Senior Services Master Plan Survey

The City of Los Alamitos has taken on the ambitious goal of producing a Senior Services Master Plan for residents aged 50 and older. This plan, one of the first of its kind, sets out to create a program planning and implementation model catering to the wants and needs of older adults in the City of Los Alamitos and its surrounding communities. We invite all community members who are currently 40 years of age or older to participate in a survey to help us shape the next 20+ years of aging services in Los Alamitos. The survey should take approximately 20 minutes to complete, and you will have an opportunity to be entered into an opportunity drawing for a gift card to a Los Alamitos business or restaurant.

Survey responses will be collected until August 31, 2024.

All questions are optional. You may skip any you choose not to answer and you can
