BACKGROUND

The City of Los Alamitos is soliciting Requests for Proposals from qualified firms to provide assistance with a HCD (Housing and Community Development) LEAP Grants Program (“LGP”) project to create a Housing Element for the City of Los Alamitos General Plan and as well as any and all CEQA documents required to provide CEQA compliance for the Housing Element preparation.

In the 2019-20 Budget Act, Governor Gavin Newsom allocated \$250 million for all regions, cities, and counties to do their part by prioritizing planning activities that accelerate housing production to meet identified needs of every community. With this allocation, the State HCD department established the Local Early Action Planning Grant Program (LEAP) with \$119 million for cities and counties. LEAP provides one-time grant funding to cities and counties to update their planning documents and implement process improvements that will facilitate the acceleration of housing production and help local governments prepare for their 6th cycle Regional Housing Needs Assessment (RHNA).

1. SCOPE OF SERVICES

On May 18, 2020, the Los Alamitos City Council authorized Staff’s submittal of an application for the HCD LEAP Grants Program to create the City’s General Plan Housing Element and the ancillary CEQA documentation required. The projects identified in the grant application total \$65,000 and are listed here:

A. The creation of the City of Los Alamitos' Sixth Cycle Housing Element. The funds will be used in preparation and adoption of planning documents, process improvements that accelerate housing production, and facilitate compliance in implementing the sixth cycle of the regional housing need assessment.

B. The Housing Element of the General Plan identifies the City’s housing conditions and needs, establishes the goals, objectives, and policies that are the foundation of the City’s housing strategy, and provides an array of programs to create sustainable, mixed-income neighborhoods across the City. One way the Housing Element affects housing supply is by setting specific housing production targets for Los Alamitos through the Regional Housing Needs Assessment (RHNA) process.

C. Use of the grant funds would be used to hire a planning consultant to assist in preparing the next round of the Housing Element chapter of the General Plan that is due to the State’s Housing and Community Development (HCD) Department in October 2021.

Here are the project objectives approved by the State of California Housing and Community Development Department:

Please include a brief introduction and history of your firm. Be sure to state why you believe that your firm is the best qualified to provide such services to the City of Los Alamitos.

All persons engaged in the performance of Project Services will be considered employees of Firm. City will deal directly with and will make all payments to Firm. In addition, neither this Agreement nor any interest herein may be transferred, assigned, conveyed, hypothecated, or encumbered voluntarily or by operation of law, whether for the benefit of creditors or otherwise, without the prior written consent of City. Transfers restricted hereunder shall include the transfer to any person or group of persons acting in concert of more than twenty five percent (25%) of the present ownership and/or control of Firm, taking all transfers into account on a cumulative basis. 4.4 Independent Contractor.

4.4.1 The legal relationship between the Parties is that of an independent contractor; nothing herein shall be deemed to make Firm a City employee. During the performance of this Agreement, Firm and its officers, employees, and agents shall act in an independent capacity and shall not act as City officers or employees. except as set forth in this Agreement. Firm, its officers, employees or agents, shall not maintain a permanent office or fixed business location at City's offices. City shall have no voice in the selection, discharge, supervision, or control of Firm's officers, employees, or agents or in fixing their number, compensation, or hours of service. Firm shall pay all wages, salaries, and other amounts due its employees in connection with the performance of Project Services and shall be responsible for all reports and obligations respecting them, including but not limited to social security income tax withholding, unemployment compensation, workers' compensation, and other similar matters. City shall not in any way or for any purpose be deemed to be a partner of Firm in its business or otherwise a joint venturer or a member of any joint enterprise with Firm.

4.4.3 No City benefits shall be available to Firm, its officers, employees, representatives, agents, subconsultants or subcontractors in connection with the performance of any Project Services. Except for professional fees paid to Firm as provided for in this Agreement, City shall not pay salaries, wages, or other compensation to Firm for the performance of any Project Services. City shall not be liable for compensation or indemnification to Firm, its officers, employees, representatives, agents, subconsultants or subcontractors, for injury or sickness arising out of the performance of any Project Services. If for any reason any court or governmental agency determines that the City has financial obligations, other than pursuant to Section 2 herein, of any nature relating to salary, taxes, or benefits of Firm's officers, employees, representatives, agents, or subconsultants or subcontractors, Firm shall defend, indemnify, and hold harmless City from and against all such financial obligations.

