A. Ordinance No. 2020-03 – State Mandated Elimination of Large Family Daycare Home Regulations (ZOA 19-03) (Development Services)
Consideration of an ordinance amending Los Alamitos Municipal Code Sections 17.08.020, 17.22.030, 17.28.140, 17.28.150, and 17.74.060 as required to address recent changes in state law concerning the regulation of Large Family Daycare Homes (ZOA 19-03) (Citywide). On April 22, 2020, the Planning Commission voted to recommend adoption of the proposed ordinance to the City Council in their April 22, 2020. Notwithstanding their recommendation for approval of the ordinance, the Planning Commission expressed concern with the required finding that approval of ordinance will not be detrimental to the public convenience, health, interest, safety or welfare of the City. This item was tabled at the May 18, 2020 Regular Council Meeting and is being brought back for reconsideration.

City Manager Simmons summarized the staff report and answered questions from the City Council.

11. DISCUSSION ITEMS

A. Placement of a One & One-half Cent (1.5%) Sales Tax (Transactions and Use) Measure on the November 3, 2020 General Election Ballot for Voter Consideration
The City of Los Alamitos is at a financial crossroads.

Due to significant strains placed upon the City's finances by outside forces, the City is currently facing a significant structural budget deficit. These challenges have resulted in projected structural shortfalls growing from $1.6M in 2021-22 to over $3.4M in 2027-28 and approximately $3.7M by 2030. Recognizing that the City would need to take extraordinary measures in order to mitigate these projected deficits and loss of existing reserves, the City Council took the proactive step of developing a plan to focus on building future fiscal sustainability for the City of Los Alamitos.

This staff report details some of the various options available and different actions the City Council has identified, studied, and undertaken to address the recognized structural deficit. It also provides the City Council and the community with recommendations and opportunities to resolve the City's financial condition and existing structural deficit by submitting a one and one-half cent (1.5%) sales tax (transaction and use tax) ballot measure to the voters for consideration in the November general election.
City Manager Simmons and Adam Soneshein, FM3 Research, gave a PowerPoint Presentation.

City Council and staff discussed the following:

- Modifications to the ballot question and legal requirements
- 911 could be misleading to voters and opposition to using scare tactics
- Preference for 911 police response
- As a general tax revenue could be used towards economic development and promoting small businesses
- Possibility of an oversight committee in the future and the importance of being transparent with the funds received and how they are being spent
- Clarification that the City Council could advocate for measure

City Clerk Quintanar provided the revised ballot question. Council consensus was received for the revised ballot question.

Motion/Second: Hasselbrink/Grose
Unanimously Carried: The City Council:

1. Declared the attached Resolutions were not subject to the California Environmental Quality Act (CEQA) pursuant to Sections 15060(c)(2) (the activity will not result in a direct or reasonably foreseeable indirect physical change in the environment), and 15060(c)(3) (the activity is not a project as defined in Section 15378) of the CEQA Guidelines, California Code of Regulations, Title 14, Chapter 3, because it has no potential for resulting in physical change to the environment, directly or indirectly; and,

2. Adopted Resolution No. 2020-24, as revised, entitled, “A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF LOS ALAMITOS, CALIFORNIA, ORDERING THE SUBMISSION TO THE QUALIFIED ELECTORS OF THE CITY OF A CERTAIN MEASURE RELATING TO ONE & ONE-HALF CENT (1.5%) SALES TAX (TRANSACTIONS AND USE) AT THE GENERAL ELECTION TO BE HELD ON TUESDAY, NOVEMBER 3, 2020, AS CALLED BY RESOLUTION NO. 2020-11”; and,

B. Consideration of the Process for City Council Submission of a Ballot Argument in Favor of a Proposed One & One-half Cent (1.5%) Sales Tax (Transactions and Use) Measure
The City is considering placing a One & One-half Cent (1.5%) Sales Tax (Transactions and Use) measure on the ballot at the November 3, 2020 election. If the measure is placed on the ballot, the arguments for and against the measure must be submitted to the City Clerk by August 4, 2020. Accordingly, the City Council must decide whether some or all of the Council Members would like to submit an argument in favor of the ballot measure and, if so, draft and approve the text of a ballot argument. Due to the constraints of the Brown Act, development or approval of a ballot argument by more than two Council Members must occur at a noticed public meeting. Accordingly, advance consideration of the process for developing and approving arguments will help avoid a last-minute crisis or missed opportunity.

City Manager Simmons summarized the Staff report and answered questions from the City Council.

SUMMARY

The Political Reform Act requires every local government agency to review its Conflict of Interest Code biennially. The Biennial Notice must be completed and filed with the City Council. No later than October 1, 2020 any amendments to the Conflict of Interest Code (COI) must be submitted to the City Council for approval. The Conflict of Interest Code is not effective until it has been approved by the City Council.

RECOMMENDATION

- Have there been any substantial changes to the City’s organizational structure
- Have any positions been eliminated/re-named
- Have any new positions been added to your agencies or departments
- Have there been any substantial changes in duties or responsibilities for any positions

The City’s current Conflict of Interest Code was adopted by Resolution 2018-16 on March 19, 2018.
DISCUSSION

The City Clerk has reviewed the COI Code in detail and has found that no amendments are needed at this time.

FISCAL IMPACT

City Council introduced Ordinance No. 2020-03 and waived further reading at its July 20, 2020 Regular meeting. Consideration of an ordinance amending Los Alamitos Municipal Code Sections 17.08.020, 17.22.030, 17.28.140, 17.28.150, and 17.74.060 as required to address recent changes in state law concerning the regulation of Large Family Daycare Homes (ZOA 19-03) (Citywide). On April 22, 2020, the Planning Commission voted to recommend adoption of the proposed ordinance to the City Council in their April 22, 2020. Notwithstanding their recommendation for approval of the ordinance, the Planning Commission expressed concern with the required finding that approval of ordinance will not be detrimental to the public convenience, health, interest, safety or welfare of the City.

RECOMMENDATION

BACKGROUND

On September 5, 2019, Governor Newsom approved Senate Bill 234 – Family Daycare Homes, amending the California Child Day Care Act (“SB 234”), which became effective January 1, 2020. Prior to the enactment of SB 234, state law differentiated between small family daycare homes providing care for up to 8 children and large family daycare homes providing care for up to 14 children. Small family daycare homes were considered a residential use of property permitted by right in residential zoning districts. By contrast, cities retained the ability to regulate large family daycare homes by imposing permit requirements and use restrictions. SB 234 removes the distinction between small family
daycare homes and large family daycare homes for purposes of land use regulation. Cities are now required to treat large family daycare homes as a residential use of property permitted by right in all residential zoning districts. Further, SB 234 clarifies that such uses are not only permitted in detached single-family residences, but may also be established in a townhouse, multifamily dwelling, or an accessory dwelling unit.

In accordance with Los Alamitos Municipal Code Section 17.58, the Planning Commission considered the proposed code amendment on April 22, 2020 and approved Resolution No. 20-02 recommending to City Council approval of the proposed ordinance. Notwithstanding their recommendation for approval of the ordinance, the Planning Commission expressed concern with the finding required by Los Alamitos Municipal Code Section 17.58.060 that approval of the code amendment will not be detrimental to the public convenience, health, interest, safety or welfare of the City. The Planning Commissioners felt that the passage of the ordinance would adversely affect the character of the City's residential neighborhoods.

DISCUSSION

The proposed ordinance amends several sections of the Los Alamitos Municipal Code to comport with the mandates of SB 234. The allowable residential land use table has been amended to show that both small and large family daycare home uses are permitted in the City's residential zones. Prior requirements for additional parking for Large Family Daycare uses have been deleted. Prior regulations specific to Large Family Daycare, which addressed fences and walls, play area equipment, drop-off and pick-up areas, and City inspections among other things have been eliminated. Additionally, the Los Alamitos Municipal Code definitions for Family Daycare Home, Large and Small have been updated.

FISCAL IMPACT

None.

The Accessible Pedestrian Signals (APS) system provides confirmation that a WALK signal request has been received and provides unambiguous indications of which crosswalk at a signalized intersection has the WALK signal. The APS system will enable pedestrians who are blind or visually impaired to safely and efficiently cross at signalized intersections or pedestrian crossings. The Federal Highway Administration (FHWA) has published new APS standards in the Manual on Uniform Traffic Control Devices (MUTCD) 2009; the installation of pedestrian countdown timers is mandated in the MUTCD 2009. The Department has adopted the MUTCD 2009 under the California MUTCD 2012. Although the installation of the APS system is not mandated in the
MUTCD 2009, the Department plans to install both pedestrian countdown timers and APS system at new and modified signalized intersections and signalized pedestrian crossings.

The primary technique that pedestrians who have visual disabilities use to cross streets at signalized intersections, is to initiate their crossing when they hear the traffic in front of them stop; when that occurs, the traffic alongside them begin to move, which often corresponds to the onset of the green interval. The existing environment is often not sufficient to provide the information visually impaired pedestrians need to cross a roadway at a signalized intersection. The APS provides information in non-visual formats, such as audible tones, speech messages, and/or vibrating surfaces. APS improves pedestrian orientation to their travel direction and provides guidance to pedestrians who are visually impaired when crossing the signalized location. The APS system consists of electronic control equipment, mounting hardware, pushbuttons, and signage to provide accessible walk indication. Functionalities include audible speech message, pushbutton locator tones, tactile arrow, vibrotactile indications, tactile map of the crosswalk, pushbutton information message, etc.

Failure to possess the specified license shall render a bidder’s bid as non-responsive and shall bar award of the contract to any bidder not possessing the specified license at the time of the award.

CONTRACTORS ARE REQUIRED BY LAW TO BE LICENSED AND REGULATED BY THE CONTRACTORS’ STATE LICENSE BOARD. ANY QUESTIONS CONCERNING A CONTRACTOR MAY BE REFERRED TO THE REGISTRAR, CONTRACTORS’ STATE LICENSE BOARD, P.O. BOX 2600, SACRAMENTO, CA 95826. Any bidder or contractor not so licensed shall be subject to all legal penalties imposed by law including, but not limited to, any appropriate disciplinary action by the Contractors’ State Board. Failure of the bidder to obtain proper and adequate licensing for an award of a contract shall constitute a failure to execute the contract and shall result in the forfeiture of the security of the bidder. (Public Contract Code § 20103.5)

Bids must be prepared on the approved bid forms in conformance with INSTRUCTIONS TO BIDDERS and submitted in the envelopes provided, sealed and plainly marked on the outside:

“SEALED BID FOR PEDESTRIAN PUSH BUTTON REPLACEMENT PROJECT,

The bid must be accompanied by a bid guarantee in the amount of 10% of the total bid by 11:00 a.m. ON THE DATE ADVERTISED FOR THE OPENING OF BIDS. More specifically, pursuant to Public Contract Code §§ 20170 and 20171, all bids for the project shall be presented, under sealed cover and shall be accompanied by one of the following forms of bidder’s security in the amount of ten percent (10%) of the bid: (a) cash; (b) a cashier’s check made payable to the City of Los Alamitos; (c) a certified check made payable to the City of Los Alamitos; or (d) a bidder’s bond executed by an admitted surety insurer made payable to the City of Los Alamitos. Such security shall be forfeited should the successful bidder to whom the contract is awarded fails to timely execute the contract and to deliver the necessary bonds and insurance certificates as specified in the contract documents.

To the extent applicable, at any time during the term of the Agreement for the proposed project, the successful bidder may, at its own expense, substitute securities equivalent to the amount withheld as retention (or the retained percentage) in accordance with Public Contract Code § 22300.

Pursuant to California Civil Code § 3247, a payment bond is required to be submitted for all projects estimated in excess of $25,000.00.

B1.01 INSPECTION OF SITE OF WORK

Bidders are required to inspect the site of the work in order to satisfy themselves, by personal examination or by such other means as they may prefer, of the location of the proposed work and as to the actual conditions of and at the site of work. If, during the course of his/her examination, a bidder finds facts or conditions which appear to him/her to conflict with the letter or spirit of the contract documents, or with any other data furnished him/her, he/she may apply to the Agency in writing in accordance with B1.04 INTERPRETATION OF CONTRACT DOCUMENTS for additional information and explanation before submitting his/her bid.

The submission of a proposal by the bidder shall constitute the acknowledgment that, if awarded the contract, he/she has relied and is relying on his/her own examination of (a) the site of the work, (b) the access to the site, and (c) all other data, matters, and things requisite to the fulfillment of the work and on his/her own knowledge of existing services and utilities on and in the vicinity of the site of the work to be constructed under the contract, and not on any representation or warranty of the Agency. No claim for additional compensation will be allowed which is based upon a lack of knowledge of these items.

B1.02 EXAMINATION OF CONTRACT DOCUMENTS

Each bidder shall thoroughly examine and be familiar with legal and procedural documents, general conditions, specifications, drawings and addenda (if any). The submission of a proposal shall constitute an acknowledgment upon which the Agency may rely that the bidder has thoroughly examined and is familiar with the contract documents. The bidders’ attention is directed to the need, if any, for special invoicing for this project. The failure or neglect of a bidder to receive or examine any of the contract documents shall in no way relieve him/her from any obligations with respect to his/her proposal or to the contract. No claim for additional compensation will be allowed which is based upon a lack of knowledge of any contract document.

B1.03 CONTRACT PERIOD/CONSTRUCTION COMPLETION DATE

Bidder’s attention is called to the provisions set forth in SECTION E, STANDARD SPECIFICATIONS, particularly those pertaining to the contract period and liquidated damages for avoidable delays.

The Contractor shall begin work within fifteen (15) calendar days after the date of the Notice to Proceed, and shall diligently prosecute said work to completion before the expiration of 10 WORKING DAYS. Contractor shall have sixty (60) calendar days for procurement time after the date in the Notice to Procure. No work shall be done until after procurement period ends. B1.04 INTERPRETATION OF CONTRACT DOCUMENTS

No oral interpretations will be made to any bidder as to the meaning of the contract documents. Requests for an interpretation shall be made in writing and delivered to the Agency at least ten (10) days before the time announced for opening the proposals. Interpretations by the Agency will be in the form of addenda to the contract documents and, when issued, will be sent as promptly as is practical to all parties to whom
the contract documents have been issued. Agency makes no guarantee that all bidders will receive all addenda. Copies of addenda will be made available for inspection at the office where contract documents are on file for inspection as indicated on the Invitation for Bids. All such addenda shall become part of the contract. All questions shall be addressed to Chris Kelley, City of Los Alamitos, (562)-431-3538, ext. 301

B1.07 ADDENDA

Each proposal shall include specific acknowledgment in the space provided on SECTION C - BID PROPOSAL of receipt of all addenda issued during the bidding period. Failure to so acknowledge may result in the proposal being rejected as not responsive.

B1.08 BID PRICES

Bid prices shall include everything necessary for the completion of construction and fulfillment of the contract including, but not limited to, furnishing all materials, equipment, tools, plant and other facilities and all management, superintendence, labor and services, except as may be provided otherwise in the contract documents. In preparing bid prices, bidder represents that he/she has carefully examined the Contract Documents and the site where the work is to be performed and that he/she has familiarized himself with all local conditions and federal, state and local laws, ordinances, rules, and regulations that may affect the performance of the work in any manner. The bidder further represents that he/she has studied all surveys and investigation reports about subsurface and physical conditions pertaining to the job site, that he/she has performed such additional surveys and investigations as he/she deems necessary to complete the work at his/her bid price, and that he/she has correlated the results of all such data with the requirements of the Contract Documents. The submittal of a bid shall be conclusive evidence that the bidder has investigated and is satisfied as to the conditions to be encountered, including locality, uncertainty of weather and all other contingencies, and as to the character, quality, quantities, and scope of the work.

The plans and specifications for the work show subsurface conditions or otherwise hidden conditions as the Design Engineer supposes or believes them to exist, but is not intended or to be inferred that the conditions as shown thereon constitute a representation that such conditions are actually existent. Except as otherwise specifically provided in the Contract Documents, the Agency, the Design Engineer and their consultants or agents shall not be liable for any loss sustained by the Contractor as a result of any variance of such conditions as shown on the plans and the actual conditions revealed during the progress of the work or otherwise.

The Contractor shall perform an independent take-off of the plans and bid accordingly. Quantities listed in the BID SCHEDULE in SECTION C are intended only as a guide for the Contractor as to the anticipated order of magnitude of work. Contractor shall be responsible for verifying all estimated quantities. Contractor will be reimbursed for the quantity of items actually installed as required by the Contract Documents and shown on the plans to neat line and grade.

The Contractor will not be reimbursed for unauthorized work performed outside of that required by the Contract Documents.

B1.09 TAXES

No mention shall be made in the proposal of sales tax, use tax, or any other tax, as all amounts bid will be deemed and held to include any such taxes which may be applicable.

B1.10 RECOGNITION OF BONDING COMPANIES

All bonding companies used by the Contractor in this contract must be recognized by the Federal Government within Circular 570. All proposals or contracts received that include bonds posted by bonding companies not recognized in Circular 570 will result in the disqualification of the bid proposal and forfeiture of the bid bond.

B1.11 QUALIFICATION OF BIDDERS

Each bidder shall be skilled and regularly engaged in the general class or type of work called for under the contract. A statement setting forth his/her experience shall be submitted by each bidder on the EXPERIENCE STATEMENT form provided in SECTION C.

Each bidder shall possesses a valid Contractor’s License issued by the Contractor’s State License Board at the time his/her bid is submitted. The class of license shall be applicable to the work specified in the contract. Each bidder shall also have no less than five (5) years experience in the magnitude and character of the work bid.

It is the intention of the Agency to award a contract to a bidder who furnished satisfactory evidence that he/she has the requisite experience and ability, and that he/she has sufficient capital, facilities, and plant
to enable him/her to prosecute the work successfully and properly, and to complete it within the time stated in the contract.

To determine the degree of responsibility to be credited to the bidder, the Agency will weigh any evidence that the bidder has performed satisfactorily other contracts of like nature, magnitude and comparable difficulty and comparable rates of progress. If in the opinion of the Agency, a bidder is determined to be insufficiently qualified, then that bidder will not be considered for award of the contract.

B1.12 DESIGNATION OF SUPPLIERS AND SUBCONTRACTORS

Each proposal shall have listed on the DESIGNATION OF SUPPLIERS AND SUBCONTRACTORS form provided in SECTION C the name and address of each subcontractor to whom the bidder proposes to sublet portions of the work in excess of one-half percent of the total amount of his/her bid. For the purpose of this paragraph, a subcontractor is defined as one who contracts with the Contractor to furnish materials and labor, or labor only for the performance of work at the site of the work or who will specially fabricate a portion of the work off the site pursuant to detailed drawings in the contract documents.

Public Contract Code § 4104 requires all bidders to list subcontractors who will perform work in excess of ½% of the total bid, or in the case of streets and highways, ½% or $10,000, whichever is greater.

