the RFP submission deadline.

If NPJA deems that its answer to a question has a material impact on other potential Proposers or on the RFP itself, NJPA will create an addendum to this RFP.

If NPJA deems that its answer to a question merely clarifies the existing terms and conditions and does not have a material impact on other potential Proposers or the RFP itself, no further documentation of that question is required.

Addenda are written instruments issued by NJPA that modify or interpret the RFP. All addenda issued by NJPA become a part of the RFP. Addenda will be delivered to all Potential Proposers using the same method of delivery of the original RFP material. NJPA accepts no liability in connection with the delivery of any addenda. Copies of addenda will also be made available on the NJPA website at www.njpacoop.org (under “Current and Pending Solicitations”) and from the NJPA offices. All Proposers must acknowledge their receipt of all addenda in their proposal response.

Any amendment to a submitted proposal must be in writing and must be delivered to NJPA by the RFP submission deadline.

[These sections are intentionally blank.]
G. MODIFICATION OR WITHDRAWAL OF A SUBMITTED PROPOSAL

4.22 A submitted proposal must not be modified, withdrawn, or cancelled by the Proposer for a period of ninety (90) days following the date proposals were opened. Before the deadline for submission of proposals, any proposal submitted may be modified or withdrawn by notice to the NJPA Contracts and Compliance Manager. Such notice must be submitted in writing and must include the signature of the Proposer. The notice must be delivered to NJPA before the deadline for submission of proposals and must be so worded as not to reveal the content of the original proposal. The original proposal will not be physically returned to the potential Proposer until after the official proposal opening. Withdrawn proposals may be resubmitted up to the time designated for the receipt of the proposals if they fully conform with the proposal instructions.

H. PROPOSAL OPENING PROCEDURE

4.23 Sealed and properly identified responses for this RFP entitled VEHICLES, CARS, VANS, SUVs, AND LIGHT TRUCKS WITH RELATED EQUIPMENT, ACCESSORIES, AND SERVICES will be received by Jonathan Yahn, Contracts and Compliance Manager, at NJPA Offices, 202 12th Street NE, Staples, MN 56479 until the deadline identified on page one of this RFP. All Proposal responses must be submitted in a sealed package. The outside of the package must plainly identify VEHICLES, CARS, VANS, SUVs, AND LIGHT TRUCKS WITH RELATED EQUIPMENT, ACCESSORIES, AND SERVICES and the RFP number. To avoid premature opening, the Proposer must label the Proposal response properly. NJPA documents the receipt of proposals by immediately time- and date-stamping them with an atomic clock. At the time of the public opening, the NJPA Director of Contracts and Marketing or a representative from the NJPA Proposal Evaluation Committee will read the Proposer’s names aloud and will determine whether each submission has met Level-1 responsiveness.

I. NJPA’S RIGHTS RESERVED

4.24 NJPA may exercise the following rights with regard to the RFP.

4.24.1 Reject any and all proposals received in response to this RFP;

4.24.2 Disqualify any Proposer whose conduct or proposal fails to conform to the requirements of this RFP;

4.24.3 Duplicate without limitation all materials submitted for purposes of RFP evaluation, and duplicate all public information in response to data requests regarding the proposal;

4.24.4 Consider and accept for evaluation a late modification of a proposal if 1) the proposal itself was submitted on time, 2) the modifications were requested by NJPA, and 3) the modifications make the terms of the proposal more favorable to NJPA or its members;

4.24.5 Waive any non-material deviations from the requirements and procedures of this RFP;

4.24.6 Extend the Contract, in increments determined by NJPA, not to exceed a total Contract term of five years;

4.24.7 Cancel the Request for Proposal at any time and for any reason with no cost or penalty to NJPA;

4.24.8 Correct or amend the RFP at any time with no cost or penalty to NJPA. If NJPA corrects or amends any segment of the RFP after submission of proposals and before the announcement of the awarded Vendor, all proposers will be afforded a reasonable opportunity to revise their proposals in order to accommodate the RFP amendment and the new submission dates. NJPA will not be liable for any errors in the RFP or other responses related to the RFP; and
4.24.9 Extend proposal due dates.

5 PRICING

5.1 NJPA requests that potential Proposers respond to this RFP only if they are able to offer a wide array of products and services at lower prices and with better value than what they would ordinarily offer to a single government agency, a school district, or a regional cooperative.

5.2 This RFP requests pricing for an indefinite quantity of products or related services with potential national sales distribution and service. While most RFP categories represent significant sales opportunities, NJPA makes no guarantees about the quantity of products or services that members will purchase. The estimated annual value of this contract is $150 Million. Vendors are expected to anticipate additional volume of potential government, education and non-profit agencies that would find value in a NJPA national contract awarded by NJPA.

5.3 Regardless of the payment method selected by NJPA or an NJPA member, the total cost associated with any purchase option of the products and services must always be disclosed in the proposal and at the time of purchase.

5.4 All proposers must submit “Primary Pricing” in the form of either “Line-Item Pricing,” or “Percentage Discount from Catalog Pricing,” or a combination of these pricing strategies. Proposers are also encouraged to offer optional pricing strategies such as “Hot List,” “Sourced Products,” and “Volume Discounts,” as well as financing options such as leasing. All pricing documents should include a clear effective date.

A. LINE-ITEM PRICING

5.5 Line-item pricing is a pricing format in which individual products or services are offered at specific Contract prices. Products or services are individually priced and described by characteristics such as manufacture name, stock or part number, size, or functionality. This method of pricing may offer the least amount of confusion, but Proposers with a large number of items may find this method cumbersome. In these situations, a percentage discount from catalog or category pricing model may make more sense and may increase the clarity of the contract pricing format.

5.6 All line-item pricing items must be numbered, organized, sectioned (including SKUs, when applicable), and prepared to be easily understood by the Evaluation Committee and members.

5.7 Submit Line-Item Pricing items in an Excel spreadsheet format and include all appropriate identification information necessary to discern the line item from other line items in each Responder’s proposal.

5.8 Line-item pricing must be submitted to NJPA in a searchable spreadsheet format (e.g., Microsoft® Excel®) in order to facilitate quickly finding any particular item of interest. For that reason, Proposers are responsible for providing the appropriate product and service identification information along with the pricing information that is typically found on an invoice or price quote for such product or services.

5.9 All products or services typically appearing on an invoice or price quote must be individually priced and identified on the line-item price sheet, including any and all ancillary costs.

5.10 Proposers should provide both a published “List Price” as well as a “Proposed Contract Price” in their pricing matrix. Published List Price will be the standard “quantity of one” price currently available to government and educational customers, excluding cooperative and volume discounts.

B. PERCENTAGE DISCOUNT FROM CATALOG OR CATEGORY

5.11 This pricing model involves a specific percentage discount from a catalog or list price, defined as a published Manufacturer’s Suggested Retail Price (MSRP) for the products or services being proposed.
5.12 Individualized percentage discounts can be applied to any number of defined product groupings.

5.13 A percentage discount from MSRP may be applied to all elements identified in MSRP, including all manufacturer options applicable to the products or services.

5.14 When a Proposer elects to use “Percentage Discount from Catalog or Category,” Proposer will be responsible for providing and maintaining current published MSRP with NJPA, and this pricing must be included in its proposal and provided throughout the term of any Contract resulting from this RFP.

C. COST PLUS A PERCENTAGE OF COST

5.15 “Cost plus a percentage of cost” as a primary pricing mechanism is not desirable. It is, however, acceptable for pricing sourced goods or services.

D. HOT LIST PRICING

5.16 Where applicable, a Vendor may opt to offer a specific selection of products or services, defined as “Hot List” pricing, at greater discounts than those listed in the standard Contract pricing. All product and service pricing, including the Hot List Pricing, must be submitted electronically in a format that is acceptable to NJPA. Hot List pricing must be submitted in a line-item format. Products and services may be added or removed from the Hot List at any time through an NJPA Price and Product Change Form.

5.17 Hot List program and pricing may also be used to discount and liquidate close-out and discontinued products and services as long as those close-out and discontinued items are clearly labeled as such. Current ordering process and administrative fees apply. This option must be published and made available to all NJPA Members.

E. CEILING PRICE

5.18 Proposal pricing is to be established as a ceiling price. At no time may the proposed products or services be offered under this Contract at prices above this ceiling price without a specific request and approval by NJPA. Contract prices may be reduced at any time, for example, to reflect volume discounts or to meet the needs of an NJPA Member.

5.19 [This section is intentionally blank.]

F. VOLUME PRICE DISCOUNTS / ADDITIONAL QUANTITIES

5.20 through 5.23 [These sections are intentionally blank.]