4.5 PERS Eligibility Indemnification.

4.5.1 In the event that Firm or any officer, employee, representative, agent, subconsultant or subcontractor of Firm providing any Project Services claims or is determined by a court of competent jurisdiction or the California Public Employee Retirement System (PERS) to be eligible for enrollment in PERS as an employee of the City, Firm shall indemnify, defend, and hold harmless City against (1) all such claims and determinations, (2) for the payment of any employee and/or employer contributions for PERS benefits on behalf of Firm or its officers, employees, representatives, agents, subconsultants or subcontractors, and (3) the payment of any penalties and interest on such contributions, which would otherwise be the responsibility of the City.

4.5.2 Notwithstanding any other agency, state or federal policy, rule, regulation, law or ordinance to the contrary, Firm and any of its officers, employees, representatives, agents, subconsultants or subcontractors providing any Project Services shall not qualify for or become entitled to, and hereby agree to waive any claims to, any compensation, benefit, or any incident of employment by City, including but not limited to eligibility to enroll in PERS as an employee of City and entitlement to any contribution to be paid by City for employer contribution and/or employee contributions for PERS benefits.

If Firm's existing insurance policies do not meet the insurance requirements set forth herein, Firm agrees to amend, supplement or endorse the policies to do so.

5.2 Types of Insurance Required. As a condition precedent to the effectiveness of this Agreement, and without limiting the indemnity provisions set forth in this Agreement, Firm shall obtain and maintain in full force and effect during the term of this Agreement, including any extension thereof, the following policies of insurance:

Firm shall obtain and maintain a policy of Professional Liability or Errors and Omissions Insurance appropriate to Firm's profession with per-claim and aggregate limits of no less than **Two Million Dollars (\$2,000,000.00)**. Covered professional services shall specifically include all Project Services to be performed under the Agreement and the policy shall be endorsed to delete any exclusions that may exclude coverage for claims within the minimum PLI limits set forth herein for the Project Services to be performed under this Agreement.

5.2.1.1 The PLI policy shall be endorsed to delete any Contractual Liability Exclusion. The PLI shall include contractual liability coverage applicable to this Agreement. The policy must "pay on behalf of" the insured, and include a provision establishing the insurer's duty to defend the insured.

5.2.1.2 If the PLI policy is written on a "claims-made" basis, the policy shall be continued in full force and effect at all times during the term of this Agreement, and for a period of three (3) years from the date of the completion of all Project Services provided hereunder (the "PLI Coverage Period"). If any PLI policy is replaced, cancelled, non-renewed, discontinued, or otherwise terminated, or if the limits of a PLI policy are reduced or the available coverage depleted below the required minimum coverage amounts for any reason during the PLI Coverage Period, Firm shall immediately obtain replacement PLI coverage meeting the requirements of this Section 5.2.1. Such replacement coverage shall satisfy all requirements herein, and shall include coverage for the prior acts or omissions of Firm during the time period during which any Project Services were performed. The coverage shall be evidenced by either a new policy evidencing no gap in coverage, or by obtaining separate extended "tail" coverage with the present or new carrier or other insurance arrangements providing for complete coverage, either of which shall be subject to the written approval by the City.

5.2.1.3 If the PLI policy is written on an “occurrence” basis, the policy shall be continued in full force and effect during the term of this Agreement, or until completion of the Project Services provided for in this Agreement, whichever is later. In the event of termination of the PLI policy during this period, new coverage shall immediately be obtained, and written evidence of the policy shall be immediately provided to the City, to ensure PLI coverage during the entire course of performing the Project services.

5.2.1.4 Firm shall not perform any Project Services at any time during which required types or amounts of PLI insurance are not in effect, and the City shall have no obligation to pay Firm for Project Services performed while required PLI insurance is not in effect.

5.2.2 Commercial General Liability Insurance. Firm shall obtain and maintain, in full force and effect throughout the term of this Agreement, a policy of Commercial General Liability Insurance (CGL). Coverage shall be at least as broad as ISO Form CG 00 01 written on a per occurrence basis, including products and completed operations, property damage, bodily injury and personal & advertising injury with limits of no less than **One Million Dollars (\$1,000,000.00)** per occurrence and Two Million Dollars (**\$2,000,000.00**) in the general aggregate. The policy shall not contain any endorsements or provisions limiting coverage for (1) contractual liability, (2) cross liability exclusion for claims or suits by one insured against another, or (3) contain any other exclusion contrary to the Agreement.