Public Contract Code § 6109 prohibits a contractor from performing work with a subcontractor who is debarred pursuant to Labor Code §§ 1777.1 or 1777.7.

B1.13 PROPOSAL GUARANTEE

The proposal shall be accompanied by a proposal guarantee bond duly completed on the form provided herewith by a guarantee company authorized to carry on business in the State of California for payments to the Agency in the sum of at least 10% of the total amount of the bid proposal, or alternatively by a certified or cashier’s check payable to the Agency, or cash, in the sum of at least 10% of the total amount of the bid proposal. The amount payable to the Agency under the proposal guarantee shall be forfeited to the Agency in case of failure or neglect of the bidder to furnish, execute and deliver to the Agency the required bonds, evidence of insurance and to enter into, execute and deliver to the Agency the agreement on the form provided herewith, within ten (10) days after being notified in writing by the Agency that the award has been made and the agreement is ready for execution.

B1.14 MODIFICATION OF PROPOSAL

A modification of a bid proposal already received will be considered only if the modification is received before the time announced for the opening of bids. All modifications shall be made in writing, executed and submitted in the same form and manner as the original bid proposal.

B1.15 WITHDRAWAL OF PROPOSAL

A proposal may be withdrawn by a written request signed by the bidder. Such requests must be delivered to the Agency’s designated official prior to the bid opening hour stipulated in SECTION A – NOTICE INVITING SEALED BIDS. Proposals may not be withdrawn after that time without forfeiture of the proposal guarantee. The withdrawal of a proposal will not prejudice the right of the bidder to submit a new proposal, providing there is time to do so.

B1.16 POSTPONEMENT OF BID OPENING

The Agency reserves the right to postpone the date and time for opening of bids at any time prior to the date and time announced in SECTION A–NOTICE INVITING SEALED BIDS.
B1.17 DISQUALIFICATION OF BIDDERS

If there is reason to believe that collusion exists among the bidders, none of the bids of the participants in such collusion will be considered. In the event that any bidder acting as a prime Contractor has an interest in more than one proposal, all such proposals will be rejected, and the bidder will be disqualified. This restriction does not apply to subcontractors or suppliers who may submit quotations to more than one bidder, and while doing so, may also submit a formal proposal as a prime Contractor.

B1.18 REJECTION OF PROPOSALS

The Agency reserves the right to reject any and all proposals, to waive any irregularity, and to reject any proposals which are incomplete, obscure or irregular; any proposals which omit a bid on any one or more items on which bids are required; which omit unit prices if unit prices are required; in which unit prices are unbalanced in the opinion of the Agency; which are accompanied by insufficient or irregular bid security; or which are from bidders who have previously failed to perform properly or to timely complete contracts of any nature.

B1.19 AWARD OF CONTRACT

The Contract will be awarded, if at all, to the lowest responsible and responsive bidder, whose bid proposal is not rejected for cause by the Agency. However, until an award is made, the Agency reserves right will be reserved to reject any or all bids, and to waive technical errors or discrepancies, if to do so is deemed to best serve the interests of the Agency. In no event will an award be made until all necessary investigations are made as to the responsibility and qualifications of the bidder to whom it is proposed to make such an award.

Each bidder’s attention is directed to the possibility that the award of the project may be delayed for various reasons. The Agency reserves the right to delay the award of the project for 45 calendar days. After 45 calendar days, the low bidder may at any time request release from its bid without penalty.

The acceptance of a proposal will be evidenced by a Notice of Award of Contract in writing, delivered by mail to the bidder whose proposal is accepted. No other act of the Agency shall constitute acceptance of a proposal. The award of contract shall obligate the bidder whose proposal is accepted to furnish a performance bond, payment bond and maintenance bond, as well as evidence of insurance and to execute the contract set forth herein.

B1.20 RETURN OF PROPOSAL GUARANTEES

Within ten (10) calendar days after the bids are opened, the Agency will release the proposal guarantees accompanying the proposals which are not to be considered in making the award. Proposal guarantees for the two lowest bidders will be held until the contract has been fully executed, after which they will be returned to the respective bidders.

B2.21 EXECUTION OF CONTRACT

The contract agreement shall be executed in duplicate by the successful bidder and returned, together with the contract bonds and evidence of insurance, within ten (10) calendar days after the notification of the contract award by the Agency in writing. In case of failure of the successful bidder to execute the contract agreement within ten (10) calendar days after such notice, or any subsequent extension approved by Agency, the Agency at its option may consider the bidder in default, in which case the bid bond or proposal guarantee accompanying the bid shall become the property of the Agency. After execution by the Agency, one original contract shall be returned to the Contractor.
B1.22 FLEXIBILITY OF BID SCHEDULE

It is the intent of the Agency to award a contract to the lowest responsible and responsive bidder and the flexibility shown in the bid schedule is necessary to ensure a project within the Agency’s budget limits and constraints.

SPECIFICATION NO. CIP 19/20-06

THIS PEDESTRIAN PUSH BUTTON REPLACEMENT PROJECT, SPECIFICATION NO. CIP 19/20-06 AGREEMENT (“AGREEMENT”) is made and entered into for the above-stated project this __ day of Month, 20XX (Council Action Date Here), BY AND BETWEEN the City of Los Alamitos, a municipal corporation, hereafter designated as “AGENCY”, and CONTRACTOR’S BUSINESS NAME, a __________ (State) __________ (corporation, partnership, limited liability company, or other business form), hereafter designated as “CONTRACTOR.”

WITNESSETH that AGENCY and CONTRACTOR have mutually agreed as follows:

ARTICLE I: Contract Documents

The contract documents for the PEDESTRIAN PUSH BUTTON REPLACEMENT PROJECT, SPECIFICATION NO. CIP 19/20-06, shall consist of the Notice Inviting Sealed Bids, Instructions To Bidders, Bid Proposal, Bid Schedule, Standard Specifications, Special Provisions, and all referenced specifications, details, standard drawings, and appendices; together with two signed copies of the AGREEMENT, two signed copies of required bonds; one copy of the insurance certificates, permits, notices, and affidavits; and also including any and all addenda or supplemental agreements clarifying, amending, or extending the work contemplated as may be required to ensure its completion in an acceptable manner (collectively referred to herein as the “Contract Documents”). All of the provisions of the Contract Documents are made a part hereof as though fully set forth herein.

ARTICLE II: Scope of Work

For and in consideration of the payments and agreements to be made and performed by AGENCY, CONTRACTOR agrees to furnish all materials and equipment and perform all work required for the above-stated project, and to fulfill all other obligations as set forth in the aforesaid contract documents.

AGENCY hereby employs CONTRACTOR to provide the materials, do the work, and fulfill the obligations according to the terms and conditions herein contained and referred to, for the prices provided herein, and hereby contracts to pay the same at the time, in the manner, and upon the conditions set forth in this AGREEMENT.

In entering into a public works contract or a subcontract to supply goods, services, or materials pursuant to this AGREEMENT, CONTRACTOR offers and agrees to assign to the AGENCY all rights, title, and interest in and to all causes of action it may have under Section 4 of the Clayton Act (15 U.S.C. Sec. 15) or under the Cartwright Act (Chapter 2 (Section 16700, et seq.) of Part 2 of Division 7 of the Business and Professions Code), arising from purchases of goods, services, or materials pursuant to the public works contract or the subcontract. This assignment shall be made and become effective at the time the awarding body tenders final payment to CONTRACTOR, without further acknowledgment by the parties.
ARTICLE III: Compensation

A. CONTRACTOR agrees to receive and accept the prices set forth in the Bid Proposal and Bid Schedule as full compensation for furnishing all materials, performing all work, and fulfilling all obligations hereunder. In no event shall the total compensation and costs payable to CONTRACTOR under this Agreement exceed the sum of Dollars ($____ _____,) unless specifically approved in advance and in writing by AGENCY.

Such compensation shall cover all expenses, losses, damages, and consequences arising out of the nature of the work during its progress or prior to its acceptance including those for well and faithfully completing the work and the whole thereof in the manner and time specified in the aforesaid Contract Documents; and also including those arising from actions of the elements, unforeseen difficulties or obstructions encountered in the prosecution of the work, suspension or discontinuance of the work, and all other unknowns or risks of any description connected with the work.

B. This AGREEMENT is subject to the provisions of Article 1.7 (commencing at Section 20104.50) of Division 2, Part 3 of the Public Contract Code regarding prompt payment of contractors by local governments. Article 1.7 mandates certain procedures for the payment of undisputed and properly submitted payment requests within 30 days after receipt, for the review of payment requests, for notice to Contractor of improper payment requests, and provides for the payment of interest on progress payment requests which are not timely made in accordance with that Article. This AGREEMENT hereby incorporates the provisions of Article 1.7 as though fully set forth herein.

C. At the request and expense of CONTRACTOR, securities equivalent to the amount withheld shall be deposited with AGENCY, or with a state or federally chartered bank in this state as the escrow agent, who shall then pay those moneys to CONTRACTOR upon Agency’s confirmation of CONTRACTOR’S satisfactory completion of this AGREEMENT. At any time during the term of this AGREEMENT CONTRACTOR may, at its own expense, substitute securities for funds otherwise withheld as retention (or the retained percentage) in accordance with Public Contract Code § 22300.

ARTICLE IV: Labor Code

AGENCY and CONTRACTOR acknowledge that this AGREEMENT is subject to the provisions of Division 2, Part 7, Chapter 1 (commencing with Section 1720) of the California Labor Code relating to public works and public agencies and agree to be bound by all the provisions thereof as though set forth fully herein. Full compensation for conforming to the requirements of the Labor Code and with other Federal, State and local laws related to labor, and rules, regulations and ordinances which apply to any work performed pursuant to this AGREEMENT is included in the price for all contract items of work involved.

This AGREEMENT is further subject to prevailing wage law, including, but not limited to, the following:

A. The CONTRACTOR shall pay the prevailing wage rates for all work performed under the AGREEMENT. When any craft or classification is omitted from the general prevailing wage determinations, the CONTRACTOR shall pay the wage rate of the craft or classification most closely related to the omitted classification. The CONTRACTOR shall forfeit as a penalty to AGENCY $200.00 or any greater penalty provided in the Labor Code.
for each Calendar Day, or portion thereof, for each worker paid less than the prevailing wage rates for any work done under the AGREEMENT in violation of the provisions of the Labor Code whether such worker is employed in the execution of the work by CONTRACTOR or by any Subcontractor under CONTRACTOR. In addition, CONTRACTOR shall pay each worker the difference between such prevailing wage rates and the amount paid to each worker for each Calendar Day, or portion thereof, for which each worker was paid less than the prevailing wage rate.

B. CONTRACTOR shall comply with the provisions of Labor Code Section 1777.5 concerning the employment of apprentices on public works projects, and further agrees that CONTRACTOR is responsible for compliance with Section 1777.5 by all of its subcontractors.

C. Pursuant to Labor Code § 1776, CONTRACTOR and any subcontractor shall keep accurate payroll records, showing the name, address, social security number, work classification, straight time and overtime hours worked each day and week, and the actual per diem wages paid to each journeyman, apprentice, worker, or other employee employed by him or her in connection with this AGREEMENT. Each payroll record shall contain or be verified by a written declaration that it is made under penalty of perjury, stating both of the following: (1) The information contained in the payroll record is true and correct; and (2) The employer has complied with the requirements of Labor Code §§ 1811, and 1815 for any work performed by his or her employees on the public works project. The payroll records enumerated under subdivision (a) shall be certified and shall be available for inspection at all reasonable hours as required by Labor Code § 1776.

D. This AGREEMENT is further subject to 8-hour work day and wage and hour penalty law, including, but not limited to, Labor Code Sections 1810 and 1813, as well as California nondiscrimination laws, as follows:

CONTRACTOR shall strictly adhere to the provisions of the Labor Code regarding the 8-hour day and the 40-hour week, overtime, Saturday, Sunday and holiday work and nondiscrimination on the basis of race, religious creed, color, national origin, ancestry, physical disability, mental disability, medical condition, marital status, sex or sexual orientation, except as provided in Section 12940 of the Government Code. Pursuant to the provisions of the Labor Code, eight hours’ labor shall constitute a legal day’s work. Work performed by CONTRACTOR’s employees in excess of eight hours per day, and 40 hours during any one week, must include compensation for all hours worked in excess of eight hours per day, or 40 hours during any one week, at not less than one and one-half times the basic rate of pay. CONTRACTOR shall forfeit as a penalty to AGENCY $25.00 or any greater penalty set forth in the Labor Code for each worker employed in the execution of the work by CONTRACTOR or by any Subcontractor of CONTRACTOR, for each Calendar Day during which such worker is required or permitted to the work more than eight hours in one Calendar Day or more than 40 hours in any one calendar week in violation of the Labor Code.

E. This AGREEMENT is subject to Public Contract Code Section 6109: CONTRACTOR shall be prohibited from performing work on this project with a subcontractor who is ineligible to perform work on the project pursuant to Sections 1777.1 or 1777.7 of the Labor Code.
ARTICLE V: Work Site Conditions

A. In compliance with and pursuant to Government Code Section 4215, AGENCY shall assume the responsibility, as between the parties to this AGREEMENT, for the timely removal, relocation, or protection of existing main- or trunk-line utility facilities located on the site of any construction project that is a subject of this AGREEMENT, if such utilities are not identified by AGENCY in the plans and specifications made a part of the invitation for bids. The Contract Documents shall include provisions to compensate CONTRACTOR for the costs of locating, repairing damage not due to the failure of CONTRACTOR to exercise reasonable care, and removing or relocating such utility facilities not indicated in the plans and specifications with reasonable accuracy, and for equipment on the project necessarily idled during such work. CONTRACTOR shall not be assessed liquidated damages for delay in completion of the project, when such delay was caused by the failure of AGENCY or the owner of a utility to provide for removal or relocation of such utility facilities.

B. To the extent that the work requires trenches in excess of five feet (5’) and is estimated to cost more than $25,000, prior to any excavation, CONTRACTOR must provide the AGENCY, or a registered civil or structural engineer employed by the AGENCY to whom authority has been delegated to accept such plans, a detailed plan showing the design of shoring, bracing, sloping, or other provisions to be made for worker protection from the hazard of caving ground during the excavation of such trench or trenches. If such plan varies from the shoring system standards, the plan shall be prepared by a registered civil or structural engineer. Nothing in this section shall be deemed to allow the use of a shoring, sloping, or protective system less effective than that required by the Construction Safety Orders.

C. This AGREEMENT is further subject to Public Contract Code Section 7104 with regard to any trenches deeper than four feet (4’) involved in the proposed work as follows:

CONTRACTOR shall promptly, and before the following conditions are disturbed, notify AGENCY, in writing, of any:

(1) Material that CONTRACTOR believes may be hazardous waste, as defined in Section 25117 of the Health and Safety Code, which is required to be removed to a Class I, Class II, or Class III disposal site in accordance with existing law.

(2) Subsurface or latent physical conditions at the site differing from those indicated by all available information provided prior to the deadline for submission of bids.

(3) Unknown physical conditions at the site of any unusual nature, different materially from those ordinarily encountered and generally recognized as inherent in work of the character provided for in the contract.

AGENCY shall promptly investigate the conditions, and if it finds that the conditions do materially so differ, or involve hazardous waste, and cause a decrease or increase in CONTRACTOR’s cost of, or the time required for, performance of any part of the work, AGENCY shall issue a change order under the procedures described in this AGREEMENT.

In the event that a dispute arises between AGENCY and CONTRACTOR whether the conditions materially differ, or involve hazardous waste, or cause a decrease or increase in CONTRACTOR’s cost of, or time required for, performance of any part of the work,
CONTRACTOR shall not be excused from any scheduled completion date provided in the AGREEMENT, but shall proceed with all work to be performed under the AGREEMENT. CONTRACTOR shall retain any and all rights provided either by contract or by law which pertain to the resolution of disputes and protests between the contracting parties.

**ARTICLE VI: Insurance**

A. With respect to performance of work under this AGREEMENT, CONTRACTOR shall maintain, and shall require all of its subcontractors to maintain, insurance as required by Section E “Standard Specifications” of the Contract Documents.

B. This AGREEMENT is further subject to Workers’ Compensation obligations, including, but not limited to, California Labor Code Sections 1860 and 1861 as follows:

CONTRACTOR shall take out and maintain, during the life of this contract, Worker’s Compensation Insurance for all of CONTRACTOR’s employees employed at the site of improvement; and, if any work is sublet, CONTRACTOR shall require the subcontractor similarly to provide Worker’s Compensation Insurance for all of the latter’s employees, unless such employees are covered by the protection afforded by CONTRACTOR. CONTRACTOR and any of CONTRACTOR’s subcontractors shall be required to provide AGENCY with a written statement acknowledging its obligation to secure payment of Worker’s Compensation Insurance as required by Labor Code § 1861; to wit: ‘I am aware of the provisions of Section 3700 of the Labor Code which require every employer to be insured against liability for workers’ compensation or to undertake self-insurance in accordance with the provisions of that code, and I will comply with such provisions before commencing the performance of the work of this contract.’ If any class of employees engaged in work under this AGREEMENT at the site of the Project is not protected under any Worker’s Compensation law, CONTRACTOR shall provide and shall cause each subcontractor to provide adequate insurance for the protection of employees not otherwise protected. CONTRACTOR shall indemnify and hold harmless AGENCY for any damage resulting from failure of either CONTRACTOR or any subcontractor to take out or maintain such insurance.

**ARTICLE VII: Indemnification**

To the fullest extent permitted by law, CONTRACTOR shall, at its sole cost and expense, fully defend, indemnify and hold harmless AGENCY, its authorized representatives and their respective subsidiaries, affiliates, members, directors, officers, employees and agents (collectively, the “Indemnitees”) from and against any and all claims, actions, demands, costs, judgments, liens, penalties, liabilities, damages, losses, and expenses, including but not limited to any fees of accountants, attorneys or other professionals (collectively “Liabilities”), arising out of, in connection with, resulting from or related to, any act, omission, fault or negligence of CONTRACTOR, CONTRACTOR’s Representative, or any of its officers, agents, employees, Subcontractors or Suppliers, or any person or organization directly or indirectly employed by any of them (Collectively, the “Indemnitors”), in connection with or relating to or claimed to be in connection with or relating to the work performed under this AGREEMENT.

If CONTRACTOR is a joint venture or partnership, each venturer or partner shall be jointly and severally liable for any and all of the duties and obligations of CONTRACTOR that are assumed under or arise out of this AGREEMENT. Each of such venturers or partners waives notice of the breach or non-performance of any undertaking or obligation of CONTRACTOR.
contained in, resulting from or assumed under this AGREEMENT, and the failure to give any such notice shall not affect or impair such venturer’s or partner’s joint and several liability hereunder.