G. TOTAL COST OF ACQUISITION

5.24 The Total Cost of Acquisition for the equipment/products and related services being proposed, including those payable by NJPA Members to either the Proposer or a third party, is the cost of the proposed equipment/products product/equipment and related services delivered and operational for its intended purpose in the end-user’s location. For example, if you are proposing equipment/products FOB Proposer’s dock, your proposal should reflect that the contract pricing does not provide for delivery beyond Proposer’s dock, nor any set-up activities or costs associated with those delivery or set-up activities. Any additional costs for delivery and set-up should be clearly disclosed. In contrast, a proposal could state that there are no additional costs of acquisition if the product is delivered to and operational at the end-user’s location.

H. SOURCED GOOD or OPEN MARKET ITEM
5.25 A Sourced Good or an Open Market Item is a product that a member wants to buy under contract that is not currently available under the Vendor’s NJPA contract. This method of procurement can be satisfied through a contract sourcing process. Sourcing options serve to provide a more complete contract solution to meet our members’ needs. Sourced items are generally deemed incidental to the total transaction or purchase of contract items.

5.26 NJPA or NJPA Members may request products, equipment, and related services that are within the related scope of this RFP, even if they are not included in an awarded Vendor’s line-item price list or catalog. These items are known as Sourced Goods or Open Market Items.

5.27 An awarded Vendor may source such items to the extent that the items are identified as “Sourced Products/Equipment” or “Open Market Items” on any quotation issued in reference to an NJPA awarded contract, and that this information is provided to either NJPA or an NJPA Member. NJPA is not responsible for determining whether a Sourced Good is an incidental portion of the overall purchase or whether a Member is able to consider a Sourced Good a purchase under an NJPA contract.

5.28 “Cost plus a percentage” pricing is an acceptable option in pricing of Sourced Goods.

I. PRODUCT & PRICE CHANGES

5.29 Awarded Vendors may request product or service changes, additions, or deletions at any time throughout the contract term. All requests must be made in written format by completing the NJPA Price and Product Change Request Form (located at the end of this RFP and on the NJPA website), signed by an authorized Vendor representative. All changes are subject to review and approval by NJPA. Submit your requests through email to your assigned Contract Manager and to PandP@njpacoop.org.

5.30 NJPA will determine whether the request is both within the scope of the original RFP and in the best interests of NJPA and NJPA Members. Approved Price and Product Change Request Forms will be returned to the Vendor contact through email.

5.31 The Vendor must 1) complete this change request form and individually list or attach all items subject to change, 2) provide a sufficiently detailed explanation and documentation for the change, and 3) include a compete restatement of pricing document in appropriate format (preferably Excel). The pricing document must identify all products and services being offered and must conform to the following NJPA product and price change naming convention: (Vendor Name) (NJPA Contract #) (effective pricing date); for example, “COMPANY 012411-CPY effective 02-12-2016.”

5.32 The new pricing restatement must include all products and services offered, even for those items whose pricing remains unchanged, and must include a new effective date on the pricing documents. This requirement reduces confusion by providing a single, current pricing sheet for each vendor and creates a historical record of pricing.

5.33 ADDITIONS. New products and related services may be added to a Contract resulting from this RFP at any time during that Contract term to the extent that those products and related services are within the scope of this RFP. Allowable new products and related services generally include updated models of products and enhanced services that reflect new technology and improved functionality.

5.34 DELETIONS. New products and related services may be deleted from a contract if an item is no longer available.

5.35 PRICE CHANGES. A Vendor may request pricing changes by providing reasonable justification for the change. For example, a request for a 3% increase in a product line that relies heavily on petroleum products may be reasonable if the raw cost of required petroleum products has increased substantially. Conversely, a request for a 3% increase in prices based only on a 3% increase in a cost-of-living index may be considered unreasonable. Although NJPA is sensitive to the possibility of fluctuations in raw material
costs, prospective Vendors should make every reasonable attempt to account for normal cost changes by proposing pricing that will be effective throughout the duration of the four-year Contract.

5.35.1 **Price decreases:** NJPA expects Vendors to propose their very best prices and anticipates price reductions that are due to advancement in technology and marketplace efficiencies.

5.35.2 **Price increases:** A Vendor must include reasonable documentation for price-increase requests, along with both current and proposed pricing. Appropriate documentation should be attached to the Price and Product Change Request Form, including letters from suppliers announcing price increases. Price increases must not exceed the industry standard.

5.36 through 5.37 [These sections are intentionally blank.]

5.38 Proposers representing multiple manufacturers, or carrying multiple related product lines may also request the addition of new manufacturers or product lines to their Contract to the extent they remain within the scope of this RFP.

5.39 through 5.43 [These sections are intentionally blank.]

K. SALES TAX

5.44 Sales and other taxes should not be included in the prices quoted. The Vendor will charge state and local sales and other applicable taxes on items for which a valid tax-exemption certification has not been provided. Each NJPA Member is responsible for providing verification of tax-exempt status to the Vendor. When ordering, NJPA Members must indicate that they are tax-exempt entities. Except as set forth herein, no party is responsible for taxes imposed on another party as a result of or arising from the transactions under a Contract resulting from this RFP.

L. SHIPPING

5.45 Shipping costs can constitute a significant portion of the overall cost of procurement. Consequently, significant weight will be given to the quality of a prospective Vendor’s shipping program. Shipping charges should reasonably reflect the actual cost of shipping. NJPA understands that Vendors may use other shipping cost methods for simplicity or for transparency. But to the extent that shipping costs are determined to disproportionately increase a Vendor’s profit, NJPA may reduce the points awarded in the “Pricing” criteria.

5.46 through 5.47 [These sections are intentionally blank.]

5.48 All shipping and restocking fees must be identified in the price program. Certain industries providing made-to-order products may not allow returns. Proposals will be evaluated not only on the actual costs of shipping, but on the relative flexibility extended to NJPA Members relating to restocking fees, shipping errors, customized shipping requirements, the process for rejecting damaged or delayed shipments, and similar subjects.

5.49 through 5.50 [These sections are intentionally blank.]

5.51 Delivered products must be properly packaged. Damaged products may be rejected. If the damage is not readily apparent at the time of delivery, the Vendor must permit the products to be returned within a reasonable time at no cost to NJPA or NJPA Member. NJPA and NJPA Members reserve the right to inspect the products at a reasonable time subsequent to delivery where circumstances or conditions prevent effective inspection of the products at the time of delivery.

5.52 The Vendor must deliver Contract-conforming products in each shipment and may not substitute products without the express approval from NJPA or the NJPA Member.
NJPA reserves the right to declare a breach of Contract if the Vendor intentionally delivers substandard or inferior products that are not under Contract and described in its paper or electronic price lists or sourced upon request of any Member under this Contract. In the event of the delivery of nonconforming products, the NJPA Member will notify the Vendor as soon as possible and the Vendor will replace nonconforming products with conforming products that are acceptable to the NJPA member.

Throughout the term of the Contract, Proposer agrees to pay for return shipment on products that arrive in a defective or inoperable condition. Proposer must arrange for the return shipment of the damaged products.

6 EVALUATION OF PROPOSALS

A. PROPOSAL EVALUATION PROCESS

6.1 The NJPA proposal evaluation committee will evaluate proposals received based on a 1,000 point evaluation system. The committee establishes both the evaluation criteria and designates the relative weight of each criterion by assigning possible scores for each category on Form G of this RFP. The committee may adjust the relative weight of the criteria for each RFP. (For example, if the “Warranty” criterion does not apply to a particular RFP, the points normally awarded under “Warranty” may be used to increase the number of potential points in another evaluation category or categories.) The “Pricing” criterion will contain at least a plurality of points for every RFP.

6.2 NJPA uses a scoring system that gives primary importance to “Pricing.” But pricing includes more than just the absolute lowest initial cost of purchasing, for example, a particular product. Other considerations include the total cost of the acquisition and whether the Proposer’s offering represents the best value. The evaluation committee may consider such factors as life-cycle costs, total cost of ownership, quality, and the suitability of an offering in meeting NJPA Members’ needs. Pricing points may be awarded based on pricing clarity and ease of use. NJPA may also award points based on whether a response contains exceptions, exclusions, or limitations of liabilities.

6.3 The NJPA Board of Directors will consider making awards to the selected Proposer(s) based on the recommendations of the proposal evaluation committee. To qualify for the final evaluation, a Proposer must have been deemed responsive as a result of the criteria set forth under “Proposer Responsiveness,” found just below.

B. PROPOSER RESPONSIVENESS

6.4 All responses are evaluated for Level-One and Level-Two Responsiveness. If a response does not substantially conform to substantially all of the terms and conditions in the solicitation, or if it requires unreasonable exceptions, it may be considered nonresponsive.

6.5 All proposals must contain suitable responses to the questions in the proposal forms. The following requirements must be satisfied in order to meet Level-One Responsiveness, which is typically ascertained on the proposal opening date. If these standards are not met, your response may be disqualified as nonresponsive.