5.2.3 Automobile Liability Insurance. Firm shall obtain and maintain, in full force and effect throughout the term of this Agreement, a policy of Automobile Liability Insurance. Coverage shall be at least as broad as ISO Form CA 00 01 written on a per occurrence basis, covering Code 1 (any auto), or if the Firm has no owned autos, Code 8 (hired) and Code 9 (non-owned), with limits of no less than **One Million Dollars (\$1,000,000.00)** for each occurrence covering bodily injury and property damage.

5.2.4 Workers’ Compensation Insurance. Firm shall obtain and maintain, in full force and effect throughout the term of this Agreement, a policy of Workers’ Compensation Insurance in at least the minimum statutory amounts, and in compliance with all other statutory requirements, as required by the State of California. Firm agrees to waive and obtain endorsements from its workers’ compensation insurer waiving all subrogation rights under its workers’ compensation insurance policy against the City, its officials, officers, employees, agents and volunteers, and to require each of its subconsultants and subcontractors, if any, to do likewise under their workers’ compensation insurance policies. Firm shall also obtain and maintain, in full force and effect throughout the term of this Agreement, a policy of Employer’s Liability Insurance written on a per occurrence basis with limits of at least **One Million Dollars (\$1,000,000.00)** per accident for bodily injury or disease. Notwithstanding the foregoing, Firm shall not be required to procure either Worker’s Compensation Insurance or Employer’s Liability Insurance if Firm provides written verification to the City that Firm does not have any employees.

5.3 Acceptability of Insurers. Insurance required by this section shall be issued by a licensed company authorized to transact business in the state by the Department of Insurance for

the State of California with a current rating of A-:VII or better (if an admitted carrier), or a current rating of A:X or better (if offered by a non-admitted insurer listed on the State of California List of Approved Surplus Lines Insurers (LASLI)), by the latest edition of A.M. Best's Key Rating Guide, except that the City will accept workers' compensation insurance from the State Compensation Fund. In the event the City determines that the work or Project Services to be performed under this Agreement creates an increased or decreased risk of loss to the City, the Firm agrees that the minimum limits of the insurance policies may be changed accordingly upon receipt of written notice from the City. Firm shall immediately substitute any insurer whose A.M. Best rating drops below the levels specified herein.

5.4 Specific Insurance Provisions and Endorsements. Required insurance policies shall not be in compliance if they include any limiting provision or endorsement that has not been submitted to the City for written approval. Required insurance policies shall contain the following provisions, or Firm shall provide endorsements on forms approved by the City to add the following provisions to the insurance policies:

5.4.1 CGL and Auto Liability Endorsements. The policy or policies of insurance required by this section for CGL and Automobile Liability Insurance shall be endorsed as follows:

5.4.1.1 Additional Insured. The City, its officials, officers, employees, agents and volunteers, shall be additional insureds with regard to liability and defense of suits or claims arising out of the performance of the Agreement; and

5.4.1.1.1 Additional Insured Endorsements. Additional insured endorsements shall not (1) be restricted to "ongoing operations", (2) exclude "contractual liability", (3) restrict coverage to "sole" liability of Firm, or (4) contain any other exclusions contrary to the Agreement; and, the coverage shall contain no special limitations on the scope of protection afforded to additional insureds.

5.4.1.2 Primary and Non-Contributing Insurance. Each CGL and Automobile Liability Insurance policy shall be endorsed to be primary, and any other insurance, deductible, or self-insurance maintained by the City, its officials, officers, employees, agents or volunteers, shall not contribute with this primary insurance.

5.4.1.3 Waiver of Subrogation. Each CGL and Automobile Liability Insurance policy shall contain or be endorsed to waive subrogation against the City, its officials, officers, employees, agents and volunteers, or shall specifically allow Firm or others providing insurance evidence in compliance with the requirements set forth in this section to waive their right to recovery prior to a loss. Firm hereby agrees to waive its own right of recovery against the City, its officials, officers, employees, agents and volunteers, and Firm hereby agrees to require similar written express waivers and insurance clauses from each of its subconsultants or subcontractors.