**ARTICLE VIII: Binding Effect**

AGENCY and CONTRACTOR each binds itself, its partners, successors, assigns, and legal representatives to the other party hereto and to its partners, successors, assigns, and legal representatives in respect of all covenants, agreements, and obligations contained in the Contract Documents. This AGREEMENT is not assignable nor the performance of either party’s duties delegable without the prior written consent of the other party. Any attempted or purported assignment or delegation of any of the rights of obligations of either party without the prior written consent of the other shall be void and of no force and effect.

**ARTICLE IX: Dispute Resolution**

A. In the event of a dispute arising out of the terms of this AGREEMENT, including any action brought to declare the rights granted herein or to enforce any of the terms of this AGREEMENT, the party prevailing in such dispute shall be entitled to all reasonable costs and litigation expenses actually incurred, including fees of attorneys and expert witnesses. Any court action arising out of this AGREEMENT shall be filed in the Los Angeles County Superior Court. Any alternative dispute resolution proceeding arising out of this AGREEMENT shall be heard in the City of Los Angeles or the City of Los Alamitos, California.

B. AGENCY shall have full authority to compromise or otherwise settle any claim relating to this AGREEMENT or any part hereof at any time. AGENCY shall provide timely notification to CONTRACTOR of the receipt of any third-party claim relating to this AGREEMENT. AGENCY shall be entitled to recover its reasonable costs incurred in providing the notification required by this section.

C. This AGREEMENT is further subject to the provisions of Article 1.5 (commencing at Section 20104) of Division 2, Part 3 of the Public Contract Code regarding the resolution of public works claims of less than $375,000. Article 1.5 mandates certain procedures for the filing of claims and supporting documentation by Contractor, for the response to such claims by the Agency, for a mandatory meet and confer conference upon the request of Contractor, for mandatory nonbinding mediation in the event litigation is commenced, and for mandatory judicial arbitration upon the parties’ failure to resolve the dispute through mediation. This AGREEMENT hereby incorporates the provisions of Article 1.5 as though fully set forth herein.

**ARTICLE X: Independent Contractor**

CONTRACTOR is and shall at all times remain as to AGENCY, a wholly independent contractor. Neither AGENCY nor any of its agents shall have control of the conduct of CONTRACTOR or any of CONTRACTOR’s employees, except as herein set forth. CONTRACTOR shall not at any time or in any manner represent that it or any of its agents or employees are in any manner agents or employees of AGENCY.
ARTICLE XI: Taxes

CONTRACTOR is responsible for paying all retail, sales and use, transportation, export, import, special or other taxes and duties applicable to, and assessable against any work, materials, equipment, services, processes and operations incidental to or involved in this AGREEMENT. The CONTRACTOR is responsible for ascertaining and arranging to pay such taxes and duties. STATEMENT REGARDING CONTRACTOR’S LICENSING LAWS

PEDESTRIAN PUSH BUTTON REPLACEMENT PROJECT
SPECIFICATION NO. CIP 19/20-06
IN THE CITY OF LOS ALAMITOS, CALIFORNIA

[Business & Professions Code § 7028.15]
[Public Contract Code § 20103.5]

I, the undersigned, certify that I am aware of the following provisions of California law and that I, or the entity on whose behalf this certification is given, hold a currently valid California contractor’s license as set forth below:

Business & Professions Code § 7028.15:

a) It is a misdemeanor for any person to submit a bid to a public agency to engage in the business or act in the capacity of a contractor within this state without having a license therefor, except in any of the following cases:

(1) The person is particularly exempted from this chapter.

(2) The bid is submitted on a state project governed by Section 10164 of the Public Contract Code or on any local agency project governed by Section 20104 [now § 20103.5] of the Public Contract Code.

b) If a person has been previously convicted of the offense described in this section, the court shall impose a fine of 20 percent of the price of the contract under which the unlicensed person performed contracting work, or four thousand five hundred dollars ($4,500), whichever is greater, or imprisonment in the county jail for not less than 10 days nor more than six months, or both.

In the event the person performing the contracting work has agreed to furnish materials and labor on an hourly basis, “the price of the contract” for the purposes of this subdivision means the aggregate sum of the cost of materials and labor furnished and the cost of completing the work to be performed.

c) This section shall not apply to a joint venture license, as required by Section 7029.1. However, at the time of making a bid as a joint venture, each person submitting the bid shall be subject to this section with respect to his/her individual licenser.

d) This section shall not affect the right or ability of a licensed architect, land surveyor, or registered professional engineer to form joint ventures with licensed contractors to render services within the scope of their respective practices.

e) Unless one of the foregoing exceptions applies, a bid submitted to a public agency by a contractor who is not licensed in accordance with this chapter shall be considered nonresponsive and shall be rejected by the public agency. Unless one of the foregoing exceptions applies, a local public agency shall, before awarding a contract or issuing a purchase order, verify that the contractor was properly licensed when the contractor submitted the bid. Notwithstanding any other provision of law, unless one of the foregoing exceptions applies, the registrar may issue a citation to any public officer or employee of a public entity who knowingly awards a contract or issues a purchase order to a contractor who is not licensed pursuant to this chapter. The amount of civil penalties, appeal, and finality of such citations shall be subject to Sections 7028.7 to 7028.13, inclusive. Any contract awarded to, or any purchase order issued to, as contractor who is not licensed pursuant to this chapter is void.

f) Any compliance or noncompliance with subdivision (e) of this section, as added by Chapter 863 of the Statutes of 1989, shall not invalidate any contract or bid awarded by a public agency during which time that subdivision was in effect.
g) A public employee or officer shall not be subject to a citation pursuant to this section if the public employee, officer, or employing agency made an inquiry to the board for the purposes of verifying the license status of any person or contractor and the board failed to respond to the inquiry within three business days. For purposes of this section, a telephone response by the board shall be deemed sufficient.

*Public Contract Code § 20103.5:*

In all contracts subject to this part where federal funds are involved, no bid submitted shall be invalidated by the failure of the bidder to be licensed in accordance with the laws of this state. However, at the time the contract is awarded, the contractor shall be properly licensed in accordance with the laws of this state. The first payment for work or material under any contract shall not be made unless and until the Registrar of Contractors verifies to the agency that the records of the Contractors’ State License Board indicate that the contractor was properly licensed at the time the contract was awarded. Any bidder or contractor not so licensed shall be subject to all legal penalties imposed by law, including, but not limited to, any appropriate disciplinary action by the Contractors’ State License Board. The agency shall include a statement to that effect in the standard form of pre-qualification questionnaire and financial statement. **Failure of the bidder to obtain proper and adequate licensing for an award of a contract shall constitute a failure to execute the contract and shall result in the forfeiture of the security of the bidder.**

The Agency is hereby authorized to make such repairs and the Contractor and Surety shall bear the cost thereof if, ten (10) days
after the giving of such notice to the Contractor, the Contractor has failed to make or undertake with due diligence the repairs; provided, however, that, in the case of an emergency where, in the opinion of the Agency, delay could cause serious loss or damage, repairs may be made without notice being sent to the Contractor or Surety, and all expense in connection therewith shall be charged to the Contractor and Surety.

For the purpose of this article “Acceptance of the Work” shall mean the acceptance of the Work by the Agency in accordance with Subsection 3-13.2 but not for the purpose of extinguishing any covenant or agreement or agreement on the part of the Contractor to be performed or fulfilled under this Contract, which has not in fact been performed or fulfilled at the time of such acceptance all of such covenants and agreements, shall continue to be binding on the Contractor until they have been fulfilled.

The effective date of Acceptance of the Work and commencement of the Guarantee shall be the date of acceptance of the Notice of Completion by the City Council.

The following subsection is added to Subsection 3-13 of the SSPWC.

3-13.4 General Guaranty

The Contractor shall remedy any defects in the Work and pay for any damage to other work resulting therefrom, which shall appear within a period of one year from the date of final acceptance of the Work unless a longer period is specified. The Agency will give notice of observed defects with reasonable promptness.

SECTION 4 – CONTROL OF MATERIAL

4-1 GENERAL

Add the following:

The Contractor and all subcontractors, suppliers, and vendors, shall guarantee that the entire Work will meet all requirements of this Contract as to the quality of materials, equipment, and workmanship. The Contractor, at no cost to the Agency, shall make any repairs or replacements made necessary by defects in materials, equipment, or workmanship that become evident within one year after the date of recordation of the Notice of Completion. Within this one year period, the Contractor shall also restore to full compliance with the requirements of this Contract any portion of the Work which is found not to meet those requirements. The Contractor shall defend, indemnify, and hold the Agency, its officers, agents, and employees harmless from claims of any kind due to injuries or damages arising, directly or indirectly, from said defects or noncompliance.

The Contractor shall make all repairs, replacements, and restorations within thirty-five (35) days after the date of the Engineers’ written notice.

If, in the opinion of the Engineer, the defective work is not of sufficient magnitude or importance to make the work dangerous or undesirable, or if, in the opinion of the Engineer, the removal of such work is impractical or will create conditions which are dangerous or undesirable, the Agency shall have the right and authority to retain such work instead of requiring it to be removed and reconstructed, but will make such deductions thereof in the payments due or to become due to the Contractor as the Agency may deem just and reasonable.

4-4 TEST OF MATERIALS

Delete the third, fourth, and fifth sentences of the first paragraph and replace with the following:
Except as elsewhere specified, the Agency will bear the cost of testing material and/or workmanship which meet or exceed the requirements indicated in the Standard Specifications and the Special Provisions. The Contractor shall bear the cost of all other tests, including the retesting of material or workmanship that fails to pass the first test.

4-6 TRADE NAMES

Delete the third sentence of the second paragraph and replace with the following:

Approval of equipment and materials offered as equivalents to those specified must be obtained prior to the opening of bids as set forth in the Instructions to Bidders.

Add the following:

Along with information supplied by the Contractor regarding equivalency of the proposed item, the Contractor shall clearly identify all deviations from the specified item. Deviations discovered by the Engineer after acceptance of an “or equal” item which were not identified by the Contractor with his/her submittal shall be cause for rejection of the “or equal” item. Contractor shall be due no additional compensation in time or money for acceptance or rejection of a proposed “or equal” item and subsequent replacement with the item specified. Contractor shall pay cost to Agency for items requiring more than two submittals and analysis of any shop drawing which requires more than a general review of an “or equal” item.

SECTION 5 – LEGAL RELATIONS AND RESPONSIBILITIES

5-3 LABOR

5-3.1 General

Add the following:

The Contractor shall ensure unlimited access to the job site for all Equal Opportunity Compliance officers.

Every Contractor and Subcontractor shall keep an accurate record showing the name, occupation, and the actual per diem wages paid to each worker employed by him/her in connection with the public work. The record shall be kept open at all reasonable hours to the inspection of the body awarding the Contract and to the Division of Labor Law Enforcement.

Add the following Subsection:

5-3.4.1 OVERTIME AND SHIFT WORK

The Contractor may establish overtime and shift work as a regular procedure only with the written permission of the Engineer. Such permission may be revoked at any time. No work other than overtime and shift work established as a regular procedure shall be done between the hours of 4:00 p.m. and 7:30 a.m., nor on Saturdays, Sundays or legal holidays, except such work as is necessary for the proper care and protection of the work already performed or except in case of an emergency.

All costs for overtime inspection, except those occurring as a result of overtime and shift work established as a regular procedure, shall be paid by the Contractor. Overtime inspection shall include inspection required during holidays observed by the AGC and Trade Unions, Saturdays, Sundays, and any weekday between the hours of 4:00 p.m. and 7:30 a.m. Such costs will include but will not necessarily be limited
to engineering, inspection, general supervision and other overhead expenses that are directly chargeable to the overtime work. The Agency shall deduct all such charges from payments due the Contractor.

5-4.2 GENERAL LIABILITY INSURANCE

Section 5-4.2 is replaced in its entirety as follows:

5-4.2.1 GENERAL. CONTRACTOR and AGENCY agree that Agency, its employees, agents and officials should, to the extent permitted by law, be fully protected from any loss, injury, damage, claim, lawsuit, cost, expense, attorneys fees, litigation costs, defense costs, court costs or any other cost arising out of or in any way related to the performance of this Agreement. Accordingly, the provisions of this indemnity provision are intended by the parties to be interpreted and construed to provide the fullest protection possible under the law to the Agency. CONTRACTOR acknowledges that AGENCY would not have entered into this Agreement in the absence of the commitment of CONTRACTOR to indemnify and protect AGENCY as set forth here.

5-4.2.2 To the full extent permitted by law, CONTRACTOR shall defend, indemnify and hold harmless AGENCY, its employees, agents and officials, from any liability, claims, suits, actions, arbitration proceedings, administrative proceedings, regulatory proceedings, losses, expenses or costs of any kind, whether actual, alleged, or threatened, actual attorneys fees incurred by AGENCY, court costs, interest, defense costs including expert witness fees and any other costs or expenses of any kind whatsoever without restriction or limitation incurred in relation to, as a consequence of, arising out of or in any way attributable actually, allegedly or impliedly, in whole or in part to the performance of this Agreement. All obligations under this provision are to be paid by CONTRACTOR as they are incurred by the AGENCY.

5-4.2.3 Without affecting the rights of AGENCY under any provision of this agreement or this section, CONTRACTOR shall not be required to indemnify and hold harmless AGENCY as set forth above for liability attributable to the sole fault of AGENCY, provided such sole fault is determined by agreement between the parties or the findings of a court of competent jurisdiction.

This exception will apply only in instances where the AGENCY is shown to have been solely at fault and not in instances where CONTRACTOR is solely or partially at fault or in instances where AGENCY’s fault accounts for only a percentage of the liability involved. In those instances, the obligation of CONTRACTOR will be all-inclusive and AGENCY will be indemnified for all liability incurred, even though a percentage of the liability is attributable to the conduct of the AGENCY.

5-4.2.4 CONTRACTOR acknowledges that its obligation pursuant to this section extends to liability attributable to AGENCY, if that liability is less than the sole fault of AGENCY. CONTRACTOR has no obligation under this Agreement for liability proven in a court of competent jurisdiction or by written agreement between the parties to be the sole fault of AGENCY.

5-4.2.5 The obligations of CONTRACTOR under this or any other provision of this Agreement will not be limited by the provisions of any workers compensation act or similar act. CONTRACTOR expressly waives its statutory immunity under such statutes or laws as to AGENCY, its employees, agents and officials.

5-4.2.6 CONTRACTOR agrees to obtain executed indemnity agreements with provisions identical to those as set forth here in this section from each and every subcontractor, sub-tier contractor or any other person or entity involved by, for, with or on behalf of CONTRACTOR in the performance or subject matter of this Agreement. In the event CONTRACTOR fails to obtain such indemnity obligations from others as required here, CONTRACTOR agrees to be fully responsible according to the terms of this section.
5-4.2.7 Failure of AGENCY to monitor compliance with these requirements imposes no additional obligations on AGENCY and will in no way act as a waiver of any rights hereunder. This obligation to indemnify and defend AGENCY as set forth herein is binding on the successors, assigns or heirs of CONTRACTOR and shall survive the termination of this Agreement or this section.

5-4.2.8 CONTRACTOR agrees to provide insurance in accordance with the requirements as set forth here. If CONTRACTOR uses existing coverage to comply with these requirements and that coverage does not meet the requirements set forth herein, CONTRACTOR agrees to amend, supplement or endorse the existing coverage to do so. The following coverages will be provided by CONTRACTOR and maintained on behalf of AGENCY and in accordance with the requirements set forth herein.

5-4.2.9 Commercial General Liability/Umbrella Insurance. Primary insurance shall be provided on ISO-CGL form No. CG 00 01 11 85 or 88. Total limits shall be not less than two million dollars ($2,000,000.00) per occurrence for all coverages and two million dollars ($2,000,000.00) general aggregate. AGENCY and its officers, agents and employees shall be named as additional insureds using ISO additional insures endorsement form CG 20 10 11 85 (in no event will AGENCY accept an endorsement form with an edition date later than 1990). Coverage shall apply on a primary non-contributing basis in relation to any other insurance or self-insurance, primary or excess, available to AGENCY or any employee or agent of AGENCY. Coverage shall not be limited to the vicarious liability or supervisory role of any additional insured. Umbrella Liability Insurance (over primary) shall apply to bodily injury/property damage, personal injury/advertising injury, at a minimum, and shall include a “drop down” provision providing primary coverage above a maximum of $25,000.00 self-insured retention for liability not covered by primary policies but covered by the umbrella policy. Coverage shall be following form to any underlying coverage. Coverage shall be provided on a “pay on behalf” basis, with defense costs payable in addition to policy limits. There shall be no cross-liability exclusion. Policies shall have concurrent starting and ending dates.

Each policy of insurance shall contain a clause prohibiting cancellation, modification or lapse without thirty (30) days prior written notice having been given to the City. All insurance policies shall be subject to approval by the City Attorney and certificates evidencing such policies shall be provided to the City concurrently with the filing of all required bonds.

5.4.2.10 Business Auto/Umbrella Liability Insurance. Primary coverage shall be written on ISO Business Auto Coverage form CA 00 01 06 92 including symbol 1 (Any Auto). Limits shall be no less than two million dollars ($2,000,000.00) per accident. Starting and ending dates shall be concurrent. If CONTRACTOR owns no autos, a non-owned auto endorsement to the General Liability policy drafted above is acceptable.

5-4.3 WORKERS’ COMPENSATION INSURANCE

Section 5-4.3 shall be replaced in its entirety as follows:

5-4.3.1 Workers’ Compensation/Employers’ Liability shall be written on a policy form providing workers’ compensation statutory benefits as required by law. Employers’ liability limits shall be no less than one million dollars per accident or disease. Employers’ liability coverage shall be scheduled under any umbrella policy described above. Unless otherwise agreed, this policy shall be endorsed to waive any right of subrogation as respects the AGENCY, its officers, agents or employees.

5-4.3.2 CONTRACTOR and AGENCY further agree as follows:

5-4.3.2.1 This Section supersedes all other sections and provisions of this Agreement to the extent that any other section or provision conflicts with or impairs the provisions of this Section.
5-4.3.2.2 Nothing contained in this Section is to be construed as affecting or altering the legal status of the parties to this Agreement. The insurance requirements set forth in this Section are intended to be separate and distinct from any other provision in this Agreement and shall be interpreted as such.

5-4.3.2.3 All insurance coverage and limits provided pursuant to this Agreement shall apply to the full extent of the policies involved, available, or applicable. Nothing contained in this Agreement or any other agreement relating to the AGENCY or its operations limits the application of each insurance coverage.

5-4.3.2.4 Requirements of specific coverage features or limits contained in this Section are not intended as a limitation on coverage, limits or other requirements, or a waiver of any coverage normally provided by any insurance. Specific reference to a given coverage feature is for purposes of clarification only and is not intended by any party to be all-inclusive, or to the exclusion of other coverage, or a waiver of any type.

5-4.3.2.5 For purposes of insurance coverage only, this Agreement shall be deemed to have been executed immediately upon any party hereto taking any steps that can be deemed to be in furtherance of or towards performance of this Agreement.

