DID YOU KNOW

The official flower of the City
of Los Alamitos is a Daisy

My City ♥ My Los Al

In 1981, the Los Alamitos City Council discovered Los Alamitos was one of the few cities that did not have a city flower. Council assigned the task of choosing the official flower to the City's Fine Arts & Cultural Affairs Commission. The entire community was involved in conducting a city-wide contest soliciting recommendations. Those eligible to enter the contest were students attending the Los Alamitos Unified School District. The winning submittal, Stan Weed, an elementary school student, recommended the Daisy to be chosen as the official flower of the City of Los Alamitos because he felt, "The Daisy would be a good flower, because it is bright and sunny, like the Los Alamitos climate." making the Daisy the official flower for the City of Los Alamitos.