5.4.2 Notice of Cancellation. Each policy of any type shall be endorsed to provide that coverage shall not be suspended, voided, cancelled, or modified, or reduced in

coverage or in limits, except after thirty (30) calendar days prior written notice has been provided to the City. Notwithstanding the foregoing, if coverage is to be suspended, voided, or cancelled because of Firm's failure to pay the insurance premium, the notice provided by the insurer to City shall be by not less than ten (10) calendar days prior written notice. (A statement that notice will be provided "in accordance with the policy terms" or words to that effect is inadequate to meet the requirements of this section.)

5.5 Deductibles and Self-Insured Retentions. Any deductible or self-insured retention must be approved in writing by the City in advance. The decision whether to approve or withhold approval of a deductible or self-insured retention shall be made by the City in the City's sole and absolute discretion.

5.6 Evidence of Coverage. Concurrently with the execution of the Agreement, Firm shall deliver certificates of insurance together with original endorsements affecting each of the insurance policies required by this section. Firm shall promptly furnish, at City's request, copies of actual policies including all declaration pages, endorsements, exclusions and any other policy documents City may require to verify coverage.

5.6.1 Required insurance policies shall not be in compliance if they include any limiting provision or endorsement that has not been submitted to the City for written approval.

5.6.2 Authorized Signatures. The certificates of insurance and original endorsements for each insurance policy shall be signed by a person authorized by that insurer to bind coverage on its behalf.

5.6.3 Renewal/Replacement Policies. At least fifteen (15) calendar days prior to the expiration of any such policy, evidence of insurance showing that such insurance coverage has been renewed or extended shall be filed with the City. If such coverage is cancelled or reduced and not replaced immediately so as to avoid a lapse in the required coverage, Firm shall, within ten (10) calendar days after receipt of written notice of such cancellation or reduction of coverage, file with the City evidence of insurance showing that the required insurance has been reinstated or has been provided through another insurance company or companies meeting all requirements of this Agreement.

5.7 Requirements Not Limiting. Requirement of specific coverage or minimum limits contained in this section are not intended as a limitation on coverage, limits, or other requirements, or a waiver of any coverage normally provided by any insurance. Nothing in this section shall be construed as limiting in any way the indemnification provision contained in this Agreement, or the extent to which Firm may be held responsible for payments of damages to persons or property.

5.8 Enforcement of Agreement (Non-Estoppel). Firm acknowledges and agrees that actual or alleged failure on the part of the City to inform Firm of any non-compliance with any of the insurance requirements set forth in this section imposes no additional obligation on the City nor does it waive any rights hereunder.

5.9 Insurance for Subconsultants. Firm shall either: (1) include all subconsultants or subcontractors engaged in the performance of Project Services on behalf of Firm as additional named insureds under the Firm's insurance policies; or (2) Firm shall be responsible for causing its subconsultants or subcontractors to procure and maintain the appropriate insurance in compliance with the terms of the insurance requirements set forth in this section, including adding the City, its officials, officers, employees, agents and volunteers, as additional insureds to their respective policies. Firm shall not allow any subconsultant or subcontractor to commence any work or services relating to this Agreement unless and until it has provided evidence satisfactory to City that the subconsultant or subcontractor has secured all insurance required under this section.

5.10 Other Insurance Requirements. The following terms and conditions shall apply to the insurance policies required of Firm and its subconsultants and subcontractors, if any, pursuant to this Agreement:

5.10.1 Firm shall provide immediate written notice to City if (1) any of the insurance policies required herein are terminated, cancelled or suspended, (2) the limits of any of the insurance coverages required herein are reduced, or (3) the deductible or self-insured retention is increased.

5.10.2 All insurance coverage and limits provided by Firm and available or applicable to this Agreement are intended to apply to each insured, including additional insureds, against whom a claim is made or suit is brought to the full extent of the policies. Nothing contained in this Agreement or any other agreement relating to the City or its operations shall limit the application of such insurance coverage.