6.6 Level-One Responsiveness means that the response

6.6.1 is received before the deadline for submission or it will be returned unopened;

6.6.2 is properly addressed and identified as a sealed proposal with a specific RFP number and an opening date and time;
contains a pricing document (with apparent discounts) and all other forms fully completed, even if “not applicable” is the answer;

includes the original (hard copy) completed, dated, and signed RFP forms C, D, and F. In addition, the response must include the hard-copy signed signature page only from RFP Forms A and P and, if applicable, all signed addenda that have been issued in relation to this RFP;

contains an electronic (CD, flash drive, or other suitable) copy of the entire response; and

Level-Two Responsiveness (including whether the response is within the RFP’s scope) is determined while evaluating the remaining items listed under Proposal Evaluation Criteria below. These items are not arranged in order of importance. Each item draws from multiple questions, and a Proposer’s responses may affect scoring in multiple evaluation criteria. For example, the answers to Industry-Specific Questions may help determine scoring relative to a Proposer’s marketplace success, ability to sell and service nationwide, and financial strength. Any questions not answered without an explanation will likely result in a loss of points and may lead to a nonaward if the proposal evaluation committee cannot effectively review your response.

C. PROPOSAL EVALUATION CRITERIA

Forms A and P include a series of questions that address the following categories:

- Company Information and Financial Strength
- Industry Requirements and Marketplace Success
- Ability to Sell and Deliver Service Nationwide
- Marketing Plan
- Other Cooperative Procurement Contracts
- Value-Added Attributes
- Payment Terms and Financing Options
- Warranty
- Equipment/Products/Services
- Pricing and Delivery
- Industry-Specific Questions

[This section is intentionally blank.]

D. OTHER CONSIDERATIONS

In evaluating RFP responses, NJPA has no obligation to consider information that is not provided in the Proposer’s response. NJPA may, however, consider additional information outside the Proposer’s response. This research may include such sources as the Proposer’s website, industry publications, listed references, and user interviews.

NJPA may organize RFP responses into separate classes or subcategories, depending on the range of responses. For example, NJPA might receive numerous submissions for “Widgets and Related Products and Services.” NJPA may organize these responses into subcategories, such as manufacturers of fully operational Widgets, manufacturers of component parts for Widgets, and providers of parts and service for Widgets. NJPA reserves the right to award Proposers in some or all of such subcategories without regard to the evaluation score given to Proposers in another subcategory. This specifically allows NJPA to award
Vendors that might not have, for instance, the breadth of products of Proposers in another subcategory, but that nonetheless meet a substantial and articulated need of NJPA Members.

**6.12** [This section is intentionally blank.]

6.13 NJPA reserves the right to request and test equipment/products and related services and to seek clarification from Proposers. Before the Contract award, the Proposer must furnish the requested information within three (3) days (or within another agreed-to time frame) or provide an explanation for the delay along with a requested time frame for providing the requested information. Proposers must make reasonable efforts to supply test products promptly. All Proposer products remain the property of the Proposer, and NJPA will return such products after the evaluation process. NJPA may make provisional contract awards, subject to a Proposer’s proper response to a request for information or products.

6.14 A Proposer’s past performance under previously awarded contracts to schools, governmental agencies, and not-for-profit entities is relevant in evaluating a Proposer’s current response. Past performance includes the Proposer’s record of conforming to published specifications and to standards of good workmanship, as well as the Proposer’s history for reasonable and cooperative behavior and for commitment to Member satisfaction. Incumbency as an awarded Vendor does not, by itself, merit positive consideration for a future Contract award.

6.15 NJPA reserves the right to reject any or all proposals.

**E. COST COMPARISON**

6.16 NJPA may use a variety of evaluation methods, including cost comparisons of specific products. NJPA reserves the right to use this process when the proposal evaluation committee determines that this will help to make a final determination.

6.17 This direct cost comparison process will award points for being low to high Proposer for each cost evaluation item selected. A “Market Basket” of identical (or substantially similar) equipment/products and related services may be selected by the proposal evaluation committee, and the unit cost will be used as a basis for determining the point value. NJPA will select the “Market Basket” from all appropriate product categories as determined by NJPA.

**F. MARKETING PLAN**

6.18 A Proposer’s marketing plan is a critical component of the RFP response. An awarded Vendor’s sales force will likely be the primary source of communication with NJPA Members and will directly affect the contract’s success. Marketing success depends on communicating the contract’s value, knowing the contract thoroughly, and communicating the proper use of contracted products and services to the end user. Much of the success and sales reward is a direct result of the commitment to the contract by the awarded Vendor’s sales teams. NJPA reserves the right to deem a Proposer Level-Two nonresponsive or not to award a contract based on an unacceptable or incomplete marketing plan.

6.19 NJPA marketing expectations include the following components.

6.19.1 An awarded Vendor must demonstrate the ability to deploy a national sales force or dealer network. The best RFP responses demonstrate the ability to sell, deliver, and service products through acceptable distribution channels to NJPA members in all 50 states. Proposers’ responses should fully demonstrate their sales and service capabilities, should outline their national sales force network (both numerically and geographically), and should describe their method of distribution of the offered products and related services. Service may be independent of the product sales pricing, but NJPA encourages related services to be a part of Proposers’ response. Despite its preference for awarding contracts to Vendors that demonstrate nationwide sales and service, NJPA reserves the right to award contracts that meet specific Member needs locally or regionally.
6.19.2 Proposers are invited to demonstrate their ability to successfully market, promote, and communicate the benefits of an NJPA contract to current and potential Members nationwide. NJPA desires a marketing plan that communicates the value of the contract to as many Members as possible.

6.19.3 Proposers are expected to be receptive to NJPA trainings. Awarded Vendors must provide an appropriate training venue for both management and the sales force. NJPA commits to providing training on all aspects of communicating the value of the awarded contract, including the authority of NJPA to offer the contract to its Members, the value and utility the contract delivers to NJPA Members, the scope of NJPA Membership, the authority of Members to use NJPA procurement contracts, the preferred marketing and sales methods, and the successful use of specific business sector strategies.

6.19.4 Awarded Vendors are expected to demonstrate a commitment to fully embrace the NJPA contract. Proposers should identify both the appropriate levels of sales management and sales force that will need to understand the value of the NJPA contract, as well as the internal procedures needed to deliver the appropriate messaging to NJPA Members. NJPA will provide a general schedule and a variety of methods describing when and how those individuals should be trained.

6.19.5 Proposers should outline their proposed involvement in promoting an NJPA contract through applicable industry trade show exhibits and related customer meetings. Proposers are encouraged to consider participation with NJPA at NJPA-endorsed national trade shows.

6.19.6 Proposers must exhibit the willingness and ability to actively market and develop contract-specific marketing materials including the following items.

6.19.6.1 Complete Marketing Plan. Proposers must submit a marketing plan outlining how they will launch the NJPA contract to current and potential NJPA Members. NJPA requires awarded Vendors to embrace and actively promote the contract in cooperation with the NJPA.

6.19.6.2 Printed Marketing Materials. Awarded Vendors will produce and maintain full color print advertisements in camera-ready electronic format, including company logos and contact information to be used in the NJPA directory and other approved marketing publications.

6.19.6.3 Contract announcements and advertisements. Proposers should outline in the marketing plan their anticipated contract announcements, advertisements in industry periodicals, and other direct or indirect marketing activities promoting the awarded NJPA contract.

6.19.6.4 Proposer’s Website. Proposers should identify how an awarded Contract will be displayed and linked on the Proposer’s website. An online shopping experience for NJPA Members is desired whenever possible.

6.19.7 An NJPA Vendor contract launch will be scheduled during a reasonable time frame after the award and held at the NJPA office in Staples, MN unless the Vendor and NJPA agree to a different location.

6.20 Proposer shall identify their commitment to develop a sales/communication process to facilitate NJPA membership and establish status of current and potential agencies/members. Proposer should further express their commitment to capturing sufficient member information as is deemed necessary by NJPA.
G. CERTIFICATE OF INSURANCE

**6.21** Proposers must provide evidence of liability insurance coverage identified below in the form of a Certificate of Insurance (COI) or an ACORD binder form with their proposal. Upon an award issued under this RFP and before the execution of any commerce relating to such award, the awarded Vendor must provide verification, in the form of a Certificate of Insurance, identifying the coverage required below and identifying NJPA as a “Certificate Holder.” The Vendor must maintain such insurance coverage at its own expense throughout the term of any contract resulting from this solicitation.

