Senior Services Master Plan Survey

Los Alamitos, CA – The City of Los Alamitos has taken on the ambitious goal of producing a Senior Services Master Plan for residents aged 50 and older. This plan, one of the first of its kind, sets out to create a program planning and implementation model catering to the wants and needs of older adults in the City of Los Alamitos and its surrounding communities. We invite all community members currently 40 years of age or older to participate in a survey to help us shape the next 20+ years of aging services in Los Alamitos. The survey is available in different languages and should take approximately 15 to 20 minutes to complete. Once completed, you will have an opportunity to be entered into an opportunity drawing for a gift card to a Los Alamitos business or restaurant. All questions are optional. You may skip any you choose not to answer and you can remain anonymous if preferred.

Community focus group dates are available for those who prefer on-site assistance from Recreation Staff or for those who would like more information about the survey. There are three Community Focus Groups available before the deadline of August 31. For a list of dates, times, and locations, please see below:
