Los Alamitos Unified School District Honored at CPRS District 10 Banquet

Los Alamitos, CA – On Thursday, March 21, the Los Alamitos Unified School District was honored by the City of Los Alamitos, Parks, Recreation & Cultural Arts Commission, and CPRS District 10. The California Parks and Recreation Society (CPRS) District 10 regularly hosts an awards and installation banquet each spring. The awards program is designed to recognize and honor those individuals and organizations who have contributed to the recreation profession and the quality of life within CPRS District 10, whose boundaries include portions of Los Angeles and all of Orange County.

Each year the City of Los Alamitos nominates an individual and/or an organization to receive the Volunteer Merit Award at the CPRS District 10 Awards and Installation Banquet. One of this year's recipients was the Los Alamitos Unified School District. The Los Alamitos Unified School District is an exemplary partner for the City of Los Alamitos Recreation and Community Services Department, working together to bring high-quality and engaging programs to the community. With a new state-of-the-art aquatics facility built in 2021, the District partnered with the Recreation & Community Services Department to allow recreational programming during the summer of 2023 after a hiatus of six years without aquatics programming. The Department provided the Los Alamitos Community with an affordable summer aquatics program thanks to this invaluable partnership, set to go year-round beginning in the winter of 2024.

The City of Los Alamitos is very thankful for the partnership with the Los Alamitos Unified School District.