5.10.3 None of the insurance coverages required herein will be in compliance with the requirements of this section if they include any limiting endorsement which substantially impairs the coverages set forth herein (e.g., elimination of contractual liability or reduction of discovery period), unless the endorsement has first been submitted to the City and approved in writing.

5.10.4 Certificates of insurance will not be accepted in lieu of required endorsements, and submittal of certificates without required endorsements may delay commencement of the Project. It is Firm's obligation to ensure timely compliance with all insurance submittal requirements as provided herein.

5.10.5 Firm agrees to ensure that subconsultants and subcontractors, if any, and any other parties involved with the Project who are brought onto or involved in the Project by Firm, provide the same minimum insurance coverage required of Firm. Firm agrees to monitor and review all such coverage and assumes all responsibility for ensuring that such coverage is provided in conformity with the requirements of this section. Firm agrees that upon request, all agreements with subcontractors and others engaged in the provision of Project Services will be submitted to the City for review.

5.10.6 Firm agrees to provide immediate written notice to City of any claim, demand or loss against Firm arising out of the work or Project Services performed under this Agreement and for any other claim, demand or loss which may reduce the insurance available to pay claims, demands or losses arising out of this Agreement.

6. INDEMNIFICATION

To the fullest extent permitted by law, Firm shall defend (at Firm's sole cost and expense with legal counsel reasonably acceptable to City), indemnify and hold the City, its officials, officers, employees, agents and volunteers, free and harmless from any and all claims, demands, orders, causes of action, costs, expenses, liabilities, losses, penalties, judgments, arbitration awards, settlements, damages or injuries of any kind, in law or in equity, including but not limited to property or persons, including wrongful death, (collectively "Claims") in any manner arising out of, pertaining to, related to, or incident to any alleged acts, errors or omissions, or willful misconduct of Firm, its officers, directors, employees, subconsultants, subcontractors, agents or invitees in connection with performance under this Agreement, or in any manner arising out of, pertaining to, related to, or incident to an alleged breach of this Agreement, including without limitation the payment of all consequential damages, expert witness fees and attorneys' fees and other related costs and expenses.

Notwithstanding the foregoing, and only to the extent that the Project Services performed by Firm are subject to California Civil Code Section 2782.8, the above indemnity shall be limited, to the extent required by Civil Code Section 2782.8, to claims that arise out of, pertain to, or relate to the negligence, recklessness, or willful misconduct of the Firm.

Under no circumstances shall the insurance requirements and limits set forth in this Agreement be construed to limit Firm's indemnification obligation or other liability hereunder. Notwithstanding the foregoing, such obligation to defend, hold harmless and indemnify the City, its officials, officers, employees, agents and volunteers, shall not apply to the extent that such Claims are caused by the sole negligence or willful misconduct of that indemnified party.

7. REPORTS AND RECORDS

7.1 Records. Firm shall keep complete, accurate, and detailed accounts of all time, costs, expenses, and expenditures pertaining in any way to this Agreement. Firm shall keep such books and records as shall be necessary to properly perform the Project Services required by this Agreement and to enable the Contract Officer to evaluate the performance of such Project Services. The Contract Officer shall have full and free access to such books and records at all reasonable times, including the right to inspect, copy, audit, and make records and transcripts from such records.

7.2 Reports. Firm shall periodically prepare and submit to the Contract Officer such reports concerning the performance of the Project Services as the Contract Officer shall require.

7.3 Ownership of Documents. All drawings, specifications, reports, records, documents, memoranda, correspondence, computations, and other materials prepared by Firm, its employees, subconsultants, subcontractors and agents in the performance of this Agreement shall be the property of City and shall be promptly delivered to City upon request of the Contract Officer or upon the termination of this Agreement, and Firm shall have no claim for further employment or additional compensation as a result of the exercise by City of its full rights of ownership of the documents and materials hereunder. Firm may retain copies of such documents for its own use. Firm shall have an unrestricted right to use the concepts embodied therein. Firm shall ensure that all of its subconsultants and subcontractors shall provide for assignment to City of any documents or materials prepared by them, and in the event Firm fails to secure such assignment, Firm shall indemnify City for all damages resulting therefrom.

7.4 Release of Documents. Except to the extent otherwise required by law, no drawing, specification, report, record, document, or other material prepared by Firm, its employees, subconsultants, subcontractors and agents in the performance of Project Services shall not be released publicly without the prior written approval of the Contract Officer.

8. ENFORCEMENT OF AGREEMENT

8.1 California Law and Venue. This Agreement shall be construed and interpreted both as to validity and as to performance of the Parties in accordance with the laws of the State of California. Legal actions concerning any dispute, claim, or matter arising out of or in relation to this Agreement shall be instituted in the Superior Court of the County of Orange, State of California, or any other appropriate court in such County, and Firm covenants and agrees to submit to the personal jurisdiction of such court in the event of such action.

8.2 Waiver. No delay or omission in the exercise of any right or remedy of a non-defaulting Party on any default shall impair such right or remedy or be construed as a waiver. No consent or approval of City shall be deemed to waiver or render unnecessary City's consent to or approval of any subsequent act of Firm. Any waiver by either Party of any default must be in writing and shall not be a waiver of any other default concerning the same or any other provision of this Agreement.

8.3 Rights and Remedies Cumulative. Except with respect to rights and remedies expressly declared to be exclusive in this Agreement, the rights and remedies of the Parties are cumulative and the exercise by either Party of one or more of such rights or remedies shall not preclude the exercise by it, at the same or different times, of any other rights or remedies for the same default or any other default by the other Party.

8.4 Legal Action. In addition to any other rights or remedies, either Party may take legal action, in law or in equity, to cure, correct or remedy any default, to recover damages for any default, to compel specific performance of this Agreement, to obtain declaratory or injunctive relief, or to obtain any other remedy consistent with the purposes of this Agreement.

8.5 Termination Prior to Expiration of Term. City reserves the right to terminate this Agreement, at any time, with or without cause, upon thirty (30) calendar days written notice to Firm, except that where the continuation of services would constitute a danger to health, safety or general welfare, the period of notice shall be such shorter time as may be appropriate. Upon receipt of the notice of termination, Firm shall immediately cease all Project Services, except as may be specifically approved by the Contract Officer. Firm shall be entitled to compensation for all Project Services rendered prior to receipt of the notice of termination and for any Project Services authorized by the Contract Officer thereafter.

8.6 Termination for Default of Firm.

8.6.1 Firm's failure to comply with any provision of this Agreement shall constitute a default.

8.6.2 If the Contract Officer determines that Firm is in default in the performance of any of the terms or conditions of this Agreement, he/she shall notify Firm in writing of such default. If such default is capable of being cured, Firm shall have ten (10) calendar days, or such longer period as City may designate, to cure the default by rendering satisfactory performance. In the event Firm fails to cure its default within such period of time, or if such default is not capable of being cured, City shall have the right, notwithstanding any other provision of this Agreement, to terminate this Agreement without further notice and without prejudice of any remedy to which City may be entitled at law, in equity, or under this Agreement. Firm shall be liable for any and all reasonable costs incurred by City as a result of such default. Compliance with the provisions of this section shall not constitute a waiver of any City right to take legal action in the event that the dispute is not cured, provided that nothing herein shall limit City's right to terminate this Agreement without cause pursuant to Section 8.5.

8.6.3 If termination is due to the failure of Firm to fulfill its obligations under this Agreement, City may, after compliance with the provisions of Section 8.6.2, take over the Project Services and prosecute the same to completion by contract or otherwise, and Firm shall be liable to the extent that the total direct and indirect costs for completion of the Project Services required hereunder exceeds the Maximum Contract Amount, and City may withhold any payments to Firm for the purpose of set-off toward the cost of completion of the Project Services. The withholding or failure to withhold payments to Firm shall not limit Firm's liability for completion of the Project Services as provided herein.

8.7 Attorneys' Fees. In the event any dispute between the Parties with respect to this Agreement results in litigation or any non-judicial proceeding, the prevailing Party shall be entitled, in addition to such other relief as may be granted, to recover from the non-prevailing Party all reasonable costs and expenses, including but not limited to reasonable attorneys' fees, expert witness fees, court costs and all fees, costs, and expenses incurred in any appeal or in collection of any judgment entered in such proceeding. To the extent authorized by law, in the event of a dismissal by the plaintiff or petitioner of the litigation or non-judicial proceeding within thirty (30)

calendar days of the date set for trial or hearing, the other Party shall be deemed to be the prevailing Party in such litigation or proceeding. For purposes of this section, "Reasonable attorney fees" shall be calculated by multiplying the actual number of hours reasonably expended by the attorney(s) handling the dispute on behalf of the prevailing Party by the hourly rate actually paid by the prevailing Party, but in no case shall the hourly rate exceed Two Hundred and Fifty Dollars (\$250.00) per hour.

