

Dear Resident:

We are pleased to announce that the City of Los Alamitos has contracted us to make the necessary repairs at the Community Center. We expect construction to last from Monday, August 31st to Friday, September 4th from 7:30am to 4pm.

During this period, we would like to ask all residents for their patience and cooperation. Here are things you can do to make our work go quickly and cause you as little inconvenience as possible, please help us by:

- Limiting the water of your parkways during the construction period
- Keeping children, pets, and vehicles away from the work area
- Abiding by the posted "No Parking" signs within the neighborhood

If you have any questions or would like additional information, please contact me directly at 714-932-5974.

You may also submit questions or requests for additional services to the City of Los Alamitos Development Services Department by calling (562) 431-3538 extension 301.

Thank You,

Ronnie Cochran