**6.22** Any exceptions or assumptions to the insurance requirements must be identified on Form C of this RFP. Exceptions and assumptions will be considered as part of the evaluation process. Any exceptions or assumptions that Proposers submit must be specific. If a Proposer does not include specific exceptions or assumptions when submitting the proposal, NJPA will typically not consider any additional exceptions or assumptions during the evaluation process. Upon contract award, the awarded Vendor must provide the Certificate of Insurance identifying the coverage as specified.

**6.23** Insurance Liability Limits. The awarded Vendor must maintain, for the duration of its contract, $1.5 million in general liability insurance coverage or general liability insurance in conjunction with an umbrella for a total combined coverage of $1.5 million. Work on the Contract will not begin until after the awarded Vendor has submitted acceptable evidence of the required insurance coverage. Failure to maintain any required insurance coverage or an acceptable alternative method of insurance will be deemed a breach of contract.

**6.23.1** Minimum Scope and Limits of Insurance. An awarded Vendor must provide coverage with limits of liability not less than those stated below. An excess liability policy or umbrella liability policy may be used to meet the minimum liability requirements provided that the coverage is written on a “following form” basis.

**6.23.1.1** Commercial General Liability—Occurrence Form

| Each Occurrence | $1,500,000 |

**6.24** Insurance Requirements: The limits listed in this RFP are minimum requirements for this Contract and in no way limit any indemnity covenants contained in this Contract. NJPA does not warrant that the minimum limits contained herein are sufficient to protect the Vendor from liabilities that might arise out of the performance of the work under this Contract by the Vendor, its agents, representatives, employees, or subcontractors, and the Vendor is free to purchase additional insurance as may be determined necessary.

**6.25** Acceptability of Insurers: Insurance is to be placed with insurers duly licensed or authorized to do business in the State of Minnesota and with an “A.M. Best” rating of not less than A- VII. NJPA does not warrant that the above required minimum insurer rating is sufficient to protect the Vendor from potential insurer solvency.

**6.26** Subcontractors: Vendors’ certificate(s) must include all subcontractors as additional insureds under its policies, or the Vendor must furnish to NJPA separate certificates for each subcontractor. All coverage for subcontractors are be subject to the minimum requirements identified above.

H. ORDER PROCESS AND/OR FUNDS FLOW

**6.27** NJPA Members typically issue a purchase order directly to a Vendor under a Contract resulting from this RFP. Alternatively, a separate contract may be created to facilitate acquiring products or services offered in response to this RFP. Nothing in this Contract restricts the Member and Vendor from agreeing
to add terms or conditions to a purchase order or a separate contract provided that such terms or conditions must not be less favorable to NJPA’s Members.

6.28 [This section is intentionally blank.]

I. ADMINISTRATIVE FEES

6.29 Vendors will pay to NJPA an administrative fee in exchange for NJPA facilitating this Contract with its current and potential Members. NJPA may grant a conditional contract award to a Proposer if the proposed administrative fee is unclear, inadequate, or unduly burdensome for NJPA to administer. Sales under this Contract should not be processed until the parties resolve the administrative fee issue.

6.29.1 The administrative fee is typically calculated as a percentage of the dollar volume of all products and services by NJPA Members under this Contract, including anything represented to NJPA Members as falling under this Contract.

6.29.2 The administrative fee is included in, and not added to, the pricing included in Proposer’s response to the RFP. Awarded Vendors must not charge NJPA Members more that permitted in the then current price list in order to offset the administrative fee.

6.29.3 The administrative fee is designed to cover the costs of NJPA’s involvement in contract management, facilitating marketing efforts, Vendor training, and any order processing tasks relating to the Contract. Administrative fees may also be used for other purposes as allowed by Minnesota law.

6.29.4 The typical administrative fee under this Contract is two percent (2%). While NJPA does not dictate the particular fee percentage, we require that the Proposer articulate a specific fee in its response. For example, merely stating that “we agree to pay an administrative fee” is considered nonresponsive. NPJA acknowledges that the administrative fee percentage may differ between vendors, industries, and responses.

6.29.5 NJPA awarded Vendors are responsible for paying the administrative fee at least quarterly and for generating all related reporting. Vendors agree to cooperate with NJPA in auditing these reports to ensure that the administrative fee is paid on all items purchased under the Contract.

6.29.6 For Texas motor vehicle sales, the administrative fee cannot be based on the amount purchased by a member under the contract. Accordingly, the administrative fee in such cases will be $400 per purchase order (PO), irrespective of the number of vehicles included in the PO.

6.30 through 6.32 [This section is intentionally blank.]

J. VALUE–ADDED ATTRIBUTES

6.33 Desirability of Value-Added Attributes: Value-added attributes in an RFP response will be given positive consideration in NJPA’s evaluation process. Such attributes may increase the benefit of a product or service by improving functionality, performance, maintenance, manufacturing, delivery, energy efficiency, ordering, or other items while remaining within the scope of this RFP.

6.34 Women and Minority Business Enterprise (WMBE), Small Business, and Other Favored Businesses: Some NJPA Members give formal preference to certain types of vendors or contractors. Proposers should document WMBE (or other) status for both their organization and for any affiliates (e.g., supplier networks) involved in fulfilling the terms of this RFP. The ability of a Proposer to provide preferred business entity “credits” to NJPA and NJPA Members under a Contract will be evaluated positively by NJPA and reflected in the “value added” area of the evaluation.
6.35 **Environmentally Preferred Purchasing Opportunities:** Many NJPA Members consider the environmental impact of the products and services they purchase. “Green” characteristics demonstrated by Proposers will be evaluated positively by NJPA and reflected in the “value added” area of the evaluation. Please identify any green characteristics of any offering in your proposal and identify the sanctioning body determining that characteristic. Where appropriate, please indicate which products have been certified as green and by which certifying agency.

6.36 **Online Requisitioning Systems:** When applicable, online requisitioning systems will be viewed as a value-added characteristic. Proposers should demonstrate how their system makes online ordering easier for NJPA Members, including how Members could integrate their current e-Procurement or enterprise resource planning (ERP) systems into the Proposer’s ordering process.

6.37 **Financing:** The ability of the Proposer to provide financing solutions to Members for the products and services being proposed will be viewed as a value-added attribute.

6.38 **Technology:** Technological advances that appreciably improve the proposed products or services will be considered value-added attributes.

K. **WAIVER OF FORMALITIES**

6.39 NJPA reserves the right to waive minor formalities (or to accept minor irregularities) in any proposal, when it determines that considering the proposal may be in the best interest of its Members.

7 **POST-AWARD OPERATING ISSUES**

A. **SUBSEQUENT AGREEMENTS**

7.1 **Purchase Order.** Purchase orders for products and services may be executed between NJPA Members and the awarded Vendor (or Vendor’s sub-contractors) under this Contract. NJPA Members and Vendors must indicate on the face of such purchase orders that “This purchase order is issued under NJPA contract #XXXXXX” (insert the relevant contract number). Purchase order flow and procedure will be developed jointly between NJPA and an awarded Vendor after an award is made.

7.2 **Governing Law.** Purchase orders must be construed in accordance with, and governed by, the laws of a competent jurisdiction with respect to the Member. (See also Section 8.5 of this RFP.) All provisions required by law to be included in the purchase order should be read and enforced as if they were included. If through mistake or otherwise any such provision is not included, then upon application of either party the Contract shall be physically amended to make such inclusion or correction. The venue for any litigation arising out of disputes related to purchase order will be a court of competent jurisdiction with respect to the Member.

7.3 **Additional Terms and Conditions.** Additional terms and conditions to a purchase order may be proposed by NJPA, NJPA Members, or Vendors. Acceptance of these additional terms and conditions is optional to all parties to the purchase order. One purpose of these additional terms and conditions is to address job- or industry-specific requirements of law such as prevailing wage legislation. Additional terms and conditions may also include specific local policy requirements and standard business practices of the issuing Member or the Vendor. Such additional terms and conditions are not considered valid to the extent that they interfere with the general purpose, intent, or currently established terms and conditions contain in this RFP document. For example, a Vendor and Member may agree to add a “net 30” payment requirement to the purchase order instead of applying a “net 10” requirement. But the added terms and conditions must not be less favorable to the Member unless NJPA, the Member, and the Vendor agree to a Contract amendment or similar modification.

7.4 **Specialized Service Requirements.** In the event that the NJPA Member desires service requirements or specialized performance requirements (such as e-commerce specifications, specialized delivery
requirements, or other specifications and requirements) not addressed in the Contract resulting from this RFP, the NJPA Member and the Vendor may enter into a separate, standalone agreement, apart from a Contract resulting from this RFP. Any proposed service requirements or specialized performance requirements require pre-approval by the Vendor. Any separate agreement developed to address these specialized service or performance requirements is exclusively between the NJPA Member and Vendor. NJPA, its agents, and employees shall not be made a party to any claim for breach of such agreement. Product sourcing is not considered a service. NJPA Members will need to conduct procurements for any specialized services not identified as a part of or within the scope of the awarded Contract.

