Released 1/22/26

Los AI Link

Los Alamitos, CA – The City of Los Alamitos is excited to announce the launch of a new, on-demand 100% electric transportation service, the Los AI Link. Launched on January 6, 2026, this new service will help keep the Los Alamitos community connected and improve mobility. Rides are scheduled through the City’s trusted vendor, Circuit. You can request a ride by calling their dispatch line at (562) 609-4121 or by downloading the “Ride Circuit” app on your phone and scheduling the ride yourself. The app functions similarly to other rideshare apps. You simply enter your pickup location and destination, and you’ll be connected with a nearby vehicle.

Hours of Operation:

- Tuesday – Saturday
- 7:00 a.m. – 7:00 p.m.

Cost:

- Participants 50 years or older: Free
- Participants under 50 years old: \$2.50 per trip

You are not required to be a resident of Los Alamitos to access this service. However, rides are only available within City limits, including the “Shops at Rossmoor.” An ADA-accessible ride is available and can be requested when scheduling a ride.

For more information about this new service, please visit www.cityoflosalamitos.org/recreation or contact the Recreation and Community Services Department at (562) 430 – 1073.