5-4.3.2.6 All general or auto liability insurance coverage provided pursuant to this Agreement, or any other agreements pertaining to the performance of this Agreement, shall not prohibit CONTRACTOR, and CONTRACTOR’s agents, officers or employees from waiving the right of subrogation prior to a loss. Contractor hereby waives all rights of subrogation against AGENCY.

5-4.3.2.7 Unless otherwise approved by AGENCY, CONTRACTOR’s insurance shall be written by insurers authorized to do business in the State of California and with a minimum “Best’s” Insurance Guide rating of “A:VII.” Self-insurance will not be considered to comply with these insurance specifications.

5-4.3.2.8 In the event any policy of insurance required by this Agreement does not comply with these requirements or is canceled and not replaced, AGENCY has the right but not the duty to obtain the insurance it deems necessary and any premium paid by AGENCY will be promptly reimbursed by CONTRACTOR. Upon CONTRACTOR’s failure to make such reimbursement within 30 days of written demand, AGENCY may deduct that sum from any monies due CONTRACTOR hereunder or otherwise.

5-4.3.2.9 CONTRACTOR agrees to provide evidence of the insurance required herein, satisfactory to AGENCY, consisting of certificate(s) of insurance evidencing all of the coverages required and an additional insured endorsement to CONTRACTOR’s general liability and umbrella liability policy (if any) using ISO form CG 20 10 11 85. Certificate(s) are to reflect that the insurer will provide 30 days’ notice of any cancellation of coverage. CONTRACTOR agrees to require its insurer to modify such certificates to delete any exculpatory wording stating that failure of insurer to mail written notice of cancellation imposes no obligation, and to delete the word “endeavor” with regard to any notice provisions. CONTRACTOR agrees to provide complete copies of policies to AGENCY upon request.

5-4.3.2.10 CONTRACTOR shall provide proof that policies of insurance required herein expiring during the term of this Agreement have been renewed or replaced with other policies providing at least the same coverage. Such proof shall be furnished within 72 hours of the expiration of the coverages.

5-4.3.2.11 Any actual or alleged failure on the part of AGENCY or any other additional insured under these requirements to obtain proof of insurance required under this Agreement in no way waives any right or remedy of AGENCY or any additional insured, in this or any other regard.

5-4.3.2.12 CONTRACTOR agrees to require all subcontractors or other parties hired for this project to provide general liability insurance naming as additional insureds all parties to this Agreement.
CONTRACTOR agrees to obtain certificates evidencing such coverage and make reasonable efforts to ensure that such coverage is provided as required here. CONTRACTOR agrees to require that no contract used by any subcontractor, or contracts CONTRACTOR enters into on behalf of AGENCY, will reserve the right to charge back to AGENCY the cost of insurance required by this Agreement. CONTRACTOR agrees that upon request, all agreements with subcontractors or others with whom CONTRACTOR contracts on behalf of AGENCY will be submitted to AGENCY for review. Failure of AGENCY to request copies of such agreement will not impose any liability on AGENCY, its officers, agents, or employees.

5-4.3.2.13 If CONTRACTOR is a Limited Liability Company, general liability coverage must be amended so that the Limited Liability Company and its Managers, Affiliates, employees, agents and other persons necessary or incidental to its operations are insureds.

5-4.3.2.14 CONTRACTOR agrees to provide immediate notice to AGENCY of any claim or loss against CONTRACTOR that includes AGENCY as a defendant. AGENCY assumes no obligation or liability by such notice, but has the right (but not the duty) to monitor the handling of any such claim or claims.

5-7 SAFETY

Add the following:

At the pre-construction meeting, the Contractor shall submit his/her complete construction schedule to the Engineer for approval. The Contractor shall submit requests for changes in the schedule to the Engineer for approval at least forty eight (48) hours prior to the scheduled Work.

SECTION 6 – PROSECUTION AND PROGRESS OF THE WORK

6-1 CONSTRUCTION, SCHEDULE AND COMMENCEMENT OF WORK

Add the following:

Prior to issuing the Notice to Proceed, the Engineer will schedule and conduct a pre-construction meeting with the Contractor to review the proposed construction schedule and delivery dates, arrange utility coordination, discuss construction methods, and clarify inspection procedures.

6-2 PROSECUTION OF WORK

Delete the last sentence of first paragraph and replace it with the following:

Should the Contractor fail to take the necessary steps to fully accomplish said purposes, after orders of the Engineer to do so, the Agency may suspend the work in whole or in part, until the Contractor takes said steps at no cost to the Agency.

Add the following:

The Contractor shall submit monthly progress reports to the Engineer by the tenth day of each month. The report shall include an updated construction schedule. Any deviations from the original schedule shall be explained. Progress payments will be withheld pending receipt of any outstanding reports.

6-3 TIME OF COMPLETION

Add the following subsections:
6-3.3 WORKING DAY

Add the following:

The Contractor’s activities shall be confined to the hours between 7:30 a.m. and 4:00 p.m. Monday through Friday. In addition, the Contractor shall not perform any Work on Saturday, Sunday, or on Agency-designated holidays. Agency-designated holidays are listed in TABLE 1 – AGENCY-DESIGNATED HOLIDAYS below. Deviation from these hours will be permitted upon approval of the Engineer, except in emergencies involving immediate hazard to persons or property.

Deviations from these hours will not be permitted without the prior consent of the Engineer, except in emergencies involving immediate hazard to persons or property. In the event of either a requested or emergency deviation, inspection service fees will be charged against the Contractor. Service fees will be calculated at overtime rates including benefits, overhead, and travel time; and will be deducted from the amounts due the Contractor.

Failure of the Contractor to adhere to working day requirements will result in damages being sustained by the City. Such damages are, and will continue to be, impracticable and extremely difficult to determine. For each OCCURRENCE of a working day or hours violation, as provided herein, the Contractor shall pay to the Agency, or have withheld from monies due to it, the sum of $1,000.00.

EXECUTION OF THE CONTRACT SHALL CONSTITUTE AGREEMENT BY THE AGENCY AND CONTRACTOR THAT $1,000 PER VIOLATION IS THE MINIMUM VALUE OF THE COST AND ACTUAL DAMAGED CAUSED BY FAILURE OF THE CONTRACTOR TO LIMIT PERFORMANCE OF THE WORK BETWEEN THE ALLOTTED TIMES, THAT SUCH SUM SHALL NOT BE CONSTRUED AS A PENALTY, AND THAT SUCH SUM MAY BE DEDUCTED FROM PAYMENTS DUE THE CONTRACTOR IF SUCH DELAY OCCURS.

6-4 DELAYS AND EXTENSION OF TIME

6-4.1 GENERAL

Add the following Subsections:

6-4.1.1 Notice of Delays

Whenever the Contractor foresees any delay in the prosecution of the work, and in any event immediately upon the occurrence of any delay which the Contractor regards as unavoidable, he/she shall notify the Engineer in writing of the probability of the occurrence of such delay and its cause so that the Engineer may take immediate steps to prevent, if possible, the occurrence or continuance of the delay, or, if prevention is not possible, may determine whether the delay is to be considered avoidable or unavoidable,
how long it continues, and to what extent it will delay the prosecution and completion of the work. It will be concluded that any and all delays which have occurred in the prosecution and completion of the work have been avoidable delays, except such delays as shall have been called to the attention of the Engineer at the time of their occurrence and found by him/her to have been unavoidable. The Contractor shall make no claims for any delay not called to the attention of the Engineer at the time of its occurrence as an unavoidable delay.

6-4.1.2 Avoidable Delays

Avoidable delays in the prosecution or completion of the work shall include all delays which in the opinion of the Engineer would have been avoided by the exercise of care, prudence, foresight, and diligence on the part of the Contractor of his/her subcontractors. The following shall be considered avoidable delays within the meaning of the contract: 1) Delays in the prosecution of parts of the work which may in themselves be unavoidable but do not necessarily prevent or delay the prosecution of other parts of the work or the completion of the whole work within the time herein specified; 2) Reasonable loss of time resulting from the necessity of submitting samples of materials and drawings to the Engineer for approval and from performing tests of materials, measurements, and inspections; 3) Reasonable interference of other contractors employed by the Agency and/or other contractors working in the area which do not necessarily prevent the completion of the whole work within the time agreed upon; 4) Delays resulting from inaccurate or incomplete shop drawing submittals; and 5) Interference of other contractors performing concurrent work.

6-4.1.3 Extension of Time

In case the work is not completed in the time specified, including such extensions of time as may have been granted for unavoidable delays, the Contractor will be assessed damages for delay in accordance with Paragraph 6-9.1. The Agency, however, shall have the right to grant an extension of time for avoidable delay if it is deemed in his/her best interest to do so. During such extension of time, the Contractor will be charged for engineering and inspection services and other costs as provided in Paragraph 6-6.2.1 but will not be assessed damages pursuant to Paragraph 6-9.

6-4.2 EXTENSIONS OF TIME

Add the following Subsection:

6-4.2.1 Compensation to Agency for Extension of Time

Compensation for extension of time for avoidable delay granted pursuant to Paragraph 6-6.1.3 shall be the actual cost to the Agency for engineering, inspection, general supervision, and overhead expenses which are directly chargeable to the work and which accrue during the period of such extension, except that the cost of final inspection and preparation of the final estimate shall not be included.

6-4.4 WRITTEN NOTICE AND REPORT

Delete the title and text of Section 6-4.4 and replace it with the following:

Requests for an extension of time must be delivered to the Agency within ten (10) consecutive calendar days following the date of the occurrence that caused the delay. The request must be submitted in writing and must state the cause of the delay, the date of the occurrence causing the delay, and the amount of additional time requested. This shall be included as part of a revised construction schedule required in Section 6-1. Requests for extensions of time shall be supported by all evidence reasonably available or known to the Contractor, which would support the extension of time requested. Requests for extensions of time, which are not received within the time specified above, shall result in the forfeiture of the Contractor’s right to receive any extension of time requested.
If the Contractor is requesting an extension of time because of weather, he/she shall supply daily written reports to the Agency’s representative describing such weather, and the work that could not be performed that day because of such weather or conditions resulting therefrom and that he/she otherwise would have performed.

6-9 LIQUIDATED DAMAGES

Delete the title and text of Section 6-9 and replace with the following:

6-9 FORFEITURE DUE TO DELAY

The Contractor shall complete all or any designated portion of the Work called for under the Contract within the time set forth in Part C (Proposal) of these Specifications.

In accordance with Government Code 53069.85, and all other applicable law, the Contractor agrees to forfeit and pay the Agency the amount of Five Hundred Dollars ($500.00) per day for each and every day of unauthorized delay beyond the completion date, which shall be deducted from any monies due the Contractor. This payment shall be considered liquidated damages. Contractor agrees that such liquidated damages are reasonable under the circumstances existing at the time of execution of the contract, that such liquidated damages are to compensate Agency for losses that are difficult to measure and that such damages are not a penalty.

Failure of the Contractor to perform any covenant or condition contained in the Contract Documents within the time period specified shall constitute a material breach of this Contract entitling the Agency to terminate the Contract unless the Contractor applies for, and receives, an extension of time in accordance with the procedures set forth in Section 5-5.

Failure of the Agency to insist upon the performance of any covenant or conditions within the time period specified in the Contract Documents shall not constitute a waiver of the Contractor’s duty to complete performance within the designated periods unless the Agency has executed a waiver in writing.

The Agency’s agreement to waive a specific time provision or to extend the time for performance shall not constitute a waiver of any other time provision contained in the Contract Documents.

Failure of the Contractor to complete performance promptly within the additional time authorized in a waiver or extension of time agreement shall constitute a material breach of this Contract entitling the Agency to terminate this agreement.

The Contractor shall not be deemed in breach of this Contract and no forfeiture due to delay shall be made because of any delays in the completion of the Work due to unforeseeable causes beyond the control and without the fault or negligence of the Contractor provided the Contractor provided the Contractor requests an extension of time in accordance with the procedures set forth in Section 5-5. Unforeseeable causes of delay beyond the control of the Contractor shall include acts of God, acts of a public enemy, acts of the government, acts of the Agency, or acts of another contractor in the performance of a contract with the Agency, fires, floods, epidemics, quarantine restrictions, strikes, freight embargoes, and weather, or delays of subcontractors due to such causes, or delays caused by failure of the owner of a utility to provide for removal or relocation of existing utility facilities. Delays caused by actions or neglect of Contractor or his/her agents, servants, employees, officers, subcontractors, directors, or of any party contracting to perform part of all of the Work or to supply any equipment or materials shall not be excusable delays. Excusable delays (those beyond the Contractor’s control) shall not entitle the Contractor to any additional compensation. The sole recourse of the Contractor shall be to seek an extension of time.
6-12 DISPUTES AND CLAIMS

6-12.1 GENERAL

Any and all decisions made on appeal pursuant to this Subsection 6-12 shall be in writing. Any “decision” purportedly made pursuant to this Subsection 6-12 that is not in writing shall not be binding upon the Agency and should not be relied upon by the Contractor.

Nothing in this subsection shall be considered as relieving the Contractor from his/her duty to file the notice required under Subsection 6-13 or other duties required by the Contract Documents.

6-12.2 ADMINISTRATIVE REVIEW

Request for review made to the Construction Inspector or Project Engineer may be either oral or written. Request for review made to the City Engineer shall be made in writing with supporting evidence attached.

The Contractor shall submit each request for review within twenty-one (21) calendar days of receipt of the decision that he/she is requesting.

Prior to demand for arbitration, the Contractor shall exhaust his/her administrative remedies by attempting to resolve his/her dispute or claim with Agency’s staff in the following sequence:

1. Project Engineer
2. City Engineer

Should the Project Engineer fail to address the Contractor’s request for review of a disputed decision within fourteen (14) calendar days after receiving such request, the Contractor may proceed directly to the City Engineer. At the option of the Agency, the person to whom the request for review is directed may elect to take such request to a higher level and the Contractor’s request shall be deemed to be properly submitted to such higher level.

The City Engineer shall address disputes or claims within twenty eight (28) calendar days after receiving such request and all necessary supporting data. The City Engineer’s decision on the dispute or claim shall be the Agency’s final decision.

6-12.3 ARBITRATION

Claims and disputes arising under or related to the performance of the contract, except for claims that have been released by execution of the “Release on Contract” as provided in Subsection 9-4, shall be resolved in arbitration unless the Agency and the Contractor agree in writing, after the claim or dispute has arisen, to waive arbitration and to have the claim or dispute litigated in court of competent jurisdiction. Arbitration shall be conducted, to the extent feasible, pursuant to Chapter 3 (Sections 301-393, inclusive) of Division 2 of Title 1 of the California Code of Regulations except that references therein to the “State Contract Act” shall be construed to mean “applicable law” and “Public Agency”, or “Department” shall be construed to mean “Agency” as defined in Subsection 1.2. The arbitration decision shall be decided under and in accordance with California law, supported by substantial evidence, and in writing, contain the basis for the decision, findings of fact, and conclusions of law.

Arbitration shall be initiated by a Demand for Arbitration. The Contractor shall request a Demand for Arbitration not later than one hundred eighty (180) calendar days after the date of the final written decision of the Agency on the claim or dispute.
All contracts valued at more than $15,000 between the Contractor and his/her Subcontractors and Suppliers shall include a provision that the Subcontractors and Suppliers shall be bound to the Contractor to the same extent that the Contractor is bound to the Agency by all terms and provisions of the Contract, including these arbitration provisions.

6-13 NOTICE OF POTENTIAL CLAIM

The Contractor shall not be entitled to the payment of any additional compensation for any cause, including any act, or failure to act, by the Engineer, or the happening of any event, thing or occurrence, unless the Contractor shall have given the Engineer due notice in writing, of the potential claim as hereinafter specified, provided, however, that compliance with this Subsection 6-12 shall not be a prerequisite as to any claim that is based on differences in measurements or errors of computation as to the Contract quantities.

Additionally, this Subsection 6-13 shall not supersede the specific notice and protest requirements of Subsection 2-9 “Changed Conditions” and Subsection 6-3.2 “Contract Time Accounting” respectively.

A written notice of potential claim shall set forth the reasons the Contractor believes additional compensation will or may be due, the nature of the costs involved, and, insofar as possible, the amount of the potential claim. A notice as above required must have been given to the Engineer prior to the time that the Contractor shall have performed the Work giving rise to the potential claim for additional compensation, if based on an act or failure to act by the Engineer, or in all other cases within fifteen (15) days after the happening of the event, thing or occurrence giving rise to the potential claim.

It is the intention of this Subsection 6-13 that differences between the parties arising under and by the virtue of the Contract be brought to the attention of the Engineer at the earliest possible time in order that such matters may be settled, if possible, or other appropriate action promptly taken. The Contractor hereby agrees that he/she shall have no right to additional compensation for any claim that may be based on any such act, failure to act, event, thing or occurrence for which no written notice of potential claim as herein required was filed.

SECTION 7 - PAYMENT

7-3 PAYMENT

7-3.2 PARTIAL AND FINAL PAYMENT

Delete the last paragraph of this subsection and replace with the following:

The closure date for period progress payments will be the twenty-fifth day of each month. Authorization to pay is commonly received on the second Wednesday of the following month. The Agency requires four to six weeks to review all progress payments, issue payment checks, present progress payment to Council for approval, and release payment to contractor. However, payments will be withheld pending receipt of any outstanding reports required by the Contract Documents. In addition, the final progress payment will not be released until the Contractor returns the control set of plans and specifications showing the as-built conditions.

The full five (5) percent retention will be deducted from all payments. The final retention will be authorized for payment thirty five (35) days after the date of recordation of the Notice of Completion.

The Contractor may substitute securities for any monies withheld by the Agency to ensure performance under the Contract as provided in Public Contract Code Sections 10263 and 22300.
7-3.3 DELIVERED MATERIALS

Delete the text of section 7-3.3 and replace with the following:

Materials and equipment delivered but not incorporated into the Work will not be included in the estimate for progress payment.
PART 4 - PROTECTION AND RESTORATION OF EXISTING IMPROVEMENTS

400 PROTECTION AND RESTORATION OF EXISTING IMPROVEMENTS

Delete the second paragraph and replace with the following:

The Contractor shall mark, as approved by the Engineer, all survey monuments, manholes, valves, substructures, or other items that are visible on the surface and will be covered by his operations. This shall be completed prior to the start of that operation and approved by the Engineer.

Existing traffic striping, pavement markings, and curb markings shall also be considered as existing improvements and the Contractor shall repaint or replace, at the Contractor’s expense, such striping or markings (except for traffic striping and pavement markings within the limits of the Work) if damaged or if their reflectivity is reduced due to construction operations.

403-3 PAYMENT

Add the following:

All costs to the Contractor for protecting, removing, restoring, relocating, repairing, replacing, or reestablishing existing improvements shall be included in the Bid.

