Dear Planning Commission:

My wife and I have been property owners since 2002. We invested in the City because of its "its small town ambience, the City offers excellent recreational and park facilities, a stellar police department, and an enthusiastic Chamber of Commerce. With its outstanding schools, friendly neighborhoods and strategic location as the crossroads of two major freeways, Los Alamitos keeps its roots in history and its future vested in the those who cherish this special community." (taken from the Los Alamitos website).

We don't think adding a massage parlor fits with this image. Let Hawaiian Gardens have massage parlors. Los Alamitos should focus on professional businesses; for example, health care.

Please do not let this business into our community.

Thank you,

Derek and Susan Davis