7.5 Performance Bond. At the request of the Member, a Vendor will provide all performance bonds typically and customarily required in their industry. These bonds will be issued pursuant to the requirements of purchase orders for products and services. If a purchase order is cancelled for lack of a required performance bond by the member agency, NJPA recommends that the current pending purchase order be canceled. Each Member has the final decision on purchase order continuation. Any performance bonding required by the Member, the Member’s state laws, or by local policy is to be mutually agreed upon and secured between the Vendor and the Member.

7.6 Asset Management Contracts: Asset Management-type Contracts can be initiated under a Contract resulting from this RFP at any time during the term of this Contract. Such a contract could involve, for example, picking up, storing, repairing, inventorying, salvaging, and delivery products falling within the scope of this Contract. The intention in using Asset Management Contracts is to promote the long-term efficiency of NJPA’s contracts by (among other things) extending the use and re-use of products. Asset Management Contracts cannot be created under this Contract unless they are executed within the authorized term of a Contract resulting from this RFP. The actual term of the Asset Management Contract may, however, extend beyond the expiration date of this Contract.

B. NJPA MEMBER SIGN-UP PROCEDURE

7.6 Awarded Vendors are responsible for familiarizing their sales and service forces with the various forms of NJPA membership documentation and will encourage and assist potential Members in establishing membership with NJPA. NJPA membership is available at no cost, obligation, or liability to the Member or the Vendor.

C. REPORTING OF SALES ACTIVITY

7.7 Awarded Vendors must report at least quarterly the total gross dollar volume of all products and services purchased by NJPA Members as it applies to this RFP and Contract. This report must include the name and address of the purchasing agency, Member number, amount of purchase, and a description of the items purchased.

7.7.1 Zero sales reports: Awarded Vendors must provide a quarterly Contract sales report regardless of the amount of sales.

D. AUDITS

7.8 NJPA relies substantially on the reasonable auditing efforts of both Members and awarded Vendors to ensure that Members are obtaining the products, services, pricing, and other benefits under all NJPA contracts. Nonetheless, the Vendor must retain and make available to NJPA all order and invoicing documentation related to purchases that Members make from the Vendor under the awarded Contract. NJPA must not request such information more than once per calendar year, and NJPA must make such requests in writing with at least fourteen (14) days’ notice. NJPA may employ an independent auditor at its own expense or conduct an audit on its own. In either event, the Vendor agrees to cooperate fully with NJPA or its agents in order to ensure compliance with this Contract.

E. HUB PARTNER
7.9 Hub Partner: NJPA Members may request special services through a “Hub Partner” for the purpose of complying with a law, regulation, or rule that an NJPA Member deems to apply in its jurisdiction. Hub Partners may bring value to the proposed transactions through consultancy, through qualifying for disadvantaged business entity credits, or through other means.

7.10 Hub Partner Fees: NJPA Members are responsible for any transaction fees, costs, or expenses that arise under this Contract for special service provided by the Hub Partner. The fees, costs, or expenses levied by the Hub Vendor must be clearly itemized in the transaction documentation. To the extent that the Vendor stands in the chain of title during a transaction resulting from this RFP, the documentation must clearly indicate that the transaction is “Executed for the Benefit of [NJPA Member name].”

F. TRADE-INS

7.11 The value in US Dollars for Trade-ins will be negotiated between NJPA or an NJPA Member, and an Awarded Vendor. That identified “Trade-In” value shall be viewed as a down payment and credited in full against the NJPA purchase price identified in a purchase order issued pursuant to any Awarded NJPA procurement contract. The full value of the trade-in will be consideration.

G. OUT OF STOCK NOTIFICATION

7.12 The Vendor must immediately notify NJPA Members when they order an out-of-stock item. The Vendor must also tell the Member when the item will be available and whether there are equivalent substitutes. The Member must have the option of accepting the suggested substitute or canceling the item from the order. Under no circumstance may the Vendor make unauthorized substitutions. Unfilled or substituted items must be indicated on the packing list.

H. CONTRACT TERMINATION FOR CAUSE AND WITHOUT CAUSE

7.13 NJPA reserves the right to cancel all or any part of this Contract if the Vendor fails to fulfill any material obligation, term, or condition as described in the following procedure. Before any such termination for cause, the NJPA will provide written notice to the Vendor, an opportunity to respond, and a reasonable opportunity to cure the breach. The following are some examples of material breaches.

7.13.1 The Vendor provides products or services that do not meet reasonable quality standards and that are not remedied under the warranty;

7.13.2 The Vendor fails to ship the products or to provide the services within a reasonable amount of time;

7.13.3 NJPA reasonably believes that the Vendor will not or cannot perform to the requirements or expectations of the Contract, NJPA issues a request for assurance, and the Vendor fails to respond;

7.13.4 The Vendor fails to fulfill any of the material terms and conditions of the Contract;

7.13.5 The Vendor fails to follow the established procedure for purchase orders, invoices, or receipt of funds as established by NJPA and the Vendor;

7.13.6 The Vendor fails to properly report quarterly sales;

7.13.7 The Vendor fails to actively market this Contract within the guidelines provided in this RFP and defined in the NJPA contract launch.
Upon receipt of the written notice of breach, the Vendor will have ten (10) business days to provide a satisfactory response to NJPA. If the Vendor fails to reasonably address all issues in the written notice, NJPA may terminate the Contract immediately. If NJPA allows the Vendor more time to remedy the breach, such forbearance does not limit NJPA’s authority to immediately terminate the Contract for continued breaches for which notice was given to the Vendor. Termination of the Contract for cause does not relieve either party of the financial, product, or service obligations incurred before the termination.

8.2 [This section is intentionally blank.]

NJPA may terminate the Contract if the Vendor files for bankruptcy protection or is acquired by an independent third party. The Vendor must disclose to NJPA any litigation, bankruptcy, or suspensions/disbarments that occur during the Contract period. Failure to disclose such information authorizes NJPA to immediately terminate the Contract.

NJPA may terminate the Contract without cause by giving the Vendor sixty (60) days’ written notice of termination. Termination of the Contract without cause does not relieve either party of the financial, product, or service obligations incurred before the termination.

NJPA may immediately terminate any Contract without further obligation if any NJPA employee significantly involved in initiating, negotiating, securing, drafting, or creating the Contract on behalf of NJPA has colluded with any Proposer for personal gain. NJPA may also immediately cancel a Contract if it finds that gratuities, in the form of entertainment, gifts or otherwise, were offered or given by the Vendor or any agent or representative of the Vendor, to any employee of NJPA. Such terminations are effective upon written notice from NJPA or at a later date designated in the notice. Termination of the Contract does not relieve either party of the financial, product, or service obligations incurred before the termination.

8. GENERAL TERMS AND CONDITIONS

8.1 Proposer/Vendor must not advertise or publish information concerning this Contract before the award is announced by NJPA. Once the award is made, a Vendor is expected to advertise the awarded Contract to both current and potential NJPA Members.

8.2 [This section is intentionally blank.]

8.3 NJPA Compliance with Minnesota Procurement Law: NJPA has designed its procurement process to comply with best practices in the State of Minnesota. NJPA’s solicitation methods are also created to comply with many of the various requirements that our Members must satisfy in their own procurement processes. But these requirements may differ considerably and may change from time to time. So each NJPA Member must make its own determination whether NJPA’s solicitation process satisfies the procurement rules in the Member’s jurisdiction.

8.4 Governing law with respect to delivery and acceptance: All applicable portions of the Minnesota Uniform Commercial Code, all other applicable Minnesota laws, and the applicable laws and rules of delivery and inspection of the Federal Acquisition Regulations (FAR) laws will govern NJPA contracts resulting from this solicitation.

8.5 Jurisdiction: Any claims that arise against NJPA pertaining to this RFP, and any resulting contract that develops between NJPA and any other party, must be brought only in courts in Todd County in the State of Minnesota unless otherwise agreed to.
8.5.1 Purchase orders or other agreements created pursuant to a contract resulting from this solicitation must be construed in accordance with, and governed by, the laws of the issuing Member. Any claim arising from such a purchase order or agreement must be filed and venued in a court of competent jurisdiction of the Member unless otherwise agreed to.

8.6 through 8.7 [This section is intentionally blank.]

8.8 Indemnification: Each party is responsible for its own acts and is not responsible for the acts of the other party and the results thereof. NJPA’s liability is governed by the Minnesota Tort Claims Act (Minn. Stat. §3.736) and other applicable law.

8.9 Prevailing wage: The Vendor must comply with applicable prevailing wage legislation in effect in the jurisdiction of the NJPA Member. The Vendor must monitor the prevailing wage rates as established by the appropriate federal governmental entity during the term of this Contract and adjust wage rates accordingly.