600 ACCESS

600-1 General

Add the following:

The Contractor will be required to maintain at least one lane of traffic in each direction through the project area at all times in a manner satisfactory to the Engineer in the form of an engineered traffic control plan. The engineered traffic control plans must be signed by a California registered civil and/or traffic engineer. The plan is a required submittal for review at the pre-construction meeting.

All traffic control on the project shall be implemented by a sub-contractor who specializes in Traffic Control and is approved by the City Engineer.

All drop-offs on the pavement over 1 inch in height that are perpendicular to the direction of traffic, including driveway approach, and will remain overnight shall be ramped with temporary AC pavement.

The cost to construct temporary AC pavement shall be included in price paid for other items of work, and no additional payment thereof.

All open trenches shall be covered with non-skid steel plates or temporary asphalt pavement before and after work hours, unless otherwise directed by the Engineer.

Add the following Subsection:

Background color shall be white and letters shall be printed in red water resistant ink except day, date, and time of restriction may be printed in black water resistant ink. The signs shall be printed with the words “Tow Away” and “No Parking” with a character height of not less than 2.75 inches and a stroke width of not less than 0.5 inches. The day, dated, and time of the particular restriction shall be printed or attached below the above mentioned wording in characters of not less than 2.0 inches in height and 0.4 inches in stroke width. The day of the week shall be written out or properly abbreviated with three to four letters; date or dates or restriction shall be listed completely; the beginning and ending times shall be clearly listed on the sign.

Signs shall be mounted such that the wording “No Parking” are at an elevation at least three feet above the adjacent flowline. Signs may be tied with string to trees and power poles, taped to existing sign poles, or mounted to stakes or barricades as provided by the Contractor. The signs shall be placed as needed to control the parking of cars within the construction zone; signs shall be placed at intervals of 75 feet or less along each side of the roadway.

Signs shall be posted and maintained by the Contractor for a period of 72 hours prior to the restrictions becoming effective. The Contractor may only post parking restrictions that are effective for the duration of the Work. Upon completion of the Work, the Contractor shall promptly and completely remove and
dispose all signs, stakes, and barricades. The Contractor shall promptly reset or replace all damaged or defective signs.

The Contractor shall be fully responsible for the adequate removal of all parked cars. The Contractor shall coordinate the removal of all vehicles with the Sheriff Department. The Contractor shall notify the Sheriff Communications Center upon posting of the parking restrictions for a particular street. FOR EACH OCCURRENCE OF A VIOLATION, AS PROVIDED HEREIN, THE CONTRACTOR SHALL PAY TO THE AGENCY, OR HAVE WITHHELD FROM MONIES DUE TO IT, THE SUM OF $1,000.00.

EXECUTION OF THE CONTRACT SHALL CONSTITUTE AGREEMENT BY THE AGENCY AND CONTRACTOR THAT $1,000.00 PER VIOLATION IS THE MINIMUM VALUE OF THE COST AND ACTUAL DAMAGE CAUSED, THAT SUCH SUM SHALL NOT BE CONSTRUED AS A PENALTY, AND THAT SUCH SUM MAY BE DEDUCTED FROM PAYMENTS DUE THE CONTRACTOR.

600-1.2 STREET CLOSURE, DETOURS, BARRICADES

Add the following:

Channelization devices shall be spaced no greater than fifty (50) feet apart. The Contractor shall take additional precautions as he/she may find necessary under the circumstances.

Should the Contractor fail to provide adequate traffic control or safety barricades, and in the event a responsible individual cannot be located or refuses to perform, the Agency will at its option place needed devices or engage a private firm to place and maintain said barricades, which will be charged to the Contractor directly.

Temporary traffic channelization shall be accomplished with delineators. Temporary striping will not be allowed unless specifically permitted by the Engineer. The Contractor shall prepare any plans that may be required for temporary striping to the satisfaction of the Engineer. iNS2: "iNS" iNavigator 2-Wire Push Button Station

The "iNS" iNavigator 2-Wire Push Button Station (iNS2 PB) is the pedestrian interface to the Navigator Accessible Pedestrian System. A system consists of a Control Unit (PN ICCU-C2, ICCU-C1, ICCU-C5, or ICCU-C) and a Push Button Station. The iNS2 PB is an MUTCD compliant PBS and provides valuable information and cues via both a vibrating arrow button and audible sounds, making the interaction accessible for all pedestrians. All sounds emanate from the front and back of the unit. A sunlight-visible red LED latches "ON" along with a tactile feedback "bounce" to confirm the button has been pushed. The vandal-resistant design of the iNS2 PBS includes the body, which houses the ADA compliant push button (shown), a faceplate (SKT sign shown), and mounting hardware.

By interfacing with the Central Control Unit (ICCU) that installs in the Traffic Cabinet, the iNS2 PBS can provide the following standard features:

- Operation over 2 single pair of wires
- All PBS wired in parallel, individually assignable to any phase
- 16 buttons can operate on a single ICCU (dependent on power requirements and wire runs)
- All sounds are synchronized
- Locate Tone selectable options
- 13 Walk Sound selectable options, 3 of them custom options
- 7 Clearance Sound selectable options
- Walk, Clearance, and Don't Walk sounds automatically adjust to ambient
- Separate ambient response settings for Locate Tone (for quiet ambient conditions)
- Most sounds have independent Min/Max settable limits
- Button vibrates during Walk
- Button push confirmed by latching LED, tactile bounce, and audible "wait" sound
- Extended button push can boost volume for next Walk and Clearance
- Direction of travel message with extended button push, capable
- Extended Push Priority: mixes all but selected crosswalk, capable
- Extended Push activation settings: 0-6 second range, 0.5 second increments
- Beaconing and Ping Pong features available
- Select audio messages, change settings, and perform firmware updates wirelessly using iOS (9.0+) or Android (5.0+) devices, or a Windows PC with Polara’s Bluetooth Dongle (PN IN-DG), purchased separately
- Built-in health/event logging feature, up to 1000 events
- False walk detection: four independent checks
- External speaker option at time of order
- External button input for bike lanes, horses, etc.
- Warranty: 3 year limited

An iNS2 PBS can operate as an IN3 (Ped Head Based System). It comes with a 3-position terminal block to connect to a Ped-Head Control Unit. See IN3 Quick Start Guide for more information.

For optimum functionality, Polara recommends a dedicated pair of wires be routed to each PBS. Using INSA 50-2 Cable is an ideal choice. The ground shield does not need to be connected.

Dimensions are in inches. INSA5W40-Y unit shown.

**ICCU-S2: Intelligent Central Control Unit for Shelf Mount**

The ICCU-S2 replaces the ICCU-5, and is designed to work with all style cabinets as the intelligent control unit for Polara's IN2/IN26 accessible push button stations (PBS). The system includes an interconnect board (PN: IN2-ICB sold separately) to facilitate connection of up to 16 PBS. Each PBS connects via two wires in parallel, and do not have a polarity requirement. A 2-wire BUTTON-PLC-CABLE is included with each unit and is used to connect the ICCU-S2 to the IN2-ICB.

This model utilizes four separate cable assemblies (A/B/C/D) to provide all the features/functions of the legacy 50-pin cable harness, allowing selection of just the features needed, at reduced cost. If just standard functions are needed, only cables A and C are needed. For Preemption, Cable B is needed. For General Purpose Input functions, Cable D is needed.

This model also supports SDLC communication in TS1 and TS2 cabinets when a TS2 controller operating in TS2 mode, with an MNU, is utilized (there must be an MNU). If just PED Walk/Don’t Walk Interval information is communicated by SDLC, just Cable C would be needed. If both PED Interval information and call placements are communicated through SDLC, Cables A and C would not be needed. The included CABLE-C-UG is necessary to ensure proper grounding when using the ICCU-S2 in this BUI mode. Cables B and D would only be needed if Preemption or General Input functions are needed.

The ICCU-S2 front panel includes a backlit LCD for displaying system status information. Front panel buttons are used during setup, placing test calls, and to enable Wi-Fi. All setup functions can be performed via Ethernet or Wi-Fi using a PC. Setup and configuration is also supported using an iPhone, iPad, or Android device via Wi-Fi. In addition, configuration via Bluetooth is supported by pairing with any connected PBS using a PC with an IN2-OSL (purchased separately), or iOS/Android mobile device. All of the connection options provide full access to setup and configuration options of both the ICCU-S2 and all connected PBS. Polara provides free apps for Windows PC, Windows 7+, iOS (5.0+) devices, and Android (5.0+) devices.

Multiple configurations are supported, with the ability to change operational features based on time of day. General purpose inputs are available for options such as voice message on emergency vehicle preemption. The system has a downloadable internal conflict monitoring and health log data capture that contains extensive status/fault reporting. Remote Monitoring can be done over Ethernet.

**Optional SDLC:**
- PN: IN2-SDLC-CABLE for a 4 ft. "Y" cable (order separately if needed)
- PN: IN2-SDLC-CABLE for Straight Cable (order separately if needed)

**Ped Walk / Don’t Walk Inputs (from load switch):**
- Optically isolated 85 VAC/DC peak

**Ped Call Outputs (to traffic controller):**
- Optically isolated 36 Volts AC/DC peak

**PBS Power Output:**
- Nominal 24 VDC, Short Circuit Protected - Auto Recovering

**General Purpose Inputs:**
- 10.36 Volt AC/DC peak, 50 mA max, Optically Isolated

**Environmental:**
- Operating: -24°C (-11°F) to +74°C (+165°F)
- Storage: -45°C (-49°F) to +85°C (+185°F)

B. CONTRACTOR shall comply with the provisions of Labor Code Section 1777.5 concerning the employment of apprentices on public works projects, and further agrees that CONTRACTOR is responsible for compliance with Section 1777.5 by all of its subcontractors.

C. Pursuant to Labor Code § 1776, CONTRACTOR and any subcontractor shall keep accurate payroll records, showing the name, address, social security number, work classification, straight time and overtime hours worked each day and week, and the actual per diem wages paid to each journeyman, apprentice, worker, or other employee employed by him or her in connection with this AGREEMENT. Each payroll record shall contain or be verified by a written declaration that it is made under penalty of perjury, stating both of the following: (1) The information contained in the payroll record is true and correct; and (2) The employer has complied with the requirements of Labor Code §§ 1811, and 1815 for any work performed by his or her employees on the public works project. The payroll records enumerated under subdivision (a) shall be certified and shall be available for inspection at all reasonable hours as required by Labor Code § 1776.

D. This AGREEMENT is further subject to 8-hour work day and wage and hour penalty law, including, but not limited to, Labor Code Sections 1810 and 1813, as well as California nondiscrimination laws, as follows:

CONTRACTOR shall strictly adhere to the provisions of the Labor Code regarding the 8-hour day and the 40-hour week, overtime, Saturday, Sunday and holiday work and nondiscrimination on the basis of race, religious creed, color, national origin, ancestry, physical disability, mental disability, medical condition, marital status, sex or sexual orientation, except as provided in Section 12940 of the Government Code. Pursuant to the provisions of the Labor Code, eight hours’ labor shall constitute a legal day’s work. CONTRACTOR shall forfeit as a penalty to AGENCY $25.00 or any greater penalty set forth in the Labor Code for each worker employed in the execution of the work by CONTRACTOR or by any Subcontractor of CONTRACTOR, for each Calendar Day.
during which such worker is required or permitted to the work more than eight hours in one Calendar Day or more than 40 hours in any one calendar week in violation of the Labor Code.

E. This AGREEMENT is subject to Public Contract Code Section 6109: CONTRACTOR shall be prohibited from performing work on this project with a subcontractor who is ineligible to perform work on the project pursuant to Sections 1777.1 or 1777.7 of the Labor Code.

ARTICLE V: Work Site Conditions

A. In compliance with and pursuant to Government Code Section 4215, AGENCY shall assume the responsibility, as between the parties to this AGREEMENT, for the timely removal, relocation, or protection of existing main- or trunk-line utility facilities located on the site of any construction project that is a subject of this AGREEMENT, if such utilities are not identified by AGENCY in the plans and specifications made a part of the invitation for bids. The Contract Documents shall include provisions to compensate CONTRACTOR for the costs of locating, repairing damage not due to the failure of CONTRACTOR to exercise reasonable care, and removing or relocating such utility facilities not indicated in the plans and specifications with reasonable accuracy and for equipment on the project necessarily idled during such work. CONTRACTOR shall not be assessed liquidated damages for delay in completion of the project, when such delay was caused by the failure of AGENCY or the owner of a utility to provide for removal or relocation of such utility facilities.

B. To the extent that the work requires trenches in excess of five feet (5’) and is estimated to cost more than $25,000, prior to any excavation, CONTRACTOR must provide the AGENCY, or a registered civil or structural engineer employed by the AGENCY to whom authority has been delegated to accept such plans, a detailed plan showing the design of shoring, bracing, sloping, or other provisions to be made for worker protection from the hazard of caving ground during the excavation of such trench or trenches. If such plan varies from the shoring system standards, the plan shall be prepared by a registered civil or structural engineer. Nothing in this section shall be deemed to allow the use of a shoring, sloping, or protective system less effective than that required by the Construction Safety Orders.

C. This AGREEMENT is further subject to Public Contract Code Section 7104 with regard to any trenches deeper than four feet (4’) involved in the proposed work as follows:

CONTRACTOR shall promptly, and before the following conditions are disturbed, notify AGENCY, in writing, of any:

(1) Material that CONTRACTOR believes may be hazardous waste, as defined in Section 25117 of the Health and Safety Code, which is required to be removed to a Class I, Class II, or Class III disposal site in accordance with existing law.

(2) Subsurface or latent physical conditions at the site differing from those indicated by all available information provided prior to the deadline for submission of bids.

(3) Unknown physical conditions at the site of any unusual nature, different materially from those ordinarily encountered and generally recognized as inherent in work of the character provided for in the contract.
AGENCY shall promptly investigate the conditions, and if it finds that the conditions do materially so differ, or involve hazardous waste, and cause a decrease or increase in CONTRACTOR’s cost of, or the time required for, performance of any part of the work, AGENCY shall issue a change order under the procedures described in this AGREEMENT.

In the event that a dispute arises between AGENCY and CONTRACTOR whether the conditions materially differ, or involve hazardous waste, or cause a decrease or increase in CONTRACTOR’s cost of, or time required for, performance of any part of the work, CONTRACTOR shall not be excused from any scheduled completion date provided in the AGREEMENT, but shall proceed with all work to be performed under the AGREEMENT. CONTRACTOR shall retain any and all rights provided either by contract or by law which pertain to the resolution of disputes and protests between the contracting parties.

**ARTICLE VI: Insurance**

A. With respect to performance of work under this AGREEMENT, CONTRACTOR shall maintain, and shall require all of its subcontractors to maintain, insurance as required by Section E “Standard Specifications” of the Contract Documents.

B. This AGREEMENT is further subject to Workers’ Compensation obligations, including, but not limited to, California Labor Code Sections 1860 and 1861 as follows:

CONTRACTOR shall take out and maintain, during the life of this contract, Worker’s Compensation Insurance for all of CONTRACTOR’s employees employed at the site of improvement; and, if any work is sublet, CONTRACTOR shall require the subcontractor similarly to provide Worker’s Compensation Insurance for all of the latter’s employees, unless such employees are covered by the protection afforded by CONTRACTOR. CONTRACTOR and any of CONTRACTOR’s subcontractors shall be required to provide AGENCY with a written statement acknowledging its obligation to secure payment of Worker’s Compensation Insurance as required by Labor Code § 1861; to wit: ‘I am aware of the provisions of Section 3700 of the Labor Code which require every employer to be insured against liability for workers’ compensation or to undertake self-insurance in accordance with the provisions of that code, and I will comply with such provisions before commencing the performance of the work of this contract.’ If any class of employees engaged in work under this AGREEMENT at the site of the Project is not protected under any Worker’s Compensation law, CONTRACTOR shall provide and shall cause each subcontractor to provide adequate insurance for the protection of employees not otherwise protected. CONTRACTOR shall indemnify and hold harmless AGENCY for any damage resulting from failure of either CONTRACTOR or any subcontractor to take out or maintain such insurance.

**ARTICLE VII: Indemnification**

To the fullest extent permitted by law, CONTRACTOR shall, at its sole cost and expense, fully defend, indemnify and hold harmless AGENCY, its authorized representatives and their respective subsidiaries, affiliates, members, directors, officers, employees and agents (collectively, the “Indemnitees”) from and against any and all claims, actions, demands, costs, judgments, liens, penalties, liabilities, damages, losses, and expenses, including but not limited to any fees of
accountants, attorneys or other professionals (collectively “Liabilities”), arising out of, in connection with, resulting from or related to, any act, omission, fault or negligence of CONTRACTOR, CONTRACTOR’s Representative, or any of its officers, agents, employees, Subcontractors or Suppliers, or any person or organization directly or indirectly employed by any of them (Collectively, the “Indemnitors”), in connection with or relating to or claimed to be in connection with or relating to the work performed under this AGREEMENT.

If CONTRACTOR is a joint venture or partnership, each venturer or partner shall be jointly and severally liable for any and all of the duties and obligations of CONTRACTOR that are assumed under or arise out of this AGREEMENT. Each of such venturers or partners waives notice of the breach or non-performance of any undertaking or obligation of CONTRACTOR contained in, resulting from or assumed under this AGREEMENT, and the failure to give any such notice shall not affect or impair such venturer’s or partner’s joint and several liability hereunder.

ARTICLE VIII: Binding Effect

AGENCY and CONTRACTOR each binds itself, its partners, successors, assigns, and legal representatives to the other party hereto and to its partners, successors, assigns, and legal representatives in respect of all covenants, agreements, and obligations contained in the Contract Documents. This AGREEMENT is not assignable nor the performance of either party’s duties delegable without the prior written consent of the other party. Any attempted or purported assignment or delegation of any of the rights of obligations of either party without the prior written consent of the other shall be void and of no force and effect.

ARTICLE IX: Dispute Resolution

A. In the event of a dispute arising out of the terms of this AGREEMENT, including any action brought to declare the rights granted herein or to enforce any of the terms of this AGREEMENT, the party prevailing in such dispute shall be entitled to all reasonable costs and litigation expenses actually incurred, including fees of attorneys and expert witnesses. Any court action arising out of this AGREEMENT shall be filed in the Los Angeles County Superior Court. Any alternative dispute resolution proceeding arising out of this AGREEMENT shall be heard in the City of Los Angeles or the City of Los Alamitos, California.

B. AGENCY shall have full authority to compromise or otherwise settle any claim relating to this AGREEMENT or any part hereof at any time. AGENCY shall provide timely notification to CONTRACTOR of the receipt of any third-party claim relating to this AGREEMENT. AGENCY shall be entitled to recover its reasonable costs incurred in providing the notification required by this section.

