### Construction Activities

#### Katella Avenue Update

Over the next few months, crews will be working behind k-rail on eastbound and westbound Katella Avenue between the freeway and Epson Way. Work includes relocating utilities, reconstructing the sidewalks and performing roadway work to make room for a new bike lane.

Eastbound and westbound Katella Avenue have both been reduced to three lanes between the northbound I-605 ramps and Epson Way during this phase of construction. Motorists may experience traffic delays and should allow extra time to reach their destinations. Please use caution while traveling through the construction area.

Work hours are 6 a.m. to 4 p.m. Monday through Friday. Weekend and night work may be required for some activities. As with any construction project, the public may experience noise, vibration and lighting for nighttime construction operations.

Crews completed sidewalk removal along eastbound Katella Avenue between I-605 and Epson Way.

#### Sidewalk Access

While the sidewalks on eastbound and westbound Katella are under construction, pedestrians can use a protected walkway on eastbound Katella, which serves as a temporary pedestrian detour route. Click the image below to view a larger version of the pedestrian detour.

This work may be loud. The schedule is subject to change due to inclement weather or unforeseen operational issues.

## Safety First, Safety Always

We all share the responsibility to maintain a safe environment around construction areas. If you see something that appears unsafe or could pose a hazard, report it to the Public Outreach Team so it can be addressed promptly.

## Upcoming Closures

Please plan ahead and expect delays during these times. The following closures are expected to be in place nightly beginning as soon as 9 p.m. to 7 a.m., Monday, Oct. 27 through Friday, Oct. 31 (into Saturday morning):

- Outside lanes on eastbound and westbound Katella Avenue/Willow Street, at least one lane will be open to traffic at all times
- Outside lane on northbound and southbound I-605 at Katella Avenue/Willow Street; at least three lanes will be open to traffic at all times
- Northbound I-605 on-ramp from eastbound/westbound Katella Avenue - [click here to view detour](#)
- Northbound I-605 loop and straight off-ramps to eastbound and westbound Katella Avenue - [click here to view detour](#)
- Southbound I-605 loop and straight on-ramps from Katella Avenue - [click here to view detour](#)
- Southbound I-605 loop off-ramp and off-ramp to eastbound Katella Avenue - [click here to view detour](#)

## In the Community

Celebrate Spooky Season with the City of Los Alamitos at their annual Truck-or-Treat event on Saturday, Oct. 25 at Little Cottonwood Park. [Click here](#) for more information.

# Closures and Detours Map

An interactive "Closures and Detours Map" is updated regularly highlighting major activities and associated closures and detours. We encourage users to bookmark the link for quick access to real-time construction information. Click on the image to be redirected.

## About the Project

The Orange County Transportation Authority (OCTA), in cooperation with Caltrans, is improving the local interchange at Interstate 605 (I-605) and Katella Avenue. The project will enhance safety and traffic flow by modifying existing on- and off-ramps, making improvements on Katella Avenue, and improving bicycle and pedestrian facilities.