8.10 Patent and copyright infringement: The Vendor agrees to indemnify and hold harmless NJPA and NJPA Members against any and all suits, claims, judgments, and costs instituted or recovered against the Vendor, NJPA, or NJPA Members by any person on account of the use or sale of any articles by NJPA or NJPA Members if the Vendor supplied such articles in violation of applicable patent or copyright laws.

C. ASSIGNMENT OF CONTRACT

8.11 No right or interest in this Contract may be assigned or transferred by the Vendor without prior written permission by the NJPA. No delegation of any duty of the Vendor under this Contract may be made without prior written permission of the NJPA. NJPA will notify Members by posting approved assignments on the NJPA website (www.njpacoop.org).

8.12 If the original Vendor sells or transfers all assets or the entire portion of the assets used to perform this Contract, a successor-in-interest must perform all obligations under this Contract. NJPA reserves the right to reject the acquiring entity as a Vendor. A change of name agreement will not change the contractual obligations of the Vendor.

D. LIST OF PROPOSERS

8.13 NJPA will not maintain a list of interested proposers, nor will it automatically send RFPs to them. All interested proposers must request the RFP as a result of NJPA’s national solicitation advertisements. Because of the wide scope of the potential Members and qualified national suppliers, NJPA has determined this to be the best method of fairly soliciting proposals.

E. CAPTIONS, HEADINGS, AND ILLUSTRATIONS

8.14 The captions, illustrations, headings, and subheadings in this RFP are for convenience and ease of understanding and in no way define or limit the scope or intent of this request.

F. DATA PRACTICES

8.15 All materials submitted in response to this RFP become NJPA’s property and become public records (under Minn. Stat. §13.591) after the evaluation process is completed. If the Proposer submits information in response to this RFP that it requests to be classified as nonpublic information (as defined by the Minnesota Government Data Practices Act, Minn. Stat. §13.37), the Proposer must meet the following requirements.

8.15.1 The Proposer must make the request within thirty (30) days of the award/nonaward notification, and include the appropriate statutory justification. Pricing, marketing plans, and
financial information is generally not redactable. The NJPA Legal Department will review the request to determine whether the information can be withheld or redacted. If NJPA determines that it must disclose the information upon a proper request for such information, NJPA will inform the Proposer of such determination.

8.15.2 The Proposer must defend any action seeking release of the materials that it believes to be nonpublic information, and it must indemnify and hold harmless NJPA, its agents, and employees, from any judgments or damages awarded against NJPA in favor of the party requesting the materials, and any and all costs connected with that defense. This indemnification survives the term of any contract awarded under this RFP. In submitting a response to this RFP, the Proposer agrees that this indemnification survives as long as NJPA possesses the confidential information.

8.16 [This section is intentionally blank.]

G. ENTIRE AGREEMENT

8.17 This Contract, as defined herein, constitutes the entire agreement between the parties to this Contract. A Contract resulting from this RFP is formed when the NJPA Board of Directors approves and signs the applicable Contract Award & Acceptance document (Form E).

H. FORCE MAJEURE

8.18 Except for payments of sums due, neither party is liable to the other nor deemed in default under this Contract if and to the extent that such party’s performance of this Contract is prevented due to force majeure. The term “force majeure” means an occurrence that is beyond the control of the party affected and occurs without its fault or negligence including, but not limited to, the following: acts of God, acts of the public enemy, war, riots, strikes, mobilization, labor disputes, civil disorders, fire, flood, snow, earthquakes, tornadoes or violent wind, tsunamis, wind shears, squalls, Chinooks, blizzards, hail storms, volcanic eruptions, meteor strikes, famine, sink holes, avalanches, lockouts, injunctions-intervention-acts, terrorist events or failures or refusals to act by government authority and/or other similar occurrences where such party is unable to prevent by exercising reasonable diligence. The force majeure is deemed to commence when the party declaring force majeure notifies the other party of the existence of the force majeure and is deemed to continue as long as the results or effects of the force majeure prevent the party from resuming performance in accordance with a Contract resulting from this RFP. Force majeure does not include late deliveries of products and services caused by congestion at a manufacturer’s plant or elsewhere, an oversold condition of the market, inefficiencies, or other similar occurrences. If either party is delayed at any time by force majeure, then the delayed party must (if possible) notify the other party of such delay within forty-eight (48) hours.

8.19 through 8.20 [These sections are intentionally blank.]

K. LICENSES

8.21 The Vendor must maintain a valid status on all required federal, state, and local licenses, bonds, and permits required for the operation of the business that the Vendor conducts with NJPA and NJPA Members.

8.22 All responding Proposers must be licensed (where required) and must have the authority to sell and distribute the offered products and services to NJPA and NJPA Members. Documentation of the required licenses and authorities, if applicable, should be included in the Proposer’s response to this RFP.

L. MATERIAL SUPPLIERS AND SUB-CONTRACTORS

8.23 The awarded Vendor must supply the names and addresses of sourcing suppliers and sub-contractors as a part of the purchase order when requested by NJPA or an NJPA Member.
M. NON-WAIVER OF RIGHTS

8.24 No failure of either party to exercise any power given to it hereunder, nor a failure to insist upon strict compliance by the other party with its obligations hereunder, nor a custom or practice of the parties at variance with the terms hereof, nor any payment under a Contract resulting from this RFP constitutes a waiver of either party’s right to demand exact compliance with the terms hereof. Failure by NJPA to take action or to assert any right hereunder does not constitute a waiver of such right.

N. PROTESTS OF AWARDS MADE

8.25 And protests must be filed with NJPA’s Executive Director and must be resolved in accordance with appropriate Minnesota rules. Protests will only be accepted from Proposers. A protest of an award or nonaward must be filed in writing with NJPA within ten (10) calendar days after the public notice or announcement of the award or nonaward. A protest must include the following items.

8.25.1 The name, address, and telephone number of the protester;

8.25.2 The original signature of the protester or its representative (you must document the authority of the representative);

8.25.3 Identification of the solicitation by RFP number;

8.25.4 Identification of the statute or procedure that is alleged to have been violated;

8.25.5 A precise statement of the relevant facts;

8.25.6 Identification of the issues to be resolved;

8.25.7 The aggrieved party’s argument and supporting documentation;

8.25.8 The aggrieved party’s statement of potential financial damages; and

8.25.9 A protest bond in the name of NJPA and in the amount of 10% of the aggrieved party’s statement of potential financial damages.

O. SUSPENSION OR DISBARMENT STATUS

8.26 If within the past five (5) years, any firm, business, person or Proposer responding to an NJPA solicitation has been lawfully terminated, suspended, or precluded from participating in any public procurement activity with a federal, state, or local government or education agency, the Proposer must include a letter with its response setting forth the name and address of the public procurement unit, the effective date of the suspension or debarment, the duration of the suspension or debarment, and the relevant circumstances relating to the suspension or debarment. Any failure to supply such a letter or to disclose pertinent information may result in the termination of a Contract. By signing the proposal affidavit, the Proposer certifies that no current suspension or debarment exists.

P. AFFIRMATIVE ACTION AND IMMIGRATION STATUS CERTIFICATION

8.27 An Affirmative Action Plan, Certificate of Affirmative Action, or other documentation regarding Affirmative Action may be required by NJPA or NJPA Members relating to a transaction from this RFP. Vendors must comply with any such requirements or requests.

8.28 Immigration Status Certification may be required by NJPA or NJPA Members relating to a transaction from this RFP. Vendors must comply with any such requirements or requests.

Q. SEVERABILITY
In the event that any of the terms of a Contract resulting from this RFP are in conflict with any rule, law, or statutory provision, or are otherwise unenforceable under the laws or regulations of any government or subdivision thereof, such terms will be deemed stricken from the Contract, but such invalidity or unenforceability shall not invalidate any of the other terms of an awarded Contract resulting from this RFP.

R. RELATIONSHIP OF PARTIES

No Contract resulting from this RFP may be considered a contract of employment. The relationship between NJPA and an awarded Vendor is one of independent contractors, each free to exercise judgment and discretion with regard to the conduct of their respective businesses. The parties neither intend the proposed Contract to create, nor is to be construed as creating, a partnership, joint venture, master-servant, principal-agent, or any other, relationship. Except as provided elsewhere in this RFP, neither party may be held liable for acts of omission or commission of the other party and neither party is authorized or has the power to obligate the other party by contract, agreement, warranty, representation, or otherwise in any manner whatsoever except as may be expressly provided herein.