C. This AGREEMENT is further subject to the provisions of Article 1.5 (commencing at Section 20104) of Division 2, Part 3 of the Public Contract Code regarding the resolution of public works claims of less than $375,000. Article 1.5 mandates certain procedures for the filing of claims and supporting documentation by Contractor, for the response to such claims by the Agency, for a mandatory meet and confer conference upon the request of Contractor, for mandatory nonbinding mediation in the event litigation is commenced, and for mandatory judicial
arbitration upon the parties’ failure to resolve the dispute through mediation. This AGREEMENT hereby incorporates the provisions of Article 1.5 as though fully set forth herein.

**ARTICLE X: Independent Contractor**

CONTRACTOR is and shall at all times remain as to AGENCY, a wholly independent contractor. Neither AGENCY nor any of its agents shall have control of the conduct of CONTRACTOR or any of CONTRACTOR’s employees, except as herein set forth. CONTRACTOR shall not at any time or in any manner represent that it or any of its agents or employees are in any manner agents or employees of AGENCY.

**ARTICLE XI: Taxes**

CONTRACTOR is responsible for paying all retail, sales and use, transportation, export, import, special or other taxes and duties applicable to, and assessable against any work, materials, equipment, services, processes and operations incidental to or involved in this AGREEMENT. The CONTRACTOR is responsible for ascertaining and arranging to pay such taxes and duties. The prices established in this AGREEMENT shall include compensation for any taxes the CONTRACTOR is required to pay by laws and regulations in effect as of the execution of this AGREEMENT.

The undersigned representative of Bidder hereby certifies that he/she has reviewed the insurance coverage requirements specified in 7-3 LIABILITY INSURANCE of Section E, Standard Specifications. AUTHORIZED SIGNATURE: .............................................................................................

TITLE: ............................................................................................................................... 

DATE: ...............................................................................................................................
I, the undersigned, certify that I am aware of the following provisions of California law and that I, or the entity on whose behalf this certification is given, hold a currently valid California contractor’s license as set forth below:

Business & Professions Code § 7028.15:

a) **It is a misdemeanor for any person to submit a bid to a public agency to engage in the business or act in the capacity of a contractor within this state without having a license therefore**, except in any of the following cases:

   (1) The person is particularly exempted from this chapter.

   (2) The bid is submitted on a state project governed by Section 10164 of the Public Contract Code or on any local agency project governed by Section 20104 [now § 20103.5] of the Public Contract Code.

b) If a person has been previously convicted of the offense described in this section, the court shall impose a fine of 20 percent of the price of the contract under which the unlicensed person performed contracting work, or four thousand five hundred dollars ($4,500), whichever is greater, or imprisonment in the county jail for not less than 10 days nor more than six months, or both.

   In the event the person performing the contracting work has agreed to furnish materials and labor on an hourly basis, “the price of the contract” for the purposes of this subdivision means the aggregate sum of the cost of materials and labor furnished and the cost of completing the work to be performed.

c) This section shall not apply to a joint venture license, as required by Section 7029.1. However, at the time of making a bid as a joint venture, each person submitting the bid shall be subject to this section with respect to his/her individual licensor.

d) This section shall not affect the right or ability of a licensed architect, land surveyor, or registered professional engineer to form joint ventures with licensed contractors to render services within the scope of their respective practices.

e) Unless one of the foregoing exceptions applies, a bid submitted to a public agency by a contractor who is not licensed in accordance with this chapter shall be considered nonresponsive and shall be rejected by the public agency. Unless one of the foregoing exceptions applies, a local public agency shall, before awarding a contract or issuing a purchase order, verify that the contractor was properly licensed when the contractor submitted the bid. Notwithstanding any other provision of law, unless one of the foregoing exceptions applies, the registrar may issue a citation to any public officer or employee of a public entity who knowingly awards a contract or issues a purchase order to a contractor who is not licensed pursuant to this chapter. The amount of civil penalties, appeal, and finality of such citations shall be subject to Sections 7028.7 to 7028.13, inclusive. Any
contract awarded to, or any purchase order issued to, as contractor who is not licensed pursuant to this chapter is void.

f) Any compliance or noncompliance with subdivision (e) of this section, as added by Chapter 863 of the Statutes of 1989, shall not invalidate any contract or bid awarded by a public agency during which time that subdivision was in effect.

g) A public employee or officer shall not be subject to a citation pursuant to this section if the public employee, officer, or employing agency made an inquiry to the board for the purposes of verifying the license status of any person or contractor and the board failed to respond to the inquiry within three business days. For purposes of this section, a telephone response by the board shall be deemed sufficient.

Public Contract Code § 20103.5:

In all contracts subject to this part where federal funds are involved, no bid submitted shall be invalidated by the failure of the bidder to be licensed in accordance with the laws of this state. However, at the time the contract is awarded, the contractor shall be properly licensed in accordance with the laws of this state. The first payment for work or material under any contract shall not be made unless and until the Registrar of Contractors verifies to the agency that the records of the Contractors’ State License Board indicate that the contractor was properly licensed at the time the contract was awarded. Any bidder or contractor not so licensed shall be subject to all legal penalties imposed by law, including, but not limited to, any appropriate disciplinary action by the Contractors’ State License Board. The agency shall include a statement to that effect in the standard form of pre-qualification questionnaire and financial statement. **Failure of the bidder to obtain proper and adequate licensing for an award of a contract shall constitute a failure to execute the contract and shall result in the forfeiture of the security of the bidder.**

SUMMARY

On July 14, 2020, Staff received proposals for the Request for Proposals (RFP) 2020-02 SB2 Planning Grants Program. This item provides assistance with a SB2 Planning Grants Program (“PGP”) project to create a strategic plan and an addendum to the General Plan EIR that will provide project level CEQA compliance for future projects in the City of Los Alamitos’ Town Center Mixed Use Zoning District.

RECOMMENDATIONS

1. Award the bid for SB2 Planning Grants Planning Grants Program to Placeworks in the amount not to exceed $160,000 for the period of the agreement; and,

2. Authorize the Mayor to execute the Professional Services Agreement with Placeworks.

BACKGROUND

The City of Los Alamitos solicited Requests for Proposals from qualified firms to provide assistance with a SB2 Planning Grants Program (“PGP”) project to create a strategic plan and an addendum to the General Plan EIR that will provide project level CEQA compliance for future projects in the City of Los Alamitos’ Town Center Mixed Use Zoning District.

In 2017, Governor Brown signed Senate Bill 2 (SB 2), referred to as the “Building Homes and Jobs Act.” This bill establishes funding dedicated to promoting and facilitating affordable housing development. In November of 2019, the City of Los Alamitos was awarded $160,000 in grant funding from the State of California Housing and Community Development department. The grant funding agreement with the State was signed in February 2020. The purpose of the Los Alamitos’ particular Planning Grants Program award is to adopt a strategic plan to augment the City’s Town Center Mixed Use zoning district. This will formalize the direction and planning for the land...
use, design, circulation, and infrastructure in this area. Although the Strategic Plan would establish targeted goals, it would not be a regulatory document. The Plan provides a vision that will help guide future projects as they were envisioned in the City's General Plan and the 2010 Katella + Los Alamitos Commercial Corridors Plan.

**DISCUSSION**

On June 10, 2020, the RFP was sent to eight contractors, as well as advertised in the newspaper on June 10, 2020. As a result of the COVID-19 pandemic, bids for RFP 2020-02 SB2 Planning Grants Program were publicly opened via a Zoom meeting on Tuesday, July 14, 2020 at 2 p.m. Prospective bidders were notified of this temporary process prior to bid opening and the bid opening information noticing all bidders was posted on the City website.

One bid out of the four received was received late after the bid opening. The three (3) remaining consultant firms were rated and reviewed by Staff. All three projected to expend at, or slightly below, the grant award amount of $160,000.00. $160,000- is themaximum amount that the City will pay to the Consultant. The paid invoices will then be submitted to the State for reimbursed through the grant. The bid results are provided below:

Staff rated each Applicant on a scale and worksheet determined by the required criteria noted in the RFP. Those criteria were firm experience, coordination and supervision team work, qualification and experience of Staff and/or sub-consultants, schedule and budget responsiveness, quality control and assurance, and cost. After this rating work, Staff met to discuss the consultants to determine which consultant would be recommended to City Council. Through this process, Placeworks was determined to be the best fit to recommend as project consultant.

If Placeworks is approved, the Professional Services Agreement (PSA), attached to this report, requires for the project to be completed per the schedule noted by Placeworks, in their proposal, and that all funds are expended by June 30, 2022.

**FISCAL IMPACT**

The work provided to the City must be completed by the consultant prior to requesting payment from the City up to the full grant amount of $160,000. The City will then submit all required reimbursement documentation, including invoices at a maximum of once per quarter, and that amount shall be for a minimum of 15% of the project costs.

1.5 **Care in Performance of Project Services.** Firm shall adopt reasonable methods during the term of the Agreement to prevent losses or damage to materials, papers or other components of the Project Services, and shall be responsible for all such damages, to persons or property, until acceptance of the Project Services by the City, except such losses or damages as may be caused by City's own negligence.

1.6 **Non-Exclusive Agreement.** Firm acknowledges that City may enter into agreements with other firms, contractors, consultants, or vendors for services similar to the services that are the subject of this Agreement. Firm further acknowledges that City may have its own employees perform services similar to the services that are the subject of this Agreement.

2.1 **Maximum Contract Amount.** Firm shall be compensated for the Project Services performed, including authorized reimbursements, if any, in accordance with the rates and charges set forth in the professional hourly rates and charges set forth in the Scope of Services in an amount not to exceed one-hundred and sixty thousand Dollars ($160,000.00). The maximum amount of City’s payment obligation under this Agreement is the amount specified in this section.

2.2 **Method of Payment.** In any month in which Firm wishes to receive payment, Firm shall no later than first working day of such month, submit to the City, in a form approved by the City Manager or his designee, an invoice for services rendered prior to the date of the invoice. Such requests shall be based upon the amount and value of the services performed by Firm and accompanied by such reporting data including an itemized breakdown of all costs incurred and tasks performed during the period covered by the invoice, as may be required by the City. Within thirty (30) calendar days of receipt of invoice, City shall pay all undisputed amounts included on the invoice.

2.3 **Changes in Scope.** In the event any change or changes in the Scope of Services is requested by the City, the Parties shall execute a written amendment to this Agreement, signed by an individual authorized to formally bind the Party for which he/she is signing, setting forth with particularity all terms of such amendment, including, but not limited to, any additional professional fees. If such appropriations are not made, this Agreement shall automatically terminate without penalty to the City.
3. **SCHEDULE OF PERFORMANCE**

3.1 **Time of Essence.** Time is of the essence in the performance of this Agreement. The time for completion of the Project Services to be performed by Firm is an essential condition of this Agreement.

3.2 **Schedule of Performance.** Firm shall prosecute regularly and diligently the Project Services according to the periods specified in the Scope of Services. When requested by Firm, extensions of the time period(s) specified in the Scope of Services may be approved in writing by the Contract Officer; however, the City shall not be obligated to grant any such extension.

3.3 **Force Majeure.** The time for performance of the Project Services may be extended because of any delays due to unforeseeable causes beyond the control and without the fault or negligence of the Firm (financial inability excepted), including, but not limited to, acts of God or of the public enemy, unusually severe weather, fires, earthquakes, floods, epidemics, quarantine restrictions, riots, strikes, freight embargoes, wars, and/or acts of any governmental agency, including the City, if Firm, within ten (10) calendar days of the commencement of such delay, notifies the City Manager in writing of the causes of the delay. The City Manager shall ascertain the facts and the extent of delay, and extend the time for performing the Services for the period of the enforced delay when and if in the judgment of the City Manager such delay is justified. The City Manager's determination shall be final and conclusive upon the Parties to this Agreement. In no event shall Firm be entitled to recover damages against the City for any delay in the performance of this Agreement, however caused, Firm's sole remedy being extension of the Agreement pursuant to this section.

3.4 **Term.** Unless earlier terminated as provided elsewhere in this Agreement, this Agreement shall commence upon the Effective Date and shall continue in full force and effect for a period of one year, ending on ____, ____, ____, unless extended by mutual written agreement of the Parties.

4. **COORDINATION OF PROJECT SERVICES**

4.1 **Firm’s Representative.** The following principal of Firm is hereby designated as being the principal and representative of Firm authorized to act on its behalf with respect to the Project Services and to make all decisions in connection therewith: SB 2 Planning Grants Program. It is expressly understood that the experience, knowledge, education, capability, expertise, and reputation of the foregoing principal is a substantial inducement for City to enter into this Agreement. Therefore, the foregoing principal shall be responsible during the term of this Agreement for directing all activities of Firm and devoting sufficient time to personally supervise the Project Services performed hereunder. The foregoing principal may not be changed by Firm without prior written approval of the Contract Officer.

4.2 **City’s Contract Officer.** The City’s Contract Officer shall be such person as may
be designated by the City Manager, and is subject to change by the City Manager. It shall be the Firm's responsibility to ensure that the Contract Officer is kept fully informed of the progress of the performance of the Project Services, and the Firm shall refer any decisions which must be made by City to the Contract Officer. Unless otherwise specified herein, any approval of City required hereunder shall mean the approval of the Contract Officer. The Contract Officer shall have authority to sign all documents on behalf of the City required hereunder to carry out the terms of this Agreement.

4.3 Prohibition Against Subcontracting or Assignments. The experience, knowledge, capability, expertise, and reputation of Firm, its principals and employees, were a substantial inducement for City to enter into this Agreement. Therefore, Firm shall not assign the performance of this Agreement, nor any part thereof, nor any monies due hereunder, voluntarily or by operation of law, without the prior written consent of City. Firm shall not contract with any other entity to perform the Project Services without prior written consent of City. If Firm is permitted by City to subcontract any part of this Agreement, Firm shall be responsible to City for the acts and omissions of its subcontractor(s) in the same manner as it is for persons directly employed. Nothing contained in this Agreement shall create any contractual relationships between any subcontractor and City. All persons engaged in the performance of Project Services will be considered employees of Firm. City will deal directly with and will make all payments to Firm. In addition, neither this Agreement nor any interest herein may be transferred, assigned, conveyed, hypothecated, or encumbered voluntarily or by operation of law, whether for the benefit of creditors or otherwise, without the prior written consent of City. Transfers restricted hereunder shall include the transfer to any person or group of persons acting in concert of more than twenty five percent (25%) of the present ownership and/or control of Firm, taking all transfers into account on a cumulative basis. In the event of any such unapproved transfer, including any bankruptcy proceeding, this Agreement shall be void. No approved transfer shall release Firm or any surety of Firm from any liability hereunder without the express written consent of City.

4.4 Independent Contractor.

4.4.1 The legal relationship between the Parties is that of an independent contractor; nothing herein shall be deemed to make Firm a City employee. During the performance of this Agreement, Firm and its officers, employees, and agents shall act in an independent capacity and shall not act as City officers or employees. Firm will determine the means, methods and details of performing the Project Services subject to the requirements of this Agreement. The personnel performing the Project Services on behalf of Firm shall at all times be under Firm’s exclusive direction and control. Neither City nor any of its officials, officers, employees, agents or volunteers shall have control over the conduct of Firm or any of its officers, employees, or agents, except as set forth in this Agreement. Firm, its officers, employees or agents, shall not maintain a permanent office or fixed business location at City’s offices. City shall have no voice in the selection, discharge, supervision, or control of Firm’s officers, employees, or agents or in fixing their number, compensation, or hours of service. Firm shall pay all wages, salaries, and other amounts due its employees in connection with the performance of Project Services and shall be responsible for all reports and obligations respecting them, including but not limited to social
security income tax withholding, unemployment compensation, workers’ compensation, and other similar matters. City shall not in any way or for any purpose be deemed to be a partner of Firm in its business or otherwise a joint venturer or a member of any joint enterprise with Firm.

4.4.2 Firm shall not incur or have the power to incur any debt, obligation, or liability against City, or bind City in any manner.

4.4.3 No City benefits shall be available to Firm, its officers, employees, representatives, agents, subconsultants or subcontractors in connection with the performance of any Project Services. Except for professional fees paid to Firm as provided for in this Agreement, City shall not pay salaries, wages, or other compensation to Firm for the performance of any Project Services. City shall not be liable for compensation or indemnification to Firm, its officers, employees, representatives, agents, subconsultants or subcontractors, for injury or sickness arising out of the performance of any Project Services. If for any reason any court or governmental agency determines that the City has financial obligations, other than pursuant to Section 2 herein, of any nature relating to salary, taxes, or benefits of Firm’s officers, employees, representatives, agents, or subconsultants or subcontractors, Firm shall defend, indemnify, and hold harmless City from and against all such financial obligations.

4.5 **PERS Eligibility Indemnification.**

4.5.1 In the event that Firm or any officer, employee, representative, agent, subconsultant or subcontractor of Firm providing any Project Services claims or is determined by a court of competent jurisdiction or the California Public Employee Retirement System (PERS) to be eligible for enrollment in PERS as an employee of the City, Firm shall indemnify, defend, and hold harmless City against (1) all such claims and determinations, (2) for the payment of any employee and/or employer contributions for PERS benefits on behalf of Firm or its officers, employees, representatives, agents, subconsultants or subcontractors, and (3) the payment of any penalties and interest on such contributions, which would otherwise be the responsibility of the City.

4.5.2 Notwithstanding any other agency, state or federal policy, rule, regulation, law or ordinance to the contrary, Firm and any of its officers, employees, representatives, agents, subconsultants or subcontractors providing any Project Services shall not qualify for or become entitled to, and hereby agree to waive any claims to, any compensation, benefit, or any incident of employment by City, including but not limited to eligibility to enroll in PERS as an employee of City and entitlement to any contribution to be paid by City for employer contribution and/or employee contributions for PERS benefits.

5. **INSURANCE**

5.1 **Compliance with Insurance Requirements.** Firm shall obtain, maintain, and keep in full force and effect during the term of this Agreement, at its sole cost and expense, and in a form and content satisfactory to City, all insurance required under this section. Firm shall not
commence any Project Services unless and until it has provided evidence satisfactory to City that it has secured all insurance required under this section. If Firm’s existing insurance policies do not meet the insurance requirements set forth herein, Firm agrees to amend, supplement or endorse the policies to do so.

5.2 **Types of Insurance Required.** As a condition precedent to the effectiveness of this Agreement, and without limiting the indemnity provisions set forth in this Agreement, Firm shall obtain and maintain in full force and effect during the term of this Agreement, including any extension thereof, the following policies of insurance:

5.2.1 **Professional Liability/Errors and Omissions Insurance ("PLI").** Firm shall obtain and maintain a policy of Professional Liability or Errors and Omissions Insurance appropriate to Firm’s profession with per-claim and aggregate limits of no less than Two Million Dollars ($2,000,000.00). Covered professional services shall specifically include all Project Services to be performed under the Agreement and the policy shall be endorsed to delete any exclusions that may exclude coverage for claims within the minimum PLI limits set forth herein for the Project Services to be performed under this Agreement.

5.2.1.1 The PLI policy shall be endorsed to delete any Contractual Liability Exclusion. The PLI shall include contractual liability coverage applicable to this Agreement. The policy must “pay on behalf of” the insured, and include a provision establishing the insurer’s duty to defend the insured.