9. CITY OFFICERS AND EMPLOYEES: NON-DISCRIMINATION

9.1 Non-liability of City Officers and Employees. No officer or employee of the City shall be personally liable to the Firm, or any successor-in-interest, in the event of any default or breach by the City or for any amount which may become due to the Firm or to its successor, or for breach of any obligation of the terms of this Agreement.

9.2 Covenant Against Discrimination. Firm covenants that, by and for itself, its heirs, executors, assigns, subcontractors, subconsultants and all persons claiming under or through them, that there shall be no discrimination or segregation in the performance of or in connection with this Agreement regarding any person or group of persons on account of race, disability, medical condition, color, creed, religion, sex, sexual orientation, marital status, age, national origin, or ancestry. Firm shall take affirmative action to insure that applicants and employees are treated without regard to their race, disability, medical condition, color, creed, religion, sex, sexual orientation, marital status, national origin, or ancestry.

10. MISCELLANEOUS PROVISIONS

10.1 Confidentiality. Information obtained by Firm in the performance of this Agreement shall be treated as strictly confidential and shall not be used by Firm for any purpose other than the performance of this Agreement without the written consent of the Contract Officer.

10.2 Patent and Copyright Infringement.

10.2.1 To the fullest extent permitted by law, and in lieu of any other warranty by City or Firm against patent or copyright infringement, statutory or otherwise, it is agreed that Firm shall defend at its expense any claim or suit against City on account of any allegation that any item furnished under this Agreement, or the normal use or sale thereof arising out of the performance of this Agreement, infringes upon any presently existing U.S. letters patent or copyright and Firm shall pay all costs and damages finally awarded in any such suit or claim, provided that Firm is promptly notified in writing of the suit or claim and given authority, information and assistance at Firm's expense for the defense of same, and provided such suit or claim arises out of, pertains to, or is related to the alleged negligence, recklessness or willful misconduct of Firm. However, Firm will not indemnify City if the suit or claim results from City's alteration of a deliverable where such alteration created the infringement upon any presently existing U.S. letters patent or copyright.

10.2.2 Firm shall have sole control of the defense of any such claim or suit and all negotiations for settlement thereof, Firm shall not be obligated to indemnify City under any settlement made without Firm’s consent or in the event City fails to cooperate in the defense of any suit or claim, provided, however, that such defense shall be at Firm’s expense. If the use or sale of such item is enjoined as a result of the suit or claim, Firm, at no expense to City, shall obtain for City the right to use and sell the item, or shall substitute an equivalent item acceptable to City and extend this patent and copyright indemnity thereto.

10.3 Notices. Any notice, demand, request, consent, approval, or communication either Party desires or is required to give to the other Party or any other person shall be in writing and either served personally during normal hours of operation of the Party receiving the notice, or sent by pre-paid, first-class mail to the address set forth below. Either Party may change its address by notifying the other Party of the change of address in writing. Notice shall be deemed communicated on the day personally served, or two (2) business days from the date of mailing if mailed as provided in this section. Additionally, notices by email will be considered legal notice if such communications include the following text in the Subject field: FORMAL LEGAL NOTICE – [REDACTED].

No amendments or other modifications of this Agreement shall be binding unless executed in writing by both Parties hereto, or their respective successors, assigns, or grantees.

10.5 Severability. In the event that any one or more of the phrases, sentences, clauses,

Firm agrees to fully comply with all applicable federal and state labor laws (including, without limitation, if applicable, the Prevailing Wage Laws). It is agreed by the Parties that, in connection with the work or Project Services provided pursuant to this Agreement, Firm shall bear all risks of payment or non-payment of prevailing wages under California law, and Firm hereby agrees to defend, indemnify, and hold the City, its officials, officers, employees, agents and volunteers, free and harmless from any claim or liability arising out of any failure or alleged failure to comply with the Prevailing Wage Laws.