PROPOSER QUESTIONNAIRE - General Business Information
(Products, Pricing, Sector Specific, Services, Terms and Warranty are addressed on Form P)

Proposer Name: ____________________________ Questionnaire completed by: ________________________________

Please identify the person NJPA should correspond with from now through the Award process:

Name: _____________________________________ E-Mail address: _______________________________________

Please answer the questions below using the Microsoft Word® version of this document. This allows NJPA evaluators to cut and paste your answers into a separate worksheet. Place your answer directly below each question. NJPA prefers a brief but thorough response to each question. Please do not merely attach additional documents to your response without also providing a substantive response. Do not leave answers blank; mark “NA” if the question does not apply to you (preferably with an explanation). Please create a response that is easy to read and understand. For example, you may consider using a different font and color to distinguish your answer from the questions.

Company Information & Financial Strength

1) Provide the full legal name, mailing and email addresses, tax identification number, and telephone number for your business.

   Provide a brief history of your company, including your company’s core values, business philosophy, and longevity in the VEHICLES, CARS, VANS, SUVs, AND LIGHT TRUCKS WITH RELATED EQUIPMENT, ACCESSORIES, AND SERVICES industry.

2) Provide a detailed description of the products and services that you are offering in your proposal.

3) What are your company’s expectations in the event of an award?

4) Demonstrate your financial strength and stability with meaningful data. This could include such items as financial statements, SEC filings, credit and bond ratings, letters of credit, and detailed reference letters.

5) What is your US market share for the solutions that you are proposing? What is your Canadian market share, if any?

6) Has your business ever petitioned for bankruptcy protection? Please explain in detail.

7) How is your organization best described: is it a manufacturer, a distributor/dealer/reseller, or a service provider? Answer whichever question (either a) or b) just below) best applies to your organization.

   a) If your company is best described as a distributor/dealer/reseller (or similar entity), please provide your written authorization to act as a distributor/dealer/reseller for the manufacturer of the products proposed in this RFP. If applicable, is your dealer network independent or company owned?

   b) If your company is best described as a manufacturer or service provider, please describe your relationship with your sales and service force and with your dealer network in delivering the products and services proposed in this RFP. Are these individuals your employees, or the employees of a third party?

8) If applicable, provide a detailed explanation outlining the licenses and certifications that are both required to be held, and actually held, by your organization (including third parties and subcontractors that you use) in pursuit of the business contemplated by this RFP.

9) Provide all “Suspension or Disbarment” information that has applied to your organization during the past ten years.

10) Within this RFP category there may be subcategories of solutions. List subcategory titles that best describe your products and services.

Industry Recognition & Marketplace Success
11) Describe any relevant industry awards or recognition that your company has received in the past five years.

12) Supply three references/testimonials from your customers who are eligible for NJPA membership. At a minimum, please include the entity’s name, contact person, and phone number.

13) Provide a list of your top five governmental or educational customers (entity name is optional), including entity type, the state the entity is located in, scope of the projects, size of transactions, and dollar volumes from the past three years.

14) Indicate separately what percentages of your sales are to the government and education sectors in the past three years?

15) List any state or cooperative purchasing contracts that you hold. What is the annual sales volume for each of these contracts over the past three years?

16) List any GSA contracts that you hold. What is the annual sales volume for each of these contracts over the past three years?

**Proposer’s Ability to Sell and Deliver Service Nationwide**

17) Describe your company’s capability to meet NJPA Member’s needs across the country. Your response should address at least the following areas.
   a) Sales force.
   b) Dealer network or other distribution methods.
   c) Service force.

Please include details, such as the locations of your network of sales and service providers, the number of workers (full-time equivalents) involved in each sector, whether these workers are your direct employers (or employees of a third party), and any overlap between the sales and service functions.

18) Describe in detail the process and procedure of your customer service program, if applicable. Please include your response-time capabilities and commitments, as well as any incentives that help your providers meet your stated service goals or promises.

19) a) Identify any geographic areas of the United States that you will NOT be fully serving through the proposed contract. 
   b) Identify any NJPA Member sectors (i.e., government, education, not-for-profit) that you will NOT be fully serving through the proposed contract. Please explain your answer. For example, does your company have only a regional presence, or do other cooperative purchasing contracts limit your ability to promote another contract?

20) Define any specific contract requirements or restrictions that would apply to our Members in Hawaii and Alaska and in US Territories.

**Marketing Plan**

21) If you are awarded a contract, how will you train your sales management, dealer network, and direct sales teams (whichever apply) to ensure maximum impact? Please include how you will communicate your NJPA pricing and other contract detail to your sales force nationally.

22) Describe your marketing strategy for promoting this contract opportunity. Please include representative samples of your marketing materials in electronic format.

23) Describe your use of technology and digital data (e.g., social media, metadata usage) to enhance marketing effectiveness.

24) In your view, what is NJPA’s role in promoting contracts arising out of this RFP? How will you integrate an NJPA-awarded contract into your sales process?
25) Are your products or services available through an e-procurement ordering process? If so, describe your e-procurement system and how governmental and educational customers have used it.

**Value-Added Attributes**

26) Describe any product, equipment, maintenance, or operator training programs that you offer to NJPA Members. Please include details, such as whether training is standard or optional, who provides training, and any costs that apply.

27) Describe any technological advances that your proposed products or services offer.

28) Describe any “green” initiatives that relate to your company or to your products or services, and include a list of the certifying agency for each.

29) Describe any Women or Minority Business Entity (WMBE) or Small Business Entity (SBE) accreditations that your company or hub partners have obtained.

30) What unique attributes does your company, your products, or your services offer to NJPA Members? What makes your proposed solutions unique in your industry as it applies to NJPA members?

31) Identify your ability and willingness to provide your products and services to NJPA member agencies in Canada.

**NOTE: Questions regarding Payment Terms, Warranty, Products/Equipment/Services, Pricing and Delivery, and Industry Specific Items are addressed on Form P.**

PROPOSER ASSURANCE OF COMPLIANCE

Proposal Affidavit Signature Page

PROPOSER’S AFFIDAVIT

The undersigned, authorized representative of the entity submitting the foregoing proposal (the “Proposer”), swears that the following statements are true to the best of his or her knowledge.

1. The Proposer is submitting its proposal under its true and correct name, the Proposer has been properly originated and legally exists in good standing in its state of residence, the Proposer possesses, or will possess before delivering any products and related services, all applicable licenses necessary for such delivery to NJPA members agencies. The undersigned affirms that he or she is authorized to act on behalf of, and to legally bind the Proposer to the terms in this Contract.

2. The Proposer, or any person representing the Proposer, has not directly or indirectly entered into any agreement or arrangement with any other vendor or supplier, any official or employee of NJPA, or any person, firm, or corporation under contract with NJPA, in an effort to influence the pricing, terms, or conditions relating to this RFP in any way that adversely affects the free and open competition for a Contract award under this RFP.

3. The Proposer has examined and understands the terms, conditions, scope, contract opportunity, specifications request, and other documents in this solicitation and affirms that any and all exceptions have been noted in writing and have been included with the Proposer’s RFP response.

4. The Proposer will, if awarded a Contract, provide to NJPA Members the products and services in accordance with the terms, conditions, and scope of this RFP, with the Proposer-offered specifications, and with the other documents in this solicitation.

5. The Proposer agrees to deliver products and services through valid contracts, purchase orders, or means that are acceptable to NJPA Members. Unless otherwise agreed to, the Proposer must provide only new and first-quality products and related services to NJPA Members under an awarded Contract.

6. The Proposer will comply with all applicable provisions of federal, state, and local laws, regulations, rules, and orders.

7. The Proposer understands that NJPA will reject RFP proposals that are marked “confidential” (or “nonpublic,” etc.), either substantially or in their entirety. Under Minnesota Statute §13.591, Subd. 4, all proposals are considered nonpublic data until the evaluation is complete and a Contract is awarded. At that point, proposals generally become public data. Minnesota Statute §13.37 permits only certain narrowly defined data to be considered a “trade secret,” and thus nonpublic data under Minnesota’s Data Practices Act.

8. The Proposer understands that it is the Proposer’s duty to protect information that it considers nonpublic, and it agrees to defend and indemnify NJPA for reasonable measures that NJPA takes to uphold such a data designation.

PROPOSER QUESTIONNAIRE
Payment Terms, Warranty, Products and Services, Pricing and Delivery, and Industry-Specific Questions

Proposer Name: ____________________________________________________________

Questionnaire completed by: ________________________________________________

Payment Terms and Financing Options

1) What are your payment terms (e.g., net 10, net 30)?

2) Do you provide leasing or financing options, especially those options that schools and governmental entities may need to use in order to make certain acquisitions?

3) Briefly describe your proposed order process. Please include enough detail to support your ability to report quarterly sales to NJPA. For example, indicate whether your dealer network is included in your response and whether each dealer (or some other entity) will process the NJPA Members’ purchase orders.

4) Do you accept the P-card procurement and payment process? If so, is there any additional cost to NJPA Members for using this process?