5.2.1.2 If the PLI policy is written on a “claims-made” basis, the policy shall be continued in full force and effect at all times during the term of this Agreement, and for a period of three (3) years from the date of the completion of all Project Services provided hereunder (the "PLI Coverage Period"). If any PLI policy is replaced, cancelled, non-renewed, discontinued, or otherwise terminated, or if the limits of a PLI policy are reduced or the available coverage depleted below the required minimum coverage amounts for any reason during the PLI Coverage Period, Firm shall immediately obtain replacement PLI coverage meeting the requirements of this Section 5.2.1. Such replacement coverage shall satisfy all requirements herein, and shall include coverage for the prior acts or omissions of Firm during the time period during which any Project Services were performed. The coverage shall be evidenced by either a new policy evidencing no gap in coverage, or by obtaining separate extended “tail” coverage with the present or new carrier or other insurance arrangements providing for complete coverage, either of which shall be subject to the written approval by the City.

5.2.1.3 If the PLI policy is written on an “occurrence” basis, the policy shall be continued in full force and effect during the term of this Agreement, or until completion of the Project Services provided for in this Agreement, whichever is later. In the event of termination of the PLI policy during this period, new coverage shall immediately be obtained, and written evidence of the policy shall be immediately provided to the City, to ensure PLI coverage during the entire course of performing the Project services.
5.2.1.4 Firm shall not perform any Project Services at any time during which required types or amounts of PLI insurance are not in effect, and the City shall have no obligation to pay Firm for Project Services performed while required PLI insurance is not in effect.

5.2.2 **Commercial General Liability Insurance.** Firm shall obtain and maintain, in full force and effect throughout the term of this Agreement, a policy of Commercial General Liability Insurance (CGL). Coverage shall be at least as broad as ISO Form CG 00 01 written on a per occurrence basis, including products and completed operations, property damage, bodily injury and personal & advertising injury with limits of no less than One Million Dollars ($1,000,000.00) per occurrence and Two Million Dollars ($2,000,000.00) in the general aggregate. The policy shall not contain any endorsements or provisions limiting coverage for (1) contractual liability, (2) cross liability exclusion for claims or suits by one insured against another, or (3) contain any other exclusion contrary to the Agreement.

5.2.3 **Automobile Liability Insurance.** Firm shall obtain and maintain, in full force and effect throughout the term of this Agreement, a policy of Automobile Liability Insurance. Coverage shall be at least as broad as ISO Form CA 00 01 written on a per occurrence basis, covering Code 1 (any auto), or if the Firm has no owned autos, Code 8 (hired) and Code 9 (non-owned), with limits of no less than One Million Dollars ($1,000,000.00) per occurrence covering bodily injury and property damage.

5.2.4 **Workers’ Compensation Insurance.** Firm shall obtain and maintain, in full force and effect throughout the term of this Agreement, a policy of Workers’ Compensation Insurance in at least the minimum statutory amounts, and in compliance with all other statutory requirements, as required by the State of California. Firm agrees to waive and obtain endorsements from its workers’ compensation insurer waiving all subrogation rights under its workers’ compensation insurance policy against the City, its officials, officers, employees, agents and volunteers, and to require each of its subconsultants and subcontractors, if any, to do likewise under their workers’ compensation insurance policies. Firm shall also obtain and maintain, in full force and effect throughout the term of this Agreement, a policy of Employer’s Liability Insurance written on a per occurrence basis with limits of at least One Million Dollars ($1,000,000.00) per accident for bodily injury or disease. Notwithstanding the foregoing, Firm shall not be required to procure either Worker’s Compensation Insurance or Employer’s Liability Insurance if Firm provides written verification to the City that Firm does not have any employees.

5.3 **Acceptability of Insurers.** Insurance required by this section shall be issued by a licensed company authorized to transact business in the state by the Department of Insurance for the State of California with a current rating of A-:VII or better (if an admitted carrier), or a current rating of A:X or better (if offered by a non-admitted insurer listed on the State of California List of Approved Surplus Lines Insurers (LASLI)), by the latest edition of A.M. Best’s Key Rating Guide, except that the City will accept workers’ compensation insurance from the State Compensation Fund. In the event the City determines that the work or Project Services to be performed under this Agreement creates an increased or decreased risk of loss to the City, the Firm agrees that the minimum limits of the insurance policies may be changed accordingly upon receipt
of written notice from the City. Firm shall immediately substitute any insurer whose A.M. Best rating drops below the levels specified herein.

5.4 **Specific Insurance Provisions and Endorsements.** Required insurance policies shall not be in compliance if they include any limiting provision or endorsement that has not been submitted to the City for written approval. Required insurance policies shall contain the following provisions, or Firm shall provide endorsements on forms approved by the City to add the following provisions to the insurance policies:

5.4.1 **CGL and Auto Liability Endorsements.** The policy or policies of insurance required by this section for CGL and Automobile Liability Insurance shall be endorsed as follows:

5.4.1.1 **Additional Insured.** The City, its officials, officers, employees, agents and volunteers, shall be additional insureds with regard to liability and defense of suits or claims arising out of the performance of the Agreement; and

5.4.1.1.1 **Additional Insured Endorsements.** Additional insured endorsements shall not (1) be restricted to “ongoing operations”, (2) exclude “contractual liability”, (3) restrict coverage to “sole” liability of Firm, or (4) contain any other exclusions contrary to the Agreement; and, the coverage shall contain no special limitations on the scope of protection afforded to additional insureds.

5.4.1.2 **Primary and Non-Contributing Insurance.** Each CGL and Automobile Liability Insurance policy shall be endorsed to be primary, and any other insurance, deductible, or self-insurance maintained by the City, its officials, officers, employees, agents or volunteers, shall not contribute with this primary insurance.

5.4.1.3 **Waiver of Subrogation.** Each CGL and Automobile Liability Insurance policy shall contain or be endorsed to waive subrogation against the City, its officials, officers, employees, agents and volunteers, or shall specifically allow Firm or others providing insurance evidence in compliance with the requirements set forth in this section to waive their right to recovery prior to a loss. Firm hereby agrees to waive its own right of recovery against the City, its officials, officers, employees, agents and volunteers, and Firm hereby agrees to require similar written express waivers and insurance clauses from each of its subconsultants or subcontractors.

5.4.2 **Notice of Cancellation.** Each policy of any type shall be endorsed to provide that coverage shall not be suspended, voided, cancelled, or modified, or reduced in coverage or in limits, except after thirty (30) calendar days prior written notice has been provided to the City. Notwithstanding the foregoing, if coverage is to be suspended, voided, or cancelled because of Firm’s failure to pay the insurance premium, the notice provided by the insurer to City shall be by not less than ten (10) calendar days prior written notice. (A statement that notice will be provided “in accordance with the policy terms” or words to that effect is inadequate to meet the requirements of this section.)
5.5 **Deductibles and Self-Insured Retentions.** Any deductible or self-insured retention must be approved in writing by the City in advance. The decision whether to approve or withhold approval of a deductible or self-insured retention shall be made by the City in the City's sole and absolute discretion.

5.6 **Evidence of Coverage.** Concurrently with the execution of the Agreement, Firm shall deliver certificates of insurance together with original endorsements affecting each of the insurance policies required by this section. Firm shall promptly furnish, at City’s request, copies of actual policies including all declaration pages, endorsements, exclusions and any other policy documents City may require to verify coverage.

- **5.6.1** Required insurance policies shall not be in compliance if they include any limiting provision or endorsement that has not been submitted to the City for written approval.

- **5.6.2** **Authorized Signatures.** The certificates of insurance and original endorsements for each insurance policy shall be signed by a person authorized by that insurer to bind coverage on its behalf.

- **5.6.3** **Renewal/Replacement Policies.** At least fifteen (15) calendar days prior to the expiration of any such policy, evidence of insurance showing that such insurance coverage has been renewed or extended shall be filed with the City. If such coverage is cancelled or reduced and not replaced immediately so as to avoid a lapse in the required coverage, Firm shall, within ten (10) calendar days after receipt of written notice of such cancellation or reduction of coverage, file with the City evidence of insurance showing that the required insurance has been reinstated or has been provided through another insurance company or companies meeting all requirements of this Agreement.

5.7 **Requirements Not Limiting.** Requirement of specific coverage or minimum limits contained in this section are not intended as a limitation on coverage, limits, or other requirements, or a waiver of any coverage normally provided by any insurance. Nothing in this section shall be construed as limiting in any way the indemnification provision contained in this Agreement, or the extent to which Firm may be held responsible for payments of damages to persons or property.

5.8 **Enforcement of Agreement (Non-Estoppel).** Firm acknowledges and agrees that actual or alleged failure on the part of the City to inform Firm of any non-compliance with any of the insurance requirements set forth in this section imposes no additional obligation on the City nor does it waive any rights hereunder.

5.9 **Insurance for Subconsultants.** Firm shall either: (1) include all subconsultants or subcontractors engaged in the performance of Project Services on behalf of Firm as additional named insureds under the Firm’s insurance policies; or (2) Firm shall be responsible for causing its subconsultants or subcontractors to procure and maintain the appropriate insurance in compliance with the terms of the insurance requirements set forth in this section, including adding the City, its officials, officers, employees, agents and volunteers, as additional insureds to their...
respective policies. Firm shall not allow any subconsultant or subcontractor to commence any work or services relating to this Agreement unless and until it has provided evidence satisfactory to City that the subconsultant or subcontractor has secured all insurance required under this section.

5.10 **Other Insurance Requirements.** The following terms and conditions shall apply to the insurance policies required of Firm and its subconsultants and subcontractors, if any, pursuant to this Agreement:

5.10.1 Firm shall provide immediate written notice to City if (1) any of the insurance policies required herein are terminated, cancelled or suspended, (2) the limits of any of the insurance coverages required herein are reduced, or (3) the deductible or self-insured retention is increased.

5.10.2 All insurance coverage and limits provided by Firm and available or applicable to this Agreement are intended to apply to each insured, including additional insureds, against whom a claim is made or suit is brought to the full extent of the policies. Nothing contained in this Agreement or any other agreement relating to the City or its operations shall limit the application of such insurance coverage.

5.10.3 None of the insurance coverages required herein will be in compliance with the requirements of this section if they include any limiting endorsement which substantially impairs the coverages set forth herein (e.g., elimination of contractual liability or reduction of discovery period), unless the endorsement has first been submitted to the City and approved in writing.

5.10.4 Certificates of insurance will not be accepted in lieu of required endorsements, and submittal of certificates without required endorsements may delay commencement of the Project. It is Firm’s obligation to ensure timely compliance with all insurance submittal requirements as provided herein.

5.10.5 Firm agrees to ensure that subconsultants and subcontractors, if any, and any other parties involved with the Project who are brought onto or involved in the Project by Firm, provide the same minimum insurance coverage required of Firm. Firm agrees to monitor and review all such coverage and assumes all responsibility for ensuring that such coverage is provided in conformity with the requirements of this section. Firm agrees that upon request, all agreements with subcontractors and others engaged in the provision of Project Services will be submitted to the City for review.

5.10.6 Firm agrees to provide immediate written notice to City of any claim, demand or loss against Firm arising out of the work or Project Services performed under this Agreement and for any other claim, demand or loss which may reduce the insurance available to pay claims, demands or losses arising out of this Agreement.

6. **INDEMNIFICATION**
To the fullest extent permitted by law, Firm shall defend (at Firm’s sole cost and expense with legal counsel reasonably acceptable to City), indemnify and hold the City, its officials, officers, employees, agents and volunteers, free and harmless from any and all claims, demands, orders, causes of action, costs, expenses, liabilities, losses, penalties, judgments, arbitration awards, settlements, damages or injuries of any kind, in law or in equity, including but not limited to property or persons, including wrongful death, (collectively “Claims”) in any manner arising out of, pertaining to, related to, or incident to any alleged acts, errors or omissions, or willful misconduct of Firm, its officers, directors, employees, subconsultants, subcontractors, agents or invitees in connection with performance under this Agreement, or in any manner arising out of, pertaining to, related to, or incident to an alleged breach of this Agreement, including without limitation the payment of all consequential damages, expert witness fees and attorneys’ fees and other related costs and expenses.

Notwithstanding the foregoing, and only to the extent that the Project Services performed by Firm are subject to California Civil Code Section 2782.8, the above indemnity shall be limited, to the extent required by Civil Code Section 2782.8, to claims that arise out of, pertain to, or relate to the negligence, recklessness, or willful misconduct of the Firm.

Under no circumstances shall the insurance requirements and limits set forth in this Agreement be construed to limit Firm’s indemnification obligation or other liability hereunder. Notwithstanding the foregoing, such obligation to defend, hold harmless and indemnify the City, its officials, officers, employees, agents and volunteers, shall not apply to the extent that such Claims are caused by the sole negligence or willful misconduct of that indemnified party.

7. **REPORTS AND RECORDS**

7.1 **Records.** Firm shall keep complete, accurate, and detailed accounts of all time, costs, expenses, and expenditures pertaining in any way to this Agreement. Firm shall keep such books and records as shall be necessary to properly perform the Project Services required by this Agreement and to enable the Contract Officer to evaluate the performance of such Project Services. The Contract Officer shall have full and free access to such books and records at all reasonable times, including the right to inspect, copy, audit, and make records and transcripts from such records.

7.2 **Reports.** Firm shall periodically prepare and submit to the Contract Officer such reports concerning the performance of the Project Services as the Contract Officer shall require.

7.3 **Ownership of Documents.** All drawings, specifications, reports, records, documents, memoranda, correspondence, computations, and other materials prepared by Firm, its employees, subconsultants, subcontractors and agents in the performance of this Agreement shall be the property of City and shall be promptly delivered to City upon request of the Contract Officer or upon the termination of this Agreement, and Firm shall have no claim for further employment or additional compensation as a result of the exercise by City of its full rights of ownership of the
documents and materials hereunder. Firm may retain copies of such documents for its own use. Firm shall have an unrestricted right to use the concepts embodied therein. Firm shall ensure that all of its subconsultants and subcontractors shall provide for assignment to City of any documents or materials prepared by them, and in the event Firm fails to secure such assignment, Firm shall indemnify City for all damages resulting therefrom.

7.4 Release of Documents. Except to the extent otherwise required by law, no drawing, specification, report, record, document, or other material prepared by Firm, its employees, subconsultants, subcontractors and agents in the performance of Project Services shall not be released publicly without the prior written approval of the Contract Officer.

8. ENFORCEMENT OF AGREEMENT

8.1 California Law and Venue. This Agreement shall be construed and interpreted both as to validity and as to performance of the Parties in accordance with the laws of the State of California. Legal actions concerning any dispute, claim, or matter arising out of or in relation to this Agreement shall be instituted in the Superior Court of the County of Orange, State of California, or any other appropriate court in such County, and Firm covenants and agrees to submit to the personal jurisdiction of such court in the event of such action.

8.2 Waiver. No delay or omission in the exercise of any right or remedy of a non-defaulting Party on any default shall impair such right or remedy or be construed as a waiver. No consent or approval of City shall be deemed to waiver or render unnecessary City’s consent to or approval of any subsequent act of Firm. Any waiver by either Party of any default must be in writing and shall not be a waiver of any other default concerning the same or any other provision of this Agreement.

8.3 Rights and Remedies Cumulative. Except with respect to rights and remedies expressly declared to be exclusive in this Agreement, the rights and remedies of the Parties are cumulative and the exercise by either Party of one or more of such rights or remedies shall not preclude the exercise by it, at the same or different times, of any other rights or remedies for the same default or any other default by the other Party.

8.4 Legal Action. In addition to any other rights or remedies, either Party may take legal action, in law or in equity, to cure, correct or remedy any default, to recover damages for any default, to compel specific performance of this Agreement, to obtain declaratory or injunctive relief, or to obtain any other remedy consistent with the purposes of this Agreement.

8.5 Termination Prior to Expiration of Term. City reserves the right to terminate this Agreement, at any time, with or without cause, upon thirty (30) calendar days written notice to Firm, except that where the continuation of services would constitute a danger to health, safety or general welfare, the period of notice shall be such shorter time as may be appropriate. Upon receipt of the notice of termination, Firm shall immediately cease all Project Services, except as may be specifically approved by the Contract Officer. Firm shall be entitled to compensation for
all Project Services rendered prior to receipt of the notice of termination and for any Project Services authorized by the Contract Officer thereafter.

8.6 **Termination for Default of Firm.**

8.6.1 Firm’s failure to comply with any provision of this Agreement shall constitute a default.

8.6.2 If the Contract Officer determines that Firm is in default in the performance of any of the terms or conditions of this Agreement, he/she shall notify Firm in writing of such default. If such default is capable of being cured, Firm shall have ten (10) calendar days, or such longer period as City may designate, to cure the default by rendering satisfactory performance. In the event Firm fails to cure its default within such period of time, or if such default is not capable of being cured, City shall have the right, notwithstanding any other provision of this Agreement, to terminate this Agreement without further notice and without prejudice of any remedy to which City may be entitled at law, in equity, or under this Agreement. Firm shall be liable for any and all reasonable costs incurred by City as a result of such default. Compliance with the provisions of this section shall not constitute a waiver of any City right to take legal action in the event that the dispute is not cured, provided that nothing herein shall limit City’s right to terminate this Agreement without cause pursuant to Section 8.5.

8.6.3 If termination is due to the failure of Firm to fulfill its obligations under this Agreement, City may, after compliance with the provisions of Section 8.6.2, take over the Project Services and prosecute the same to completion by contract or otherwise, and Firm shall be liable to the extent that the total direct and indirect costs for completion of the Project Services required hereunder exceeds the Maximum Contract Amount, and City may withhold any payments to Firm for the purpose of set-off toward the cost of completion of the Project Services. The withholding or failure to withhold payments to Firm shall not limit Firm’s liability for completion of the Project Services as provided herein.

8.7 **Attorneys’ Fees.** In the event any dispute between the Parties with respect to this Agreement results in litigation or any non-judicial proceeding, the prevailing Party shall be entitled, in addition to such other relief as may be granted, to recover from the non-prevailing Party all reasonable costs and expenses, including but not limited to reasonable attorneys’ fees, expert witness fees, court costs and all fees, costs, and expenses incurred in any appeal or in collection of any judgment entered in such proceeding. To the extent authorized by law, in the event of a dismissal by the plaintiff or petitioner of the litigation or non-judicial proceeding within thirty (30) calendar days of the date set for trial or hearing, the other Party shall be deemed to be the prevailing Party in such litigation or proceeding. For purposes of this section, "Reasonable attorney fees" shall be calculated by multiplying the actual number of hours reasonably expended by the attorney(s) handling the dispute on behalf of the prevailing Party by the hourly rate actually paid by the prevailing Party, but in no case shall the hourly rate exceed Two Hundred and Fifty Dollars ($250.00) per hour.
9. CITY OFFICERS AND EMPLOYEES: NON-DISCRIMINATION

9.1 Non-liability of City Officers and Employees. No officer or employee of the City shall be personally liable to the Firm, or any successor-in-interest, in the event of any default or breach by the City or for any amount which may become due to the Firm or to its successor, or for breach of any obligation of the terms of this Agreement.

