NIGHT TIME CENTER MEDIAN DEMOLITION AND RECONSTRUCTION

WHAT:

Crews are expected to demolish and reconstruct the center median on Katella Avenue/Willow Street beneath the freeway.

The removal of the existing median is anticipated to occur over several nights followed by structural excavation for approximately one week. Night time median reconstruction is expected to continue through the end of July.

Construction activities may require intermittent on- and off-ramp closures or lane reductions on Katella Avenue. Motorists are encouraged to plan ahead.

This work may be loud. The schedule is subject to change due to inclement weather or unforeseen operational issues.

WHEN:

9 p.m. to 5 a.m. nightly, beginning as soon as Wednesday, July 9 and continuing through the end of July.

CLOSURES AND DETOURS MAP

ABOUT THE PROJECT

The Orange County Transportation Authority (OCTA), in cooperation with Caltrans, is improving the local interchange at Interstate 605 (I-605) and Katella Avenue. The project will enhance safety and traffic flow by modifying existing on- and off-ramps, making improvements on Katella Avenue, and improving bicycle and pedestrian facilities.