Warranty

5) Describe in detail your manufacturer warranty program, including conditions and requirements to qualify, claims procedure, and overall structure. You may include in your response a copy of your warranties, but at a minimum please also answer the following questions.
   • Do your warranties cover all products, parts, and labor?
   • Do your warranties impose usage restrictions or other limitations that adversely affect coverage?
   • Do your warranties cover the expense of technicians’ travel time and mileage to perform warranty repairs?
   • Are there any geographic regions of the United States for which you cannot provide a certified technician to perform warranty repairs? How will NJPA Members in these regions be provided service for warranty repair?
   • Will you cover warranty service for items made by other manufacturers that are part of your proposal, or are these warranties issues typically passed on to the original equipment manufacturer?
   • What are your proposed exchange and return programs and policies?

6) Describe any service contract options for the items included in your proposal.

Pricing, Delivery, Audits, and Administrative Fee

7) Provide a general narrative description of the equipment/products and related services you are offering in your proposal.

8) Describe your pricing model (e.g., line-item discounts or product-category discounts). Provide detailed pricing data (including standard or list pricing and the NJPA discounted price) on all of the items that you want NJPA to consider as part of your RFP response. Provide a SKU for each item in your proposal. (Keep in mind that reasonable price and product adjustments can be made during the term of an awarded Contract. See the body of the RFP and the Price and Product Change Request Form for more detail.)
9) Please quantify the discount range presented in this response. For example, indicate that the pricing in your response represents a 50% percent discount from the MSRP or your published list.

10) The pricing offered in this proposal is
    _______ a. the same as the Proposer typically offers to an individual municipality, university, or school district.
    _______ b. the same as the Proposer typically offers to GPOs, cooperative procurement organizations, or state purchasing departments.
    _______ c. better than the Proposer typically offers to GPOs, cooperative procurement organizations, or state purchasing departments.
    _______ d. other than what the Proposer typically offers (please describe).

11) Describe any quantity or volume discounts or rebate programs that you offer.

12) Propose a method of facilitating “sourced” products or related services, which may be referred to as “open market” items or “nonstandard options”. For example, you may supply such items “at cost” or “at cost plus a percentage,” or you may supply a quote for each such request.

13) Identify any total cost of acquisition costs that are NOT included in the pricing submitted with your response. This cost includes all additional charges that are not directly identified as freight or shipping charges. For example, list costs for items like installation, set up, mandatory training, or initial inspection. Identify any parties that impose such costs and their relationship to the Proposer.

14) If delivery or shipping is an additional cost to the NJPA Member, describe in detail the complete shipping and delivery program.

15) Specifically describe those shipping and delivery programs for Alaska, Hawaii, Canada, or any offshore delivery.

16) Describe any unique distribution and/or delivery methods or options offered in your proposal.

17) Please specifically describe any self-audit process or program that you plan to employ to verify compliance with your proposed Contract with NJPA. This process includes ensuring that NJPA Members obtain the proper pricing, that the Vendor reports all sales under the Contract each quarter, and that the Vendor remits the proper administrative fee to NJPA.

18) Identify a proposed administrative fee that you will pay to NJPA for facilitating, managing, and promoting the NJPA Contract in the event that you are awarded a Contract. This fee is typically calculated as a percentage of Vendor’s sales under the Contract or as a per-unit fee; it is not a line-item addition to the Member’s cost of goods. (See RFP Section 6.29 and following for details.)

**Industry-Specific Questions**

19) Identify any features in your response that are different from your standard vehicle offering or that are unique to your proposal.

20) Demonstrate your processes to handle vehicles on order with NJPA members that are subject to a recall or that have open service campaigns.

21) Demonstrate your NJPA member communication processes from P.O. generation to the delivery of vehicle in order to meet member expectations.

Section 1. Instructions for Vendor

Requests for product or service changes, additions, or deletions will be considered at any time throughout the awarded contract term. All requests must be made in writing by completing sections 2, 3, and 4 of this NJPA Price and Product Change Request Form and signed by an authorized Vendor representative in section 5. All changes are subject to review by the NJPA Contracts & Compliance Manager and to approval by NJPA’s Chief Procurement Officer. Submit request through email to your assigned NJPA Contract Administrator.

NJPA will determine whether the request is 1) within the scope of the original RFP, and 2) in the best interests of NJPA and NJPA Members. Approved Price and Product Change Request Forms will be signed and emailed to the Vendor contact.

The Vendor must complete this change request form and individually list or attach all items or services subject to change, must provide sufficiently detailed explanation and documentation for the change, and must include a complete restatement of pricing documentation in an appropriate format (preferably Microsoft® Excel®). The pricing document must identify all products and services being offered and must conform to the following NJPA product/price change naming convention: (Vendor Name) (NJPA Contract #) (effective pricing date); for example, “Acme Widget Company #012416-AWC eff. 01-01-2017.”

NOTE: New pricing restatements must include all products and services offered regardless of whether their prices have changed and must include a new “effective date” on the pricing documents. This requirement reduces confusion by providing a single, current pricing sheet for each Vendor and creates a historical record of pricing.

ADDITIONS. New products and related services may be added to a contract if such additions are within the scope of the original RFP.

DELETIONS. New products and related services may be deleted from a contract if, for example, they are no longer available or have been modified to a point where they are outside the scope of the RFP.

PRICE CHANGES: Vendors may request price changes if they provide sufficient rationale for the change. For example, a Vendor that manufactures products that require substantial petroleum-related material might request a 3% price increase because of a 20% increase in petroleum costs.

Price decreases: NJPA expects Vendors to propose their very best prices and anticipates that price reductions might occur because of improved technologies or marketplace efficiencies.

Price increases: Acceptable price increases typically result from specific Vendor cost increases. The Vendor must include reasonable justification for the price increase and must not, for example, offer merely generalized statements about an increase in a cost-of-living index. Appropriate documentation should be attached to this form, including such items as letters from suppliers announcing price increases.

Refer to the RFP for complete “Pricing” details.

Section 2. Vendor Name and Type of Change Request

CHECK ALL CHANGES THAT APPLY:

AWARDED VENDOR NAME:

☐ Adding Products/Services
☐ Deleting Products/Services
☐ Price Increase
☐ Price Decrease

NJPA CONTRACT NUMBER:
Section 3. Detailed Explanation of Need for Changes

List the products and/or services that are changing or being added or deleted from the previous contract price list, along with the percentage change for each item or category. (Attach a separate, detailed document if changing more than 10 items.)

Provide a general statement and documentation explaining the reasons for these price and/or product changes.  
EXAMPLES:  1) “All pricing for paper products and services are increased 5% because of increased raw material and transportation costs (see attached documentation of fuel and raw materials increase).”  2) “The 6400 series floor polisher is being added to the product list as a new model, replacing the 5400 series. The 6400 series 3% increase reflects technological changes that improve the polisher’s efficiency and useful life. The 5400 series is now included in the “Hot List” at a 20% discount from the previous pricing until the remaining inventory is liquidated.”

If adding products, state how these are within the scope of the original RFP.

If changing prices or adding products or services, state how the pricing is consistent with existing NJPA contract pricing.
Section 4. Complete Restatement of Pricing Submitted

A COMPLETE restatement of the pricing, including all new and existing products and services is attached and has been emailed to the Vendor’s Contract Administrator.

SUMMARY

This item provides the Council with an opportunity to discuss and consider approval of a ballot argument to One & One-half Cent (1.5%) Sales Tax (Transactions and Use) Measure.

RECOMMENDATIONS

1. Consider approval and modification of the draft ballot argument; and,

2. If desired, approve argument for submission to the City Clerk’s Office for inclusion on the November 3, 2020, ballot by the August 3, 2020 submission deadline; and,

3. Sign the argument and affidavit.

BACKGROUND

At the June 20, 2020 Council meeting the Council agreed to consider a ballot argument in favor of the measure submitting a one & one-half cent (1.5%) sales tax measure. Mayor Pro Tem Chirco and Council Member Hasselbrink were appointed to draft the proposed argument.

Based upon the time reasonably necessary to prepare and print the arguments and sample ballots for the election, the arguments are due to the City Clerk’s office by August 3, 2020. These primary arguments are due to the Orange County Registrar of Voters (OC ROV) by August 7, 2020.
SUMMARY

Per the direction of the Council, Mayor Pro Tem Chirco and Council Member Hasselbink have drafted an argument for City Council review which will be presented at tonight’s meeting. City Council should review the argument and provide changes as necessary.

Elections Code (EC), Section 9283, states all authors must print his/her name and sign the argument itself. In addition, EC Section 9600 states that all authors must print his/her name and sign the affidavit as well.

Once all signatures are received, Council will submit the argument to the City Clerk’s Office for inclusion on the November 3, 2020 ballot.

FISCAL IMPACT

None.