9.2 Covenant Against Discrimination. Firm covenants that, by and for itself, its heirs, executors, assigns, subcontractors, subconsultants and all persons claiming under or through them, that there shall be no discrimination or segregation in the performance of or in connection with this Agreement regarding any person or group of persons on account of race, disability, medical condition, color, creed, religion, sex, sexual orientation, marital status, age, national origin, or ancestry. Firm shall take affirmative action to insure that applicants and employees are treated without regard to their race, disability, medical condition, color, creed, religion, sex, sexual orientation, marital status, national origin, or ancestry.

10. MISCELLANEOUS PROVISIONS

10.1 Confidentiality. Information obtained by Firm in the performance of this Agreement shall be treated as strictly confidential and shall not be used by Firm for any purpose other than the performance of this Agreement without the written consent of the Contract Officer.

10.2 Patent and Copyright Infringement.

10.2.1 To the fullest extent permitted by law, and in lieu of any other warranty by City or Firm against patent or copyright infringement, statutory or otherwise, it is agreed that Firm shall defend at its expense any claim or suit against City on account of any allegation that any item furnished under this Agreement, or the normal use or sale thereof arising out of the performance of this Agreement, infringes upon any presently existing U.S. letters patent or copyright and Firm shall pay all costs and damages finally awarded in any such suit or claim, provided that Firm is promptly notified in writing of the suit or claim and given authority, information and assistance at Firm’s expense for the defense of same, and provided such suit or claim arises out of, pertains to, or is related to the alleged negligence, recklessness or willful misconduct of Firm. However, Firm will not indemnify City if the suit or claim results from City's alteration of a deliverable where such alteration created the infringement upon any presently existing U.S. letters patent or copyright.

10.2.2 Firm shall have sole control of the defense of any such claim or suit and all negotiations for settlement thereof, Firm shall not be obligated to indemnify City under any settlement made without Firm’s consent or in the event City fails to cooperate in the defense of any suit or claim, provided, however, that such defense shall be at Firm’s expense. If the use or sale of such item is enjoined as a result of the suit or claim, Firm, at no expense to City, shall obtain for City the right to use and sell the item, or shall substitute an equivalent item acceptable to City and extend this patent and copyright indemnity thereto.
10.3 Notices. Any notice, demand, request, consent, approval, or communication either Party desires or is required to give to the other Party or any other person shall be in writing and either served personally during normal hours of operation of the Party receiving the notice, or sent by pre-paid, first-class mail to the address set forth below. Either Party may change its address by notifying the other Party of the change of address in writing. Notice shall be deemed communicated on the day personally served, or two (2) business days from the date of mailing if mailed as provided in this section. Additionally, notices by email will be considered legal notice if such communications include the following text in the Subject field: FORMAL LEGAL NOTICE - PLACEWORKS.

Firm agrees to fully comply with all applicable federal and state labor laws (including, without limitation, if applicable, the Prevailing Wage Laws). CITY COUNCIL AGENDA REPORT

MEETING DATE: August 17, 2020 ITEM NUMBER: 9G

To: Mayor Richard D. Murphy & Members of the City Council

Presented By: Ron Noda, Acting Development Services Director

Subject: Waive Fees Associated with Outdoor Business Sales

SUMMARY

On July 13, 2020, the City Council approved a Temporary Use Permit (TUP) Program and standards for outside business operations during the COVID-19 Pandemic. The TUP Program included a waiver of Temporary Use Permit application fees. To further assist local businesses and to facilitate implementation of the TUP Program, staff is recommending certain inspection fees and sign permit fees associated with outdoor business operations also be waived.

RECOMMENDATIONS

1. Waive inspections fees for outdoor tents, generator, and/or electrical associated with outdoor business sales; and,

2. Waive fees for temporary signs/banners permit applications associated with outdoor business sales.

DISCUSSION

The City of Los Alamitos recognizes the difficulty for local businesses to provide for social distancing during the COVID-19 pandemic. Following the State of California Department of Health and the County of Orange Health Department guidance, businesses are able to resume operations outdoors. On July 13, 2020, the City Council approved Resolution No. 2020-23, which established a Temporary Use Permit (TUP) Program and standards for outside business operations during the COVID-19 Pandemic. The TUP Program includes a waiver of the $909 Temporary Use Permit application fee.

Additional fees have been identified during the process of working with Los Alamitos businesses. Due to the state of emergency during the COVID-19 Pandemic, Staff is recommending temporarily waiving the following two additional fees during this time:
• $93.00 for a half hour inspection for outdoor tents, generators, and/or electrical
• $57.00 Temporary Sign/Banner Permit fee

FISCAL IMPACT

If affirmed, the $93.00 for a half hour inspection fee and the $57.00 application fees would not be collected by the City for each inspection and Temporary Sign/Banner Permit for outside sales and dining during the COVID-19 pandemic.

CITY COUNCIL AGENDA REPORT

MEETING DATE: August 17, 2020                ITEM NUMBER: 9H

To: Mayor Richard D. Murphy & Members of the City Council
Presented By: Chris Kelley, City Engineer
Subject: Resolution No. 2020-28 – Approving the Change of Street Name of Civic Center Drive to Epson Way

SUMMARY

Staff received a request from Epson America, Inc. to rename and replace the overhead street name signs at Civic Center Drive, along Katella Avenue, to be renamed to Epson Way. There are currently two signs which designate the driveway to the Epson America, Inc. buildings. The new signs will be consistent with other adjacent street name signage.

RECOMMENDATIONS

1. Adopt Resolution No. 2020-28, entitled, “RESOLUTION OF THE CITY COUNCIL OF THE CITY OF LOS ALAMITOS, CALIFORNIA, ORDERING A STREET NAME CHANGE FOR THE DRIVEWAY OF CIVIC CENTER DRIVE TO EPSON WAY”; and,

2. Direct the City Clerk to provide copies of the adopted Resolution No. 2020-28 to the Orange County Board of Supervisors and to the Orange County Clerk; and,

3. Direct the City Clerk to provide a copy of the adopted Resolution No. 2020-28 to the County Surveyor of Orange County; and,

4. Direct the City Clerk to notify all emergency service providers of the street name change as approved; and,

5. Direct the City Engineer to cause the street name change to be reflected by appropriate signage.
BACKGROUND

Epson America, Inc. has requested a street name sign change as part of its move to Los Alamitos and making the City its new home for its North America headquarters. The new street sign will be consistent with other adjacent City street name signs. In compliance with the provisions set forth in the Section 5026 of the California Streets and Highways Code, and Section 34091.1 of Government Code, a City Council Resolution ordering street name change must be adopted in order to effect change of name of an established street.

A notice was published in the newspaper the week of August 3 and August 10, 2020 to notify the public of the proposed street name change. No formal Public Hearing is required for changing a street name sign and the notice was provided as a courtesy. At the time the agenda was published, no inquiries or comments had been received.

FISCAL IMPACT

Staff estimates $1,000 for the purchase and installation of two (2) new street signs and two (2) news postings at $435 for a total approximate cost of $1,435. Epson America, Inc. has agreed to pay for the costs associated with the street name change.

City Manager – Chet Simmons

Los Alamitos, CA 90720

Chet,

Thank you very much for meeting with us a few weeks ago to tour the new facility and discuss our upcoming move to Los Alamitos. We are looking forward to becoming a part of the community and making the city our new corporate home. We are still looking at a move in the beginning of September, although with the current Covid situation many of our staff will split time between the office and working from home.

As discussed during our visit, we had some preliminary discussions with Les Johnson about the possibility of changing the name on the street signs on Katella from Civic Center Dr. to Epson Way. This would be a great plus in helping people find our location, and we believe it will also help from a safety point of view as people driving down Katella will see they are approaching Epson well before the turning point to enter the property.

Therefore, our request is, would the City allow us to change the two street signs (see attached) on Katella from Civic Center Drive to Epson Way? We would pay all costs associated with the change.

Please let us know if this is a possibility and what the next steps would be.

Thank you for your consideration.

Regards,

SUMMARY

The League of California Cities Annual Conference & Expo will be held virtually, October 7-9, 2020. The League is requesting City Council designation of a Voting Delegate to the Annual Business Meeting.

RECOMMENDATIONS

1. Appoint a Council Member to serve as the City’s Voting Delegate for the League of California Cities 2020 Annual Business Meeting; and,

2. Appoint a Council Member to serve as the City’s Alternate Voting Delegate in the event of the Voting Delegate’s absence.

BACKGROUND

The League of California Cities (League) 2020 Annual Conference & Expo is scheduled for Wednesday, October 7, 2020, through Friday, October 9, 2020. With so many factors related to the COVID-19 pandemic still unknown and the health and safety of League members, staff, partners, vendors, and guests as our top priority, the Board Executive Committee has made the decision to transform the annual conference into a virtual event.

One aspect of the Annual Conference is the Annual Business Meeting where the membership considers and takes action on Conference Resolutions. These Resolutions guide cities and the League in efforts to improve the quality and responsiveness of local governments throughout California. The Annual Business Meeting is currently scheduled to take place during General Assembly on Friday, October 9, 2020 from 11:00 a.m. to 12:00 p.m.
DISCUSSION

In order to facilitate the conduct of business at the Annual Business Meeting, each participating city must designate a Voting Delegate and may designate up to two Alternates. Designation of the Delegates is consistent with the League’s bylaws. The Voting Delegate and Alternate must be registered to attend the conference. At least one must be present at the Annual Business Meeting and in possession of a voting delegate card in order to cast a vote.

Accordingly, this item has been placed on the agenda for City Council consideration. Council Member Grose has expressed an interest in attending this conference. The League has advised notification of the City’s Voting Delegate and Alternate(s), if appointed, no later than August 31, 2020.

Travel Expenses
As the this year’s conference is virtual, the League has announced special pricing for members at $50.00. Full Registration Includes:

- Your ticket to all virtual educational sessions and networking opportunities
- Access to recordings of all educational sessions after the conclusion of the conference
- Electronic access to all program materials
- Access to the Virtual Expo

FISCAL IMPACT

There is no cost associated with the designation of a Voting Delegate and Alternate; however, associated Conference fees and travel expenses are $50/attendee. There are sufficient funds available in the City Council Travel and Training budget, account number 10-510-5207 for Fiscal Year 2020-21.

RE:  DESIGNATION OF VOTING DELEGATES AND ALTERNATES
     League of California Cities Annual Conference & Expo – October 7 – 9, 2020

The League’s 2020 Annual Conference & Expo is scheduled for October 7 – 9. An important part of the Annual Conference is the Annual Business Meeting (during General Assembly) on Friday, October 9. At this meeting, the League membership considers and takes action on resolutions that establish League policy.

In order to vote at the Annual Business Meeting, your city council must designate a voting delegate. Your city may also appoint up to two alternate voting delegates, one of whom may vote in the event that the designated voting delegate is unable to serve in that capacity.

Please complete the attached Voting Delegate form and return it to the League’s office no later than Wednesday, September 30. This will allow us time to establish voting delegate/alternate records prior to the conference.

Please note the following procedures are intended to ensure the integrity of the voting process at the Annual Business Meeting. These procedures assume that the conference will be held in-person at the Long Beach Convention Center as planned. Should COVID-19 conditions and restrictions prohibit the League from holding an in-person conference, new procedures will be provided.

- **Action by Council Required.** Consistent with League bylaws, a city’s voting delegate and up to two alternates must be designated by the city council. When completing the attached Voting Delegate form, please attach either a copy of the council resolution that reflects the council action taken, or have your city clerk or mayor sign the form affirming that the names provided are those selected by the city council. Please note that designating the voting delegate and alternates must be done by city council action and cannot be accomplished by individual action of the mayor or city manager alone.

- **Conference Registration Required.** The voting delegate and alternates must be registered to attend the conference. They need not register for the entire conference; they may register for Friday only. Conference registration will open by the end of July at www.cacities.org. In order to cast a vote, at least one voter must be present at the Business Meeting and in possession of the voting delegate card. Voting delegates and alternates need to pick up their conference badges before signing in and picking up the voting delegate card at the Voting Delegate Desk. This will enable them to receive the
special sticker on their name badges that will admit them into the voting area during the Business Meeting.

- **Transferring Voting Card to Non-Designated Individuals Not Allowed.** The voting delegate card may be transferred freely between the voting delegate and alternates, but only between the voting delegate and alternates. If the voting delegate and alternates find themselves unable to attend the Business Meeting, they may not transfer the voting card to another city official.

- **Seating Protocol during General Assembly.** At the Business Meeting, individuals with the voting card will sit in a separate area. Admission to this area will be limited to those individuals with a special sticker on their name badge identifying them as a voting delegate or alternate. If the voting delegate and alternates wish to sit together, they must sign in at the Voting Delegate Desk and obtain the special sticker on their badges.

Annual Conference Voting Procedures

1. **One City One Vote.** Each member city has a right to cast one vote on matters pertaining to League policy.

2. **Designating a City Voting Representative.** Prior to the Annual Conference, each city council may designate a voting delegate and up to two alternates; these individuals are identified on the Voting Delegate Form provided to the League Credentials Committee.

3. **Registering with the Credentials Committee.** The voting delegate, or alternates, may pick up the city's voting card at the Voting Delegate Desk in the conference registration area. Voting delegates and alternates must sign in at the Voting Delegate Desk. Here they will receive a special sticker on their name badge and thus be admitted to the voting area at the Business Meeting.

4. **Signing Initiated Resolution Petitions.** Only those individuals who are voting delegates (or alternates), and who have picked up their city’s voting card by providing a signature to the Credentials Committee at the Voting Delegate Desk, may sign petitions to initiate a resolution.

5. **Voting.** To cast the city's vote, a city official must have in his or her possession the city's voting card and be registered with the Credentials Committee. The voting card may be transferred freely between the voting delegate and alternates, but may not be transferred to another city official who is neither a voting delegate or alternate.

6. **Voting Area at Business Meeting.** At the Business Meeting, individuals with a voting card will sit in a designated area. Admission will be limited to those individuals with a special sticker on their name badge identifying them as a voting delegate or alternate.

7. **Resolving Disputes.** In case of dispute, the Credentials Committee will determine the validity of signatures on petitioned resolutions and the right of a city official to vote at the Business Meeting.

City officials throughout the state will come together virtually to learn, collaborate, and celebrate at the League’s 2020 Annual Conference & Expo.

Taking place on Oct. 7-9, the League's annual meeting promises to be an unparalleled educational and networking event, providing opportunities for attendees to gain perspectives and knowledge on current issues challenging cities, while deepening relationships with others in similar fields.

The virtual event will include dynamic general and breakout sessions, exciting networking opportunities, and an interactive Expo. Many opportunities emerge in a virtual environment that are impossible in an in-person conference, and we are excited to offer this reimagined experience.

Recognizing the budget constraints that cities are experiencing due to the pandemic, this year’s conference will be more easily accessible to all members, with structured pricing to further increase accessibility.

The League of California Cities Annual Conference & Expo is one of the most important events of the year for city officials. Stay tuned for upcoming announcements on speakers and sessions you don’t want to miss.

**Full Registration Includes**

- Your ticket to all virtual educational sessions and networking opportunities
- Access to recordings of all educational sessions after the conclusion of the conference

MEETING DATE: August 17, 2020

To: Mayor Richard D. Murphy & Members of the City Council

Presented By: Windmera Quintanar, MMC, City Clerk
Michael S. Daudt, City Attorney

Subject: November 3, 2020 Election – Consideration of Appointment of Sole City Council Candidate in District 3

SUMMARY

On June 15, 2020 the City Council took action calling the General Municipal to be held on Tuesday, November 3, 2020, with Districts 1, 2 and 3 City Council seats up for election. At the close of nomination period, only one candidate was nominated for the District 3 seat. Per Elections Code (EC) Section 10229, when only one person has been nominated for a District seat, the City Council may opt to appoint to office the person who has been nominated, or proceed with an uncontested election for the District seat.

RECOMMENDATIONS

1. Appoint to the City Council Jordan Nefulda, the only candidate nominated for the District 3 seat; and,

2. Adopt Resolution No. 2020-29, entitled, “A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF LOS ALAMITOS, CALIFORNIA, PROVIDING FOR THE APPOINTMENT OF JORDAN NEFULDA TO THE DISTRICT 3 CITY COUNCIL SEAT THAT WAS TO BE ELECTED ON TUESDAY, NOVEMBER 3, 2020”; and,

3. Direct the City Clerk to prepare the Oaths of Office and Certificates of Election for Jordan Nefulda for installation at the December 14, 2020, Adjourned Regular City Council meeting; and,

4. Direct the City Clerk to notify the County of Orange of the cancellation of the District 3 seat at the General Municipal Election on November 3, 2020.

OR
5. Hold the election for the uncontested District 3 City Council seat at the General Municipal Election on November 3, 2020.

**BACKGROUND**

Section 10229 of the Elections Code allows one of the following courses of action to be taken by the City Council in situations where only one candidate has been nominated for election in one of the City’s voting Districts:

1. Appoint to the office the person who has been nominated; or
2. Hold the election, with the one person that has been nominated uncontested.

**DISCUSSION**

As of the close of the nomination period on August 7, 2020, only one candidate, Jordan Nefulda, had filed nomination papers with the City Clerk’s Office. Pursuant to Section 10229, Elections Code, the City Clerk has submitted to the City Council the Certification That There Are Not More Candidates than Offices to be Elected. On August 12, 2020, the required Notice That There Are Not More Candidates than Offices to be Elected was posted at City Hall and published in the News Enterprise.

The Notice stated that the City Council will hold a meeting on August 17, 2020 to make an appointment for the District 3 City Council seat or direct an election to be held. If the City Council fails to take action by August 20, 2020, the District 3 seat will remain on the ballot for the November 3, 2020 General Municipal Election.

After the fifth day following the date of posting and publication, the City Council may make the appointment or direct an election to be held. Persons appointed for an uncontested City Council seat serve exactly as if elected at a municipal election for the office. If appointed, Mr. Nefulda would take office at the December 14, 2020 Adjourned Regular Council meeting.

Regardless the of the action Council takes tonight, there will still be an Election in the City of Los Alamitos on November 3, 2020 for the District 1 and District 2 City Council Seats and the Sales Tax Measure. Staff has checked with the Orange County Registrar of Voters and the cost for an election remains the same for one, two, or three City Council seats. Should Council opt to appoint Mr. Nefulda, the only candidate nominated for District 3, he would receive a refund for his Candidate Statement deposit.

**FISCAL IMPACT**

There would be minimal cost for translation and publishing cancellation notices for the District 3 Election. Sufficient funds have been included in the FY 2020-21 budget for this expense.
